EMPLOYMENT OPPORTUNITY

Position Title: Airport Engineer

Description: Performs professional civil engineering functions under the immediate supervision of the Director of Engineering and Planning. Technically oriented position, which provides direct support and information to the engineering and maintenance staff. Capable of designing and preparing plans and special provisions for varying planning and construction projects.

General Duties within Category:

- Independently performs and/or manages various phases of engineering, construction and maintenance projects.
- Planning, designing, and overseeing construction and maintenance of infrastructure, equipment, and facilities such as airport buildings, aprons, taxiways, runways, navigational aids, roads, and utility systems.
- Ensure compliance with local, State, and Federal statutes, regulations and codes. Completes IDOT, FAA, and internal forms and spreadsheets.
- Assist in maintaining environmental documents and permits (i.e., SWPPP, SPCC Plan, etc).
- Performs other duties as assigned or required by Director of Engineering and Planning.

Position Requirements:

- Bachelor's Degree in Civil Engineering program from approved engineering curriculum.
- Registration as an Engineer Intern (EI) with the State of Illinois and ability to obtain Professional Engineer license is not required, but preferred.
- Proficient in AutoCad (required).
- Working knowledge of ArcGIS (preferred).
- Ability to read and interpret construction plans.
- Proficient in Microsoft Office products (required).
- No restrictions to working outdoors (required).
- Demonstrate effective written and oral communications.
- Candidate must meet background check criteria and must have a satisfactory driving.
- 0 – 5 years' experience.
- The position requires the individual work 40 hours per week with 75% in an office setting and 25% in the field.
- Work hours are 7:30 AM to 4:30 PM with one-hour lunch.
- Must reside in St. Clair County, Illinois or attain residency within 6 months of employment.

We offer a competitive salary and benefits program that includes:

- Medical/Dental Plans
- Prescription Drug Program
- Vision Plan
- Illinois Municipal Retirement Fund
- Flexible Spending Account
- Time-off Benefits
