Chief of Police of Brooklyn

Chief of Police of Washington Park
Law Enforcement Code of Ethics

As a Law Enforcement Officer, my fundamental duty is to serve mankind; to safeguard lives and property; to protect the innocent against deception, the weak against oppression or intimidation, and the peaceful against violence or disorder; and to respect the Constitutional rights of all men to liberty, equality and justice.

I will keep my private life unsullied as an example to all; maintain courageous calm in the face of danger, scorn, or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed in both my personal and official life, I will be exemplary in obeying the laws of the land and the regulations of my department. Whatever I see or hear of a confidential nature or that is confided to me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

I will never act officiously or permit personal feelings, prejudices, animosities, or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice or violence and never accepting gratuities.

I recognize the badge of my office as a symbol of public faith, and I accept it as a public trust to be held so long as I am true to the ethics of police service. I will never engage in acts of corruption or bribery, nor will Icondone such acts by other police officers. I will cooperate with all legally authorized agencies and their representatives in the pursuit of justice.

I know that I alone am responsible for my own standard of professional performance and will take every reasonable opportunity to enhance and improve my level of knowledge and competence.

I will constantly strive to achieve these objectives and ideals, dedicating myself before God to my chosen profession . . . law enforcement.

The Policy Manual is a statement of the current policies, procedures, rules, and guidelines of this department. All employees are to conform to the provisions of this manual. 212.2 EMAIL RIGHT OF PRIVACY
All email messages, including any attachments, that are transmitted over department networks are considered department records and therefore are department property. The Department reserves the right to access, audit or disclose, for any lawful reason, any message, including any attachment, that is transmitted over its email system or that is stored on any department system.

The email system is not a confidential system and therefore is not appropriate for confidential communications. If a communication must be confidential, an alternative method to communicate the message should be used. Employees using the department email system shall have no expectation of privacy concerning communications transmitted over the system.

Employees should not use personal accounts to exchange email or other information that is related to the official business of the Department.

212.3 PROHIBITED USE OF E-MAIL
Sending derogatory, defamatory, obscene, disrespectful, sexually suggestive, harassing, or any other inappropriate messages on the e-mail system is prohibited and will not be tolerated and may result in discipline.

E-mail messages addressed to the entire department are only to be used for official business related items that are of particular interest to all users and must be approved by the Chief of Police or a designee. Personal advertisements are not acceptable.

It is a violation of this policy to transmit a message under another user's name. Users are strongly encouraged to log off the network when their computer is unattended. This added security measure should minimize the misuse of an individual's e-mail, name and/or password by others.

212.4 MANAGEMENT OF E-MAIL
Because the e-mail system is not designed for long-term retention of messages, e-mail that the employee desires to save or that becomes part of an official record should be printed and/or stored in another database. Users of e-mail are solely responsible for the management of their mailboxes. Messages should be purged manually by the user at least...
Electronic Mail

once per week. All messages stored in excess of one month will be deleted at regular intervals from the server computer.
Administrative Communications

214.1 PURPOSE AND SCOPE
Administrative communications of this department are governed by the following policies.

214.2 MEMORANDUMS
Memorandums may be issued periodically by the Chief of Police to announce and document all promotions, transfers, hiring of new personnel, separations, personnel and group commendations, or other changes in status.

214.3 CORRESPONDENCE
In order to ensure that the letterhead and name of the Department are not misused, all external correspondence shall be on Department letterhead. All Department letterhead shall bear the signature element of the Chief of Police. Personnel should use Department letterhead only for official business and with approval of their supervisor.

214.4 SURVEYS
All surveys made in the name of the Department shall be authorized by the Chief of Police or his or her designee.
Retired Officer Concealed Carry

220.1 PURPOSE AND SCOPE
The purpose of this policy is to outline the process and conditions associated with the issuance, revocation, and denial of a Concealed Carry (CC) endorsement for retired officers of this department.

220.2 QUALIFIED RETIREES
Any full-time sworn officer of this department who was authorized to, and did, carry a concealed firearm during the course and scope of their employment may submit an application and required materials to the Illinois Retired Officer Concealed Carry (IROCC) Office. Information is available on the IROCC website.

220.3 MAINTAINING A IROCC CERTIFICATION
In order to maintain IROCC certification, the retired officer shall conform with all requirements, including annual firearm certification, as required by state law and ILETSB.

220.4 CARRYING FIREARMS OUT OF STATE
Subject to 18 USC § 926C and the Firearms and Qualification Policy, qualified retired officers of this department may be authorized to carry a concealed weapon in other states.
Chapter 3 - General Operations
Use of Force

300.1 PURPOSE AND SCOPE
This policy provides guidelines on the reasonable use of force. While there is no way to specify the exact amount or type of reasonable force to be applied in any situation, every member of this department is expected to use these guidelines to make such decisions in a professional, impartial and reasonable manner.

300.1.1 DEFINITIONS
Definitions related to this policy include:

Deadly force - Force reasonably anticipated and intended to create a substantial likelihood of causing death or very serious injury.

Force - The application of physical techniques or tactics, chemical agents or weapons to another person. It is not a use of force when a person allows him/herself to be searched, escorted, handcuffed or restrained.

300.2 POLICY
The use of force by law enforcement personnel is a matter of critical concern, both to the public and to the law enforcement community. Officers are involved on a daily basis in numerous and varied interactions and, when warranted, may use reasonable force in carrying out their duties.

Officers must have an understanding of, and true appreciation for, their authority and limitations. This is especially true with respect to overcoming resistance while engaged in the performance of law enforcement duties.

The Department recognizes and respects the value of all human life and dignity without prejudice to anyone. Vesting officers with the authority to use reasonable force and to protect the public welfare requires monitoring, evaluation and a careful balancing of all interests.

300.2.1 DUTY TO INTERCEDE
Any officer present and observing another officer using force that is clearly beyond that which is objectively reasonable under the circumstances shall, when in a position to do so, intercede to prevent the use of unreasonable force. An officer who observes another employee use force that exceeds the degree of force permitted by law should promptly report these observations to a supervisor.

300.3 USE OF FORCE
Officers shall use only that amount of force that reasonably appears necessary given the facts and circumstances perceived by the officer at the time of the event to accomplish a legitimate law enforcement purpose.

The reasonableness of force will be judged from the perspective of a reasonable officer on the scene at the time of the incident. Any evaluation of reasonableness must allow for the fact that officers are often forced to make split-second decisions about the amount of force
Use of Force

that reasonably appears necessary in a particular situation, with limited information and in circumstances that are tense, uncertain and rapidly evolving.

Given that no policy can realistically predict every possible situation an officer might encounter, officers are entrusted to use well-reasoned discretion in determining the appropriate use of force in each incident.

It is also recognized that circumstances may arise in which officers reasonably believe that it would be impractical or ineffective to use any of the tools, weapons or methods provided by the Department. Officers may find it more effective or reasonable to improvise their response to rapidly unfolding conditions that they are confronting. In such circumstances, the use of any improvised device or method must nonetheless be reasonable and utilized only to the degree that reasonably appears necessary to accomplish a legitimate law enforcement purpose.

While the ultimate objective of every law enforcement encounter is to avoid or minimize injury, nothing in this policy requires an officer to retreat or be exposed to possible physical injury before applying reasonable force.

300.3.1 USE OF FORCE TO EFFECT AN ARREST
An officer may use any force which he/she reasonably believes to be necessary to effect an arrest and may use any force which he/she reasonably believes to be necessary to defend him/herself or another from bodily harm while making an arrest (720 ILCS 5/7-5).

300.3.2 FACTORS USED TO DETERMINE THE REASONABLENESS OF FORCE
When determining whether to apply force and evaluating whether an officer has used reasonable force, a number of factors should be taken into consideration, as time and circumstances permit. These factors include, but are not limited to:

(a) Immediacy and severity of the threat to officers or others.
(b) The conduct of the individual being confronted, as reasonably perceived by the officer at the time.
(c) Officer/subject factors (age, size, relative strength, skill level, injuries sustained, level of exhaustion or fatigue, the number of officers available vs. subjects).
(d) The effects of drugs or alcohol.
(e) Subject's mental state or capacity.
(f) Proximity of weapons or dangerous improvised devices.
(g) The degree to which the subject has been effectively restrained and his/her ability to resist despite being restrained.
(h) The availability of other options and their possible effectiveness.
(i) Seriousness of the suspected offense or reason for contact with the individual.
(j) Training and experience of the officer.
(k) Potential for injury to officers, suspects and others.
(l) Whether the person appears to be resisting, attempting to evade arrest by flight or is attacking the officer.
(m) The risk and reasonably foreseeable consequences of escape.
(n) The apparent need for immediate control of the subject or a prompt resolution of the situation.
Use of Force

(o) Whether the conduct of the individual being confronted no longer reasonably appears to pose an imminent threat to the officer or others.

(p) Prior contacts with the subject or awareness of any propensity for violence.

(q) Any other exigent circumstances.

300.3.3 PAIN COMPLIANCE TECHNIQUES

Pain compliance techniques may be effective in controlling a physically or actively resisting individual. Officers may only apply those pain compliance techniques for which they have successfully completed department-approved training. Officers utilizing any pain compliance technique should consider:

(a) The degree to which the application of the technique may be controlled given the level of resistance.

(b) Whether the person can comply with the direction or orders of the officer.

(c) Whether the person has been given sufficient opportunity to comply.

The application of any pain compliance technique shall be discontinued once the officer determines that compliance has been achieved.

300.3.4 CAROTID CONTROL HOLD

The proper application of the carotid control hold may be effective in restraining a violent or combative individual. However, due to the potential for injury, the use of the carotid control hold is subject to the following:

(a) The officer shall have successfully completed department-approved training in the use and application of the carotid control hold.

(b) The carotid control hold may only be used when circumstances perceived by the officer at the time indicate that such application reasonably appears necessary to control a person in any of the following circumstances:

1. The subject is violent or physically resisting.
2. The subject, by words or actions, has demonstrated an intention to be violent and reasonably appears to have the potential to harm officers, him/herself or others.

(c) The application of a carotid control hold on the following individuals should generally be avoided unless the totality of the circumstances indicates that other available options reasonably appear ineffective, or would present a greater danger to the officer, the subject or others, and the officer reasonably believes that the need to control the individual outweighs the risk of applying a carotid control hold:

1. Females who are known to be pregnant
2. Elderly individuals
3. Obvious juveniles

(d) Any individual who has had the carotid control hold applied, regardless of whether he/she was rendered unconscious, shall be promptly examined by paramedics or other qualified medical personnel and should be monitored until examined by paramedics or other appropriate medical personnel.

(e) The officer shall inform any person receiving custody, or any person placed in a position of providing care, that the individual has been subjected to the carotid control hold and whether the subject lost consciousness as a result.
Use of Force

(f) Any officer attempting or applying the carotid control hold shall promptly notify a supervisor of the use or attempted use of such hold.

(g) The use or attempted use of the carotid control hold shall be thoroughly documented by the officer in any related reports.

300.4 DEADLY FORCE APPLICATIONS
Use of deadly force is justified in the following circumstances:

(a) An officer may use deadly force to protect him/herself or others from what he/she reasonably believes would be an imminent threat of death or serious bodily injury.

(b) An officer may use deadly force to stop a fleeing subject when the officer has probable cause to believe that the person has committed, or intends to commit, a felony involving the infliction or threatened infliction of serious bodily injury or death, and the officer reasonably believes that there is an imminent risk of serious bodily injury or death to any other person if the subject is not immediately apprehended. Under such circumstances, a verbal warning should precede the use of deadly force, where feasible.

Imminent does not mean immediate or instantaneous. An imminent danger may exist even if the suspect is not at that very moment pointing a weapon at someone. For example, an imminent danger may exist if an officer reasonably believes any of the following:

1. The person has a weapon or is attempting to access one and it is reasonable to believe the person intends to use it against the officer or another.

2. The person is capable of causing serious bodily injury or death without a weapon and it is reasonable to believe the person intends to do so.

300.4.1 SHOOTING AT OR FROM MOVING VEHICLES
Shots fired at or from a moving vehicle are rarely effective. Officers should move out of the path of an approaching vehicle instead of discharging their firearm at the vehicle or any of its occupants. An officer should only discharge a firearm at a moving vehicle or its occupants when the officer reasonably believes there are no other reasonable means available to avert the threat of the vehicle, or if deadly force other than the vehicle is directed at the officer or others.

Officers should not shoot at any part of a vehicle in an attempt to disable the vehicle.

300.5 REPORTING THE USE OF FORCE
Any use of force by a member of this department shall be documented promptly, completely and accurately in an appropriate report, depending on the nature of the incident. The officer should articulate the factors perceived and why he/she believed the use of force was reasonable under the circumstances. To collect data for purposes of training, resource allocation, analysis and related purposes, the Department may require the completion of additional report forms, as specified in department policy, procedure or law.

300.5.1 NOTIFICATION TO SUPERVISORS
Supervisory notification shall be made as soon as practicable following the application of force in any of the following circumstances:

(a) The application caused a visible injury.

(b) The application would lead a reasonable officer to conclude that the individual may have experienced more than momentary discomfort.
Use of Force

(c) The individual subjected to the force complained of injury or continuing pain.
(d) The individual indicates intent to pursue litigation.
(e) Any application of an TASER device or control device.
(f) Any application of a restraint device other than handcuffs, shackles or belly chains.
(g) The individual subjected to the force was rendered unconscious.
(h) An individual was struck or kicked.
(i) An individual alleges any of the above has occurred.

300.6 MEDICAL CONSIDERATION
Prior to booking or release, medical assistance shall be obtained for any person who exhibits signs of physical distress, who has sustained visible injury, expresses a complaint of injury or continuing pain, or who was rendered unconscious. Any individual exhibiting signs of physical distress after an encounter should be continuously monitored until he/she can be medically assessed.

Based upon the officer's initial assessment of the nature and extent of the subject's injuries, medical assistance may consist of examination by fire personnel, paramedics, hospital staff or medical staff at the jail. If any such individual refuses medical attention, such a refusal shall be fully documented in related reports and, whenever practicable, should be witnessed by another officer and/or medical personnel. If a recording is made of the contact or an interview with the individual, any refusal should be included in the recording, if possible.

The on-scene supervisor, or if not available, the primary handling officer shall ensure that any person providing medical care or receiving custody of a person following any use of force is informed that the person was subjected to force. This notification shall include a description of the force used and any other circumstances the officer reasonably believes would be potential safety or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration).

Persons who exhibit extreme agitation, violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond their physical characteristics and imperviousness to pain (sometimes called excited delirium), or who require a protracted physical encounter with multiple officers to be brought under control, may be at an increased risk of sudden death. Calls involving these persons should be considered medical emergencies. Officers who reasonably suspect a medical emergency should request medical assistance as soon as practicable and have medical personnel stage away if appropriate.

300.7 SUPERVISOR RESPONSIBILITY
When a supervisor is able to respond to an incident in which there has been a reported application of force, the supervisor is expected to:

(a) Obtain the basic facts from the involved officers. Absent an allegation of misconduct or excessive force, this will be considered a routine contact in the normal course of duties.
(b) Ensure that any injured parties are examined and treated.
(c) When possible, separately obtain a recorded interview with the subject upon whom force was applied. If this interview is conducted without the person having voluntarily waived his/her Miranda rights, the following shall apply:
   1. The content of the interview should not be summarized or included in any related criminal charges.
Metro East Police District
Policy Manual

Use of Force

2. The fact that a recorded interview was conducted should be documented in a property or other report.

3. The recording of the interview should be distinctly marked for retention until all potential for civil litigation has expired.

(d) Once any initial medical assessment has been completed or first aid has been rendered, ensure that photographs have been taken of any areas involving visible injury or complaint of pain, as well as overall photographs of uninjured areas. These photographs should be retained until all potential for civil litigation has expired.

(e) Identify any witnesses not already included in related reports.

(f) Review and approve all related reports.

(g) Determine if there is any indication that the subject may pursue civil litigation, the supervisor should complete and route a notification of a potential claim through the appropriate channels.

(h) Evaluate the circumstances surrounding the incident and initiate an administrative investigation if there is a question of policy non-compliance or if for any reason further investigation may be appropriate.

In the event that a supervisor is unable to respond to the scene of an incident involving the reported application of force, the supervisor is still expected to complete as many of the above items as circumstances permit.

300.7.1 SHIFT COMMANDER OR POLICE CHIEF RESPONSIBILITY
The Shift Commander of the Chief of Police or his or her designee shall review each use of force by any personnel within his/her command to ensure compliance with this policy and to address any training issues.
Use of Force Review Boards

302.1 PURPOSE AND SCOPE
This policy establishes a process for departments within the Metro East Police District to review the use of force by its employees.

This review process shall be in addition to any other review or investigation that may be conducted by any outside or multi-agency entity having jurisdiction over the investigation or evaluation of the use of deadly force.

302.2 POLICY
Departments within the Metro East Police District will objectively evaluate the use of force by its members to ensure that their authority is used lawfully, appropriately and is consistent with training and policy.

302.3 REMOVAL FROM LINE DUTY ASSIGNMENT
Generally, whenever an employee's actions or use of force in an official capacity, or while using department equipment, results in death or very serious injury to another, that employee will be placed in a temporary administrative assignment pending an administrative review. The Chief of Police may exercise discretion and choose not to place an employee in an administrative assignment in any case.

302.4 REVIEW BOARD
The Use of Force Review Board will be convened when the use of force by a member results in very serious injury or death to another.

The Use of Force Review Board will also investigate and review the circumstances surrounding every discharge of a firearm, whether the employee was on- or off-duty, excluding training or recreational use.

The Chief of Police may request the Use of Force Review Board to investigate the circumstances surrounding any use of force incident.

The involved employee's supervisor will also ensure that all relevant reports, documents and materials are available for consideration and review by the board.

302.4.1 COMPOSITION OF THE BOARD
The Chief should select five Use of Force Review Board members from the following, as appropriate:

- Representatives of other divisions
- Commanding officer in the involved member's chain of command
- Training Officer
- Non-administrative supervisor
- A peer officer
- A sworn peace officer from an outside law enforcement agency
- Department instructor for the type of weapon, device or technique used

Adopted: 2014/01/01 © 1995-2013 Lexipol, LLC
Use of Force Review Boards

The senior ranking command representative who is not in the same division as the involved employee will serve as chairperson.

302.4.2 RESPONSIBILITIES OF THE BOARD
The Use of Force Review Board is empowered to conduct an administrative review and inquiry into the circumstances of an incident.

The board members may request further investigation, request reports be submitted for the board's review, call persons to present information and request the involved employee to appear. The involved employee will be notified of the meeting of the board and may choose to have a representative through all phases of the review process.

The board does not have the authority to recommend discipline.

The Chief of Police will determine whether the board should delay its review until after completion of any criminal investigation, review by any prosecutorial body, filing of criminal charges, the decision not to file criminal charges, or any other action. The board should be provided all relevant available material from these proceedings for its consideration.

The review shall be based upon those facts which were reasonably believed or known by the officer at the time of the incident, applying any legal requirements, department policies, procedures and approved training to those facts. Facts later discovered but unknown to the officer at the time shall neither justify nor call into question an officer's decision regarding the use of force.

Any questioning of the involved employee conducted by the board will be in accordance with department's disciplinary procedures, the Personnel Complaints Policy, the current collective bargaining agreement and any applicable state or federal law.

The board shall make one of the following recommended findings:

(a) The employee’s actions were within department policy and procedure.
(b) The employee’s actions were in violation of department policy and procedure.

A recommended finding requires a majority vote of the board. The board may also recommend additional investigations or reviews, such as disciplinary investigations, training reviews to consider whether training should be developed or revised, and policy reviews, as may be appropriate. The board chairperson will submit the written recommendation to the Chief of Police.

The Chief of Police shall review the recommendation, make a final determination as to whether the employee's actions were within policy and procedure and will determine whether any additional actions, investigations or reviews are appropriate. The Chief of Police’s final findings will be forwarded to the involved employee's supervisor for review and appropriate action. If the Chief of Police concludes that discipline should be considered, a disciplinary process will be initiated.

At the conclusion of any additional reviews, copies of all relevant reports and information will be filed with the Chief of Police.
Handcuffing and Restraints

306.1 PURPOSE AND SCOPE
This policy provides guidelines for the use of handcuffs and other restraints during detentions and arrests.

306.2 POLICY
Departments within the Metro East Police District authorize the use of restraint devices in accordance with this policy, the Use of Force Policy and department training. Restraint devices shall not be used to punish, to display authority or as a show of force.

306.3 USE OF RESTRAINTS
Only members who have successfully completed Metro East Police District-approved training on the use of restraint devices described in this policy are authorized to use these devices.

When deciding whether to use any restraint, officers should carefully balance officer safety concerns with factors that include, but are not limited to:

- The circumstances or crime leading to the arrest.
- The demeanor and behavior of the arrested person.
- The age and health of the person.
- Whether the person is known to be pregnant.
- Whether the person has a hearing or speaking disability. In such cases, consideration should be given, safety permitting, to handcuffing to the front in order to allow the person to sign or write notes.
- Whether the person has any other apparent disability.

306.3.1 RESTRAINT OF DETAINEEs
Situations may arise where it may be reasonable to restrain an individual who may, after brief investigation, be released without arrest. Unless arrested, the use of restraints on detainees should continue only for as long as is reasonably necessary to assure the safety of officers and others. When deciding whether to remove restraints from a detainee, officers should continuously weigh the safety interests at hand against the continuing intrusion upon the detainee.

306.3.2 RESTRAINT OF PREGNANT PERSONS
Persons who are known to be pregnant should be restrained in the least restrictive manner that is effective for officer safety.

No person who is in labor shall be handcuffed or restrained except in extraordinary circumstances and only when a supervisor makes an individualized determination that such restraints are necessary to prevent escape or injury.
306.3.3 RESTRAINT OF JUVENILES
A juvenile under 14 years of age should not be restrained unless he/she is suspected of a dangerous felony or when the officer has a reasonable suspicion that the juvenile may resist, attempt escape, injure him/herself, injure the officer or damage property.

306.3.4 NOTIFICATIONS
Whenever an officer transports a person with the use of restraints other than handcuffs, the officer shall inform the jail staff upon arrival at the jail that restraints were used. This notification should include information regarding any other circumstances the officer reasonably believes would be potential safety concerns or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration) that may have occurred prior to, or during transportation to the jail.

306.4 APPLICATION OF HANDCUFFS OR PLASTIC CUFFS
Handcuffs, including temporary nylon or plastic cuffs, may be used only to restrain a person's hands to ensure officer safety.

Although recommended for most arrest situations, handcuffing is discretionary and not an absolute requirement of the Department. Officers should consider handcuffing any person they reasonably believe warrants that degree of restraint. However, officers should not conclude that in order to avoid risk every person should be handcuffed, regardless of the circumstances.

In most situations handcuffs should be applied with the hands behind the person's back. When feasible, handcuffs should be double-locked to prevent tightening, which may cause undue discomfort or injury to the hands or wrists.

In situations where one pair of handcuffs does not appear sufficient to restrain the individual or may cause unreasonable discomfort due to the person's size, officers should consider alternatives, such as using an additional set of handcuffs or multiple plastic cuffs.

Handcuffs should be removed as soon as it is reasonable or after the person has been searched and is safely confined within a detention facility.

306.5 APPLICATION OF SPIT HOODS/MASKS/SOCKS
Spit hoods/masks/socks are temporary protective devices designed to prevent the wearer from biting and/or transferring or transmitting fluids (saliva and mucous) to others.

Spit hoods may be placed upon persons in custody when the officer reasonably believes the person will bite or spit, either on a person or in an inappropriate place. They are generally used during application of a physical restraint, while the person is restrained, or during or after transport.

Officers utilizing spit hoods should ensure that the spit hood is fastened properly to allow for adequate ventilation and that the restrained person can breathe normally. Officers should provide assistance during the movement of restrained individuals due to the potential for impaired or distorted vision on the part of the individual. Officers should avoid comingling individuals wearing spit hoods with other detainees.

Spit hoods should not be used in situations where the restrained person is bleeding profusely from the area around the mouth or nose, or if there are indications that the person has a medical condition, such as difficulty breathing or vomiting. In such cases, prompt medical care should be obtained. If the person vomits while wearing a spit hood the spit...
Handcuffing and Restraints

hood should be promptly removed and discarded. Persons who have been sprayed with oleoresin capsicum (OC) spray should be thoroughly decontaminated including hair, head and clothing prior to application of a spit hood.

Those who have been placed in a spit hood should be continually monitored and shall not be left unattended until the spit hood is removed. Spit hoods shall be discarded after each use.

306.6 APPLICATION OF AUXILIARY RESTRAINT DEVICES
Auxiliary restraint devices include transport belts, waist or belly chains, transportation chains, leg irons and other similar devices. Auxiliary restraint devices are intended for use during long-term restraint or transportation. They provide additional security and safety without impeding breathing, while permitting adequate movement, comfort and mobility.

Only department-authorized devices may be used. Any person in auxiliary restraints should be monitored as reasonably appears necessary.

306.7 APPLICATION OF LEG RESTRAINT DEVICES
Leg restraints may be used to restrain the legs of a violent or potentially violent person when it is reasonable to do so during the course of detention, arrest or transportation. Only restraint devices approved by the department shall be used.

In determining whether to use the leg restraint, officers should consider:
(a) Whether the officer or others could be exposed to injury due to the assaultive or resistant behavior of a suspect.
(b) Whether it is reasonably necessary to protect the suspect from his/her own actions (e.g., hitting his/her head against the interior of the patrol unit, running away from the arresting officer while handcuffed, kicking at objects or officers).
(c) Whether it is reasonably necessary to avoid damage to property (e.g., kicking at windows of the patrol unit).

306.7.1 GUIDELINES FOR USE OF LEG RESTRAINTS
When applying leg restraints the following guidelines should be followed:
(a) If practicable, officers should notify a supervisor of the intent to apply the leg restraint device. In all cases, a supervisor shall be notified as soon as practicable after the application of the leg restraint device.
(b) Once applied, absent a medical or other emergency, restraints should remain in place until the officer arrives at the jail or other facility or the person no longer reasonably appears to pose a threat.
(c) Once secured, the person should be placed in a seated or upright position, secured with a seat belt, and shall not be placed on his/her stomach for an extended period, as this could reduce the person's ability to breathe.
(d) The restrained person should be continually monitored by an officer while in the leg restraint. The officer should ensure that the person does not roll onto and remain on his/her stomach.
(e) The officer should look for signs of labored breathing and take appropriate steps to relieve and minimize any obvious factors contributing to this condition.
(f) When transported by ambulance/paramedic unit, the restrained person should be accompanied by an officer when requested by medical personnel. The transporting
officer should describe to medical personnel any unusual behaviors or other circumstances the officer reasonably believes would be potential safety or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration).

306.8 REQUIRED DOCUMENTATION
If an individual is restrained and released without an arrest, the officer shall document the details of the detention and the need for handcuffs or other restraints.

If an individual is arrested, the use of restraints other than handcuffs shall be documented in the related report. The officer should include, as appropriate:

(a) The amount of time the suspect was restrained.
(b) How the suspect was transported and the position of the suspect.
(c) Observations of the suspect's behavior and any signs of physiological problems.
(d) Any known or suspected drug use or other medical problems.
Control Devices and Techniques

308.1 PURPOSE AND SCOPE
This policy provides guidelines for the use and maintenance of control devices that are described in this policy.

308.2 POLICY
In order to control subjects who are violent or who demonstrate the intent to be violent, the departments within the Metro East Police District authorize officers to use control devices in accordance with the guidelines in this policy and the Use of Force Policy.

308.3 ISSUING, CARRYING AND USING CONTROL DEVICES
Control devices described in this policy may be carried and used by members of this department only if the device has been issued by the Department or approved by the Chief of Police or the authorized designee.

Only officers who have successfully completed department-approved training in the use of any control device are authorized to carry and use the device.

Control devices may be used when a decision has been made to control, restrain or arrest a subject who is violent or who demonstrates the intent to be violent, and the use of the device appears reasonable under the circumstances. When reasonable, a verbal warning and opportunity to comply should precede the use of these devices.

When using control devices, officers should carefully consider potential impact areas in order to minimize injuries and unintentional targets.

308.4 RESPONSIBILITIES

308.4.1 SHIFT COMMANDER RESPONSIBILITIES
The Shift Commander may authorize the use of a control device by selected personnel or members of specialized units who have successfully completed the required training.

308.4.2 RANGEMASTER RESPONSIBILITIES
The Rangemaster shall control the inventory and issuance of all control devices and shall ensure that all damaged, inoperative, outdated or expended control devices or munitions are properly disposed of, repaired or replaced.

Every control device will be periodically inspected by the Rangemaster or the designated instructor for a particular control device. The inspection shall be documented.

308.4.3 USER RESPONSIBILITIES
All normal maintenance, charging or cleaning shall remain the responsibility of personnel using the various devices.

Any damaged, inoperative, outdated or expended control devices or munitions, along with documentation explaining the cause of the damage, shall be returned to the Rangemaster.
for disposition. Damage to City property forms shall also be prepared and forwarded through the chain of command, when appropriate, explaining the cause of damage.

308.5 BATON GUIDELINES
The need to immediately control a suspect must be weighed against the risk of causing serious injury. The head, neck, throat, spine, heart, kidneys and groin should not be intentionally targeted except when the officer reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the officer or others.

When carrying a baton, uniformed personnel shall carry the baton in its authorized holder on the equipment belt. Plainclothes and non-field personnel may carry the baton as authorized and in accordance with the needs of their assignment or at the direction of their supervisor.

308.6 TEAR GAS GUIDELINES
Tear gas may be used for crowd control, crowd dispersal or against barricaded suspects based on the circumstances. Only the Shift Commander, Incident Commander or Crisis Response Unit Commander may authorize the delivery and use of tear gas, and only after evaluating all conditions known at the time and determining that such force reasonably appears justified and necessary.

When practicable, fire personnel should be alerted or summoned to the scene prior to the deployment of tear gas to control any fires and to assist in providing medical aid or gas evacuation if needed.

308.7 OLEORESIN CAPSICUM (OC) GUIDELINES
As with other control devices, oleoresin capsicum (OC) spray and pepper projectiles may be considered for use to bring under control an individual or groups of individuals who are engaging in, or are about to engage in violent behavior. Pepper projectiles and OC spray should not, however, be used against individuals or groups who merely fail to disperse or do not reasonably appear to present a risk to the safety of officers or the public.

308.7.1 OC SPRAY
Uniformed personnel carrying OC spray shall carry the device in its holster on the equipment belt. Plainclothes and non-field personnel may carry OC spray as authorized, in accordance with the needs of their assignment or at the direction of their supervisor.

308.7.2 PEPPER PROJECTILE SYSTEMS
Pepper projectiles are plastic spheres that are filled with a derivative of OC powder. Because the compressed gas launcher delivers the projectiles with enough force to burst the projectiles on impact and release the OC powder, the potential exists for the projectiles to inflict injury if they strike the head, neck, spine or groin. Therefore, personnel using a pepper projectile system should not intentionally target those areas, except when the officer reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the officer or others.

Officers encountering a situation that warrants the use of a pepper projectile system shall notify a supervisor as soon as practicable. A supervisor shall respond to all pepper projectile system incidents where the suspect has been hit or exposed to the chemical agent. The supervisor shall ensure that all notifications and reports are completed as required by the Use of Force Policy.
Control Devices and Techniques

Each deployment of a pepper projectile system shall be documented. This includes situations where the launcher was directed toward the suspect, whether or not the launcher was used. Accidental discharges shall be promptly reported to a supervisor and documented on the appropriate report form. Only non-incident use of a pepper projectile system, such as training and product demonstrations, is exempt from the reporting requirement.

308.7.3 TREATMENT FOR OC SPRAY EXPOSURE
Persons who have been sprayed with or otherwise affected by the use of OC should be promptly provided with clean water to cleanse the affected areas. Those persons who complain of further severe effects shall be examined by appropriate medical personnel.

308.8 POST-APPLICATION NOTICE
Whenever tear gas or OC has been introduced into a residence, building interior, vehicle or other enclosed area, officers should provide the owners or available occupants with notice of the possible presence of residue that could result in irritation or injury if the area is not properly cleaned. Such notice should include advisement that clean up will be at the owner's expense. Information regarding the method of notice and the individuals notified should be included in related reports.

308.9 KINETIC ENERGY PROJECTILE GUIDELINES
This department is committed to reducing the potential for violent confrontations. Kinetic energy projectiles, when used properly, are less likely to result in death or serious physical injury and can be used in an attempt to de-escalate a potentially deadly situation.

308.9.1 DEPLOYMENT AND USE
Only department-approved kinetic energy munitions shall be carried and deployed. Approved munitions may be used to compel an individual to cease his/her actions when such munitions present a reasonable option.

Officers are not required or compelled to use approved munitions in lieu of other reasonable tactics if the involved officer determines that deployment of these munitions cannot be done safely. The safety of hostages, innocent persons and officers takes priority over the safety of subjects engaged in criminal or suicidal behavior.

Circumstances appropriate for deployment include, but are not limited to, situations in which:

(a) The suspect is armed with a weapon and the tactical circumstances allow for the safe application of approved munitions.

(b) The suspect has made credible threats to harm him/herself or others.

(c) The suspect is engaged in riotous behavior or is throwing rocks, bottles or other dangerous projectiles at people and/or officers.

(d) There is probable cause to believe that the suspect has already committed a crime of violence and is refusing to comply with lawful orders.

308.9.2 DEPLOYMENT CONSIDERATIONS
Before discharging projectiles, the officer should consider such factors as:

(a) Distance and angle to target.

(b) Type of munitions employed.
Control Devices and Techniques

(c) Type and thickness of subject's clothing.
(d) The subject's proximity to others.
(e) The location of the subject.
(f) Whether the subject's actions dictate the need for an immediate response and the use of control devices appears appropriate.

A verbal warning of the intended use of the device should precede its application, unless it would otherwise endanger the safety of officers or when it is not practicable due to the circumstances. The purpose of the warning is to give the individual a reasonable opportunity to voluntarily comply and to warn other officers and individuals that the device is being deployed.

Officers should keep in mind the manufacturer's recommendations and their training regarding effective distances and target areas. However, officers are not restricted solely to use according to manufacturer recommendations. Each situation must be evaluated on the totality of circumstances at the time of deployment.

The need to immediately incapacitate the subject must be weighed against the risk of causing serious injury or death. The head and neck should not be intentionally targeted, except when the officer reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the officer or others.

308.9.3 SAFETY PROCEDURES

Shotguns specifically designated for use with kinetic energy projectiles will be specially marked in a manner that makes them readily identifiable as such.

Officers will inspect the shotgun and projectiles at the beginning of each shift to ensure that the shotgun is in proper working order and the projectiles are of the approved type and appear to be free from defects.

When it is not deployed, the shotgun will be unloaded and properly and securely stored in the vehicle. When deploying the kinetic energy projectile shotgun, the officer shall visually inspect the kinetic energy projectiles to ensure that conventional ammunition is not being loaded into the shotgun.

Absent compelling circumstances, officers who must transition from conventional ammunition to kinetic energy projectiles will employ the two-person rule for loading. The two-person rule is a safety measure in which a second officer watches the unloading and loading process to ensure that the weapon is completely emptied of conventional ammunition.

308.10 TRAINING FOR CONTROL DEVICES

The Training Officer shall ensure that all personnel who are authorized to carry a control device have been properly trained and certified to carry the specific control device and are retrained or recertified as necessary.

(a) Proficiency training shall be monitored and documented by a certified, control-device weapons or tactics instructor.
(b) All training and proficiency for control devices will be documented in the officer's training file.
(c) Officers who fail to demonstrate proficiency with the control device or knowledge of this agency's Use of Force Policy will be provided remedial training. If an officer cannot
Control Devices and Techniques

demonstrate proficiency with a control device or knowledge of this agency's Use of Force Policy after remedial training, the officer will be restricted from carrying the control device and may be subject to discipline.

**308.11 REPORTING USE OF CONTROL DEVICES AND TECHNIQUES**

Any application of a control device or technique listed in this policy shall be documented in the related incident report and reported pursuant to the Use of Force Policy.
Conducted Energy Device

309.1 PURPOSE AND SCOPE
This policy provides guidelines for the issuance and use of TASER devices.

309.2 POLICY
The TASER® device is intended to control a violent or potentially violent individual, while minimizing the risk of serious injury. The appropriate use of such a device should result in fewer serious injuries to officers and suspects.

309.3 ISSUANCE AND CARRYING TASER DEVICES
Only members who have successfully completed department-approved training may be issued and carry the TASER device.

TASER devices are issued for use during a member's current assignment. Those leaving a particular assignment may be required to return the device to the department's inventory.

Officers shall only use the TASER device and cartridges that have been issued by the Department. Uniformed officers who have been issued the TASER device shall wear the device in an approved holster on their person. Non-uniformed officers may secure the TASER device in the driver's compartment of their vehicle.

Members carrying the TASER device should perform a spark test on the unit prior to every shift.

When carried while in uniform, officers shall carry the TASER device in a weak-side holster on the side opposite the duty weapon.

(a) All TASER devices shall be clearly and distinctly marked to differentiate them from the duty weapon and any other device.

(b) Whenever practicable, officers should carry two or more cartridges on their person when carrying the TASER device.

(c) Officers shall be responsible for ensuring that their issued TASER device is properly maintained and in good working order.

(d) Officers should not hold both a firearm and the TASER device at the same time.

309.4 VERBAL AND VISUAL WARNINGS
A verbal warning of the intended use of the TASER device should precede its application, unless it would otherwise endanger the safety of officers or when it is not practicable due to the circumstances. The purpose of the warning is to:

(a) Provide the individual with a reasonable opportunity to voluntarily comply.

(b) Provide other officers and individuals with a warning that the TASER device may be deployed.

If, after a verbal warning, an individual is unwilling to voluntarily comply with an officer's lawful orders and it appears both reasonable and feasible under the circumstances, the officer may, but is not required to, display the electrical arc (provided that a cartridge has not been loaded into the device), or the laser in a further attempt to gain compliance prior
Conducted Energy Device

to the application of the TASER device. The aiming laser should never be intentionally directed into the eyes of another as it may permanently impair his/her vision.

The fact that a verbal or other warning was given or the reasons it was not given shall be documented by the officer deploying the TASER device in the related report.

309.5 USE OF THE TASER DEVICE
The TASER device has limitations and restrictions requiring consideration before its use. The TASER device should only be used when its operator can safely approach the subject within the operational range of the device. Although the TASER device is generally effective in controlling most individuals, officers should be aware that the device may not achieve the intended results and be prepared with other options.

309.5.1 APPLICATION OF THE TASER DEVICE
The TASER device may be used in any of the following circumstances, when the circumstances perceived by the officer at the time indicate that such application is reasonably necessary to control a person:

(a) The subject is violent or is physically resisting.
(b) The subject has demonstrated, by words or action, an intention to be violent or to physically resist, and reasonably appears to present the potential to harm officers, him/herself or others.

Mere flight from a pursuing officer, without other known circumstances or factors, is not good cause for the use of the TASER device to apprehend an individual.

309.5.2 SPECIAL DEPLOYMENT CONSIDERATIONS
The use of the TASER device on certain individuals should generally be avoided unless the totality of the circumstances indicates that other available options reasonably appear ineffective or would present a greater danger to the officer, the subject or others, and the officer reasonably believes that the need to control the individual outweighs the risk of using the device. This includes:

(a) Individuals who are known to be pregnant.
(b) Elderly individuals or obvious juveniles.
(c) Individuals with obviously low body mass.
(d) Individuals who are handcuffed or otherwise restrained.
(e) Individuals who have been recently sprayed with a flammable chemical agent or who are otherwise in close proximity to any known combustible vapor or flammable material, including alcohol-based oleoresin capsicum (OC) spray.
(f) Individuals whose position or activity may result in collateral injury (e.g., falls from height, operating vehicles).

Because the application of the TASER device in the drive-stun mode (i.e., direct contact without probes) relies primarily on pain compliance, the use of the drive-stun mode generally should be limited to supplementing the probe-mode to complete the circuit, or as a distraction technique to gain separation between officers and the subject, thereby giving officers time and distance to consider other force options or actions.

The TASER device shall not be used to psychologically torment, elicit statements or to punish any individual.
309.5.3 TARGETING CONSIDERATIONS
Reasonable efforts should be made to target lower center mass and avoid the head, neck, chest and groin. If the dynamics of a situation or officer safety do not permit the officer to limit the application of the TASER device probes to a precise target area, officers should monitor the condition of the subject if one or more probes strikes the head, neck, chest or groin until the subject is examined by paramedics or other medical personnel.

309.5.4 MULTIPLE APPLICATIONS OF THE TASER DEVICE
Officers should apply the TASER device for only one standard cycle and then evaluate the situation before applying any subsequent cycles. Multiple applications of the TASER device against a single individual are generally not recommended and should be avoided unless the officer reasonably believes that the need to control the individual outweighs the potentially increased risk posed by multiple applications.

If the first application of the TASER device appears to be ineffective in gaining control of an individual, the officer should consider certain factors before additional applications of the TASER device, including:
(a) Whether the probes are making proper contact.
(b) Whether the individual has the ability and has been given a reasonable opportunity to comply.
(c) Whether verbal commands, other options or tactics may be more effective.

Officers should generally not intentionally apply more than one TASER device at a time against a single subject.

309.5.5 ACTIONS FOLLOWING DEPLOYMENTS
Officers shall notify a supervisor of all TASER device discharges. Confetti tags should be collected and the expended cartridge, along with both probes and wire, should be submitted into evidence. The cartridge serial number should be noted and documented on the evidence paperwork. The evidence packaging should be marked "Biohazard" if the probes penetrated the subject's skin.

309.5.6 DANGEROUS ANIMALS
The TASER device may be deployed against an animal as part of a plan to deal with a potentially dangerous animal, such as a dog, if the animal reasonably appears to pose an imminent threat to human safety and alternative methods are not reasonably available or would likely be ineffective.

309.5.7 OFF-DUTY CONSIDERATIONS
Officers are not authorized to carry department TASER devices while off-duty.

Officers shall ensure that TASER devices are secured while in their homes, vehicles or any other area under their control, in a manner that will keep the device inaccessible to others.

309.6 DOCUMENTATION
Officers shall document all TASER device discharges in the related arrest/crime report and the TASER device report form. Notification shall also be made to a supervisor in compliance with the Use of Force Policy. Unintentional discharges, pointing the device at a person, laser activation and arcing the device will also be documented on the report form.
Conducted Energy Device

309.6.1 TASER DEVICE FORM
Items that shall be included in the TASER device report form are:
(a) The type and brand of TASER device and cartridge and cartridge serial number.
(b) Date, time and location of the incident.
(c) Whether any display, laser or arc deterred a subject and gained compliance.
(d) The number of TASER device activations, the duration of each cycle, the duration between activations, and (as best as can be determined) the duration that the subject received applications.
(e) The range at which the TASER device was used.
(f) The type of mode used (probe or drive-stun).
(g) Location of any probe impact.
(h) Location of contact in drive-stun mode.
(i) Description of where missed probes went.
(j) Whether medical care was provided to the subject.
(k) Whether the subject sustained any injuries.
(l) Whether any officers sustained any injuries.

The Training Officer should periodically analyze the report forms to identify trends, including deterrence and effectiveness. The Training Officer should also conduct audits of data downloads and reconcile TASER device report forms with recorded activations. TASER device information and statistics, with identifying information removed, should periodically be made available to the public.

309.6.2 REPORTS
The officer should include the following in the arrest/crime report:
(a) Identification of all personnel firing TASER devices
(b) Identification of all witnesses
(c) Medical care provided to the subject
(d) Observations of the subject's physical and physiological actions
(e) Any known or suspected drug use, intoxication or other medical problems

309.7 MEDICAL TREATMENT
Consistent with local medical personnel protocols and absent extenuating circumstances, only appropriate medical personnel should remove TASER device probes from a person's body. Used TASER device probes shall be treated as a sharps biohazard, similar to a used hypodermic needle, and handled appropriately. Universal precautions should be taken.

All persons who have been struck by TASER device probes or who have been subjected to the electric discharge of the device shall be medically assessed prior to booking. Additionally, any such individual who falls under any of the following categories should, as soon as practicable, be examined by paramedics or other qualified medical personnel:
(a) The person is suspected of being under the influence of controlled substances and/or alcohol.
(b) The person may be pregnant.
(c) The person reasonably appears to be in need of medical attention.
Conducted Energy Device

(d) The TASER device probes are lodged in a sensitive area (e.g., groin, female breast, head, face, neck).

(e) The person requests medical treatment.

Any individual exhibiting signs of distress or who is exposed to multiple or prolonged applications (i.e., more than 15 seconds) shall be transported to a medical facility for examination or medically evaluated prior to booking. If any individual refuses medical attention, such a refusal should be witnessed by another officer and/or medical personnel and shall be fully documented in related reports. If an audio recording is made of the contact or an interview with the individual, any refusal should be included, if possible.

The transporting officer shall inform any person providing medical care or receiving custody that the individual has been subjected to the application of the TASER device.

309.8 SUPERVISOR RESPONSIBILITIES

When possible, supervisors should respond to calls when they reasonably believe there is a likelihood the TASER device may be used. A supervisor should respond to all incidents where the TASER device was activated.

A supervisor should review each incident where a person has been exposed to an activation of the TASER device. The device's onboard memory should be downloaded through the data port by a supervisor or Rangemaster and saved with the related arrest/crime report. Photographs of probe sites should be taken and witnesses interviewed.

309.9 TRAINING

Personnel who are authorized to carry the TASER device shall be permitted to do so only after successfully completing the initial department-approved training. Any personnel who have not carried the TASER device as a part of their assignment for a period of six months or more shall be recertified by a department-approved TASER device instructor prior to again carrying or using the device.

Proficiency training for personnel who have been issued TASER devices should occur every year. A reassessment of an officer's knowledge and/or practical skill may be required at any time if deemed appropriate by the Training Officer. All training and proficiency for TASER devices will be documented in the officer's training file.

Command staff, supervisors and investigators should receive TASER device training as appropriate for the investigations they conduct and review.

Officers who do not carry TASER devices should receive training that is sufficient to familiarize them with the device and with working with officers who use the device.

The Training Officer is responsible for ensuring that all members who carry TASER devices have received initial and annual proficiency training. Periodic audits should be used for verification.

Application of TASER devices during training could result in injury to personnel and should not be mandatory for certification.

The Training Officer should ensure that all training includes:

(a) A review of this policy.

(b) A review of the Use of Force Policy.
Conducted Energy Device

(c) Performing weak-hand draws or cross-draws to reduce the possibility of accidentally drawing and firing a firearm.

(d) Target area considerations, to include techniques or options to reduce the accidental application of probes near the head, neck, chest and groin.

(e) Handcuffing a subject during the application of the TASER device and transitioning to other force options.

(f) De-escalation techniques.

(g) Restraint techniques that do not impair respiration following the application of the TASER device.
Officer-Involved Shooting

310.1 PURPOSE AND SCOPE
The purpose of this policy is to establish policy and procedures for the investigation of an incident in which a person is injured as the result of an officer-involved shooting. The intent of this policy is to ensure that such incidents be investigated in a fair and impartial manner.

310.2 INVESTIGATION RESPONSIBILITY
This department conforms to the Officer involved protocol for investigating officer-involved shootings.

310.3 TYPES OF INVESTIGATIONS
Officer-involved shootings involve several separate investigations. The investigations may include:

(a) A criminal investigation of the incident by the agency having jurisdiction where the incident occurred. This department may relinquish its criminal investigation to an outside agency with the approval of the Chief of Police or a designee.

(b) A criminal investigation of the involved officer(s) conducted by an outside agency.

(c) A civil investigation to determine potential liability conducted by the involved officer’s agency.

(d) An administrative investigation conducted by the involved officer's agency, to determine if there were any violations of department policy.

310.4 JURISDICTION
Jurisdiction is determined by the location of the shooting and the agency employing the involved officer(s). The following scenarios outline the jurisdictional responsibilities for investigating officer-involved shootings:

310.4.1 DEPARTMENT OFFICER WITHIN JURISDICTION
The Department is responsible for the criminal investigation of the suspect's actions, the civil investigation, and the administrative investigation. The criminal investigation of the officer-involved shooting will be conducted by the Illinois State Police.

310.4.2 DEPARTMENT OFFICER IN ANOTHER JURISDICTION
The agency where the incident occurred has criminal jurisdiction and is responsible for the criminal investigation of the incident. That agency may relinquish its criminal investigation of the suspect(s) to another agency or the Department of the officer. The Department will conduct timely civil and/or administrative investigations.

310.5 THE INVESTIGATION PROCESS
The following guidelines are used in the investigation of an officer-involved shooting.

310.5.1 DUTIES OF INITIAL ON SCENE SUPERVISOR
Upon arrival at the scene of an officer-involved shooting, the first uninvolved supervisor should:
Officer-Involved Shooting

(a) Take all reasonable steps to obtain emergency medical attention for all apparently injured individuals.

(b) Attempt to obtain a brief overview of the situation from any non-shooter officer(s).
   1. In the event that there are no non-shooter officers, the supervisor should attempt to obtain a brief voluntary overview from one shooter officer.

(c) If necessary, the supervisor may administratively order any officer from this department to immediately provide public safety information necessary to secure the scene and pursue suspects.
   1. Public safety information shall be limited to such things as outstanding suspect information, number and direction of shots fired, parameters of the incident scene, identity of known witnesses and similar information.

(d) Absent a voluntary statement from any officer(s), the initial on scene supervisor should not attempt to order any officer to provide any information other than public safety information.

(e) Provide all available information to the Shift Commander and the Communications Center. If feasible, sensitive information should be communicated over secure networks.

(f) Take command of and secure the incident scene with additional personnel until relieved by a detective supervisor or other assigned personnel.

(g) As soon as practical, shooter officers should respond or be transported (separately, if feasible) to the station for further direction.
   1. Each involved officer should be given an administrative order not to discuss the incident with other involved officers pending further direction from a supervisor.
   2. When an officer's weapon is taken or left at the scene (e.g., evidence), the officer will be provided with a comparable replacement weapon or transported to the station by other officers.

310.5.2 SHIFT COMMANDER DUTIES
Upon learning of an officer-involved shooting, the Shift Commander or supervisor shall be responsible for coordinating all aspects of the incident until relieved by the Chief of Police or a designee.

310.5.3 NOTIFICATIONS
The following person(s) shall be notified as soon as practical:

• Chief of Police
• Criminal Investigations Division Commander
• State's Attorney OIS rollout team
• Professional Standards Bureau supervisor
• Civil Liability Response Team
• Psychological/Peer support personnel
• Coroner (if necessary)
• Officer representative (if requested)

All outside inquiries about the incident shall be directed to the Shift Commander.
310.5.4 MEDIA RELATIONS
A single press release shall be prepared with input and concurrence from the supervisor and agency representative responsible for each phase of the investigation. This release will be available to the Shift Commander, Criminal Investigations Division Commander and Public Information Officer or other appropriate departmental personnel in the event of inquiries from the media.

It will be the policy of this department to not release the identities of involved officers absent their consent or as required by law. Moreover, no involved officer shall be subjected to contact from the media and no involved officer shall make any comments to the press unless authorized by the Chief of Police or a designee.

Law enforcement officials receiving inquiries regarding incidents occurring in other agency jurisdictions shall refrain from public comment and will direct those inquiries to the agency having jurisdiction and primary responsibility for the investigation.

310.5.5 INVOLVED OFFICERS
Once the involved officer(s) have arrived at the station, the Shift Commander or supervisor should admonish each officer that the incident shall not be discussed except with authorized personnel or representatives. The following shall be considered for the involved officer:

(a) Any request for department or legal representation will be accommodated. However, no involved officer shall be permitted to meet collectively or in a group with an attorney or any representative prior to providing a formal interview or report.

(b) Discussions with licensed attorneys will be considered privileged as attorney-client communications.

(c) Discussions with department representatives (e.g., union) will be privileged only as to the discussion of non-criminal information.

(d) A psychotherapist shall be provided by the Department to each involved officer, or any other officer, upon request.
   1. Interviews with a licensed psychotherapist will be considered privileged and will not be disclosed except to the extent that the officer is or is not fit for return to duty.
   2. An interview or session with a licensed psychotherapist may take place prior to the involved officer providing a formal interview or report, but the involved officers shall not be permitted to consult or meet collectively or in a group with a licensed psychotherapist prior to providing a formal interview or report.

(e) Although this department will honor the sensitivity of communications with peer counselors, there is no legal privilege to such. Peer counselors are cautioned against discussing the facts of any incident with an involved or witness officer.

Care should be taken to preserve the integrity of any physical evidence present on the officer, equipment or clothing (e.g., blood, fingerprints) until investigators or lab personnel can properly retrieve it.

Detectives shall make reasonable accommodations to the officer's physical and emotional needs.

Each involved officer shall be given reasonable paid administrative leave following an officer-involved shooting. It shall be the responsibility of the Shift Commander or supervisor to make schedule adjustments to accommodate such leave.
310.6 THE SHOOTING INCIDENT CRIMINAL INVESTIGATION

310.6.1 DETECTIVE PERSONNEL
Once notified of an officer-involved shooting, it shall be the responsibility of the Detective Bureau supervisor to assign appropriate detective personnel to handle the investigation of related crimes. Detectives will be assigned to work with investigators from the Office of the State's Attorney and may be assigned to separately handle the investigation of any related crimes not being investigated by the Office of the State's Attorney.

All related departmental reports except administrative and/or privileged reports will be forwarded to the designated detective supervisor for approval. Privileged reports shall be maintained exclusively by those personnel authorized such access. Administrative reports will be forwarded to the appropriate Division Commander.

310.6.2 CRIMINAL INVESTIGATION
It shall be the policy of this department to utilize the Office of the State's Attorney to conduct an independent criminal investigation into the circumstances of any officer-involved shooting involving injury or death.

If available, detective personnel from this department may be assigned to "partner" with investigators from the Office of the State's Attorney so as to not duplicate efforts in related criminal investigations.

Once public safety issues have been addressed, criminal investigators will be given the next opportunity to interview involved officers in order to provide them with an opportunity to give a voluntary statement. The following shall be considered for the involved officer:

(a) Supervisors and Professional Standards Bureau personnel should not participate directly in any voluntary interview of officers. This will not prohibit such personnel from monitoring such interviews or indirectly providing areas for inquiry.

(b) If requested, any involved officer will be afforded the opportunity to consult individually with a representative of his/her choosing or an attorney, prior to speaking with criminal investigators. However, in order to maintain the integrity of each individual officer's statement, involved officers shall not consult or meet with a representative or attorney collectively or in groups prior to being interviewed.

(c) Any voluntary statement provided by an officer will be made available for inclusion in the administrative or other related investigations.

(d) Absent consent from the involved officer or as required by law, no administratively coerced statement(s) will be provided to any criminal investigators.

310.6.3 REPORTS BY INVOLVED OFFICERS
In the event that suspects remain outstanding or subject to prosecution for related offenses, this department shall retain the authority to require involved officers to provide sufficient information for related criminal reports to facilitate the apprehension and prosecution of those individuals.

While the involved officer may write the report, it is generally recommended that such reports be completed by assigned investigators who should interview involved officers as victims/witnesses. Since the purpose of these reports will be to facilitate criminal prosecution, statements of involved officers should focus on evidence to establish the
Officer-Involved Shooting

elements of criminal activities by involved suspects. Care should be taken not to duplicate
information provided by involved officers in other reports.

Nothing in this section shall be construed to deprive an involved officer of the right to consult
with legal counsel prior to completing any such criminal report.

Reports related to the prosecution of criminal suspects will be processed according to
normal procedures, but should also be included for reference in the investigation of the
officer-involved shooting.

310.6.4 WITNESS IDENTIFICATION AND INTERVIEWS
Because potential witnesses to an officer-involved shooting or other major incident may be
lost or the integrity of their statements compromised with the passage of time, a supervisor
should take reasonable steps to promptly coordinate with criminal investigators to utilize
available personnel for the following:

(a) Identify all persons present at the scene and in the immediate area.
   1. When feasible, a recorded statement should be obtained from those persons
      who claim not to have witnessed the incident but who were present at the time
      it occurred.
   2. Any potential witness who is unwilling or unable to remain available for a formal
      interview should not be detained absent reasonable suspicion to detain or
      probable cause to arrest. Without detaining the individual for the sole purpose
      of identification, officers should attempt to identify the witness prior to his/her
      departure.

(b) Witnesses who are willing to provide a formal interview should be asked to meet at a
    suitable location where criminal investigators may obtain a recorded statement. Such
    witnesses, if willing, may be transported by department personnel.
   1. A written, verbal or recorded statement of consent should be obtained prior to
      transporting a witness in a department vehicle. When the witness is a minor,
      consent should be obtained from the parent or guardian, if available, prior to
      transportation.

(c) Available personnel should be assigned to promptly contact the suspect's family and
    associates to obtain any available and untainted background information about the
    suspect's activities and state of mind prior to contact with officers.

310.7 ADMINISTRATIVE INVESTIGATION
In addition to all other investigations associated with an officer-involved shooting, this
department will conduct an internal administrative investigation to determine conformance
with department policy. This investigation will be conducted under the supervision of
the Professional Standards Bureau or designated personnel and will be considered a
confidential peace officer personnel file.

(a) Any officer involved in a shooting may be administratively compelled to provide a blood
    sample for alcohol/drug screening. Absent consent from the officer, such compelled
    samples and the results of any such testing shall not be disclosed to any criminal
    investigative agency.

(b) If any officer has voluntarily elected to provide a statement to criminal investigators,
    the assigned administrative investigator should review that statement before
    proceeding with any further interview of that involved officer.
1. If a further interview of the officer is deemed necessary to determine policy compliance, care should be taken to limit the inquiry to new areas with minimal, if any, duplication of questions addressed in the voluntary statement. The involved officer shall be provided with a copy of his/her prior statement before proceeding with any subsequent interview(s).

(c) In the event that an involved officer has elected to not provide criminal investigators with a voluntary statement, the assigned administrative investigator shall conduct an administrative interview to determine all relevant information.

1. Although this interview should not be unreasonably delayed, care should be taken to ensure that the officer’s physical and psychological needs have been addressed before commencing the interview.

2. If requested, the officer shall have the opportunity to select an uninvolved representative to be present during the interview. However, in order to maintain the integrity of each individual officer’s statement, involved officers shall not consult or meet with a representative or attorney collectively or in groups prior to being interviewed.

3. Administrative interview(s) should be recorded by the investigator (the officer may also record the interview).

4. The officer shall be informed of all constitutional *Miranda* rights and, assuming no voluntary waiver, will then be given an administrative order to provide full and truthful answers to all questions. The officer shall be informed, however, that the interview will be for administrative purposes only and that the statement cannot be used criminally (*Garrity* admonishment).

5. The administrative interview shall be considered part of the officer’s confidential personnel file.

6. The Professional Standards Bureau or designated personnel shall compile all relevant information and reports necessary for the Department to determine compliance with applicable policies.

7. The completed administrative investigation shall be submitted to the Use of Deadly Force Review Board, which will restrict its findings as to whether there was compliance with the Department’s Use of Deadly Force Policy.

8. Any other indications of potential policy violations shall be determined in accordance with standard disciplinary procedures.

### 310.8 AUDIO AND VIDEO RECORDINGS

Any officer involved in an incident may be permitted to review available Mobile Audio Video (MAV) or other video or audio recordings prior to providing a recorded statement or completing reports.

Upon request, non-law enforcement witnesses who are able to verify their presence and their ability to contemporaneously perceive events at the scene of an incident may also be permitted to review available MAV or other video or audio recordings with approval of assigned investigators or a supervisor.

Any MAV and other known video or audio recordings of an incident should not be publicly released during an ongoing investigation without consulting the prosecuting attorney or States Attorney’s Office as appropriate.
Firearms and Qualification

312.1 PURPOSE AND SCOPE
This policy establishes procedures for the acquisition, use, and documentation of training in the use of firearms. The Chief of Police or his/her designee shall approve all Department firearms before they are acquired, carried, and/or utilized by any member of this department.

312.2 AUTHORIZED WEAPONS
No firearms will be carried that have not been thoroughly inspected by the Rangemaster during a regularly scheduled range date. Except in an emergency, or as directed by a supervisor, no firearm shall be carried by a member who has not qualified with that weapon at an authorized department range.

All other weapons, including but not limited to, edged weapons, chemical or electronic weapons, impact weapons or any weapon prohibited or restricted by law or that is not covered elsewhere by department policy, may not be carried by personnel in the performance of their official duty without the express written authorization of the employee’s Division Commander. This exclusion does not apply to the carrying of a single folding pocketknife that is not otherwise prohibited by law.

312.2.1 DUTY WEAPONS
The authorized department issued handgun is the Smith and Wesson (MP 40).

The following additional handguns are approved for on-duty use:

<th>MODEL</th>

312.2.2 AUTHORIZED SECONDARY FIREARM
Officers desiring to carry a secondary firearm are subject to the following restrictions:

(a) The firearm shall be in good working order and on the department's list of approved firearms.
(b) Only one secondary firearm may be carried at a time.
(c) The purchase of the firearm and ammunition shall be the responsibility of the officer.
(d) The firearm shall be carried out of sight at all times and in such a manner as to prevent accidental cocking, discharge, or loss of physical control.
(e) The firearm shall be inspected by the Rangemaster prior to being carried and thereafter shall be subject to inspection whenever deemed necessary.
(f) Ammunition shall be the same as department issue. If the caliber of the firearm is other than department issue, the Chief of Police shall approve the ammunition.
(g) Prior to carrying the secondary firearm, personnel shall qualify under range supervision and thereafter shall qualify in accordance with the department qualification schedule. Officers must demonstrate proficiency and safe handling, and that the firearm functions properly.

Adopted: 2014/01/01 © 1995-2013 Lexipol, LLC
Firearms and Qualification

(h) Personnel shall provide written notice of the make, model, color, serial number and caliber of a secondary firearm to the Rangemaster.

312.2.3 AUTHORIZED OFF-DUTY WEAPONS

The carrying of firearms by sworn officers while off duty is permitted by the Chief of Police, but may be rescinded should circumstances dictate (e.g., administrative leave). Sworn officers who choose to carry a firearm while off-duty, based upon their authority as a peace officer, will be required to meet the following guidelines:

(a) The weapon shall be of good quality and workmanship (e.g., Glock, Colt, Smith & Wesson, Browning, Sig-Sauer).

(b) The purchase of the weapon and ammunition shall be the responsibility of the officer.

(c) The weapon shall be carried concealed at all times and in such a manner as to prevent accidental cocking, discharge or loss of physical control.

(d) It will be the responsibility of the officer to submit the weapon to the Rangemaster for inspection prior to being carried off-duty. The Rangemaster shall ensure that the officer is proficient in handling and firing the weapon and that it will be carried in a safe manner. The weapon shall be subject to periodic inspection by the Rangemaster. The officer will successfully qualify with the weapon prior to it being carried and thereafter once every six months. The range qualification dates will be specified by the Rangemaster.

(e) A complete description of the weapon shall be contained on the qualification record approved by the Rangemaster.

(f) If any member desires to use more than one weapon while off-duty, he/she may do so, as long as the officer meets all the requirements set forth in this policy for each weapon used.

(g) Officers shall only carry department-authorized ammunition.

(h) When armed, whether on- or off-duty, officers shall carry their badge and department identification.

312.2.4 AMMUNITION

Officers shall carry only department-authorized ammunition. Officers shall be issued fresh duty ammunition in the specified quantity for all department issued firearms during the officer's first scheduled qualification each year. Officers carrying personally owned authorized firearms of a caliber differing from department issued firearms shall be responsible for obtaining fresh duty ammunition in accordance with the above at their own expense. Replacements for unserviceable or depleted ammunition issued by the Department shall be dispensed by the Rangemaster when needed in accordance with established policy.

312.2.5 ALCOHOL AND DRUGS

Weapons shall not be carried by any officer who has consumed any amount of an alcoholic beverage nor will weapons be carried by any officer who has taken any drugs that would tend to adversely affect the officer's senses or judgment.

312.3 SAFE HANDLING OF FIREARMS

The intent of this policy is to promote proper firearm safety on and off duty. Employees shall maintain the highest level of safety when handling firearms and shall consider the following:
312.3.1 SAFETY CONSIDERATIONS
(a) Officers shall not unnecessarily display or handle any firearm.
(b) Officers shall be governed by all rules and regulations pertaining to the use of the
range and shall obey all orders issued by the Rangemaster. Officers shall not dry fire
or practice quick draws except under Rangemaster supervision.
(c) Officers shall not clean, repair, load or unload a firearm anywhere in the Department,
except where clearing barrels are present.
(d) Shotguns or rifles removed from vehicles or the equipment storage room shall be
loaded and unloaded in the parking lot and outside of the vehicle.
(e) Officers shall not place or store any firearm or other weapon on Department premises
except where the place of storage is locked. No one shall carry firearms into the jail
section or any part thereof when securing or processing a prisoner, but shall place all
firearms in a secured location. It shall be the responsibility of the releasing officer to
make sure that persons from outside agencies do not enter the jail section with any
firearm.
(f) Officers shall not use any automatic weapon, heavy caliber rifle, gas or other type of
chemical weapon from the armory, except with approval of a supervisor.
(g) Any weapon authorized by the department to be carried on- or off-duty, that is found
by the officer to be malfunctioning or needing service, shall not be carried. It shall be
promptly presented to the department or Rangemaster for inspection. Any weapon
determined to be in need of service or repair during an inspection by the department
Rangemaster, will be immediately removed from service. If the weapon is the officer's
primary duty weapon, a replacement weapon will be issued to the officer until the duty
weapon is serviceable.

312.3.2 STORAGE OF FIREARMS AT HOME
Officers shall ensure that all firearms and ammunition are locked and secured while in
their homes, vehicles or any other area under their control in a manner that will keep them
inaccessible to children and irresponsible adults.

Officers shall be aware that negligent storage of a firearm could result in criminal prosecution
under 720 ILCS 5/24-9(a) and/or disciplinary action by the department.

312.4 FIREARMS QUALIFICATIONS
All sworn personnel are required to comply with the Peace Officer Firearm Training Act (50
ILCS 710).

312.4.1 NON QUALIFICATION
If any officer is unable to qualify for any reason, including injury, illness, duty status, or
scheduling conflict, that officer shall submit a memorandum to his/her immediate supervisor
prior to the end of the required shooting period.

Members who repeatedly fail to qualify will be relieved from field assignment and
appropriate disciplinary action may follow.

Sworn members who fail to qualify on their first shooting attempt shall be provided remedial
training until proficiency is demonstrated and will be subject to the following requirements:

(a) Additional range assignments may be required until consistent weapon proficiency is
demonstrated.
Firearms and Qualification

(b) Members shall be given credit for a range qualification after remedial training and a qualifying score is obtained.

(c) No range credit will be given for the following:
   1. Unauthorized range make-up.
   2. Failure to qualify after remedial training.

312.5 WARNING AND OTHER SHOTS

Generally, warning shots or shots fired for the purpose of summoning aid are discouraged and may not be discharged unless the officer reasonably believes that they appear necessary, effective and reasonably safe. The Chief of Police or his or her designee may promulgate specific restrictions or limitations regarding warning shots based on the training, experience and geography of his or her department and jurisdiction.

312.6 DESTRUCTION OF ANIMALS

Officers are authorized to use firearms to stop an animal in circumstances where the animal reasonably appears to pose an imminent threat to human safety and alternative methods are not reasonably available or would likely be ineffective.

In circumstances in which officers have sufficient advance notice that a potentially dangerous animal may be encountered, officers should develop reasonable contingency plans for dealing with the animal (e.g., fire extinguisher, TASER device, oleoresin capsicum (OC) spray, animal control officer). Nothing in this policy shall prohibit any officer from shooting a dangerous animal if circumstances reasonably dictate that a contingency plan has failed or becomes impractical.

312.6.1 INJURED ANIMALS

With the approval of a supervisor, an officer may euthanize an animal that is so badly injured that human compassion requires its removal from further suffering and where other dispositions are impractical.

312.7 REPORT OF FIREARM DISCHARGE

Except during training or recreational use, any member who discharges a firearm intentionally or unintentionally, on- or off-duty, shall make a verbal report to his/her supervisor as soon as circumstances permit. If the discharge results in injury or death to another person, additional statements and reports shall be made in accordance with the Officer-Involved Shooting Policy. If a firearm was discharged as a use of force, the involved member shall adhere to the additional reporting requirements set forth in the Use of Force Policy.

In all other cases, written reports shall be made as follows:

(a) If on-duty at the time of the incident, the member shall file a written report with his/her Division Commander or supervisor or provide a recorded statement to investigators prior to the end of shift, unless otherwise directed.

(b) If off-duty at the time of the incident, a written report shall be submitted or recorded statement provided no later than the end of the next regularly scheduled shift, unless otherwise directed by a supervisor.
312.8 RANGEMASTER DUTIES
The range will be under the exclusive control of the Rangemaster. All members attending will follow the directions of the Rangemaster. The Rangemaster will maintain a roster of all members attending the range and will submit the roster to the Training Officer after each range date. Failure of any officer to sign in and out with the Rangemaster may result in non-qualification.

The range shall remain operational and accessible to Department members during hours established by the Department.

The Rangemaster has the responsibility of making periodic inspection, at least once a year, of all duty weapons carried by officers of this department to verify proper operation. The Rangemaster has the authority to deem any privately owned weapon unfit for service. The officer will be responsible for all repairs to his/her personal weapon and it will not be returned to service until inspected by the Rangemaster.

312.9 MAINTENANCE AND REPAIR
Firearms carried on duty shall be maintained in a clean, serviceable condition. Since the use of personally owned weapons is at the option of the individual officer, that officer will be responsible for the furnishing, maintenance and repair of such weapon.

312.9.1 REPAIR OR MODIFICATIONS OF DUTY WEAPONS
The Rangemaster shall be the only person authorized to repair or modify any department-owned weapon. All repairs and/or modifications of department issued weapons not performed by the Rangemaster must be approved in advance by the Rangemaster and accomplished by a departmentally approved gunsmith.

Any repairs or modifications to the officer's personally owned weapon shall be done at his/her expense and must be approved by the Rangemaster.

312.10 FLYING WHILE ARMED
The Transportation Security Administration (TSA) has imposed rules governing law enforcement officers flying armed on commercial aircraft. The following requirements apply to personnel who intend to be armed while flying on a commercial air carrier or flights where screening is conducted (49 CFR 1544.219):

(a) Officers wishing to fly while armed must be flying in an official capacity, not for vacation or pleasure purposes.

(b) Officers must carry their Department identification card, which must contain a full-face picture, the officer's signature and the signature of the Chief of Police or the official seal of the Department, and must present this identification to airline officials when requested. The officer should also carry the standard photo identification needed for passenger screening by airline and TSA officials (e.g., driver's license, passport).

(c) The Metro East Police District must submit a National Law Enforcement Telecommunications System (NLETS) message prior to the officer's travel. If approved, TSA will send the Metro East Police District an NLETS message containing a unique alphanumeric identifier. The officer must present the message to airport personnel as authorization to travel while armed on the day of travel.

(d) An official letter signed by the Chief of Police authorizing armed travel must accompany the officer. The letter must outline the officer's need to fly armed,
must detail his/her itinerary, and should include that the officer has completed the mandatory TSA training for law enforcement officer flying while armed.

(e) Officers must have completed the mandated TSA security training, covering officers flying while armed. The training shall be given by the department-appointed instructor.

(f) It is the officer’s responsibility to notify the air carrier in advance of the intended armed travel. This notification can be accomplished by early check-in at the carrier's check-in counter.

(g) Discretion must be used to avoid alarming passengers or crew by displaying a firearm. The officer must keep the firearm concealed on his/her person at all times. Firearms are not permitted in carry-on luggage and may not be stored in an overhead compartment.

(h) Officers should not surrender their firearm to anyone but should try to resolve any problems through the flight captain, ground security manager or other management representative of the air carrier.

(i) Officers shall not consume alcoholic beverages while aboard an aircraft, or within eight hours prior to boarding an aircraft.

312.11 CARRYING FIREARMS OUT OF STATE

Qualified active full-time officers and qualified retired officers (see Policy Manual § 220) of this department are authorized to carry a concealed firearm in all other states subject to the following conditions (18 USC 926B and 18 USC 926C):

(a) The officer shall carry his/her Department identification card whenever carrying such weapon.

(b) Qualified retired officers shall also carry certification of having met firearms qualification within the past 12 months.

(c) The officer is not the subject of any current disciplinary action.

(d) The officer may not be under the influence of alcohol or any other intoxicating or hallucinatory drug.

(e) The officer will remain subject to this and all other Department policies (including qualifying and training).

Officers are cautioned that individual states may enact local regulations that allow private persons or entities to prohibit or restrict the possession of firearms on their property, or that prohibit or restrict the possession of firearms on any state or local government property, installation, building, base or park. Federal authority may not shield an officer from arrest and prosecution in such locally restricted areas.

Visiting active and retired peace officers from other states are subject to all requirements set forth in 18 USC 926B and 18 USC 926C.
Vehicle Pursuit Policy

314.1 PURPOSE AND SCOPE
Vehicle pursuits expose innocent citizens, law enforcement officers and fleeing violators to the risk of serious injury or death. The primary purpose of this policy is to provide officers with guidance in balancing the safety of the public and themselves against law enforcement's duty to apprehend violators of the law. Another purpose of this policy is to minimize the potential for pursuit-related collisions. Vehicular pursuits require officers to exhibit a high degree of common sense and sound judgment. Officers must not forget that the immediate apprehension of a suspect is generally not more important than the safety of the public and pursuing officers.

Deciding whether to pursue a motor vehicle is a critical decision that must be made quickly and under difficult and unpredictable circumstances. In recognizing the potential risk to public safety created by vehicular pursuits, no officer or supervisor shall be criticized or disciplined for deciding not to engage in a vehicular pursuit because of the risk involved. This includes circumstances where Department policy would permit the initiation or continuation of the pursuit. It is recognized that vehicular pursuit situations are not always predictable and decisions made pursuant to this policy will be evaluated according to the totality of the circumstances reasonably available at the time of the pursuit.

Officers must remember that the most important factors to the successful conclusion of a pursuit are proper self-discipline and sound professional judgment. Officers' conduct during the course of a pursuit must be objectively reasonable; that is, what a reasonable officer would do under the circumstances. An unreasonable individual's desire to apprehend a fleeing suspect at all costs has no place in professional law enforcement.

314.1.1 VEHICLE PURSUIT DEFINED
An active attempt by a peace officer in an authorized emergency vehicle to apprehend an actual or suspected law violator, who is attempting to avoid apprehension through evasive tactics.

314.2 OFFICER RESPONSIBILITIES
It shall be the policy of this department that a vehicle pursuit shall be conducted only with emergency lights and siren. The driver of an authorized emergency vehicle may proceed past a red or stop signal or stop sign, exceed the maximum speed limits, and disregard regulations governing direction of movement or turning in specified directions provided the driver slows as may be required and necessary for safe operation and does not endanger life or property (625 ILCS 5/11-205).

The driver of an authorized emergency vehicle is not relieved from the duty of driving with due regard for the safety of all persons, nor do such provisions protect the driver from the consequences of his/her reckless disregard for the safety of others (625 ILCS 5/11-205(e)).

To reduce the likelihood of a pursuit occurring, an officer intending to stop a vehicle for any violation of the law, except a traffic law, should, whenever possible and without creating a threat to public safety or officers, close the distance between the two vehicles. In situations where appropriate and prudent, awaiting the arrival of assisting officers, prior to activating emergency lights, an audible device, or otherwise signaling the suspect to stop may be warranted.
Vehicle Pursuit Policy

Upon approaching an intersection controlled by traffic signals or signs, or any other location at which there is an increased likelihood of a collision, the driver of any pursuit vehicle shall reduce the vehicle's speed so as to avoid a collision with another vehicle or pedestrian.

Officers should make every reasonable effort to ensure that the way is clear before proceeding through an intersection or otherwise increasing speed. Pursuing officers are expected to maintain complete control of their vehicles at all times. Throughout the course of a pursuit, pursuing officers should not attempt to overtake, pull alongside, or pass the suspect's moving vehicle without the specific authorization of a supervisor, if feasible. Officers are discouraged from passing other units involved in a pursuit unless the passing officer receives specific permission from the Primary Unit.

314.2.1 WHEN TO INITIATE A PURSUIT

Officers are authorized to initiate a pursuit when it is reasonable to believe that a suspect is attempting to evade arrest or detention by fleeing in a vehicle.

The following factors individually and collectively shall be considered in deciding whether to initiate a pursuit:

(a) Seriousness of the known or reasonably suspected crime and its relationship to community safety.
(b) The importance of protecting the public and balancing the known or reasonably suspected offense and the apparent need for immediate capture against the risks to officers, innocent motorists and others.
(c) Apparent nature of the fleeing suspect(s) (e.g., whether the suspect(s) represent a serious threat to public safety).
(d) The identity of the suspect(s) has been verified and there is comparatively minimal risk in allowing the suspect(s) to be apprehended at a later time.
(e) Safety of the public in the area of the pursuit, including the type of area, time of day, the amount of vehicular and pedestrian traffic and the speed of the pursuit relative to these factors.
(f) Pursuing officer(s) familiarity with the area of the pursuit, the quality of radio communications between the pursuing units and the telecommunicator/supervisor and the driving capabilities of the pursuing officers under the conditions of the pursuit.
(g) Weather, traffic and road conditions that substantially increase the danger of the pursuit beyond the worth of apprehending the suspect.
(h) Performance capabilities of the vehicles used in the pursuit in relation to the speeds and other conditions of the pursuit.
(i) Vehicle speeds.
(j) Other persons in or on the pursued vehicle (e.g., passengers, co-offenders and hostages).
(k) Availability of other resources such as helicopter assistance.
(l) The police unit is carrying passengers other than police officers. Pursuits should not be undertaken with a prisoner(s) in the police vehicle.

314.2.2 WHEN TO TERMINATE A PURSUIT

Pursuits should be discontinued whenever the totality of objective circumstances known or which reasonably ought to be known to the officer or supervisor during the pursuit indicates
Vehicle Pursuit Policy

that the present risks of continuing the pursuit reasonably appear to outweigh the risks resulting from the suspect(s)’ escape.

The factors listed in Policy Manual § 314.2.1 are expressly included herein and will apply equally to the decision to discontinue as well as the decision to initiate a pursuit. Officers and supervisors must objectively and continuously weigh the seriousness of the offense against the potential danger to innocent motorists and themselves when electing to continue a pursuit. In the context of this policy, the term terminate shall be construed to mean discontinue or to stop chasing the fleeing vehicle(s).

In addition to the factors listed in Policy Manual § 314.2.1 the following factors should also be considered in deciding whether to terminate a pursuit:

(a) Distance between the pursuing officers and the fleeing vehicle(s) is so great that further pursuit would be futile or require the pursuit to continue for an unreasonable time and/or distance.

(b) Pursued vehicle’s location is no longer definitely known.

(c) Officer’s pursuit vehicle sustains any type of damage that renders it unsafe to drive.

(d) Extended pursuits of violators for misdemeanors not involving violence or risk of serious harm (independent of the pursuit) are discouraged.

(e) Hazards to uninvolved bystanders or motorists.

(f) If the identity of the offender is known and it does not reasonably appear that the need for immediate capture outweighs the risks associated with continuing the pursuit, officers should strongly consider discontinuing the pursuit and apprehending the offender at a later time.

(g) Directed by a supervisor.

314.2.3 SPEED LIMITS

The speed of a pursuit is a factor that should be evaluated on a continuing basis by the officer and supervisor. Evaluation of vehicle speeds shall take into consideration public safety, officer safety and the safety of the occupants of the fleeing vehicle.

Should high vehicle speeds be reached during a pursuit, officers and supervisors shall also consider these factors when determining the reasonableness of the speed of the pursuit:

(a) Pursuit speeds have become unreasonably unsafe for the surrounding conditions.

(b) Pursuit speeds have exceeded the driving ability of the officer.

(c) Pursuit speeds are beyond the capabilities of the pursuit vehicle thus making its operation unsafe.

314.3 PURSUIT UNITS

Pursuit units should be limited to two vehicles; however, the number of units involved will vary with the circumstances. An officer or supervisor may request additional units to join a pursuit if, after assessing the factors outlined above, it appears that the number of officers involved would be insufficient to safely arrest the suspect(s). All other officers should stay out of the pursuit, but should remain alert to its progress and location. Any officer who drops out of a pursuit may then, if necessary, proceed to the termination point at legal speeds, following the appropriate rules of the road.
314.3.1  MOTORCYCLE OFFICERS
A distinctively marked patrol vehicle equipped with emergency overhead lighting should replace a police motorcycle as primary and/or secondary pursuit unit as soon as practical.

314.3.2  SEMI-MARKED AND UNMARKED VEHICLES
Semi-marked units may initiate a pursuit providing the proper justification exists, but will relinquish Primary Unit status immediately upon the participation of a marked police car. Upon relinquishing Primary Unit status, semi-marked units shall terminate active involvement in a pursuit unless they are needed to fulfill Secondary Unit responsibilities or are otherwise directed by a supervisor. A semi-marked police vehicle is not identifiably marked by a distinctive color scheme; red and/or blue lights may be mounted within the vehicle, equipped with siren, and could have partial police marking.

Unmarked or other departmental vehicles, except for marked, semi-marked and motorcycle units, may not initiate a pursuit without the authorization of a supervisor unless there is an imminent threat to life or great bodily harm represented by the continued freedom of the suspect. An unmarked police vehicle has no distinctive identifiable marking but may have portable emergency warning lights.

314.3.3  PRIMARY UNIT RESPONSIBILITIES
The decision to initiate and/or continue a pursuit requires weighing the public safety need to immediately apprehend the suspect against the degree of risk to which peace officers and others are exposed as the result of a pursuit. Officers are reminded that they are under no legal obligation to initiate a pursuit, and that in many circumstances the safety of the public will dictate that no pursuit be initiated, and/or it be discontinued.

Upon the initiation of a pursuit, the pursuing officer shall immediately activate the vehicle’s emergency warning lights, audible device, and headlights if not already activated.

The Primary Unit will notify the Communications Center that a vehicle pursuit has been initiated and as soon as practical provide information including, but not limited to:

(a) Reason for the pursuit.
(b) Location and direction of travel.
(c) Speed of the fleeing vehicle.
(d) Description of the fleeing vehicle and license number, if known.
(e) Number of known occupants.
(f) The identity or description of the known occupants.
(g) Information concerning the use of firearms, threat of force, injuries, hostages or other unusual hazards.

Unless relieved by a supervisor or secondary unit, the officer in the primary unit shall be responsible for the broadcasting of the progress of the pursuit. Unless practical circumstances indicate otherwise, and in order to concentrate on pursuit driving, the primary officer should relinquish the responsibility of broadcasting the progress of the pursuit to a secondary unit or aircraft joining the pursuit.

314.3.4  SECONDARY UNIT(S) RESPONSIBILITIES
The second officer in the pursuit is responsible for the following:
Vehicle Pursuit Policy

(a) The officer in the secondary unit should immediately notify the telecommunicator and supervisor, if feasible, of entry into the pursuit. Until such time that a supervisor assumes responsibility, only one Secondary Unit shall become involved in an ongoing pursuit.

(b) Remain a safe distance behind the primary unit unless directed to assume the role of primary officer, or if the primary unit is unable to continue the pursuit.

(c) The secondary officer should be responsible for broadcasting the progress of the pursuit unless the situation indicates otherwise.

(d) Upon joining the pursuit or being assigned Secondary Unit responsibilities, the vehicle's emergency warning lights, audible device, and headlights shall be activated.

(e) If so requested by the Primary Unit or if directed by a supervisor to do so, the Secondary Unit may assume Primary Unit responsibilities. Otherwise, the Secondary Unit may not attempt to overtake or pull alongside the Primary Unit.

(f) Secondary Unit personnel are responsible for serving as a backup to the Primary Unit. As such, they will respond to directions from the Primary Unit personnel unless otherwise directed by a supervisor or circumstances do not allow.

314.3.5 PURSUIT DRIVING TACTICS

The decision to use specific driving tactics requires the same assessment of considerations outlined in the factors to be considered concerning pursuit initiation and termination. The following are tactics for units involved in the pursuit:

(a) Officers, considering their driving skills and vehicle performance capabilities, will space themselves from other involved vehicles so they are able to see and avoid hazards or react safely to maneuvers by the fleeing vehicle.

(b) Because intersections can present increased risks, the following tactics should be considered:

1. Available units not directly involved in the pursuit may proceed safely to controlled intersections ahead of the pursuit in an effort to warn cross traffic.

2. Pursuing units should exercise due caution when proceeding through controlled intersections.

(c) Police officers involved in a pursuit shall not proceed in a direction opposite to the flow of traffic on a divided highway without the specific authorization of a supervisor, if feasible. In the event the pursued vehicle does so, the following tactics should be considered:

1. Requesting assistance from an air unit.

2. Maintaining visual contact with the pursued vehicle by paralleling it on the correct side of the roadway.

3. Requesting other units to observe exits available to the suspect(s).

(d) Notifying the Illinois State Police and/or other agency if it appears that the pursuit may enter their jurisdiction.

(e) Officers involved in a pursuit should not attempt to pass other units unless the situation indicates otherwise or they are requested to do so by the primary unit.

314.3.6 TACTICS/PROCEDURES FOR UNITS NOT INVOLVED IN THE PURSUIT

There should be no paralleling of the pursuit route. Officers are authorized to use emergency equipment at intersections along the pursuit path to clear intersections of
vehicular and pedestrian traffic to protect the public. Officers should remain in their assigned area and should not become involved with the pursuit unless directed otherwise by a supervisor.

Non-pursuing personnel needed at the termination of the pursuit should respond in a non-emergency manner, observing the rules of the road.

The primary and secondary units should be the only units operating under emergency conditions (red light and siren) unless other units are assigned to the pursuit.

**314.3.7 PURSUIT TRAILING**

In the event the initiating unit from this agency either relinquishes control of the pursuit to another unit or jurisdiction, that initiating unit may, with permission of a supervisor, trail the pursuit to the termination point in order to provide necessary information and assistance for the arrest of the suspect(s).

The term trail means to follow the path of the pursuit at a safe speed while obeying all traffic laws and without activating emergency equipment. If the pursuit is at a slow rate of speed, the trailing unit will maintain sufficient distance from the pursuit units so as to clearly indicate an absence of participation in the pursuit.

**314.3.8 AIRCRAFT ASSISTANCE**

When available, aircraft assistance should be requested. Once the air unit has established visual contact with the pursued vehicle, it should assume control over the pursuit. The primary and secondary ground units should consider the participation of aircraft assistance when determining whether to continue the pursuit.

The air unit should coordinate the activities of resources on the ground, report progress of the pursuit and provide officers and supervisors with details of upcoming traffic congestion, road hazards, or other pertinent information to evaluate whether or not to continue the pursuit. If ground units are not within visual contact and the air unit determines that it is unsafe to continue the pursuit, the air unit has the authority to terminate the pursuit.

**314.4 SUPERVISORY CONTROL AND RESPONSIBILITY**

It is the policy of this department that available supervisory and management control will be exercised over all vehicle pursuits involving officers from this department.

The field supervisor of the officer initiating the pursuit, or if unavailable, the nearest field supervisor will be responsible for the following:

(a) Upon notification that a pursuit is in progress, the supervisor shall assume responsibility for the monitoring and control of the pursuit as it progresses.

(b) The supervisor shall immediately determine whether the pursuit was initiated in accordance with the provisions of this guideline and shall permit the pursuit to be continued only if said guideline has been fully complied with to the best of the supervisor's knowledge.

(c) Upon being notified of a pursuit, the supervisor shall verify the following:

1. That no more than the required or necessary number of units are involved in the pursuit.
2. That the proper radio frequency is being used.
3. That other agencies are notified as necessary and appropriate.
Vehicle Pursuit Policy

(d) The supervisor shall continuously review the incoming information to determine whether the pursuit should be continued or terminated.

(e) The supervisor shall order a pursuit terminated after concluding danger to the pursuing peace officers or the public outweighs the need for the immediate apprehension of the suspect.

(f) The supervisor may order a pursuit terminated if the suspect's identity is established to the point where later apprehension is likely and there is no immediate threat to public safety.

(g) The supervisor should order a pursuit terminated whenever the weather, road, or traffic conditions substantially increase the danger to the public posed by the pursuit beyond the need for immediate apprehension.

(h) The supervisor should order a pursuit terminated whenever the distance between the pursuing and fleeing vehicles is so great that further pursuit is futile.

(i) In controlling the pursuit, the supervisor shall be responsible for the coordination of the pursuit as follows:
   1. Directing pursuit or support units into or out of the pursuit.
   2. The assignment of a Secondary Unit to the pursuit.
   3. The re-designation of Primary, Secondary, or other support units as necessary.
   4. The approval, disapproval, and coordination of pursuit tactics.
   5. The approval or disapproval to cross jurisdictional boundaries in the continuation of the pursuit.

(j) The supervisor may approve and assign additional backup or support units to assist the Primary and Secondary Units based upon their analysis of:
   1. The nature of the offense for which the pursuit was initiated.
   2. The number of suspects and any known propensity for violence.
   3. The number of peace officers in the pursuit vehicles.
   4. Any damage or injuries to the assigned Primary or Secondary Units or peace officers.
   5. The number of peace officers necessary to safely make an arrest at the conclusion of the pursuit.
   6. Any other clear and articulable facts that would justify the increased hazards caused by adding more than the Primary and Secondary Units to a pursuit.

(k) When the pursuit is terminated, the supervisor shall require that all participating agencies are notified, and identify an on scene supervisor or designee to monitor the arrest and transportation procedures.

(l) The supervisor shall require throughout the duration of the pursuit that this guideline is followed by all peace officers.

314.4.1 SHIFT COMMANDER OR SUPERVISOR RESPONSIBILITY

Upon becoming aware that a pursuit has been initiated, the Shift Commander or Supervisor should monitor and continually assess the situation and ensure the pursuit is conducted within the guidelines and requirements of this policy. The Shift Commander has the final responsibility for the coordination, control and termination of a vehicle pursuit and shall be in overall command.
Vehicle Pursuit Policy

The Shift Commander or supervisor shall review all pertinent reports for content and forward to the Division Commander or Chief of Police or his or her designee.

314.5 COMMUNICATIONS
If the pursuit is confined within the City limits, radio communications will be conducted on the primary channel unless instructed otherwise by a supervisor or telecommunicator. If the pursuit leaves the jurisdiction of this department or such is imminent, involved units should, whenever available, switch radio communications to an emergency channel most accessible by participating agencies and units.

314.5.1 THE COMMUNICATIONS CENTER RESPONSIBILITIES
(a) Upon notification that a pursuit has been initiated, the Communications Center will:
   1. Give priority to the Primary Unit.
   2. Notify other units of pursuit, including location, direction of travel, and vehicle description.
   3. Keep the channel clear.
   4. Notify the Shift Commander and/or patrol supervisor if feasible.
   5. Receive and records all incoming information on pursuit.
   6. Keep Shift Commander and/or the patrol supervisor apprised of progress of pursuit.
   7. Request status when the pursuing peace officer fails to make frequent contact.
   8. Notify neighboring jurisdictions of the pursuit approaching their boundaries.
   9. Perform relevant records and motor vehicle checks.
   10. Coordinate and dispatch backup assistance and air support units under the direction of the supervisor.

(b) Radio frequency management:
   1. Pursuit communication will be handled on the frequency designated by the pursuing agency unless one or more of the following conditions exist:
      (a) The pursuit has or may extend into other jurisdictions.
      (b) The supervisor directs a switch to ISPERN.
   2. Upon using the ISPERN frequency, the Primary Unit shall conform to ISPERN guidelines.

314.5.2 LOSS OF PURSUED VEHICLE
When the pursued vehicle is lost, the primary unit should broadcast pertinent information to assist other units in locating suspect(s). The primary unit will be responsible for coordinating any further search for either the pursued vehicle or suspects fleeing on foot.

314.6 INTER-JURISDICTIONAL PURSUITS
Officers involved in inter-jurisdictional pursuits are required to comply with their department's guidelines and inter-jurisdictional agreements. Only pursuit tactics permitted by this policy may be utilized by Metro East Police District officers, irrespective of what is requested by the other agency.

When a pursuit enters another agency's jurisdiction:
Vehicle Pursuit Policy

(a) The primary unit will advise the Communications Center that the pursuit is leaving this jurisdiction.

(b) The controlling supervisor will decide whether to continue the pursuit based upon the totality of circumstances known.

(c) As soon as practicable the Communications Center will notify the involved jurisdiction.

(d) If two units from the other agency are actively involved in the pursuit, the officers will not engage in the pursuit unless directed to do so by a supervisor.

314.6.1 ASSUMPTION OF PURSUIT BY ANOTHER AGENCY

Units originally involved will discontinue the pursuit when advised that another agency has assumed the pursuit and assistance of the Metro East Police District is no longer needed. Upon discontinuing the pursuit, the primary unit may proceed upon request, with or at the direction of a supervisor, to the termination point to assist in the investigation.

The role and responsibilities of officers at the termination of a pursuit initiated by this department shall be coordinated with appropriate consideration of the units from the agency assuming the pursuit.

Notification of a pursuit in progress should not be construed as a request to join the pursuit. Requests to or from another agency to assume a pursuit should be specific. Because of communication limitations between local agencies and ISP units, a request for ISP assistance will mean that they will assume responsibilities for the pursuit. For the same reasons, a request for assistance from the ISP should include confirmation that the ISP will relinquish control.

314.6.2 PURSUITS EXTENDING INTO THIS JURISDICTION

The agency that initiates a pursuit shall be responsible for conducting the pursuit. Units from this department should not join a pursuit unless specifically requested to do so by the agency whose peace officers are in pursuit. The exception to this is when a single unit from the initiating agency is in pursuit. Under this circumstance, a unit from this department may join the pursuit until sufficient units from the initiating agency join the pursuit.

When a request is made for this department to assist or take over a pursuit from another agency that has entered this jurisdiction, the supervisor should consider these additional following factors:

(a) Ability to maintain the pursuit.

(b) Circumstances serious enough to continue the pursuit.

(c) Adequate staffing to continue the pursuit.

(d) The public's safety within this jurisdiction.

(e) Safety of the pursuing peace officers.

As soon as practical, a supervisor or the Shift Commander should review a request for assistance from another agency. The Shift Commander or supervisor, after consideration of the above factors, may decline to assist in, or assume the other agency's pursuit.

Assistance to a pursuing allied agency by officers of this department will terminate at the City limits provided that the pursuing peace officers have sufficient assistance from other sources. Ongoing participation from this department may continue only until sufficient assistance is present.
Vehicle Pursuit Policy

In the event that a pursuit from another agency terminates within this jurisdiction, officers shall provide appropriate assistance to peace officers from the allied agency including, but not limited to, scene control, coordination and completion of supplemental reports and any other assistance requested or needed.

314.7 PURSUIT INTERVENTION
Pursuit intervention is an attempt to terminate the ability of a suspect to continue to flee in a motor vehicle through tactical application of technology, road spikes, blocking, boxing, PIT (Police Immobilization Technique), ramming, heading off, or roadblock procedures.

314.7.1 WHEN USE AUTHORIZED
Use of pursuit intervention tactics should be employed only after approval of a supervisor. In deciding whether to use intervention tactics, officers/supervisors should balance the risks of allowing the pursuit to continue with the potential hazards arising from the use of each tactic to the public, the officers and persons in or on the pursued vehicle. With these risks in mind, the decision to use any intervention tactic should be reasonable in light of the circumstances confronting the officer at the time of the decision.

It is imperative that officers act within the bounds of legality, good judgment and accepted practices.

314.7.2 DEFINITIONS
Boxing-in/Rolling Roadblock - The surrounding of a suspect's moving vehicle with moving pursuit vehicles which are then slowed to a stop along with the suspect's vehicle. Boxing in/rolling roadblocks are mobile stop techniques.

Heading Off - An attempt to terminate a pursuit by pulling ahead of, behind or toward a suspect's moving vehicle to force it to the side of the road or to otherwise come to a stop. Heading off is a forcible stop technique.

Roadblocks - A restriction or obstruction used or intended for the purpose of preventing free passage of motor vehicles on a roadway in order to effect the apprehension of a suspect. This includes placement of vehicles as well as use of devices to disable a vehicle. A roadblock is a stationary stop technique.

Spikes or Tack Strips - A device that extends across the roadway designed to puncture the tires of the pursued vehicle.

Vehicle Contact Action (Ramming, Police Immobilization Technique (PIT)) - Any action undertaken by the pursuing officer intended to result in contact between the moving police vehicle and the pursued vehicle. Vehicle contact actions are forcible stop techniques.

314.7.3 USE OF FIREARMS/VEHICLE CONTACT ACTION
Officers involved in a pursuit shall not discharge any firearm from or at a moving vehicle, nor engage in any vehicle contact action except as a last resort in which it reasonably appears necessary to prevent imminent death or serious bodily injury to a peace officer or another person where deadly force would otherwise be legally justified. Where feasible, an officer should obtain authorization from a supervisor before discharging a weapon from or at a moving vehicle.
314.7.4 INTERVENTION STANDARDS

Any pursuit intervention tactic, depending upon the conditions and circumstances under which it is used, may present dangers to peace officers, the public, or anyone in or on the vehicle being pursued. Certain applications of intervention tactics may be construed to be a use of deadly force and subject to the requirements for such use. Officers who have not received certified departmental training in the application and use of any intervention tactic or equipment shall consider these facts and requirements prior to deciding how, when, where, and if an intervention tactic should be employed.

Those tactics which reasonably may be construed to be a use of deadly force should be employed only as a last resort in which it reasonably appears necessary to prevent imminent death or serious bodily injury to a peace officer or another person where deadly force would otherwise be legally justified. Where feasible, an officer should obtain authorization from a supervisor before applying any tactic which may be reasonably foreseen to be a use of deadly force.

Intervention tactic application circumstances include:

(a) Officers may use stationary stop techniques to terminate any pursuit so long as the technique is employed in a fashion that is not reasonably calculated to cause death or great bodily harm to persons in the pursued vehicle or others in the vicinity (e.g. the pursued vehicle has sufficient time and distance to stop before reaching the roadblock or the technology employed is designed to disable the vehicle without the loss of control). Where feasible, an officer should obtain authorization from a supervisor before implementing stationary stop techniques. Absent exigent circumstances, such techniques should not be employed by officers that have not been trained in application of the selected technique.

(b) Officers may use mobile stop techniques to terminate any pursuit so long as the technique is employed in a fashion that is not reasonably calculated to cause death or great bodily harm to persons in the pursued vehicle or others in the vicinity. Where feasible, an officer should obtain authorization from a supervisor before implementing mobile stop techniques. Absent exigent circumstances, such techniques should not be employed by officers that have not been trained in application of the selected technique.

(c) At low speeds the use of forcible stop techniques is permitted when there is legal justification for the use of force. Where feasible, an officer should obtain authorization from a supervisor before implementing forcible stop techniques. Absent exigent circumstances, such techniques should not be employed by officers that have not been trained in application of the selected technique.

(d) At high speeds the use of forcible stop techniques is permitted only when there is legal justification for the use of deadly force. Where feasible, an officer should obtain authorization from a supervisor before implementing forcible stop techniques. Absent exigent circumstances, such techniques should not be employed by officers that have not been trained in application of the selected technique.

314.7.5 CAPTURE OF SUSPECTS

Proper self-discipline and sound professional judgment are the keys to a successful conclusion of a pursuit and apprehension of evading suspects. Officers shall use only that amount of force, which reasonably appears necessary under the circumstances, to properly perform their lawful duties.
Vehicle Pursuit Policy

Unless relieved by a supervisor the primary officer should coordinate efforts to apprehend the suspect(s) following the pursuit. Officers should consider safety of the public and the involved officers when formulating plans to contain and capture the suspect.

314.8 REPORTING REQUIREMENTS
Officers shall complete an appropriate report of the pursuit incident and assign a case reporting number to each pursuit incident. If involved in inter-jurisdictional pursuit, obtain an Illinois State Police Emergency Radio Network (ISPERN) number in addition to their own case reporting number.

(a) Pursuit incidents will be investigated thoroughly. The acquisition of statements, photographs, drawings, preliminary medical reports and any other evidentiary items that are or could be relevant to the conduct of the pursuit incident should be completed.

(b) A memorandum shall be completed briefly summarizing the pursuit to his/her department manager. This memo should minimally contain the following information:
   1. Date and time of pursuit.
   2. Length of pursuit.
   3. Involved units and officers.
   4. Initial reason for pursuit.
   5. Starting and termination points.
   6. Disposition: arrest, citation, etc. Arrestee information should be provided if applicable.
   7. Injuries and/or property damage.
   9. Name of supervisor at scene.
   10. A preliminary determination that the pursuit appears to be in compliance with this policy or additional review and/or follow up is warranted.

(c) The "Pursuit Driving Report" shall be completed. The "Pursuit Driving Report" should be submitted through the chain of command for internal evaluation and review to determine:
   2. Operational needs.
   3. Future training needs.

(d) The "Pursuit Driving Report" will be submitted to the Illinois Law Enforcement Training Standards Board, 600 South Second Street, Suite 300, Springfield, Illinois 62704, by each agency involved in a pursuit.

314.8.1 REGULAR AND PERIODIC PURSUIT TRAINING
All sworn members of this department will participate no less than annually in regular and periodic department training addressing this policy and the importance of vehicle safety and protecting the public at all times, including a recognition of the need to balance the known offense and the need for immediate capture against the risks to officers and others.
314.8.2 POLICY REVIEW
Each sworn member of this department shall certify in writing that they have received, read and understand this policy initially and upon any amendments.

314.9 APPLICATION OF VEHICLE PURSUIT POLICY
This policy has been created with input from the Illinois Law Enforcement Training Standards Board; Police Pursuit Guidelines (revised March, 2004), in accordance with 50 ILCS 705/7.5.

314.9.1 APPLICATION OF VEHICLE PURSUIT POLICY BY THE CHIEF OF POLICE
The Chief of Police or his or her designee may further restrict and/or limit the above vehicle pursuit policy as he or she deems appropriate in light of the training, equipment or other factors specific to his or her department.
Officer Response to Calls

316.1 PURPOSE AND SCOPE
This policy provides for the safe and appropriate response to emergency and non-emergency situations whether dispatched or self-initiated.

316.2 RESPONSE TO CALLS
Officers dispatched using emergency lights and siren shall consider the call an emergency response and proceed immediately. Officers responding using emergency lights and siren shall continuously operate emergency lighting equipment, and shall sound the siren as reasonably necessary.

The driver of an authorized emergency vehicle may (625 ILCS 5/11-205):
(a) Park or stand, irrespective of the provisions of the Illinois Vehicle Code (625 ILCS).
(b) Proceed past a red or stop signal or stop sign, but only after slowing down as may be required and necessary for safe operation.
(c) Exceed the maximum speed limits so long as he/she does not endanger life or property.
(d) Disregard regulations governing direction of movement or turning in specified directions.

The driver of an authorized emergency vehicle is not relieved from the duty of driving with due regard for the safety of all persons, nor do such provisions protect the driver from the consequences of his/her reckless disregard for the safety of others (625 ILCS 5/11-205(e)).

Officers should only respond using emergency lights and siren when so dispatched or when circumstances reasonably indicate an emergency response is required. Officers not authorized to respond using emergency lights and siren shall observe all traffic laws and proceed without the use of emergency lights and siren.

316.3 REQUESTING EMERGENCY ASSISTANCE
Requests for emergency assistance should be limited to those situations where the involved personnel reasonably believe that there is an immediate threat to the safety of officers, or assistance is needed to prevent imminent serious harm to a citizen. In any event, where a situation has stabilized and emergency response is not required, the requesting officer shall immediately notify the Communications Center.

If circumstances permit, the requesting officer should give the following information:

• The unit number
• The location
• The reason for the request and type of emergency
• The number of units required

316.3.1 NUMBER OF UNITS ASSIGNED
Normally, only one unit should respond to an emergency call Code-3 unless the Shift Commander or the field supervisor authorizes an additional unit(s).
316.4 INITIATING CODE 3 RESPONSE
If an officer believes a Code-3 response to any call is appropriate, the officer shall immediately notify the Communications Center. Generally, only one unit should respond Code-3 to any situation. Should another officer believe a Code-3 response is appropriate, the Communications Center shall be notified and the Shift Commander or field supervisor will make a determination as to whether one or more officers driving Code-3 is appropriate.

316.5 RESPONSIBILITIES OF RESPONDING OFFICER(S)
Officers shall exercise sound judgment and care with due regard for life and property when responding to an emergency call. Officers shall reduce speed at all street intersections to such a degree that they shall have complete control of the vehicle.

The decision to continue a Code-3 response is at the discretion of the officer. If, in the officer's judgment, the roadway conditions or traffic congestion does not permit such a response without unreasonable risk, the officer may elect to respond to the call without the use of red lights and siren at the legal speed limit. In such an event, the officer should immediately notify the Communications Center. An officer shall also discontinue the Code-3 response when directed by a supervisor.

Upon receiving authorization or determining a Code-3 response is appropriate, an officer shall immediately give the location from which he/she is responding.

316.6 COMMUNICATIONS RESPONSIBILITIES
A telecommunicator shall assign a Code-3 response when an officer requests emergency assistance or available information reasonably indicates that the public is threatened with serious injury or death and immediate police response is needed. In all other circumstances, the telecommunicator shall obtain authorization from the Shift Commander or a field supervisor prior to assigning units Code-3. The telecommunicator shall:

(a) Attempt to assign the closest available unit to the location requiring assistance.
(b) Immediately notify the Shift Commander or supervisor.
(c) Confirm the location from which the unit is responding.
(d) Notify and coordinate allied emergency services (e.g., fire and ambulance).
(e) Continue to obtain and broadcast information as necessary concerning the response and monitor the situation until it is stabilized or terminated.
(f) Control all radio communications during the emergency and coordinate assistance under the direction of the Shift Commander or field supervisor.

316.7 SUPERVISORY RESPONSIBILITIES
Upon being notified that a Code-3 response has been initiated, the Shift Commander or the field supervisor shall verify the following:

(a) The proper response has been initiated.
(b) No more than those units reasonably necessary under the circumstances are involved in the response.
(c) Affected outside jurisdictions are being notified as practical.

The field supervisor shall monitor the response until it has been stabilized or terminated and assert control by directing units into or out of the response if necessary. If, in the supervisor’s
Officer Response to Calls

judgment, the circumstances require additional units to be assigned a Code-3 response, the supervisor may do so.

It is the supervisor's responsibility to terminate a Code-3 response that, in his/her judgment is inappropriate due to the circumstances.

When making the decision to authorize a Code-3 response, the Shift Commander or the field supervisor should consider the following:

- The type of call
- The necessity of a timely response
- Traffic and roadway conditions
- The location of the responding units

316.8 FAILURE OF EMERGENCY EQUIPMENT

If the emergency equipment on the vehicle should fail to operate, the officer must terminate the Code-3 response and respond accordingly. In all cases, the officer shall notify the Shift Commander, field supervisor, or the Communications Center of the equipment failure so that another unit may be assigned to the emergency response.
Canines

318.1 PURPOSE AND SCOPE
The Canine Program was established to augment police services to the community. Highly skilled and trained teams of handlers and canines have evolved from the program and are used to supplement police operations to locate individuals, contraband and to apprehend criminal offenders.

318.2 GUIDELINES FOR THE USE OF CANINES
A canine may be used to locate and apprehend a suspect if the canine handler reasonably believes the individual has either committed or threatened to commit any serious offense and if any of the following conditions exist:

(a) There is a reasonable belief that the individual poses an imminent threat of violence or serious harm to the public, any officer, or the handler.

(b) The individual is physically resisting or threatening to resist arrest and the use of a canine reasonably appears to be necessary to overcome such resistance.

(c) The individual is believed to be concealed in an area where entry by other than the canine would pose a threat to the safety of officers or the public.

It is recognized that situations may arise that do not fall within the provisions set forth in this policy. In any such case, a standard of objective reasonableness shall be used to determine whether to use a canine. The handler's decision will be reviewed by that same standard.

Absent reasonable belief that an individual has committed or threatened to commit a serious offense, mere flight from pursuing officer(s) shall not serve as good cause for the use of a canine to apprehend the individual.

Once the individual has been located and no longer reasonably appears to represent a threat or risk of escape, the canine should be placed in a down-stay or otherwise secured as soon as it becomes reasonably practical.

318.2.1 PREPARATIONS FOR UTILIZING A CANINE
Prior to the use of a canine to search for or apprehend any individual, the canine handler and/or the supervisor on-scene should carefully consider all pertinent information that is reasonably available at the time. The information should include, but is not limited to the following:

(a) The individual's age or estimate thereof.

(b) The nature of the suspected offense.

(c) Any potential danger to the public and/or other officers at the scene if the canine is released.

(d) The degree of resistance or threatened resistance, if any, the subject has shown.

(e) The potential for escape or flight if the police dog is not utilized.

(f) The potential for injury to officers or the public caused by the suspect if the canine is not utilized.
Canines

As circumstances permit, the canine handler should make every reasonable effort to communicate and coordinate with other involved personnel to minimize the risk of unintended injury.

A canine handler should have the ultimate authority not to deploy the dog. The handler will evaluate each situation and determine if the use of a canine is technically feasible. Generally, the decision to deploy the dog should remain with the handler. However, a supervisor sufficiently apprised of the situation may decide not to deploy the dog.

Unless otherwise directed by a supervisor, assisting personnel should take direction from the handler in order to minimize interference with the canine.

318.2.2 WARNINGS GIVEN TO ANNOUNCE THE USE OF A CANINE

Unless it would otherwise increase the risk of injury or escape, a clearly audible warning to announce that a canine will be released if the person does not come forth, shall be made prior to releasing a canine. The canine handler, when practical, shall first advise the supervisor of his/her decision if a verbal warning is not given prior to releasing the canine. In the event of an apprehension, the handler shall document in any related report whether or not a verbal warning was given and, if none was given, the reasons why.

318.2.3 USE OF NARCOTIC-DETECTION CANINES

A narcotic-detection-trained canine may be used in accordance with current law under the following circumstances:

(a) To assist in the search for narcotics during a search warrant service.

(b) To obtain a search warrant by using the detection canine in support of probable cause.

(c) To search vehicles, buildings, bags, and any other articles deemed necessary.

(d) A narcotic-detection canine will not be used to search a person for narcotics.

318.2.4 GUIDELINES FOR NON-APPREHENSION USE

Because canines have senses far superior to those of humans, they may be effectively utilized to track or search for non-criminals (e.g. lost children, individuals who may be disoriented or in need of medical attention) or suspects wanted for minor criminal offenses. In such circumstances, it will be necessary for the handler to evaluate the conditions and the ability of the canine to determine the feasibility of such an application.

(a) Absent a change in circumstances that present an imminent threat to officers, the canine or the public, such applications should be conducted on leash or under such conditions that will minimize the likelihood that the canine will bite or otherwise injure the individual.

(b) Throughout the deployment of the canine in such circumstances, the handler should consider issuing periodic verbal assurances that the canine will not bite or hurt the person.

(c) Unless otherwise directed by a supervisor, assisting personnel should take direction from the handler in order to minimize interference with the canine.

(d) Once the individual has been located, the canine should be placed in a down stay or otherwise secured as soon as it becomes reasonably practicable.
Canines

318.2.5 REPORTING CANINE USE, BITES AND INJURIES
Whenever a canine is deployed and intentionally bites or otherwise causes injury to a suspect, a supervisor shall be promptly notified and the injuries documented in a Canine Use Report Form. The deployment and injuries should also be included in any related incident or arrest report.

Any unintended bite or injury caused by the canine during deployments, operations, training, presentations or under any other circumstances, either on- or off-duty, shall be promptly reported to the Unit Coordinator. Unintended bites or injuries caused by the canine should be documented in an administrative report, not on a Canine Use Report Form.

318.2.6 REPORTING CANINE INJURIES
In the event that a canine is injured, the injury will be immediately reported to the Shift Commander.

Medical care for any injured canine should follow the protocol established in the Medical Care of the Canine section of this policy.

The injury will be documented on a Canine Use Report Form.

318.2.7 ASSIGNMENT OF CANINES
The canine teams shall be assigned to the Uniform Patrol Division to supplement and assist patrol.

Canine teams should function primarily as cover units however; they may be assigned by the Shift Commander or Chief of Police or his or her designee to other functions based on the needs of the watch at the time.

Canine teams should not be assigned to handle matters that will take them out of service for extended periods of time unless absolutely necessary and only with the approval of the Shift Commander or supervisor.

318.3 REQUEST FOR USE OF CANINE TEAMS
Personnel within the Department are encouraged to freely solicit the use of the canines. Requests for a canine team from outside of the Patrol shall go through the Unit Coordinator or the Shift Commander or the Chief of Police or his or her designee.

318.3.1 REQUEST FOR ASSISTANCE FROM OTHER AGENCIES
The Shift Commander or the Chief of Police or his or her designee must approve all requests for canine assistance from outside agencies, subject to the following provisions:

(a) Canine teams should not be used for any assignment that is not consistent with this policy.
(b) The handler has the ultimate authority to decide whether the canine should be used for any specific assignment.
(c) Canine teams should not be called out while off-duty or used outside the boundaries of the City unless authorized by the Shift Commander or the Unit Coordinator or Chief of Police or his or her designee.
(d) It shall be the responsibility of the canine handler to coordinate with outside agency personnel in order to minimize the risk of unintended injury.
318.3.2 REQUEST FOR PUBLIC DEMONSTRATIONS
All public requests for a canine team shall be approved by the Unit Coordinator or Chief of Police or his or her designee prior to making any commitment.

Handlers shall not demonstrate any apprehension work to the public unless authorized to do so by the Unit Coordinator or Chief of Police or his or her designee.

318.4 SELECTION OF CANINE HANDLERS
The following are the minimum qualifications for the assignment of canine handler:

(a) Department officer currently off probation.
(b) Reside in an adequately fenced, single-family, residence (minimum five-foot high fence with locking gates).
(c) Have a garage which can be secured and accommodate a canine unit.
(d) Live within 30 minutes travel time from a Department within the Metro East Police District limits.
(e) Agree to be assigned to the position for a minimum of three years.

318.5 CANINE HANDLER RESPONSIBILITIES

318.5.1 AVAILABILITY
The handler shall be available for call-out under conditions specified by the Unit Coordinator or Chief of Police or his or her designee.

318.5.2 CARE FOR THE CANINE AND EQUIPMENT
The handler shall ultimately be responsible for the health and welfare of the canine and shall ensure that the canine receives proper nutrition, grooming, training, medical care, affection, and living conditions. The handler will be responsible for the following:

(a) Unless required by a particular application, the handler shall not expose the canine to any foreseeable and unreasonable risk of harm.
(b) The handler shall maintain all department equipment under his/her control in a clean and serviceable condition and when not on duty shall maintain the canine unit in a garage, secured from public view.
(c) When a handler takes a vacation or extended number of days off, the assigned canine vehicle shall be maintained at the Police Department facility.
(d) Handlers shall permit the Unit Coordinator or Chief of Police or his or her designee to conduct spontaneous on-site inspections of affected areas of their residence as well as the canine unit, to verify that conditions and equipment conform to this policy.
(e) Any changes in the living status of the handler which may affect the lodging or environment of the canine shall be reported to the Unit Coordinator or Chief of Police or his or her designee as soon as possible.
(f) When off-duty, canines shall be maintained in kennels, provided by the City, at the homes of their handlers. When a canine is kenneled at the handler’s home, the gate shall be secured with a lock. When off-duty, canines may be let out of their kennels while under the direct control of their handlers.
(g) The canine should be permitted to socialize in the home with the handler’s family for short periods of time and under the direct supervision of the handler.
Canines

(h) Under no circumstances will the canine be lodged at another location unless approved by the Unit Coordinator or Shift Commander or Chief of Police or his or her designee.

(i) When off-duty, handlers shall not involve their canines in any activity or conduct unless approved in advance by the Unit Coordinator or Shift Commander or Chief of Police or his or her designee.

(j) Whenever a canine handler anticipates taking a vacation or an extended number of days off, it may be necessary to temporarily relocate the canine. In those situations, the handler shall give reasonable notice to the Unit Coordinator or Chief of Police or his or her designee so that appropriate arrangements can be made.

318.5.3 CANINE IN PUBLIC AREAS
All canines shall be kept on a leash when in areas that allow access to the public. Exceptions would include specific police operations for which the canines are trained.

(a) Canines shall not be left unattended in any area to which the public may have access.

(b) When the canine unit is left unattended all windows and doors shall be secured in such a manner as to prevent unauthorized access to the dog. The handler shall also insure that the unattended unit remains inhabitable for the canine.

318.5.4 HANDLER COMPENSATION
The canine handler shall be compensated for time spent in the care, feeding, grooming and other needs of the dog as provided in the Fair Labor Standards Act. The compensation shall be prescribed in the employee's Memorandum of Understanding.

318.6 MEDICAL CARE OF THE CANINE
All medical attention shall be rendered by the designated canine veterinarian, except during an emergency as provided in Policy Manual § 318.6.2.

318.6.1 NON-EMERGENCY MEDICAL CARE
Non-emergency medical care will be coordinated through the Unit Coordinator.

Any indication that a canine is not in good physical condition shall be reported to the Unit Coordinator or the Shift Commander as soon as practical.

All records of medical treatment shall be maintained in the canine handler's personnel file.

318.6.2 EMERGENCY MEDICAL CARE
The handler should notify the Unit Coordinator as soon as practicable when emergency medical care is required.

Depending on the severity of the injury or illness, the canine should either be treated by the designated veterinarian or transported to a designated emergency medical facility for treatment. If the handler and dog are out of the area, the handler may use the nearest available veterinarian.

318.7 TRAINING
Before assignment in the field, cross-trained dog teams or those dog teams trained exclusively for the detection of explosives shall be trained to meet the department standards established for such detection dogs. Dog teams trained for the detection of narcotics shall be trained with programs that meet the minimum certification requirements.
established by the Illinois Law Enforcement Training and Standards Board (50 ILCS 705/10.12).

The Unit Coordinator or Chief of Police or his or her designee is responsible for scheduling periodic training for all department personnel in order to familiarize them with how to conduct themselves in the presence of department canines.

318.7.1 CONTINUED TRAINING
Each canine team shall thereafter be recertified to current Department standards on an annual basis. Additional training considerations are as follows:

(a) Canine teams shall receive training as defined in the current contract with the department's canine training provider.

(b) Canine handlers are encouraged to engage in additional training with approval of the Unit Coordinator or Chief of Police or his or her designee.

(c) To ensure that all training is consistent, no handler, trainer, or outside vendor is authorized to train to a standard that is contrary to the policies of the Metro East Police District.

(d) All canine training should be conducted while on-duty unless otherwise approved by the Unit Coordinator or Shift Commander or Chief of Police or his or her designee.

318.7.2 FAILURE TO SUCCESSFULLY COMPLETE TRAINING
A dog team shall not be deployed in the field until department training standards have been met. The canine handler may be temporarily reassigned to regular patrol or other duties pending successful completion of training.

318.7.3 TRAINING RECORDS
All canine training records shall be maintained in the canine handler's training file.

318.8 CANINE UNIT COORDINATOR RESPONSIBILITIES
The Unit Coordinator shall be appointed by or Chief of Police or his or her designee and shall supervise the Canine Program. The Unit Coordinator is directly responsible to the Chief of Police or his or her designee. The Unit Coordinator shall be responsible for, but not limited to, the following:

(a) Review all Canine Use Reports to insure compliance with policy and to identify training issues and other needs of the program.

(b) Maintain liaison with the vendor kennel.

(c) Maintain liaison with administrative staff and functional supervisors.

(d) Maintain liaison with other agency canine coordinators.

(e) Maintain accurate records to document canine activities.

(f) Recommend and oversee the procurement of needed equipment and services for the unit.

(g) Be responsible for scheduling all canine related activities.

(h) Ensure the canine teams are scheduled for continuous training to maximize the capabilities of the teams.
**Canines**

**318.9 CONTROLED SUBSTANCE TRAINING AIDS**

Controlled substance training aids are required to effectively train and maintain drug detecting dogs. Further, controlled substances can also be an effective training aid during training sessions for law enforcement personnel and the public.

**318.9.1 PROCEDURES**

Due to the responsibilities and liabilities involved with possessing readily usable amounts of controlled substances and the ever-present danger of accidental ingestion of these controlled substances by the canine, the following procedure shall be strictly followed:

(a) All necessary controlled substance training samples shall be acquired from the Department's evidence personnel or from allied agencies. All controlled substance training samples shall be weighed and tested prior to dispensing to the individual canine handler.

(b) The weight and test results shall be recorded and maintained by this department.

(c) Any person receiving controlled substance training samples shall maintain custody and control of the controlled substances and shall keep records regarding any loss of, or damage to, those controlled substances.

(d) All controlled substance training samples will be inspected, weighed, and tested quarterly. The results of the quarterly testing shall be recorded and maintained by the canine coordinator with a copy forwarded to the dispensing agency.

(e) All controlled substance training samples will be stored in locked metal boxes at all times, except during training. The locked metal boxes shall be secured in the trunk of the canine handler's assigned patrol unit, or stored in a locked evidence locker. There are no exceptions to this procedure.

(f) The Canine Unit Coordinator or Chief of Police or his or her designee shall periodically inspect every controlled substance training sample for damage or tampering and take any appropriate action.

(g) Any unusable controlled substance training samples shall be returned to the Evidence Room or to the dispensing agency.

(h) All controlled substance training samples shall be returned to the dispensing agency upon the conclusion of the training or upon demand by the dispensing agency.

**318.10 EXPLOSIVE TRAINING AIDS**

Explosive training aids are required to effectively train and maintain the skills of explosives detection dogs and can also provide effective training for law enforcement personnel and the public. Peace officers are permitted by law to possess, transport, store or use explosives or destructive devices while acting within the scope and course of employment. Explosive training aids designed specifically for K-9 teams should be used whenever feasible. Due to the safety concerns in the handling and transportation of explosives, inert or non-hazardous training aids should be employed whenever feasible. The use of explosives or destructive devices for training aids is subject to the following requirements:

(a) All explosive training aids, when not in use, shall be properly stored in a secure facility appropriate for the type of materials they contain.

(b) An inventory ledger shall be maintained to document the type and quantity of explosive training aids held by the Canine Unit.

(c) The Canine Coordinator shall be responsible to verify the explosive training aids on hand against the inventory ledger once each quarter.
(d) Only members of the Canine Unit shall have access to the explosive training aid storage facility.

(e) A primary and secondary custodian will be designated to minimize the possibility of loss of explosive training aids during and after the training. Generally, the handler will be designated as the primary custodian while the trainer or second person on scene will be designated as the secondary custodian.

(f) Any lost or damaged explosive training aid shall be promptly reported to the Unit Supervisor in writing who will determine if any further action will be necessary. Any loss of explosives will be reported to the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF).
Domestic Violence

320.1 PURPOSE AND SCOPE
The purpose of this policy is to provide the guidelines necessary to deter, prevent and reduce domestic violence through vigorous enforcement and to address domestic violence as a serious crime against society. The policy specifically addresses the commitment of this department to take enforcement action when appropriate, to provide assistance to victims and to guide officers in the investigation of domestic violence.

320.1.1 DEFINITIONS
Definitions related to this policy include:

Court order - All forms of orders related to domestic violence, that have been issued by a court of this state or another, whether civil or criminal, regardless of whether service has been made.

320.2 POLICY
Departments within the Metro East Police District's response to incidents of domestic violence and violations of related court orders shall stress enforcement of the law to protect the victim and shall communicate the philosophy that domestic violence is criminal behavior. It is also the policy of this department to facilitate victims' and offenders' access to appropriate civil remedies and community resources whenever feasible.

320.3 OFFICER SAFETY
The investigation of domestic violence cases often places officers in emotionally charged and sometimes highly dangerous environments. No provision of this policy is intended to supersede the responsibility of all officers to exercise due caution and reasonable care in providing for the safety of any officers and parties involved.

320.4 INVESTIGATIONS
The following guidelines should be followed by officers when investigating domestic violence cases:

(a) Calls of reported, threatened, imminent or ongoing domestic violence and the violation of any court order are of extreme importance and should be considered among the highest response priorities. This includes incomplete 9-1-1 calls.

(b) When practicable, officers should obtain and document statements from the victim, the suspect and any witnesses, including children, in or around the household or location of occurrence.

(c) Officers should list the full name and date of birth (and school if available) of each child who was present in the household at the time of the offense. The names of other children who may not have been in the house at that particular time should also be obtained for follow-up.

(d) When practicable and legally permitted, video or audio record all significant statements and observations.

(e) All injuries should be photographed, regardless of severity, taking care to preserve the victim's personal privacy. Where practicable, photographs should be taken by
Domestic Violence

a person of the same sex. Victims whose injuries are not visible at the time of the incident should be asked to contact the Detective Bureau in the event that the injuries later become visible.

(f) Officers should request that the victim complete and sign an authorization for release of medical records related to the incident when applicable.

(g) If the suspect is no longer at the scene, officers should make reasonable efforts to locate the suspect to further the investigation, provide the suspect with an opportunity to make a statement and make an arrest or seek an arrest warrant if appropriate.

(h) Seize any firearms or other dangerous weapons in the home, if appropriate and legally permitted, for safekeeping or as evidence.

(i) When completing an incident or arrest report for violation of a court order, officers should include specific information that establishes that the offender has been served, including the date the offender was served, the name of the agency that served the order and the provision of the order that the subject is alleged to have violated. When reasonably available, the arresting officer should attach a copy of the order to the incident or arrest report.

(j) Officers should take appropriate enforcement action when there is probable cause to believe an offense has occurred. Factors that should not be used as sole justification for declining to take enforcement action include:

1. Marital status of suspect and victim.
2. Whether the suspect lives on the premises with the victim.
3. Claims by the suspect that the victim provoked or perpetuated the violence.
4. The potential financial or child custody consequences of arrest.
5. The physical or emotional state of either party.
6. Use of drugs or alcohol by either party.
7. Denial that the abuse occurred where evidence indicates otherwise.
8. A request by the victim not to arrest the suspect.
9. Location of the incident (public/private).
10. Speculation that the complainant may not follow through with the prosecution.
11. The racial, cultural, social, professional position or sexual orientation of the victim or suspect.

320.4.1 IF A SUSPECT IS ARRESTED
If a suspect is arrested, officers should:

(a) Advise the victim that there is no guarantee the suspect will remain in custody.

(b) Provide the victim's contact information to the jail staff to enable notification of the victim upon the suspect's release from jail.

(c) Advise the victim whether any type of court order will be in effect when the suspect is released from jail.

320.4.2 IF NO ARREST IS MADE
If no arrest is made, the officer should:

(a) Advise the parties of any options, including but not limited to:
1. Voluntary separation of the parties.
2. Appropriate resource referrals (e.g., counselors, friends, relatives, shelter homes, victim witness unit).

(b) Document the resolution in a report.

320.5 VICTIM ASSISTANCE

Victims may be traumatized or confused. Officers should:

(a) Recognize that a victim’s behavior and actions may be affected.
(b) Provide the victim with the department’s domestic violence information handout, even if the incident may not rise to the level of a crime.
(c) Alert the victim to any available victim advocates, shelters and community resources.
(d) Stand by for a reasonable amount of time when an involved person requests law enforcement assistance while removing essential items of personal property.
(e) Seek medical assistance as soon as practicable for the victim if he/she has sustained injury or complains of pain.
(f) Ask the victim whether he/she has a safe place to stay. Assist in arranging to transport the victim to an alternate shelter if the victim expresses a concern for his/her safety or if the officer determines that a need exists.
(g) Make reasonable efforts to ensure that children or dependent adults who are under the supervision of the suspect or victim are being properly cared for.
(h) Seek or assist the victim in obtaining an emergency order if appropriate.

320.6 DISPATCH ASSISTANCE

All calls of domestic violence, including incomplete 9-1-1 calls, should be dispatched as soon as practicable.

Dispatchers are not required to verify the validity of a court order before responding to a request for assistance. Officers should request that dispatchers check whether any of the involved persons are subject to the terms of a court order.

320.7 FOREIGN COURT ORDERS

Various types of orders may be issued in domestic violence cases. Any foreign court order properly issued by a court of another state, Indian tribe or territory shall be enforced by officers as if it were the order of a court in this state. An order should be considered properly issued when it reasonably appears that the issuing court has jurisdiction over the parties and reasonable notice and opportunity to respond was given to the party against whom the order was issued (18 USC § 2265). An otherwise valid out-of-state court order shall be enforced, regardless of whether the order has been properly registered with this state.

320.8 VERIFICATION OF COURT ORDERS

Determining the validity of a court order, particularly an order from another jurisdiction, can be challenging. Therefore, in determining whether there is probable cause to make an arrest for a violation of any court order, officers should carefully review the actual order when available, and, where appropriate and practicable:

(a) Ask the subject of the order about his/her notice or receipt of the order, his/her knowledge of its terms and efforts to respond to the order.
Domestic Violence

(b) Check available records or databases that may show the status or conditions of the order.

(c) Contact the issuing court to verify the validity of the order.

(d) Contact a law enforcement official from the jurisdiction where the order was issued to verify information.

Officers should document in an appropriate report their efforts to verify the validity of an order, regardless of whether an arrest is made. Officers should contact a supervisor for clarification when needed.

320.9 LEGAL MANDATES AND RELEVANT LAWS

Illinois law provides for the following:

320.9.1 STANDARDS FOR ARRESTS

(a) Whenever an officer has reason to believe that a person has been the victim of domestic abuse, the officer shall immediately use all reasonable means to prevent further abuse including arresting the abusing, neglecting and exploiting party, where appropriate.

(b) Officers investigating reports of domestic violence should consider the appropriate charges, including Domestic Battery, Aggravated Domestic Battery and Interfering with the Reporting of Domestic Violence (720 ILCS 5/12-3.2; 5/12-3.3; 5/12-6.3).

(c) Officers investigating a domestic violence incident, who encounter an individual on bail or bond for a domestic violence arrest, should attempt to determine if there are reasonable grounds to believe that the individual is violating a condition or bond or bail by making contact or communicating with the victim, or by entering or remaining at the victim's residence within 72 hours following the defendant's release (725 ILCS 5/110-10(d)).

320.9.2 REPORTS AND RECORDS

The Metro East Police District Departments are required to record, compile and report to the Illinois State Police information regarding domestic crimes.

(a) Officers shall include in their reports the victim's statements as to the frequency and severity of prior incidents of domestic violence by the person and the number of prior calls for law enforcement assistance to prevent domestic violence (750 ILCS 60/303).

(b) The Records Supervisor shall maintain and periodically report required domestic violence information to the Illinois State Police through the Illinois Uniform Crime Reporting (I-UCR) Program (20 ILCS 2630/5.1).

320.9.3 SPECIFIC VICTIM ISSUES

Officers should:

(a) Provide or arrange for accessible transportation for the victim (and, at the victim's request, any minors or dependents in the victim's care) to a medical facility for treatment of injuries or to a nearby place of shelter or safety (750 ILCS 60/304).

(b) Provide the victim with one referral to an accessible service agency (750 ILCS 60/304).
320.9.4 COURT ORDER RELATED TO PEACE OFFICERS

If the respondent in an Order of Protection is a peace officer, the investigating officer shall determine if the order prohibits the peace officer from possessing any firearms during the duration of the order (725 ILCS 5/112A-14.5).

If the respondent officer is employed by the Department, the investigating officer shall take any necessary enforcement actions, promptly submit the appropriate report and notify the Chief of Police of the incident through the chain of command.

If the respondent officer is not a member of the Department, the investigating officer shall promptly notify his/her supervisor. The supervisor shall ensure prompt notification to the respondent officer's department.
Search and Seizure

322.1 PURPOSE AND SCOPE
Both the federal and state Constitutions provide every individual with the right to be free from unreasonable searches and seizures. This policy provides general guidelines for personnel of Departments within the Metro East Police District to consider when dealing with search and seizure issues.

322.2 POLICY
It is the policy of the Department to respect the fundamental privacy rights of individuals. Members of this department will conduct searches in strict observance of the constitutional rights of persons being searched. All seizures by this department will comply with relevant federal and state law governing the seizure of persons and property.

In accordance with the Training Policy, the Department will provide relevant and current training to officers as guidance for the application of current law, local community standards and prosecutorial considerations regarding specific search and seizure situations, as appropriate.

322.3 SEARCHES
The U.S. Constitution generally provides that a valid warrant is required in order for a search to be permissible. There are, however, several exceptions that permit a warrantless search.

Examples of law enforcement activities that are exceptions to the general warrant requirement include, but are not limited to, searches pursuant to the following:

- Valid consent
- Incident to a lawful arrest
- Legitimate community caretaking interests
- Vehicle searches under certain circumstances
- Exigent circumstances

Certain other activities are recognized by federal and state courts and by certain statutes as legitimate law enforcement activities that also do not require a warrant. Such activities may include seizure and examination of abandoned property, and observations of activities and property located on open public areas.

Because case law regarding search and seizure is constantly changing and subject to interpretation by the courts, each member of this department is expected to act in each situation according to current training and his/her familiarity with the subject's clearly established rights as determined by case law.

Whenever practicable, officers are encouraged to contact a supervisor to resolve questions regarding search and seizure issues prior to electing a course of action.

322.4 SEARCH PROTOCOL
Although conditions will vary and officer safety and other exigencies must be considered in every search situation, the following guidelines should be followed whenever circumstances permit:

Adopted: 2014/01/01 © 1995-2013 Lexipol, LLC
Search and Seizure

(a) Members of this department will strive to conduct searches with dignity and courtesy.

(b) Officers should explain to the person being searched the reason for the search and how the search will be conducted.

(c) Searches should be carried out with due regard and respect for private property interests and in a manner that minimizes damage. Property should be left in a condition as close as reasonably possible to its pre-search condition.

(d) In order to minimize the need for forcible entry, an attempt should be made to obtain keys, combinations or access codes when a search of locked property is anticipated.

(e) When the person to be searched is of the opposite sex as the searching officer, a reasonable effort should be made to summon an officer of the same sex as the subject to conduct the search. When it is not practicable to summon an officer of the same sex as the subject, the following guidelines should be followed:
   1. Another officer or a supervisor should witness the search.
   2. The officer should not search areas of the body covered by tight-fitting clothing, sheer clothing or clothing that could not reasonably conceal a weapon.

322.5 DOCUMENTATION

Officers are responsible to document any search and to ensure that any required reports are sufficient including, at minimum, documentation of the following:

• Reason for the search
• Any efforts used to minimize the intrusiveness of any search (e.g., asking for consent or keys)
• What, if any, injuries or damage occurred
• All steps taken to secure property
• The results of the search, including a description of any property or contraband seized
• If the person searched is the opposite sex, any efforts to summon an officer of the same sex as the person being searched and the identification of any witness officer

Supervisors shall review reports to ensure the reports are accurate, that actions are properly documented and that current legal requirements and department policy have been met.
Temporary Custody of Juveniles

324.1 PURPOSE AND SCOPE
This policy provides guidelines consistent with the Juvenile Justice and Delinquency Prevention Act for juveniles taken into temporary custody by members of the Department (42 USC § 5633).

324.1.1 DEFINITIONS
Definitions related to this policy include:

Juvenile non-offender - An abused, neglected, dependent or alien juvenile who may be legally held for his/her own safety or welfare. This also includes any juvenile who may have initially been contacted for an offense that would not subject an adult to arrest (e.g., fine-only offense) but was taken into custody for his/her protection or for purposes of reuniting the juvenile with a parent, guardian or other responsible person.

Juvenile offender - A juvenile under 18 years of age who is alleged to have committed an offense that would subject an adult to arrest (a non-status offense) or a juvenile who has violated 720 ILCS 5/24-3.1 by possessing a handgun (28 CFR 31.303), excluding a 17-year old who has committed a felony (705 ILCS 405/5-105).

Non-secure custody - When a juvenile is held in the presence of an officer or other custody employee at all times and is not placed in a locked room, cell or behind any locked doors. Juveniles in non-secure custody may be handcuffed but not to a stationary or secure object. Personal supervision, through direct visual monitoring and audio two-way communication is maintained. Monitoring through electronic devices, such as video, does not replace direct visual observation.

Secure custody - When a juvenile offender is held in a locked room, a set of rooms or a cell. Secure custody also includes being physically secured to a stationary object.

Examples of secure custody include:

(a) A juvenile left alone in an unlocked room within the secure perimeter of the adult temporary holding area.

(b) A juvenile handcuffed to a rail.

(c) A juvenile placed in a room that contains doors with delayed egress devices that have a delay of more than 30 seconds.

(d) A juvenile being processed in a secure booking area when an unsecure booking area is available.

(e) A juvenile left alone in a secure booking area after being photographed and fingerprinted.

(f) A juvenile placed in a cell within the adult temporary holding area, whether or not the cell door is locked.

Sight and sound separation - Located or arranged to prevent physical, visual or auditory contact.
Temporary Custody of Juveniles

Status offender - A juvenile suspected of committing a criminal violation of the law that would not be a criminal violation but for the age of the offender. Examples may include running away, underage possession or tobacco, curfew violation or truancy. A juvenile in custody on a court order or warrant based upon a status offense is also a status offender.

324.2 POLICY
The Department is committed to releasing juveniles from temporary custody as soon as reasonably practicable and keeping juveniles safe while they are in temporary custody at the Department. Juveniles should be held in temporary custody only for as long as reasonably necessary for processing, transfer or release.

324.3 JUVENILES WHO SHOULD NOT BE HELD
Juveniles who exhibit any of the following conditions should not be held at the Department:

(a) Unconscious
(b) Seriously injured
(c) A known suicide risk or obviously severely emotionally disturbed
(d) Significantly intoxicated
(e) Extremely violent or continuously violent

Officers taking custody of a juvenile who exhibits any of the above conditions should take reasonable steps to provide medical attention or mental health assistance and notify a supervisor of the situation.

These juveniles should not be held at the Department unless they have been evaluated by a qualified medical and/or mental health professional.

If the officer taking custody of the juvenile believes the juvenile may be a suicide risk, the juvenile shall be under continuous direct supervision until evaluation, release or a transfer is completed.

324.4 CUSTODY OF JUVENILES
Officers should take custody of a juvenile and temporarily hold the juvenile at the Department when there is no other lawful and practicable alternative to temporary custody. Refer to the Child Abuse Policy for additional information regarding detaining a juvenile that is suspected of being a victim.

No juvenile should be held in temporary custody at the Department without authorization of the arresting officer's supervisor or the Shift Commander or Chief of Police or his or her designee.

Any juvenile taken into custody shall be released to the care of the juvenile's parent or other responsible adult or transferred to a juvenile custody facility or to other authority as soon as practicable and in no event shall a juvenile be held beyond six hours from the time of his/her entry into the Department (42 USC § 5633).

324.4.1 CUSTODY OF JUVENILE NON-OFFENDERS
Non-offenders taken into protective custody in compliance with the Child Abuse Policy should generally not be held at the Department. Custodial arrangements should be made for non-offenders as soon as reasonably possible. Juvenile non-offenders may not be held in secure custody (42 USC § 5633).
Temporary Custody of Juveniles

A juvenile taken into protective custody for prostitution should be reported to the Illinois Department of Children and Family Services (720 ILCS 5/11-14).

324.4.2 Custody of Juvenile Status Offenders
Status offenders should generally be released by citation or with a warning rather than taken into temporary custody. However, officers may take custody of a status offender if requested to do so by a parent or legal guardian in order to facilitate reunification (e.g., transported home or to the station to await a parent). Juvenile status offenders may not be held in secure custody (42 USC § 5633).

324.4.3 Custody of Juvenile Offenders
Juvenile offenders should be held in non-secure custody while at the Department unless another form of custody is authorized by this policy or is necessary due to exigent circumstances.

Generally, a juvenile offender may be taken into custody when (705 ILCS 405/5-401):

(a) Probable cause exists to believe he/she has violated, or attempted to violate, a law or ordinance.
(b) The juvenile has been adjudged a ward of the court and has escaped from any commitment ordered by the court.
(c) An officer reasonably believes the juvenile has violated court ordered conditions of probation or supervision.

The officer shall promptly take the juvenile to the nearest juvenile police officer (705 ILCS 405/2-6; 705 ILCS 405/3-8).

The officer shall submit a completed report to the Shift Commander or Chief of Police or his or her designee.

324.5 Adviseements
An officer who takes a juvenile into custody without a warrant shall immediately make a reasonable attempt to notify the parent, guardian or the person with whom the juvenile resides that the juvenile has been taken into custody and where the juvenile is being held (705 ILCS 405/2-6).

324.6 Juvenile Custody Logs
Any time a juvenile is held in custody at the Department, the custody shall be promptly and properly documented in the juvenile custody log, including:

(a) Identifying information about the juvenile being held.
(b) Date and time of arrival and release from the Department.
(c) Shift Commander notification and approval to temporarily hold the juvenile.
(d) Any charges for which the juvenile is being held and classification of the juvenile as a juvenile offender, status offender or non-offender.
(e) Any changes in status.
(f) Time of all welfare checks.
(g) Any medical and other screening requested and completed.
(h) Circumstances that justify any secure custody.
Temporary Custody of Juveniles

(i) Any other information that may be required by other authorities, such as compliance inspectors or a local juvenile court authority.

The Shift Commander or supervisor shall initial the log to approve the custody, including any secure custody, and shall also initial the log when the juvenile is released.

324.7 NO-CONTACT REQUIREMENTS
Sight and sound separation shall be maintained between all juveniles and adults while in custody at the Department (42 USC § 5633). There should also be sight and sound separation between non-offenders and juvenile and status offenders.

In situations where brief or accidental contact may occur (e.g., during the brief time a juvenile is being fingerprinted and/or photographed in booking), a member of the Department shall maintain a constant, immediate presence with the juvenile or the adult to minimize any contact. If inadvertent or accidental contact does occur, reasonable efforts shall be taken to end the contact.

324.8 TEMPORARY CUSTODY REQUIREMENTS
Members and supervisors assigned to monitor or process any juvenile at the Department shall ensure the following:

(a) The Shift Commander or Chief of Police or his or her designee should be notified if it is anticipated that a juvenile may need to remain at the Department more than four hours. This will enable the Shift Commander or Chief of Police or his or her designee to ensure no juvenile is held at the Department more than six hours.

(b) A staff member of the same sex shall supervise personal hygiene activities and care, such as changing clothing or using the restroom, without direct observation to allow for privacy.

(c) Personal visual checks and significant incidents/activities shall be noted on the log.

(d) There shall be no viewing devices, such as peep holes or mirrors, of which the juvenile is not aware. Therefore, an employee should inform a juvenile under his/her care that the juvenile will be monitored at all times, unless he/she is using the toilet. This does not apply to surreptitious and legally obtained recorded interrogations.

(e) Juveniles shall have reasonable access to toilets and wash basins.

(f) Food should be provided if a juvenile has not eaten within the past four hours or is otherwise in need of nourishment, including any special diet required for the health of the juvenile.

(g) Juveniles shall have reasonable access to a drinking fountain or water.

(h) Juveniles shall have reasonable opportunities to stand and stretch, particularly if handcuffed or restrained in any way.

(i) Juveniles should have privacy during family, guardian and/or lawyer visits.

(j) Juveniles should be permitted to remain in their personal clothing unless the clothing is taken as evidence or is otherwise unsuitable or inadequate for continued wear while in custody.

(k) Blankets should be provided as reasonably necessary.

(l) Adequate shelter, heat, light and ventilation should be provided without compromising security or enabling escape.

(m) Juveniles shall have adequate furnishings, including suitable chairs or benches.
Temporary Custody of Juveniles

(n) Juveniles shall have the right to the same number of telephone calls as an adult in custody.
(o) No discipline may be administered to any juvenile, nor may juveniles be subjected to corporal or unusual punishment, humiliation or mental abuse.

324.9 USE OF RESTRAINT DEVICES
Juvenile offenders may be handcuffed in accordance with the Handcuffing and Restraints Policy. A juvenile offender may be handcuffed at the Department when the juvenile presents a heightened risk. However, non-offenders and status offenders should not be handcuffed unless they are combative or threatening.

Other restraints shall only be used after less restrictive measures have failed and with the approval of the Shift Commander or Chief of Police or his or her designee. Restraints shall only be used so long as it reasonably appears necessary for the juvenile’s protection or the protection of others.

Juveniles in restraints shall be kept away from other unrestrained juveniles or monitored in such a way as to protect the juvenile from abuse.

324.10 PERSONAL PROPERTY
The officer taking custody of a juvenile offender or status offender at the Department shall ensure a thorough search of the juvenile’s property is made and all property is removed from the juvenile, especially those items that could compromise safety, such as pens, pencils and belts.

The personal property of a juvenile should be placed in a property bag. The property should be inventoried in the juvenile’s presence and sealed into the bag. The property should be kept in a monitored or secure location until the juvenile is released from the custody of the Department.

324.11 SECURE CUSTODY
Only juvenile offenders 10 years of age or older may be placed in secure custody (705 ILCS 405/5-410). Shift Commander or Chief of Police or his or her designee approval is required before placing a juvenile offender in secure custody.

Secure custody should only be used for juvenile offenders when there is a reasonable belief that the juvenile is a serious risk of harm to him/herself or others.

Members of this department should not use secure custody for convenience when non-secure custody is, or later becomes, a reasonable option.

When practicable, handcuffing one hand of a juvenile offender to a fixed object while otherwise maintaining the juvenile in non-secure custody should be considered as the method of secure custody, rather than the use of a locked enclosure. An employee must be present at all times to ensure the juvenile’s safety while secured to a stationary object.

Generally, juveniles should not be secured to a stationary object for more than 60 minutes. Supervisor approval is required to secure a juvenile to a stationary object for longer than 60 minutes and every 30 minutes thereafter. Supervisor approval should be documented.
324.11.1 LOCKED ENCLOSURES
A thorough inspection of the area shall be conducted before placing a juvenile into the enclosure. A second inspection shall be conducted after removing the juvenile. Any damage noted to the room should be photographed and documented in the crime report.

The following requirements shall apply to a juvenile offender who is held inside a locked enclosure:

(a) The juvenile shall constantly be monitored by an audio/video system during the entire time in custody.

(b) Juveniles shall have constant auditory access to department members.

(c) Initial placement into and removal from a locked enclosure shall be logged.

(d) Random personal visual checks of the juvenile by a staff member, no less than every 15 minutes, shall occur.
   1. All checks shall be logged.
   2. The check should involve questioning the juvenile as to his/her well-being (sleeping juveniles or apparently sleeping juveniles should be awakened).
   3. Requests or concerns of the juvenile should be logged.

(e) Males and females shall not be placed in the same locked room.

(f) Juvenile offenders should be separated according to severity of the crime (e.g., felony or misdemeanor).

(g) Restrained juveniles shall not be mixed in a cell or room with unrestrained juveniles.

324.12 SUICIDE ATTEMPT, DEATH OR SERIOUS INJURY OF A JUVENILE
The Shift Commander or supervisor will ensure procedures are in place to address the suicide attempt, death or serious injury of any juvenile held at the Department. The procedures will address:

(a) Immediate notification of the on-duty supervisor, Chief of Police and Detective Bureau supervisor.

(b) Notification of the parent, guardian or person standing in loco parentis, of the juvenile.

(c) Notification of the appropriate prosecutor.

(d) Notification of the States Attorney.

(e) Evidence preservation.

324.13 INTERVIEWING OR INTERROGATING JUVENILE SUSPECTS
No interview or interrogation of a juvenile should occur unless the juvenile has the apparent capacity to consent, and does consent to an interview or interrogation.

A juvenile under 13 years of age at the time of the commission of any of the offenses listed in 705 ILCS 405/5-170 must be represented by legal counsel during the entire custodial interrogation of the juvenile.

Oral, written or sign-language statements of a juvenile under the age of 17 who is subject to custodial interrogation while in custody at a police station or other custodial location are governed by the Investigation and Prosecution Policy (705 ILCS 405/5-401.5).
Temporary Custody of Juveniles

324.14 RESTRICTION ON FINGERPRINTING AND PHOTOGRAPHING

Juveniles shall be formally booked for offenses enumerated in 705 ILCS 405/1-7(B)(2).

For all other acts defined as crimes, juveniles may be booked, fingerprinted or photographed upon approval of the Shift Commander or Detective Bureau supervisor, giving due consideration to:

(a) The gravity of the offense.
(b) The past record of the offender.
(c) The age of the offender.
Elder Abuse

326.1 PURPOSE AND SCOPE
The purpose of this policy is to provide members of this department with direction and understanding of their role in the prevention, detection, and intervention in incidents of elder abuse. It is the policy of the Metro East Police District to treat reports of violence against elderly persons as high priority criminal activity that is to be fully investigated regardless of the relationship between the victim and the suspect(s).

326.2 DEFINITIONS
For purposes of this policy, the following definitions are provided (Elder Abuse and Neglect Act, 320 ILCS 20/2).

Eligible Adult - Means a person 60 years of age or older who resides in a domestic living situation and is, or is alleged to be, abused, neglected, or financially exploited by another individual or who neglects himself or herself.

Abuse - Means causing any physical, mental, or sexual injury to an eligible adult, including exploitation of such adult's financial resources.

Abuse of an Elder or a Dependent Adult - Means physical abuse, neglect, fiduciary abuse, abandonment, isolation or other treatment with resulting physical harm, pain, mental suffering, or the deprivation by a care custodian of goods or services that are necessary to avoid physical harm or mental suffering.

Neglect - Means another individual's failure to provide an eligible adult with or willful withholding from an eligible adult the necessities of life including, but not limited to, food, clothing, shelter, or health care. This subsection does not create any new affirmative duty to provide support to eligible adults. Nothing in this Act shall be construed to mean that an eligible adult is a victim of neglect because of health care services provided or not provided by licensed health care professionals.

326.3 MANDATORY REPORTING REQUIREMENTS
Pursuant to 320 ILCS 20/2(f-5), the Department is considered a "mandated reporter". A mandated reporter who has reason to believe an eligible adult is unable to seek assistance for themselves, or they are, or have been, subjected to abuse, neglect, or financial exploitation within the past 12 months shall make a report within 24 hours (320 ILCS 20/4 (a-5)).

326.3.1 CENTRAL RECORDS RESPONSIBILITY
The central records is responsible for the following:

(a) Provide a copy of the elder/dependent abuse report to the Department on Aging's Elder Abuse and Neglect Program. This requirement is applicable even if the initial call was received from the Department on Aging's Elder Abuse and Neglect Program.

(b) Notify the Public Guardians Office.

(c) Retain the original elder/dependent abuse report with the initial case file.
326.4  OFFICER'S RESPONSE
All incidents involving actual or suspected elder and dependent abuse shall be fully investigated and appropriately documented.

326.4.1  INITIAL RESPONSE
Officers may be called upon to effect a forced entry as the first responder to the scene of a suspected elder abuse. Entry should be immediate when it appears reasonably necessary to protect life or property. When the need for an emergency entry is not evident, officers should seek supervisory approval. Officers must be prepared to provide emergency care pending the arrival of medical personnel, if not already present.

326.4.2  STABILIZE THE SITUATION
Officers must quickly assess the situation in an effort to ensure the immediate safety of all persons. Officers shall also consider the following:

(a) Attempt to identify the victim, suspect and witnesses as well as the roles and relationships of all parties. Parties should be interviewed separately when possible. Frequently it is wrongfully assumed that elderly persons are incapable of accurately reporting the incident. Do not automatically discount the statement of an elderly person.

(b) Preserve the crime scene where evidence may be present. All persons should be removed from the scene until it has been photographed and processed. Any evidence such as injuries that may change in appearance should be photographed immediately.

(c) Assess and define the nature of the problem. Officers should assess the available information to determine the type(s) of abuse that may have taken place or the potential for abuse in the future that may be eliminated by our intervention.

(d) Make on-scene arrests when appropriate. Immediate arrest of an abuser (especially when the abuser is a family member or caretaker) may leave the elderly victim without necessary support and could result in institutionalization. The effect of an arrest on the victim should be considered and weighed against the assessed risk and the competent victim's desires. The present and future safety of the victim is of utmost importance.

326.4.3  SUPPORT PERSONNEL
The following person(s) should be considered if it appears an in-depth investigation is appropriate:

• Patrol Supervisor
• Detective personnel
• Evidence collection personnel
• Department on Aging's Elder Abuse and Neglect Program personnel
• Ombudsman shall be called if the abuse is in a long-term care facility

326.4.4  EMERGENCY PROTECTIVE ORDERS
In any situation which an officer reasonably believes that an elder or dependant adult is in immediate and present danger of abuse based on an allegation of a recent incident of abuse or threat of abuse (other than financial abuse alone), the officer may seek an emergency protective order against the person alleged to have committed or threatened such abuse.

Discriminatory Harassment

328.1 PURPOSE AND SCOPE
This policy is intended to prevent department members from being subjected to discrimination or sexual harassment.

328.2 POLICY
The Department is an equal opportunity employer and is committed to creating and maintaining a work environment that is free of all forms of discriminatory harassment, including sexual harassment and retaliation. The Department will not tolerate discrimination against employees in hiring, promotion, discharge, compensation, fringe benefits and other privileges of employment. The Department will take preventive and corrective action to address any behavior that violates this policy or the rights it is designed to protect.

The non-discrimination policies of the Department may be more comprehensive than state or federal law. Conduct that violates this policy may not violate state or federal law but still could subject a member to discipline.

328.3 DISCRIMINATION PROHIBITED

328.3.1 DISCRIMINATION
The Department prohibits all forms of discrimination, including any employment-related action by an employee that adversely affects an applicant or employee and is based on race, color, religion, sex, age, national origin or ancestry, genetic information, disability, military service, sexual orientation and other classifications protected by law.

Discriminatory harassment, including sexual harassment, is verbal or physical conduct that demeans or shows hostility or aversion toward an individual based upon that individual's protected class. It has the effect of interfering with an individual's work performance or creating a hostile or abusive work environment.

Conduct that may, under certain circumstances, constitute discriminatory harassment, can include making derogatory comments, crude and offensive statements or remarks, making slurs or off-color jokes, stereotyping, engaging in threatening acts, making indecent gestures, pictures, cartoons, posters or material, making inappropriate physical contact, or using written material or department equipment and/or systems to transmit or receive offensive material, statements or pictures. Such conduct is contrary to department policy and to the department's commitment to a discrimination free work environment.

Retaliation is treating a person differently or engaging in acts of reprisal or intimidation against the person because he/she has engaged in protected activity, filed a charge of discrimination, participated in an investigation or opposed a discriminatory practice. Retaliation will not be tolerated.

328.3.2 SEXUAL HARASSMENT
The Department prohibits all forms of discrimination and discriminatory harassment, including sexual harassment. It is unlawful to harass an applicant or an employee because of that person's sex.
Discriminatory Harassment

Sexual harassment includes, but is not limited to, unwelcome sexual advances, requests for sexual favors or other verbal, visual or physical conduct of a sexual nature when:

(a) Submission to such conduct is made either explicitly or implicitly a term or condition of employment, position or compensation.

(b) Submission to, or rejection of, such conduct is used as the basis for any employment decisions affecting the member.

(c) Such conduct has the purpose or effect of substantially interfering with a member’s work performance or creating an intimidating, hostile or offensive work environment.

328.3.3 ADDITIONAL CONSIDERATIONS

Discrimination and discriminatory harassment do not include actions that are in accordance with established rules, principles or standards, including:

(b) Bona fide requests or demands by a supervisor that an employee improve his/her work quality or output, that the employee report to the job site on time, that the employee comply with City or departmental rules or regulations, or any other appropriate work-related communication between supervisor and employee.

328.4 RESPONSIBILITIES

This policy applies to all department personnel. All members shall follow the intent of these guidelines in a manner that reflects department policy, professional law enforcement standards and the best interest of the Department and its mission.

Members are encouraged to promptly report any discriminatory, retaliatory or harassing conduct or known violations of this policy to a supervisor. Any member who is not comfortable with reporting violations of this policy to his/her immediate supervisor may bypass the chain of command and make the report to a higher ranking supervisor or manager. Complaints may also be filed with the Chief of Police, Personnel Director or the City Manager.

Any member who believes, in good faith, that he/she has been discriminated against, harassed, subjected to retaliation, or who has observed harassment or discrimination, is encouraged to promptly report such conduct in accordance with the procedures set forth in this policy.

Supervisors and managers receiving information regarding alleged violation of this policy shall determine if there is any basis for the allegation and shall proceed with resolution as stated below.

328.4.1 SUPERVISOR RESPONSIBILITY

Each supervisor and manager shall:

(a) Continually monitor the work environment and strive to ensure that it is free from all types of unlawful discrimination, including sexual harassment or retaliation.

(b) Take prompt, appropriate action within their work units to avoid and minimize the incidence of any form of discrimination, harassment or retaliation.

(c) Ensure their subordinates understand their responsibilities under this policy.
Discriminatory Harassment

(d) Ensure that members who make complaints or who oppose any unlawful employment practices are protected from retaliation and that such matters are kept confidential to the extent possible.

(e) Notify the Chief of Police or Personnel Director in writing of the circumstances surrounding any reported allegations or observed acts of discrimination, harassment or retaliation no later than the next business day.

328.4.2 SUPERVISOR’S ROLE
Because of differences in individual values, supervisors and managers may find it difficult to recognize that their behavior or the behavior of others is discriminatory, harassing or retaliatory. Supervisors and managers shall be aware of the following considerations:

(a) Behavior of supervisors and managers should represent the values of the Department and professional law enforcement standards.

(b) False or mistaken accusations of discrimination, harassment or retaliation can have negative effects on the careers of innocent members.

(c) Supervisors and managers must act promptly and responsibly in the resolution of such situations.

(d) Supervisors and managers shall make a timely determination regarding the substance of any allegation based upon all available facts.

Nothing in this section shall be construed to prevent supervisors or managers from discharging supervisory or management responsibilities, such as determining duty assignments, evaluating or counseling employees or issuing discipline, in a manner that is consistent with established procedures.

328.5 INVESTIGATION OF COMPLAINTS
Various methods of resolution exist. During the pendency of any such investigation, the supervisor of the involved members should take prompt and reasonable steps to mitigate or eliminate any continuing abusive or hostile work environment. It is the policy of the Department that all complaints of discrimination or harassment shall be fully documented, and promptly and thoroughly investigated. The participating or opposing member should be protected against retaliation, and the complaint and related investigation should be kept confidential to the extent possible.

328.5.1 SUPERVISORY RESOLUTION
Members who believe they are experiencing discrimination, harassment or retaliation should be encouraged to inform the individual that his/her behavior is unwelcome. However, if the member feels uncomfortable, threatened or has difficulty expressing his/her concern, or if this does not resolve the concern, assistance should be sought from a supervisor or manager who is a rank higher than the alleged transgressor.

328.5.2 FORMAL INVESTIGATION
If the complaint cannot be satisfactorily resolved through the process described above, a formal investigation will be conducted.

The employee assigned to investigate the complaint will have full authority to investigate all aspects of the complaint. Investigative authority includes access to records and the cooperation of any members involved. No influence will be used to suppress any complaint.
Discriminatory Harassment

and no member will be subject to retaliation or reprisal for filing a complaint, encouraging others to file a complaint or for offering testimony or evidence in any investigation.

Formal investigation of the complaint will be confidential to the extent possible and will include, but not be limited to, details of the specific incident, frequency and dates of occurrences and names of any witnesses. Witnesses will be advised regarding the prohibition against retaliation, and that a disciplinary process, up to and including termination, may result if retaliation occurs.

Members who believe they have been discriminated against, harassed or retaliated against because of their protected status are encouraged to follow the chain of command but may also file a complaint directly with the Chief of Police, Personnel Director or the City Manager.

328.5.3 EQUAL OPPORTUNITY EMPLOYMENT COMPLAINTS

No provision of this policy shall be construed to prevent any employee from seeking legal redress outside the Department. Employees who believe that they have been harassed or discriminated against are entitled to bring complaints of employment discrimination to federal, state and/or local agencies responsible for investigating such allegations. Specific time limitations apply to the filing of such charges. Employees are advised that proceeding with complaints under the provisions of this policy does not in any way affect those filing requirements.

328.6 NOTIFICATION OF DISPOSITION

The complainant and/or victim will be notified in writing of the disposition of the investigation and actions taken to remedy the complaint.

328.7 DOCUMENTATION OF COMPLAINTS

All complaints or allegations shall be thoroughly documented on forms and in a manner designated by the Chief of Police. The outcome of all reports shall be:

- Approved by the Chief of Police or the City Manager or Personnel Director if more appropriate.
- Maintained for the period established in the department’s records retention schedule.

328.8 TRAINING

All new employees shall be provided with a copy of this policy as part of their orientation. The policy shall be reviewed with each new employee. The employee shall certify by signing the prescribed form that he/she has been advised of this policy, is aware of and understands its contents and agrees to abide by its provisions during his/her term of employment.

All employees shall receive annual training on the requirements of this policy and shall certify by signing the prescribed form that they have reviewed the policy, understand its contents and agree that they will continue to abide by its provisions.

328.8.1 QUESTIONS REGARDING DISCRIMINATION OR SEXUAL HARASSMENT

Members with questions regarding discrimination or sexual harassment are encouraged to contact a supervisor, manager, the Chief of Police, Personnel Director or the City Manager, or they may contact the Illinois Department of Human Rights at (312) 814-6200, or visit its website at http://www.state.il.us/dhr/index.htm.
Child Abuse

330.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidelines for the investigation of suspected child abuse. This policy also addresses when Metro East Police District members are required to notify the Illinois Department of Children and Family Services (DCFS) of suspected child abuse.

330.1.1 DEFINITIONS
Definitions related to this policy include:

Child - Unless otherwise specified by a cited statute, a child is any person under the age of 18 years.

Child abuse - Any offense or attempted offense involving violence or neglect with a child victim when committed by a person responsible for the child's care or any other act that would mandate notification to a social service agency (325 ILCS 5/3).

330.2 POLICY
The Department will investigate all reported incidents of alleged criminal child abuse and ensure DCFS is notified as required by law.

330.3 MANDATORY NOTIFICATION
The Department shall notify DCFS when they have reasonable cause to believe a child known to them in their official capacity was abused by a parent, immediate family member, any person responsible for the child's welfare, any individual residing in the same home as the child or a paramour of the child's parent. Members must also report any case of a neglected child (325 ILCS 5/4; 325 ILCS 5/3).

For purposes of notification, abuse includes physical injuries, risk of physical injuries, sex offenses, torture, excessive corporal punishment, female genital mutilation, etc. Neglect includes failure to provide necessary nourishment or medical care or blatant disregard of parent or caretaker responsibilities. Full definitions of abuse and neglect are provided in 325 ILCS 5/3.

330.3.1 NOTIFICATION PROCEDURE
Notification should occur as follows (325 ILCS 5/7):

(a) All notifications of suspected child abuse or neglect shall be made immediately, either to DCFS on the statewide, toll-free telephone number, in person or by telephone through the nearest DCFS office (325 ILCS 5/7.6; 89 IL ADC 300.30).

(b) Notification, when possible, shall include:
   1. The name and address of the child and his/her parents or other persons having custody.
   2. The child's age, the nature of the child's condition, including any evidence of previous injuries or disabilities.
Child Abuse

3. Any other information that the person filing the report believes might be helpful in establishing the cause of abuse or neglect and the identity of the person believed to have caused such abuse or neglect.

(c) A member who suspects that a child has died as a result of child abuse or neglect shall also immediately report his/her suspicion to the appropriate Coroner (325 ILCS 5/4.1).

330.4 QUALIFIED INVESTIGATORS
Qualified investigators should be available for child abuse investigations. These investigators should:

(a) Conduct interviews in child appropriate interview facilities.
(b) Be familiar with forensic interview techniques specific to child abuse investigations.
(c) Present all cases of alleged child abuse to the prosecutor for review.
(d) Coordinate with other enforcement agencies, social service agencies and school administrators as needed.
(e) Provide referrals to therapy services, victim advocates, guardians and support for the child and family as appropriate.
(f) Participate in or coordinate with multidisciplinary investigative teams as applicable.

330.5 INVESTIGATIONS AND REPORTING
In all reported or suspected cases of child abuse, a report will be written. Officers shall write a report even if the allegations appear unfounded or unsubstantiated.

Investigations and reports related to suspected cases of child abuse should address, as applicable:

(a) The overall basis for the contact. This should be done by the investigating officer in all circumstances where a suspected child abuse victim was contacted.
(b) The exigent circumstances that existed if officers interviewed the child victim without the presence of a parent or guardian.
(c) Any relevant statements the child may have made and to whom he/she made the statements.
(d) If a child was taken into protective custody, the reasons, the name and title of the person making the decision, and why other alternatives were not appropriate.
(e) Documentation of any visible injuries or any injuries identified by the child. This should include photographs of such injuries, if practicable.
(f) Whether the child victim was transported for medical treatment or a medical examination.
(g) Whether the victim identified a household member as the alleged perpetrator, and a list of the names of any other children who may reside in the residence.
(h) Identification of any prior related reports or allegations of child abuse, including other jurisdictions, as reasonably known.
(i) Previous addresses of the victim and suspect.
(j) Other potential witnesses who have not yet been interviewed, such as relatives or others close to the victim's environment.
Child Abuse

All cases of the unexplained death of a child should be investigated as thoroughly as if it had been a case of suspected child abuse (e.g., a sudden or unexplained death of an infant).

330.6 PROTECTIVE CUSTODY
Before taking any child into protective custody, the officer should make reasonable attempts to contact DCFS. Generally, removal of a child from his/her family, guardian or other responsible adult should be left to the child welfare authorities when they are present or have become involved in an investigation.

Generally, members of this department should remove a child from his/her parent or guardian without a court order only when no other effective alternative is reasonably available and immediate action reasonably appears necessary to protect the child. Prior to taking a child into protective custody, the officer should take reasonable steps to deliver the child to another qualified parent or legal guardian, unless it reasonably appears that the release would endanger the child or result in abduction. If this is not a reasonable option, the officer shall ensure that the child is delivered to DCFS.

Whenever practicable, the officer should inform a supervisor of the circumstances prior to taking a child into protective custody. If prior notification is not practicable, officers should contact a supervisor promptly after taking a child into protective custody.

Children may only be removed from a parent or guardian in the following situations (325 ILCS 5/5):

(a) A court has ordered the removal of the child.
(b) A court has not ordered the removal of the child but there is reason to believe the child cannot be cared for at home or in the custody of the person responsible for the child's welfare without endangering the child's health or safety, and there is no time to apply for a court order for temporary custody of the child.

330.6.1 PROCEDURE
A department member taking a child into temporary protective custody shall immediately (325 ILCS 5/5):

(a) Make every reasonable effort to notify the person responsible for the child's welfare.
(b) Notify DCFS.

See the Abandoned Newborn Infant Protection Policy for guidance regarding the Newborn Infant Protection Act (325 ILCS 2/10 et seq.).

330.7 INTERVIEWS

330.7.1 PRELIMINARY INTERVIEWS
Absent extenuating circumstances or impracticality, officers should record the preliminary interview with suspected child abuse victims. Officers should avoid multiple interviews with a child victim and should attempt to gather only the information necessary to begin an investigation. When practicable, investigating officers should defer interviews until a person who is specially trained in such interviews is available. Generally, child victims should not be interviewed in the home or location where the alleged abuse occurred.
330.7.2 DETAINING SUSPECTED CHILD ABUSE VICTIMS FOR AN INTERVIEW

An officer should not detain a child involuntarily who is suspected of being a victim of child abuse solely for the purpose of an interview or physical exam without the consent of a parent or guardian unless one of the following applies:

(a) Existent circumstances exist, such as:
   1. A reasonable belief that medical issues of the child need to be addressed immediately.
   2. A reasonable belief that the child is or will be in danger of harm if the interview or physical exam is not immediately performed.
   3. The alleged offender is the custodial parent or guardian and there is reason to believe the child may be in continued danger.

(b) A court order or warrant has been issued.

330.8 MEDICAL EXAMINATIONS

If the child has been the victim of abuse that requires a medical examination, the investigating officer should obtain consent for such examination from the appropriate parent, guardian or agency having legal custody of the child. The officer should also arrange for the child's transportation to the appropriate medical facility.

In cases where the alleged offender is the custodial parent or guardian and is refusing consent for the medical examination, officers should notify a supervisor before proceeding. If existent circumstances do not exist or if state law does not provide for officers to take the child for a medical examination, the notified supervisor should consider obtaining a court order for such an examination.

330.9 DRUG-ENDANGERED CHILDREN

A coordinated response by law enforcement and social services agencies is appropriate to meet the immediate and longer-term medical and safety needs of children exposed to the manufacturing, trafficking or use of narcotics.

330.9.1 SUPERVISOR RESPONSIBILITIES

The Detective Bureau Supervisor or other supervisor should:

(a) Work with professionals from the appropriate agencies, including DCFS, other law enforcement agencies, medical service providers and local prosecutors to develop community specific procedures for responding to situations where there are children endangered by exposure to methamphetamine labs or the manufacture and trafficking of other drugs.

(b) Activate any available interagency response when an officer notifies the Detective Bureau Supervisor or other supervisor that the officer has responded to a drug lab or other narcotics crime scene where a child is present or where evidence indicates that a child lives there.

(c) Develop a report format or checklist for use when officers respond to drug labs or other narcotics crime scenes. The checklist will help officers document the environmental, medical, social and other conditions that may affect the child.
330.9.2 OFFICER RESPONSIBILITIES
Officers responding to a drug lab or other narcotics crime scene where a child is present or where there is evidence that a child lives should:

(a) Document the environmental, medical, social and other conditions of the child using photography as appropriate and the checklist or form developed for this purpose.

(b) Notify the Detective Bureau Supervisor so an interagency response can begin.

330.10 STATE MANDATES AND OTHER RELEVANT LAWS
Illinois requires or permits the following:

330.10.1 RELEASE OF REPORTS

All investigations and interviews conducted by this agency shall comply with this protocol, with the procedures to be used in investigating and prosecuting cases arising from alleged child sexual abuse, and in coordinating treatment referrals for the child and his/her family (55 ILCS 80/3).

330.10.3 ACKNOWLEDGEMENT OF REPORTING RESPONSIBILITY
The Administration supervisor shall ensure that members of this department who are directly involved in the enforcement of the law sign statements acknowledging that they are mandated to notify DCFS of suspected child abuse and neglect. The statement shall be on a form prescribed by DCFS. It shall be signed before beginning employment and shall be retained by this agency as a permanent part of the personnel record (325 ILCS 5/4).

330.11 TRAINING
The Department should provide training on best practices in child abuse investigations to members tasked with investigating these cases. The training should include:

(a) Participating in multidisciplinary investigations, as appropriate.

(b) Conducting forensic interviews.

(c) Availability of therapy services for children and families.

(d) Availability of specialized forensic medical exams.

(e) Cultural competence (including interpretive services) related to child abuse investigations.

(f) Availability of victim advocate or guardian ad litem support.

332.1.1 DEFINITIONS

This includes a person under the age of 18, reported to the Department as abducted, lost or a runaway, whose identity is entered into the Law Enforcement Agencies Data System (LEADS) (325 ILCS 55/1(c)).

Missing person networks - Databases or computer networks that are available to law enforcement and are suitable for obtaining information related to missing person investigations. This includes the National Crime Information Center (NCIC) and the Law Enforcement Agencies Data System (LEADS).

332.2 POLICY

Missing Persons

priority over property-related cases and does not require a specific amount of time to have passed before beginning a missing person investigation.

332.3 REQUIRED FORMS AND DNA COLLECTION KITS
The Detective Bureau supervisor shall ensure the following forms and kits are developed and available:

- Missing Person Report Form
- Missing Person Investigation Checklist that provides investigation guidelines and resources that could be helpful in the early hours of a missing person investigation

This can be accomplished by accepting the report via telephone or in person and initiating the investigation. Those employees who do not take such reports or who are unable to give immediate assistance shall promptly dispatch or alert an employee who can take the report.

A report shall be accepted in all cases and regardless of where the person was last seen, where the person resides or any question of jurisdiction.

Officers or other employees conducting the initial investigation of a missing person should take the following investigative actions as applicable:

(a) Respond to a dispatched call as soon as practicable.

(b) Interview the reporting person and any witnesses to determine whether the person qualifies as a missing person and, if so, whether the person may be high-risk missing.

(c) Notify a supervisor immediately if there is evidence that a missing person is either high-risk missing or may qualify for a public alert, or both (see the Public Alerts Policy).

(d) Broadcast a Be on the Look-Out (BOLO) bulletin if the person is under 18 years of age or there is evidence that the missing person is high-risk. The BOLO should be broadcast immediately if the missing person is under 18 or as soon as practicable but in no event more than one hour after determining the missing person may be high-risk (325 ILCS 40/7).

(e) Ensure that entries are made into the appropriate missing person networks, as follows:

If the information relates to a high-risk missing person, the officer should notify a supervisor and proceed with reasonable steps to locate the missing person.

(i) If the missing person is a child, immediately contact the Illinois State Enforcement Agencies to Recover Children Unit (I SEARCH) (325 ILCS 40/7(b)).

(j) In the event that a missing child is not found during the shift in which the report was made, information regarding the missing child shall be disseminated to all sworn officers in the Department (325 ILCS 40/7(b)).

332.6 REPORT PROCEDURES AND ROUTING

Employees should complete all missing person reports and forms promptly and advise the appropriate supervisor as soon as a missing person report is ready for review.

332.6.1 SUPERVISOR RESPONSIBILITIES

The supervisor shall review and approve missing person reports upon receipt and ensure resources are deployed as appropriate, initiating a command post as needed. The reports should be promptly sent to the central records.

The supervisor shall also ensure applicable notifications and public alerts are made and documented and that records have been entered into the appropriate missing person networks.

The supervisor should also take reasonable steps to identify and address any jurisdictional issues to ensure cooperation among agencies. If the case falls within the jurisdiction of another agency, the supervisor should facilitate transfer of the case to the agency of jurisdiction.

332.6.2 CENTRAL RECORDS RESPONSIBILITIES

340.4.1 WRITTEN REPRIMANDS
Any employee wishing to formally appeal a written reprimand must submit a written request to his/her Division Commander or supervisor within ten days of receipt of the written reprimand. The Division Commander or supervisor will then assign the appeal to an uninvolved supervisor of at least one rank above the rank of the supervisor issuing the original written reprimand.

Absent a written stipulation to the contrary, the employee will be provided with an evidentiary hearing before the assigned, uninvolved supervisor within 30 days. The decision of the assigned, uninvolved supervisor to sustain, modify or dismiss the written reprimand shall be considered final.

340.5 POST INVESTIGATION PROCEDURES

Upon receipt of any completed personnel investigation, the Division Commander or supervisor of the involved employee shall review the entire investigative file, the employee’s personnel file and any other relevant materials.

Any full-time or part-time police officer who knowingly makes, submits, causes to be submitted, or files a false or untruthful report to the Board must have his or her certificate or waiver immediately decertified or revoked.

340.7 RESIGNATIONS/RETIREMENTS PRIOR TO DISCIPLINE
In the event that an employee tenders a written retirement or resignation prior to the imposition of discipline, it shall be noted in the file.

The tender of a retirement or resignation by itself shall not serve as grounds for the termination of an investigation or of pending discipline.

When requested by an employee's supervisor, or during the course of regular duties requiring such information, a member(s) of the agency's information systems staff may extract, download, or otherwise obtain any and all temporary or permanent files residing or located in or on the system.

Reasons for inspection or review may include, but are not limited to system malfunctions, problems or general system failure, a lawsuit against the agency involving the employee, or...

342.5 UNAUTHORIZED USE OF SOFTWARE

To reduce the risk of computer virus or malicious software infection, employees shall not install any unlicensed or unauthorized software on any department computer. Employees shall not install personal copies of any software onto any department computer. Any files or software that an employee finds necessary to upload onto a department computer or network shall be done so only with the approval of the department IT specialist and only after being properly scanned for malicious attachments.

No employee shall knowingly make, acquire or use unauthorized copies of computer software not licensed to the agency while on agency premises or on an agency computer system. Such unauthorized use of software exposes the agency and involved employees to severe civil and criminal penalties.

All employees have a duty to protect the system and related systems and devices from physical and environmental damage and are responsible for the correct use, operation, care and maintenance of the system.
Department Technology Use

It is expressly prohibited for an employee to allow an unauthorized user to access the system at any time or for any reason.
Report Preparation

344.1 PURPOSE AND SCOPE
Report preparation is a major part of each officer's job. The purpose of reports is to document sufficient information to refresh the officer's memory and to provide sufficient information for follow-up investigation and successful prosecution. Report writing is the subject of substantial formalized training and on-the-job training.

344.1.1 REPORT PREPARATION
Employees should ensure that reports are sufficiently detailed for their purpose and reasonably free of errors prior to submission. It is the responsibility of the assigned employee to complete and submit all reports taken during the shift before going off-duty unless permission to hold the report has been approved by a supervisor. Generally, reports requiring prompt follow-up action on active leads, or arrest reports where the suspect remains in custody should not be held.

Handwritten reports must be prepared legibly. If the report is not legible, the submitting employee will be required by the reviewing supervisor to promptly make corrections and resubmit the report. Employees who dictate reports shall use appropriate grammar, as content is not the responsibility of the typist. Employees who generate reports on computers are subject to all requirements of this policy.

All reports shall accurately reflect the identity of the persons involved, all pertinent information seen, heard, or assimilated by any other sense, and any actions taken. Employees shall not suppress, conceal or distort the facts of any reported incident, nor shall any employee make a false report orally or in writing. Generally, the reporting employee's opinions should not be included in reports unless specifically identified as such.

344.2 REQUIRED REPORTING
Written reports are required in all of the following situations on the appropriate department approved form unless otherwise approved by a supervisor.

344.2.1 CRIMINAL ACTIVITY REPORTING
When an employee responds to a call for service, or as a result of self-initiated activity becomes aware of any activity where a crime has occurred, the employee is required to document the activity. The fact that a victim is not desirous of prosecution is not an exception to documenting a report. The following are examples of required documentation:

(a) In every instance where a felony has occurred, the documentation shall take the form of a written crime report.

(b) In every instance where a misdemeanor crime has occurred and the victim desires a report, the documentation shall take the form of a written crime report. If the victim does not desire a report, the incident will be recorded on the telecommunicator’s log.

(c) In every case where any force is used against any person by police personnel.

(d) All incidents involving domestic violence.

(e) All arrests.

Adopted: 2014/01/01 © 1995-2013 Lexipol, LLC
344.2.2 NON-CRIMINAL ACTIVITY
Incidents that shall be documented using the appropriate approved report include:

(a) Anytime an officer points a firearm at any person.
(b) Any use of force against any person by a member of this department (see the Use of Force Policy).
(c) Any firearm discharge (see the Firearms and Qualification Policy).
(d) Anytime a person is reported missing, regardless of jurisdiction (see the Missing Person Reporting policy).
(e) Any found property or found evidence.
(f) Any traffic collisions above the minimum reporting level (see the Traffic Collision Reporting Policy).
(g) Suspicious incidents that may indicate a potential for crimes against children or that a child's safety is in jeopardy.
(h) All protective custody detentions.
(i) Suspicious incidents that may place the public or others at risk.
(j) Whenever the employee believes the circumstances should be documented or at the direction of a supervisor.

344.2.3 DEATH CASES
Death investigations require specific investigation methods depending on circumstances and should be handled in accordance with Policy § 360 Death Investigations. The handling officer should notify and apprise a supervisor of the circumstances surrounding the incident to determine how to proceed. The following cases shall be appropriately investigated and documented using the approved report:

(a) Sudden or accidental deaths.
(b) Suicides.
(c) Homicide or suspected homicide.
(d) Unattended deaths (No physician or qualified hospice care in the 20 days preceding death).
(e) Found dead bodies or body parts.

344.2.4 INJURY OR DAMAGE BY CITY PERSONNEL
Reports shall be taken if an injury occurs that is a result of an act of a City employee. Additionally, reports shall be taken involving damage to City property or City equipment.

344.2.5 MISCELLANEOUS INJURIES
Any injury that is reported to this department shall require a report when:

(a) The injury is a result of drug overdose.
(b) Attempted suicide.
(c) The injury is major/serious, whereas death could result.
(d) The circumstances surrounding the incident are suspicious in nature and it is desirable to record the event.
Report Preparation

The above reporting requirements are not intended to be all-inclusive. A supervisor may direct an employee to document any incident he/she deems necessary.

344.3  GENERAL POLICY OF EXPEDITIOUS REPORTING

In general, all officers and supervisors shall act with promptness and efficiency in the preparation and processing of all reports. An incomplete report, unorganized reports or reports delayed without supervisory approval are not acceptable. Reports shall be processed according to established priorities or according to special priority necessary under exceptional circumstances.

344.3.1  GENERAL POLICY OF HANDWRITTEN REPORTS

Some incidents and report forms lend themselves to block print rather than typing. In general, the narrative portion of those reports where an arrest is made or when there is a long narrative should be typed or dictated.

Supervisors may require, with the foregoing general policy in mind, block printing or typing of reports of any nature for departmental consistency.

344.3.2  GENERAL USE OF OTHER HANDWRITTEN FORMS

County, state and federal agency forms may be block printed as appropriate. In general, the form itself may make the requirement for typing apparent.

344.4  REPORT CORRECTIONS

Supervisors shall review reports for content and accuracy. If a correction is necessary, the reviewing supervisor should complete the Report Correction form stating the reasons for rejection. The original report and the correction form should be returned to the reporting employee for correction as soon as practical. It shall be the responsibility of the originating officer to ensure that any report returned for correction is processed in a timely manner.

344.5  REPORT CHANGES OR ALTERATIONS

Reports that have been approved by a supervisor and submitted to the central records for filing and distribution shall not be modified or altered except by way of a supplemental report. Reviewed reports that have not yet been submitted to the central records may be corrected or modified by the authoring officer only with the knowledge and authorization of the reviewing supervisor.

344.6  ELECTRONIC SIGNATURES

The Department has established an electronic signature procedure for use by all employees of the Department. The Uniform Patrol Captain shall be responsible for maintaining the electronic signature system and ensuring that each employee creates a unique, confidential password for his/her electronic signature.

- Employees may only use their electronic signature for official reports or other official communications.
- Each employee shall be responsible for the security and use of his/her electronic signature and shall promptly notify a supervisor if the electronic signature has or may have been compromised or misused.

Electronic records containing electronic signatures will be retained in the format in which they were originally generated, sent, or received or in a format that can be demonstrated
Report Preparation

...to represent accurately the information originally generated, sent or received (5 ILCS 175/5-135(a)(2)).
News Media Relations

346.1 PURPOSE AND SCOPE
This policy provides guidelines for media releases and media access to scenes of disasters, criminal investigations, emergencies and other law enforcement activities.

346.2 RESPONSIBILITIES
The ultimate authority and responsibility for the release of information to the media shall remain with the Chief of Police, however, in situations not warranting immediate notice to the Chief of Police and in situations where the Chief of Police has given prior approval, Division Commanders, Shift Commanders and designated Public Information Officer(s) may prepare and release information to the media in accordance with this policy and the applicable law.

346.2.1 MEDIA REQUEST
Any media request for information or access to a law enforcement situation shall be referred to the designated department media representative, or if unavailable, to the first available supervisor. Prior to releasing any information to the media, employees shall consider the following:

(a) At no time shall any employee of this department make any comment or release any official information to the media without prior approval from a supervisor or the designated department media representative.

(b) In situations involving multiple law enforcement agencies, every reasonable effort should be made to coordinate media releases with the authorized representative of each involved agency prior to the release of any information by this department.

(c) Under no circumstance should any member of this department make any comment(s) to the media regarding any law enforcement incident not involving this department without prior approval of the Chief of Police.

346.3 MEDIA ACCESS
Authorized members of the media shall be provided access to scenes of disasters, criminal investigations, emergencies and other law enforcement activities subject to the following conditions:

(a) The media representative shall produce valid press credentials that shall be prominently displayed at all times while in areas otherwise closed to the public.

(b) Media representatives may be prevented from interfering with emergency operations and criminal investigations.

1. Reasonable effort should be made to provide a safe staging area for the media that is near the incident and that will not interfere with emergency or criminal investigation operations. All information released to the media should be coordinated through the department Public Information Officer or other designated spokesperson.

2. Whenever the presence of media or other aircraft poses a threat to public or officer safety or significantly hampers incident operations, the field supervisor should consider requesting a Temporary Flight Restriction (TFR). All requests for TFR should be routed through the Shift Commander.

Adopted: 2014/01/01 © 1995-2013 Lexipol, LLC
TFR request should include specific information regarding the perimeter and altitude necessary for the incident and should be requested through the appropriate control tower. If the control tower is not known, the Federal Aviation Administration should be contacted (14 CFR 91.137).

(c) No member of this department who is under investigation shall be subjected to media visits or interviews without the consent of the involved employee.

(d) Media interviews with individuals who are in custody shall not be permitted without the approval of the Chief of Police and the express consent of the person in custody.

A tactical operation should be handled in the same manner as a crime scene, except the news media should be permitted within the outer perimeter of the scene, subject to any restrictions as determined by the supervisor in charge. Department members shall not jeopardize a tactical operation in order to accommodate the news media. All comments to the media shall be coordinated through a supervisor or the Public Information Officer.

346.3.1 PROVIDING ADVANCE INFORMATION
To protect the safety and rights of officers and other persons, advance information about planned actions by law enforcement personnel, such as movement of persons in custody or the execution of an arrest or search warrant, should not be disclosed to the news media, nor should media representatives be invited to be present at such actions except with the prior approval of the Chief of Police.

Any exceptions to the above should only be considered for the furtherance of legitimate law enforcement purposes. Prior to approving any exception the Chief of Police will consider, at minimum, whether the release of information or presence of the media would unreasonably endanger any individual, prejudice the rights of any person or is otherwise prohibited by law.

346.4 SCOPE OF INFORMATION SUBJECT TO RELEASE
The Department will maintain a daily information log of significant law enforcement activities that shall be made available, upon request, to media representatives through the Shift Commander. This log will generally contain the following information:

(a) The date, time, location, case number, type of crime, extent of injury or loss, and names of individuals (except confidential informants) involved in crimes occurring within this jurisdiction unless the release of such information would endanger the safety of any individual or jeopardize the successful completion of any ongoing investigation.

(b) The date, time, location, case number, name, birth date and charges for each person arrested by this department unless the release of such information would endanger the safety of any individual or jeopardize the successful completion of any ongoing investigation.

(c) The time and location of other significant law enforcement activities or requests for service with a brief summary of the incident subject to the restrictions of this policy and applicable law.

At no time shall identifying information pertaining to a juvenile arrestee, victim or witness be publicly released without prior approval of a competent court.

Information concerning incidents involving certain sex crimes and other offenses set forth in the Illinois Freedom of Information Act shall be restricted in accordance with applicable statutory provisions.
News Media Relations

Identifying information concerning deceased individuals shall not be released to the media until notification of next of kin or otherwise cleared through the Coroner's Office.

Any requests for copies of related reports or additional information not contained in this log shall be referred to the designated department media representative, the custodian of records, or if unavailable, to the Shift Commander. Such requests will generally be processed in accordance with the provisions of the Illinois Freedom of Information Act (5 ILCS 140/1, et seq.).

346.4.1 RESTRICTED INFORMATION

It shall be the responsibility of the authorized employee dealing with media requests to ensure that restricted information is not inappropriately released to the media by this department (5 ILCS 140). When in doubt, authorized and available legal counsel should be obtained. Examples of such restricted information include, but are not limited to:

(a) Information that, if disclosed, would constitute a clearly unwarranted invasion of personal privacy.

(b) Confidential peace officer personnel information (See Policy Manual § 1026).
   1. The identities of officers involved in shootings or other major incidents may only be released to the media pursuant to consent of the involved officer or upon a formal request filed and processed in accordance with the Illinois Freedom of Information Act.

(c) Criminal history information.

(d) Information that would tend to endanger the safety of any individual or jeopardize the successful completion of any ongoing investigation.

(e) Information pertaining to pending litigation involving this department.

(f) Information obtained in confidence.

(g) Any information that is otherwise privileged or restricted under state or federal law.
Court Appearance and Subpoenas

348.1 PURPOSE AND SCOPE
This procedure has been established to provide for the acceptance of subpoenas and to ensure that employees appear when subpoenaed, or are available to appear in court when requested and present a professional appearance.

348.1.1 DEFINITIONS
On-Call - When an employee has appeared in court, or is at the time on-duty, and has been told by a member of the court that he/she is free to leave the court or return to duty, subject to being available by phone or pager if called back.

Standby - When an employee receives a subpoena of a type which allows him or her to not appear in court, but remain available by phone or pager so that he/she may be directed to appear in court within a reasonable amount of time.

Trailing Status - When an employee remains on standby status for additional court sessions until notified otherwise.

Mandatory Appearance - Subpoenas marked as mandatory appearance require an employee's physical appearance in the specified court. Failure to timely appear in the specified court, either intentionally or by negligence, may result in disciplinary action.

348.2 COURT SUBPOENAS
Employees who receive subpoenas related to their employment with this department are subject to the provisions of this policy. Employees should be aware that their compliance is mandatory on all cases for which they have been properly subpoenaed, or properly notified. This policy applies to civil and criminal subpoenas. Employees are expected to cooperate with the prosecution to ensure the successful conclusion of a case.

348.2.1 SERVICE OF SUBPOENA
Service of a subpoena requiring the appearance of any department employee in connection with a matter arising out of the employee's course and scope of official duties may be accomplished by personal service on the employee or by delivery of two copies of the subpoena on the employee's supervisor or other authorized departmental agent. Subpoena service is also acceptable by certified US mail, courier or court appointed liaison from the court to this department.

348.2.2 VALID SUBPOENAS
No subpoena shall be accepted for an employee of this department unless it has been properly served and verified to have originated from a recognized legal authority.

348.2.3 ACCEPTANCE OF SUBPOENA
(a) Only the employee named in a subpoena, his/her immediate supervisor, the department subpoena clerk, or any other designated employee shall be authorized to accept service of a subpoena. Any authorized employee accepting a subpoena shall immediately provide a copy of the subpoena to the department subpoena clerk.
Court Appearance and Subpoenas

The subpoena clerk shall maintain a chronological log of all department subpoenas and provide a copy of the subpoena to each involved employee.

(b) Any supervisor or other authorized individual accepting a subpoena on behalf of another employee shall immediately check available schedules to determine the availability of the named employee for the date listed on the subpoena.

(c) Once a subpoena has been received by a supervisor or other authorized individual, a copy of the subpoena shall be promptly provided to the subpoena clerk as well as a copy to the individually named employee.

348.2.4 REFUSAL OF SUBPOENA

(a) Valid reasons for an individually named employee not accepting subpoenas include illness, previously approved training, and vacations, which are scheduled and approved, before receipt of the subpoena. Regular scheduled days off are not valid reasons for refusing the subpoena or missing court. If the subpoena has been received by the individually named employee from the subpoena clerk and a valid reason exists for refusing the subpoena, the subpoena shall be promptly returned to the subpoena clerk with a specified reason for refusal as well as the dates when the officer will become available. It shall then become the responsibility of the subpoena clerk to notify the assigned State's Attorney or other attorney of record of the bona fide unavailability of the employee.

(b) If the immediate supervisor or other authorized individual knows that he/she will be unable to deliver a copy of the subpoena to the named employee within sufficient time for the named employee to comply with the subpoena, the supervisor or other authorized individual may refuse to accept service.

(c) If a subpoena is presented for service to an immediate supervisor or other authorized individual less than five working days prior to the date listed for an appearance, the supervisor or other authorized individual may refuse to accept service.

(d) If, after initially accepting service of a subpoena, a supervisor or other authorized individual determines that he/she will be unable to deliver a copy of the subpoena to the individually named employee within sufficient time for the named employee to comply with the subpoena, the supervisor or the subpoena clerk shall notify the server or the attorney named on the subpoena of such not less than 48 hours prior to the date listed for the appearance.

348.2.5 COURT STANDBY

To facilitate court standby agreements with the courts, employees are required to provide and maintain current information on their address and phone number with the Department. Employees are required to notify the Department within 24 hours of any change in residence address or home phone number, and to provide accurate and reasonably reliable means or methods for contact.

If an employee on standby changes his/her location during the day, the employee shall notify the subpoena clerk of how he/she can be reached by telephone. Employees are required to remain on standby each day the case is trailing. In a criminal case the State's Attorney handling the case is the only person authorized to excuse an employee from standby status.

348.2.6 OFF-DUTY RELATED SUBPOENAS

Employees receiving valid subpoenas for actions taken off-duty not related to their employment with the Department shall comply with the requirements of the subpoena.
Court Appearance and Subpoenas

Employees receiving these subpoenas are not compensated for their appearance and arrangements for time off shall be coordinated through their immediate supervisor.

348.2.7 FAILURE TO APPEAR
Any employee who fails to comply with the terms of any valid and properly served subpoena may be subject to discipline as well as court imposed civil and/or criminal sanctions.

348.3 CIVIL SUBPOENAS
The Department will compensate employees who appear in their official capacity on civil matters arising out of the employee's official duties as appropriate. In such situations, the Department will also reimburse any employee for reasonable and necessary travel expenses. Any fees paid to the employee by the attorney of record shall be signed over to the Department.

The Department will receive reimbursement for the employee's compensation through the civil attorney of record who subpoenaed the employee.

348.3.1 PROCEDURE
To ensure that the employee is able to appear when required, that the employee is compensated for such appearance, and to protect the Department's right to reimbursement, employees shall follow the established procedures for the receipt of a civil subpoena.

348.3.2 CIVIL SUBPOENA ACCEPTANCE
Subpoenas shall not be accepted in a civil action in which the employee or Department is not a party without payment of the proper fees.

348.3.3 PARTY MUST PAY WITNESS FEES
The party in the civil action who seeks to subpoena an employee must deposit the statutory fee of $20 per day plus $0.20 per mile each way for travel per employee before such subpoena will be accepted. Parties seeking to have the officer make multiple appearances must make additional payments (705 ILCS 35/4.3).

348.4 OVERTIME APPEARANCES
If the employee appeared on his/her off-duty time, he/she will be compensated in accordance with the current employee contract or personnel policy.

348.5 COURTROOM PROTOCOL
Employees must be punctual when appearing in court and shall be prepared to proceed immediately with the case for which they are subpoenaed.

348.5.1 PREPARATION FOR TESTIMONY
Before the date of testifying, the subpoenaed employee shall request a copy of relevant reports and become familiar with their content in order to be prepared for court.

348.5.2 COURTROOM ATTIRE
Employees shall dress in uniform or business attire. Suitable business attire for men would consist of a coat, tie, and dress pants. Suitable business attire for female employees would consist of a dress jacket, dress blouse, and skirt or slacks.
348.6 COURTHOUSE DECORUM

During Phase II of training, as with Phase I, the auxiliary officer’s performance will be closely monitored. In addition, rapid progress should continue towards the completion of the Officer’s Field Training Manual. At the completion of Phase II of training, the auxiliary officer will return to his/her primary training officer for Phase III of the training.

351.4.6 THIRD TRAINING PHASE
Phase III of training shall consist of 24 hours of additional on-duty training. For this training phase, the auxiliary officer will return to his/her original primary training officer. During this phase, the training officer will evaluate the auxiliary officer for suitability to graduate from the formal training program.

At the completion of Phase III training, the primary training officer will meet with the Auxiliary Coordinator. Based upon the auxiliary officer’s evaluations, plus input from the primary training officer, the Auxiliary Coordinator shall decide if the auxiliary officer has satisfactorily completed his/her formal training. Mutual Aid and Outside Agency Assistance

352.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidance to officers in the request of or answering the request for assistance involving another law enforcement agency.

It is the policy of this department to provide assistance whenever possible, consistent with the applicable laws of arrest and detention policies of this department, when another law enforcement agency requests assistance with an arrest or detention of any person. This department may also request an outside agency to provide assistance.

352.1.1 ASSISTING OUTSIDE AGENCIES
Generally, calls for assistance from other agencies are routed to the Shift Commander's office or the Chief of Police or his or her designee for approval. When an authorized employee of an outside agency requests the assistance of this department in taking a person into custody, available officers shall respond and assist in making a lawful arrest. If an officer receives a request in the field for assistance, that officer shall notify a supervisor. Arrestees may be temporarily detained by our agency until arrangements for transportation are made by the outside agency. Only in exceptional circumstances will this department provide transportation of arrestees to other county facilities.

When such assistance is rendered, a case number will be issued to report action taken by Department Personnel. Probation violators temporarily detained by this department will not ordinarily be booked at this department.

352.1.2 REQUESTING ASSISTANCE FROM OUTSIDE AGENCIES
If assistance is needed from another agency, the employee requesting assistance shall first notify a supervisor of his/her intentions. The handling officer or supervisor should direct assisting personnel to where they are needed and to whom they should report when they arrive.

The requesting officer should establish the most effective means of coordinated communication between the responding agencies as is reasonably possible given the available resources. If available, radio frequencies common to all involved agencies should be secured. Reasonable effort should be taken to provide radio equipment, if available, capable of communicating on the assigned frequency to any involved personnel who do not have compatible radios.
JOINT PATROL AND INVESTIGATIONS
BY DEPARTMENTS WITHIN THE METRO EAST POLICE DISTRICT

353.1 PURPOSE AND SCOPE OF JOINT PATROLS AND INVESTIGATIONS
Due to the common law enforcement challenges of limited resources, disproportionate crime and shared history of the municipalities of Alorton, Brooklyn, East Saint Louis and Washington Park, joint law enforcement operations within these four communities of the Metro East Police District Commission are encouraged and supported. All operations shall adhere to the standards and procedures of the Metro East Police District Policy Manual.

353.1.1 JOINT PATROLS

To ensure all officers subject to the Metro East Police District Policy Manual meet minimal requirements necessary to support joint operations all four municipalities shall maintain in their Clerk’s office at their respective police departments an accurate and current list of all Certifications required by the Illinois Law Enforcement Training and Standards Board filed and updated by January 30th of each year for each active police officer who will be participating in any police function in the Metro East Police District including but not limited to joint operations.
Registered Offender Information

356.1 PURPOSE AND SCOPE
This policy establishes guidelines by which the Metro East Police District will address issues associated with certain offenders residing in the jurisdiction and how the Department will disseminate information and respond to public inquiries for information about registered sex offenders.

356.2 POLICY
It is the policy of the Department to identify and monitor registered offenders living within this jurisdiction and to take reasonable steps to address the risks those persons may pose.

356.3 REGISTRATION
The Detective Bureau Supervisor or Chief of Police or his or her designee shall establish a process to reasonably accommodate registration of certain offenders. The process should rebut any allegation on the part of the offender that the registration process was too confusing, burdensome or difficult for compliance. If it is reasonable to do so, an investigator assigned to related investigations should conduct the registration in order to best evaluate any threat the person may pose to the community. Employees assigned to register offenders should receive appropriate training regarding the registration process.

Upon conclusion of the registration process, the investigator shall ensure that the registration information is provided to the Illinois State Police (ISP) in accordance with 730 ILCS 150/8.

The refusal of a registrant to provide any of the required information or complete the process should initiate a criminal investigation for failure to register.

356.4 CONTENTS OF REGISTRATION
The Detective Bureau Supervisor or Chief of Police or his or her designee shall assign a detective to reasonably accommodate registration. The assigned detective will:

(a) Obtain proof of identity and residency.
(b) Conduct a criminal history check.

(d) Photograph and fingerprint the individual
(e) Provide the offender with a registration receipt.
(f) Enter registration information into Law Enforcement Agencies Database System (LEADS).

356.5 MONITORING OF REGISTERED OFFENDERS
The Detective Bureau Supervisor or Chief of Police or his or her designee should establish a system to periodically, and at least once annually, verify that a registrant remains in compliance with his/her registration requirements after the initial registration. This verification should include:
Registered Offender Information

(a) Efforts to confirm residence using an unobtrusive method, such as an Internet search or drive-by of the declared residence.
(b) Review of information on the ISP website.
(c) Contact with a registrant's parole or probation officer.

Any discrepancies should be reported to the assigned Detective Bureau detective.

The Detective Bureau Supervisor or Chief of Police or his or her designee should also establish a procedure to routinely disseminate information regarding registered offenders to Metro East Police District personnel, including timely updates regarding new or relocated registrants.

356.6 DISSEMINATION OF INFORMATION

Employees will not unilaterally make a public notification advising the community of a particular registrant's presence in the community. Employees who identify a significant risk or other public safety issue associated with a registrant should promptly advise their supervisor. The supervisor should evaluate the request and forward the information to the Chief of Police if warranted. A determination will be made by the Chief of Police, with the assistance of legal counsel as necessary, whether such a public alert should be made.

Members of the public requesting information on registrants should be directed to the Illinois Sex Offender Information website or the Metro East Police District's website.

The Records Supervisor shall release local registered offender information to residents in accordance with 730 ILCS 152/120 and in compliance with a Freedom of Information Act request.

356.6.1 RELEASE NOTIFICATIONS

Registrant information that is released should include notification that:
(a) The offender registry includes only those persons who have been required by law to register and who are in compliance with the offender registration laws.
(b) The information is provided as a public service and may not be current or accurate.
(c) Persons should not rely solely on the offender registry as a safeguard against offenses in their communities.
(d) The crime for which a person is convicted may not accurately reflect the level of risk.
(e) Anyone who uses information contained in the registry to harass registrants or commit any crime may be subject to criminal prosecution.

356.6.2 MANDATORY SEX OFFENDER INFORMATION DISSEMINATION

Information on registered sex offenders shall be posted at department headquarters (730 ILCS 152/120). Sex offender information must be made available for public inspection to any person, no later than 72 hours or three business days from the date of a request (730 ILCS 152/120).

Upon registration of a juvenile sex offender, the department shall provide a copy of the sex offender registration form only to the principal or chief administrative officer of the school and any guidance counselor designated by the chief administrative officer (730 ILCS 152/121).

The Shift Commander or Chief of Police or his or her designee is responsible for making the appropriate notifications. The Shift Commander or Chief of Police or his or her designee shall make reasonable attempts to obtain as much information on the incident as possible before notification. The Shift Commander or Chief of Police or his or her designee shall attempt to make the notifications as soon as practical. Notification should be made by calling the home phone number first and then by pager or cellular phone.

358.4.1 STAFF NOTIFICATION
In the event an incident occurs described in Policy Manual § 358.2, the Chief of Police shall be notified along with the affected Division Commander and the Detective Lieutenant if that division is affected.

Death Investigation

360.1 PURPOSE AND SCOPE
The investigation of cases involving death include those ranging from natural cause to homicide. Some causes of death may not be readily apparent and some cases differ substantially from what they appeared to be initially. The thoroughness of death investigations cannot be emphasized enough.

360.2 INVESTIGATION CONSIDERATIONS
Death investigations require certain actions be taken. Paramedics shall be called in all suspected death cases unless the cause of death is obvious (e.g., when the subject has been decapitated or the body is decomposed). Officers are not authorized to pronounce death. A supervisor shall be notified in all death investigations. The Coroner should be notified in all deaths and shall be notified under those conditions listed below in this policy.

The responsible supervisor should determine whether follow-up investigation is required and ensure that a lead investigator is assigned when appropriate. Only officers who have successfully completed the Illinois Law Enforcement Training and Standards Board (ILETSB) program in death and homicide investigations, or who have been granted a waiver by the board, shall be assigned as lead investigator on any death or homicide investigation (50 ILCS 705/10.11).

360.2.1 CORONER REQUEST
Every Coroner has the responsibility to investigate the following as soon as he knows or is informed that the dead body of any person is found, or lying within his/her county, whose death is suspected of being (55 ILCS 5/3-3013):

(a) A sudden or violent death, whether apparently suicidal, homicidal or accidental.
(b) A maternal or fetal death due to abortion, or any death due to a sex crime or a crime against nature.
(c) A death where the circumstances are suspicious, obscure, mysterious or otherwise unexplained or where, in the written opinion of the attending physician, the cause of death is not determined.
(d) A death where addiction to alcohol or to any drug may have been a contributory cause.
(e) A death where the decedent was not attended by a licensed physician.

The body shall not be disturbed or moved from the position or place of death without permission of the Coroner.

360.2.2 SEARCHING DEAD BODIES
The Coroner or Deputy Coroner is generally the only person permitted to search a body known to be dead from any of the circumstances set forth in 55 ILCS 5/3-3013. The only exception is that an officer is permitted to search the body of a person killed in a traffic collision for the limited purpose of locating an anatomical donor card. If such a donor card is located, the Coroner or Deputy Coroner shall be promptly notified. Should exigent circumstances indicate to an officer that any search of a known dead body is warranted prior to the arrival of the Coroner or Deputy Coroner; the investigating officer shall first obtain verbal consent from the Coroner or Deputy Coroner (55 ILCS 5/3 3019).
Whenever possible, a witness, preferably a relative to the deceased or a member of the household, should be requested to remain at the scene with the officer pending the arrival of the Coroner. The name and address of this person shall be included in the narrative of the death report. Whenever personal effects are removed from the body of the deceased by the Deputy Coroner, a receipt shall be obtained. This receipt shall be attached to the death report.

360.2.3 DEATH NOTIFICATION

When practical, and if not handled by the Coroner's Office, notification to the next-of-kin of the deceased person shall be made, in person, by the officer assigned to the incident. If the next-of-kin lives in another jurisdiction, a law enforcement official from that jurisdiction shall be requested to make the personal notification. If the relatives live outside this county, the Coroner or Medical Examiner may be requested to make the notification. The Coroner needs to know if notification has been made. Assigned detectives may need to talk to the next-of-kin.

360.2.4 UNIDENTIFIED DEAD BODIES

If the identity of a dead body cannot be established after the Coroner arrives, the Coroner's office will issue a "John Doe" or "Jane Doe" number for the report.

360.2.5 DEATH INVESTIGATION REPORTING

All incidents involving a death shall be documented on the appropriate form.

360.2.6 SUSPECTED HOMICIDE

If the initially assigned officer suspects that the death involves a homicide or other suspicious circumstances, the Investigations Division or Chief of Police or his or her designee shall be notified to determine the possible need for a detective to respond to the scene for further immediate investigation.

If the Chief of Police or his or her designee, or the investigating officer suspects that the death involves a homicide or other suspicious circumstances, the on-call Violent Crime Unit Assistant State’s Attorney or the State’s Attorney or his or her designee shall be contacted immediately.
Identity Theft

362.1 PURPOSE AND SCOPE
Identity theft is a growing trend that frequently involves related crimes in multiple jurisdictions. This policy is intended to provide guidelines for the reporting and investigation of such crimes.

362.2 REPORTING
(a) In an effort to maintain uniformity in reporting, officers presented with the crime of identity theft shall initiate a report for victims residing within the jurisdiction of this department (720 ILCS 5/16-35). For incidents of identity theft occurring outside this jurisdiction, officers should observe the following:
   1. For any victim not residing within this jurisdiction, the officer may either take a courtesy report to be forwarded to the victim's residence agency or the victim should be encouraged to promptly report the identity theft to the law enforcement agency where he/she resides.

(b) Officers should include all known incidents of fraudulent activity (e.g., credit card number applied for in victim's name when the victim has never made such an application).

(c) Officers should also cross-reference all known reports made by the victim (e.g., U.S. Secret Service, credit reporting bureaus, U.S. Postal Service and IDOT) with all known report numbers.

(d) Following supervisory review and departmental processing, the initial report should be forwarded to the appropriate detective for follow up investigation, coordination with other agencies and prosecution as circumstances dictate.

362.3 VICTIM ASSISTANCE
(a) Officers should provide all victims of identity theft with the Attorney General's Identity Theft Resource Guide.

(b) In a case where another person has been arrested, cited or charged in the victim's name, where a criminal complaint was filed against a perpetrator in the victim's name or where the victim's name has been mistakenly associated with a criminal conviction, the reporting officer should inform the victim of identity theft of his/her right to obtain an expedited judicial determination of factual innocence (720 ILCS 5/16-35(b)).

Departments will not discriminate against or deny any individual access to services, rights or programs based upon national origin or any other protected interest or right.

368.3 LEP COORDINATOR
The Chief of Police shall delegate certain responsibilities to an LEP Coordinator. The LEP Coordinator shall be appointed by, and directly responsible to, the Uniform Patrol Division Commander or the authorized designee.

Limited English Proficiency Services

(b) Developing procedures that will enable members to access LEP services, including telephonic interpreters, and ensuring the procedures are available to all members.

(c) Ensuring that a list of all qualified bilingual members and authorized interpreters is maintained and available to each Shift Commander and Communications Supervisor. The list should include information regarding the following:
   1. Languages spoken
   2. Contact information
   3. Availability

(d) Ensuring signage stating that interpreters are available free of charge to LEP individuals is posted in appropriate areas and in the most commonly spoken languages.

(e) Reviewing existing and newly developed documents to determine which are vital documents and should be translated, and into which languages the documents should be translated.

(f) Annually assessing demographic data and other resources, including contracted language services utilization data and community-based organizations, to determine if there are additional documents or languages that are appropriate for translation.

(g) Identifying standards and assessments to be used by the Department to qualify individuals as qualified bilingual members or authorized interpreters.

(h) Periodically reviewing efforts of the Department in providing meaningful access to LEP individuals, and, as appropriate, developing reports, new procedures or recommending modifications to this policy.

(i) Receiving and responding to complaints regarding department LEP services.

(j) Ensuring appropriate processes are in place to provide for the prompt and equitable resolution of complaints and inquiries regarding discrimination in access to department services, programs and activities.

368.4 FOUR-FACTOR ANALYSIS

Since there are many different languages that members could encounter, the Department will utilize the four-factor analysis outlined in the U.S. Department of Justice (DOJ) Guidance to Federal Financial Assistance Recipients, available at the DOJ website, to determine which measures will provide meaningful access to its services and programs. It is recognized that law enforcement contacts and circumstances will vary considerably. This analysis, therefore, must remain flexible and will require an ongoing balance of four factors, which are:

(a) The number or proportion of LEP individuals eligible to be served or likely to be encountered by department members, or who may benefit from programs or services within the jurisdiction of the Department or a particular geographic area.

(b) The frequency with which LEP individuals are likely to come in contact with department members, programs or services.

(c) The nature and importance of the contact, program, information or service provided.

(d) The cost of providing LEP assistance and the resources available.

368.5 TYPES OF LEP ASSISTANCE AVAILABLE

Department members should never refuse service to an LEP individual who is requesting assistance, nor should they require an LEP individual to furnish an interpreter as a condition
Limited English Proficiency Services

for receiving assistance. The Department will make every reasonable effort to provide meaningful and timely assistance to LEP individuals through a variety of services.

The Department will utilize all reasonably available tools, such as language identification cards, when attempting to determine an LEP individual’s primary language.

LEP individuals may choose to accept department-provided LEP services at no cost or they may choose to provide their own.

Department-provided LEP services may include, but are not limited to, the assistance methods described in this policy.

368.6 WRITTEN FORMS AND GUIDELINES
Vital documents or those that are frequently used should be translated into languages most likely to be encountered. The LEP Coordinator will arrange to make these translated documents available to members and other appropriate individuals, as necessary.

368.7 AUDIO RECORDINGS
The Department may develop audio recordings of important or frequently requested information in a language most likely to be understood by those LEP individuals who are representative of the community being served.

368.8 QUALIFIED BILINGUAL MEMBERS
Bilingual members may be qualified to provide LEP services when they have demonstrated through established department procedures a sufficient level of skill and competence to fluently communicate in both English and a non-English language. Members utilized for LEP services must demonstrate knowledge of the functions of an interpreter/translator and the ethical issues involved when acting as a language conduit. Additionally, bilingual members must be able to communicate technical and law enforcement terminology, and be sufficiently proficient in the non-English language to perform complicated tasks, such as conducting interrogations, taking statements, collecting evidence or conveying rights or responsibilities.

When a qualified bilingual member from this department is not available, personnel from other City departments, who have been identified by the Department as having the requisite skills and competence, may be requested.

368.9 AUTHORIZED INTERPRETERS
Any person designated by the Department to act as an authorized interpreter and/or translator must have demonstrated competence in both English and the involved non-English language, must have an understanding of the functions of an interpreter that allows for correct and effective translation, and should not be a person with an interest in the department case or investigation involving the LEP individual. A person providing interpretation or translation services may be required to establish the accuracy and trustworthiness of the interpretation or translation in a court proceeding.

Authorized interpreters must pass a screening process established by the LEP Coordinator which demonstrates that their skills and abilities include:

(a) The competence and ability to communicate information accurately in both English and in the target language.
Limited English Proficiency Services

(b) Knowledge, in both languages, of any specialized terms or concepts peculiar to this department and of any particularized vocabulary or phraseology used by the LEP individual.

(c) The ability to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.

(d) Knowledge of the ethical issues involved when acting as a language conduit.

368.9.1 SOURCES OF AUTHORIZED INTERPRETERS
The Department may contract with authorized interpreters who are available over the telephone. Members may use these services with the approval of a supervisor and in compliance with established procedures.

Other sources may include:
• Qualified bilingual members of this department or personnel from other City departments.
• Individuals employed exclusively to perform interpretation services.
• Contracted in-person interpreters, such as state or federal court interpreters, among others.
• Interpreters from other agencies who have been qualified as interpreters by this department, and with whom the Department has a resource-sharing or other arrangement that they will interpret according to department guidelines.

368.9.2 COMMUNITY VOLUNTEERS AND OTHER SOURCES OF LANGUAGE ASSISTANCE
Language assistance may be available from community volunteers who have demonstrated competence in either monolingual (direct) communication and/or in interpretation or translation (as noted in above), and have been approved by the Department to communicate with LEP individuals.

Where qualified bilingual members or other authorized interpreters are unavailable to assist, approved community volunteers who have demonstrated competence may be called upon when appropriate. However, department members must carefully consider the nature of the contact and the relationship between the LEP individual and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

While family or friends of an LEP individual may offer to assist with communication or interpretation, members should carefully consider the circumstances before relying on such individuals. For example, children should not be relied upon except in exigent or very informal and non-confrontational situations.

368.10 CONTACT AND REPORTING
While all law enforcement contacts, services and individual rights are important, this department will utilize the four-factor analysis to prioritize service to LEP individuals so that such services may be targeted where they are most needed, according to the nature and importance of the particular law enforcement activity involved.

Whenever any member of this department is required to complete a report or other documentation and interpretation services are provided to any involved LEP individual, such services should be noted in the related report. Members should document the type of
Limited English Proficiency Services

interpretation services utilized and whether the individual elected to use services provided by the Department or some other identified source.

368.11 RECEIVING AND RESPONDING TO REQUESTS FOR ASSISTANCE
The Department will take reasonable steps and will work with the Personnel Department to develop in-house language capacity by hiring or appointing qualified members proficient in languages representative of the community being served.

368.11.1 EMERGENCY CALLS TO 9-1-1
Department members will make every reasonable effort to promptly accommodate LEP individuals utilizing 9-1-1 lines. When a 9-1-1 call-taker receives a call and determines that the caller is an LEP individual, the call-taker shall quickly determine whether sufficient information can be obtained to initiate an appropriate emergency response. If language assistance is still needed, the language is known and a qualified bilingual member is available in the Communications Center, the call shall immediately be handled by the qualified bilingual member.

If a qualified bilingual member is not available or the call-taker is unable to identify the caller's language, the call-taker will contact the contracted telephone interpretation service and establish a three-way call between the call-taker, the LEP individual and the interpreter.

Dispatchers will make every reasonable effort to dispatch a qualified bilingual member to the assignment, if available and appropriate.

While 9-1-1 calls shall receive top priority, reasonable efforts should also be made to accommodate LEP individuals seeking routine access to services and information by utilizing the resources listed in this policy.

368.12 FIELD ENFORCEMENT
Field enforcement will generally include such contacts as traffic stops, pedestrian stops, serving warrants and restraining orders, crowd/traffic control and other routine field contacts that may involve LEP individuals. The scope and nature of these activities and contacts will inevitably vary. Members and/or supervisors must assess each situation to determine the need and availability of language assistance to all involved LEP individuals and utilize the methods outlined in this policy to provide such assistance.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information and the meaning or consequences of any enforcement action. For example, it would be meaningless to request consent to search if the officer is unable to effectively communicate with an LEP individual.

If available, officers should obtain the assistance of a qualified bilingual member or an authorized interpreter before placing an LEP individual under arrest.

368.13 INVESTIGATIVE FIELD INTERVIEWS
In any situation where an interview may reveal information that could be used as the basis for arrest or prosecution of an LEP individual and a qualified bilingual member is unavailable or lacks the skills to directly communicate with the LEP individual, an authorized interpreter should be used. This includes interviews conducted during an investigation with victims, witnesses and suspects. In such situations, audio recordings of the interviews should be
Limited English Proficiency Services

made when reasonably possible. Identification and contact information for the interpreter (e.g., name, address) should be documented so that the person can be subpoenaed for trial if necessary.

If an authorized interpreter is needed, officers should consider calling for an authorized interpreter in the following order:

- An authorized department member or allied agency interpreter
- An authorized telephone interpreter
- Any other authorized interpreter

Any Miranda warnings shall be provided to suspects in their primary language by an authorized interpreter or, if the suspect is literate, by providing a translated Miranda warning card.

The use of an LEP individual's bilingual friends, family members, children, neighbors or bystanders may be used only when a qualified bilingual member or authorized interpreter is unavailable and there is an immediate need to interview an LEP individual.

368.14 CUSTODIAL INTERROGATIONS

Miscommunication during custodial interrogations may have a substantial impact on the evidence presented in a criminal prosecution. Only qualified bilingual members or, if none is available or appropriate, authorized interpreters shall be used during custodial interrogations. Miranda warnings shall be provided to suspects in their primary language by the qualified bilingual member or an authorized interpreter.

In order to ensure that translations during custodial interrogations are accurately documented and are admissible as evidence, interrogations should be recorded whenever reasonably possible. See guidance on recording custodial interrogations in the Investigation and Prosecution Policy.

368.15 BOOKINGS

When gathering information during the booking process, members should remain alert to the impediments that language barriers can create. In the interest of the arrestee's health and welfare, the safety and security of the facility, and to protect individual rights, it is important that accurate medical screening and booking information be obtained. Members should seek the assistance of a qualified bilingual member whenever there is concern that accurate information cannot be obtained or that booking instructions may not be properly understood by an LEP individual.

368.16 COMPLAINTS

The Department shall ensure that LEP individuals who wish to file a complaint regarding members of this department are able to do so. The Department may provide an authorized interpreter or translated forms, as appropriate. Complaints will be referred to the LEP Coordinator.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Authorized interpreters used for any interview with an LEP individual during an investigation should not be members of this department.

Any notice required to be sent to an LEP individual as a complaining party pursuant to the Personnel Complaints Policy should be translated or otherwise communicated in a language-accessible manner.

Adopted: 2014/01/01 © 1995-2013 Lexipol, LLC
368.17 COMMUNITY OUTREACH
Community outreach programs and other such services offered by this department are important to the ultimate success of more traditional law enforcement duties. This department will continue to work with community groups, local businesses and neighborhoods to provide equal access to such programs and services.

368.18 TRAINING
To ensure that all members who may have contact with LEP individuals are properly trained, the Department will provide periodic training on this policy and related procedures, including how to access department-authorized telephonic and in-person interpreters and other available resources.

The Training Officer shall be responsible for ensuring new members receive LEP training. Those who may have contact with LEP individuals should receive refresher training at least once every two years thereafter. The Training Officer shall maintain records of all LEP training provided, and will retain a copy in each member's training file in accordance with established records retention schedules.

368.18.1 TRAINING FOR AUTHORIZED INTERPRETERS
All members on the authorized interpreter list must successfully complete prescribed interpreter training. To complete interpreter training successfully, an interpreter must demonstrate proficiency in and ability to communicate information accurately in both English and in the target language, demonstrate knowledge in both languages of any specialized terms or phraseology, and understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.

Members on the authorized interpreter list must receive refresher training annually or they will be removed from the authorized interpreter list. This annual training should include language skills competency (including specialized terminology) and ethical considerations.

The Training Officer shall be responsible for coordinating the annual refresher training and will maintain a record of all training the interpreters have received.
Communications with Persons with Disabilities

370.1 PURPOSE AND SCOPE
This policy provides guidance to members when communicating with individuals with disabilities, including those who are deaf or hard of hearing, have impaired speech or vision, or are blind.

370.1.1 DEFINITIONS
Definitions related to this policy include:

Auxiliary aids - These are used to communicate with people who are deaf, hard of hearing or have impaired speech. They include, but are not limited to, the use of gestures or visual aids to supplement oral communication; use of a notepad and pen or pencil to exchange written notes; use of a computer or typewriter; use of an assistive listening system or device to amplify sound; use of a teletypewriter (TTY), videophones (video relay service or VRS); or use of a qualified interpreter.

Deaf or hard of hearing - An individual who has or is regarded as having substantially limited hearing with or without assistance. This includes any person who, because of the severity of his/her hearing loss, is unable to understand normal conversational speech, regardless of the use of any amplification aids, and whose primary means of hearing is through visual input. It also includes any person who has difficulty hearing, regardless of the use of assistive devices, and whose primary means of hearing is through visual or auditory input (225 ILCS 443/10).

Qualified interpreter - A person who is able to interpret effectively, accurately and impartially, both receptively and expressively, using any necessary specialized vocabulary. Qualified interpreters include oral interpreters, transliterators, sign language interpreters and intermediary interpreters. Qualified interpreters shall have a valid Illinois license to practice interpreting for the deaf (225 ILCS 443/15), unless they are exempt under 225 ILCS 443/25.

370.2 POLICY
It is the policy of the Department to reasonably ensure that people with disabilities, including victims, witnesses, suspects and arrestees have equal access to law enforcement services, programs and activities. Members must make efforts to communicate effectively with individuals with disabilities.

The Department will not discriminate against or deny any individual access to services, rights or programs based upon disabilities.

370.3 AMERICANS WITH DISABILITIES (ADA) COORDINATOR
The Chief of Police shall delegate certain responsibilities to an ADA Coordinator (28 CFR 35.107). The ADA Coordinator shall be appointed by, and directly responsible to, the Uniform Patrol Division Commander or the authorized designee.

The responsibilities of the ADA Coordinator shall include, but not be limited to:
Communications with Persons with Disabilities

(a) Working with the City ADA coordinator regarding the Department's efforts to ensure equal access to services, programs and activities.

(b) Developing reports, new procedures, or recommending modifications to this policy.

(c) Acting as a liaison with local disability advocacy groups or other disability groups regarding access to department services, programs and activities.

(d) Ensuring that a list of qualified interpreter services is maintained and available to each Shift Commander and Communications Supervisor or Chief of Police or his or her designee. The list should include information regarding the following:

1. Contact information
2. Availability

(e) Developing procedures that will enable members to access auxiliary aids or services, including qualified interpreters, and ensure the procedures are available to all members.

(f) Ensuring signage is posted in appropriate areas, indicating that auxiliary aids are available free of charge to people with disabilities.

(g) Ensuring appropriate processes are in place to provide for the prompt and equitable resolution of complaints and inquiries regarding discrimination in access to department services, programs and activities.

370.4 FACTORS TO CONSIDER

Because the nature of any law enforcement contact may vary substantially from one situation to the next, members of this department should consider all information reasonably available to them when determining how to communicate with an individual with a disability. Members should carefully balance all known factors in an effort to reasonably ensure people who are disabled have equal access to services, programs and activities. These factors may include, but are not limited to:

(a) Members should not always assume that effective communication is being achieved. The fact that an individual appears to be nodding in agreement does not always mean he/she completely understands the message. When there is any doubt, members should ask the individual to communicate back or otherwise demonstrate their understanding.

(b) The nature of the disability (e.g., deafness or blindness vs. hard of hearing or low vision).

(c) The nature of the law enforcement contact (e.g., emergency vs. non-emergency, custodial vs. consensual contact).

(d) The availability of auxiliary aids. The fact that a particular aid is not available does not eliminate the obligation to reasonably ensure access. However, in an emergency, availability may factor into the type of aid used.

370.5 INITIAL AND IMMEDIATE CONSIDERATIONS

Recognizing that various law enforcement encounters may be potentially volatile and/or emotionally charged, members should remain alert to the possibility of communication problems.

Members should exercise special care in the use of all gestures, and verbal and written communication to minimize initial confusion and misunderstanding when dealing with any individual with known or suspected disabilities.
Communications with Persons with Disabilities

In a non-emergency situation, when a member knows or suspects an individual requires assistance to effectively communicate, the member shall identify the individual's choice of auxiliary aid or service.

The individual's preferred communication method must be honored unless another effective method of communication exists under the circumstances (28 CFR 35.160).

Factors to consider when determining whether an alternative method is effective include:
(a) The methods of communication usually used by the individual.
(b) The nature, length and complexity of the communication involved.
(c) The context of the communication.

In emergency situations involving an imminent threat to the safety or welfare of any person, members may use whatever auxiliary aids and services that reasonably appear effective under the circumstances. This may include, for example, exchanging written notes or using the services of a person who knows sign language but is not a qualified interpreter, even if the person who is deaf or hard of hearing would prefer a qualified sign language interpreter or another appropriate auxiliary aid or service. Once the emergency has ended, the continued method of communication should be reconsidered. The member should inquire as to the individual's preference and give primary consideration to that preference.

If an individual who is deaf, hard of hearing or has impaired speech must be handcuffed while in the custody of the Metro East Police District, consideration should be given, safety permitting, to placing the handcuffs in the front of the body to facilitate communication using sign language or writing.

370.6 TYPES OF ASSISTANCE AVAILABLE
Department members shall never refuse to assist an individual with disabilities who is requesting assistance. The Department will not charge anyone to receive auxiliary aids, nor shall they require anyone to furnish their own auxiliary aid or service as a condition for receiving assistance. The Department will make every reasonable effort to provide equal access and timely assistance to individuals who are disabled through a variety of services.

A person who is disabled may choose to accept department-provided auxiliary aids or services or they may choose to provide their own.

Department-provided auxiliary aids or services may include, but are not limited to, the assistance methods described in this policy.

370.7 AUDIO RECORDINGS AND ENLARGED PRINT
The Department may develop audio recordings to assist people who are blind or have a visual impairment with accessing important information. If such a recording is not available, members may read aloud from the appropriate form, for example a personnel complaint form, or provide forms with enlarged print.

370.8 QUALIFIED INTERPRETERS
A qualified interpreter may be needed in lengthy or complex transactions (e.g., interviewing a victim, witness, suspect or arrestee), if the individual to be interviewed normally relies on sign language or speech reading (lip-reading) to understand what others are saying. The qualified interpreter should not be a person with an interest in the case or the investigation. A person providing interpretation services may be required to establish the accuracy and trustworthiness of the interpretation in a court proceeding.
Qualified interpreters should be:

(a) Available within a reasonable amount of time but in no event longer than one hour if requested.
(b) Experienced in providing interpretation services related to law enforcement matters.
(c) Familiar with the use of VRS and/or video remote interpreting services.
(d) Certified in either American Sign Language (ASL) or Signed English (SE).
(e) Able to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.
(f) Knowledgeable of the ethical issues involved when providing interpreter services.

Members should use department-approved procedures to request a qualified interpreter at the earliest reasonable opportunity, and generally not more than 15 minutes after a request for an interpreter has been made or it is reasonably apparent that an interpreter is needed. No individual who is disabled shall be required to provide his/her own interpreter (28 CFR 35.160).

370.9 TTY AND RELAY SERVICES

In situations where an individual without a disability would have access to a telephone (e.g., booking or attorney contacts), members must also provide those who are deaf, hard of hearing or have impaired speech the opportunity to place calls using an available TTY (also known as a telecommunications device for deaf people, or TDD). Members shall provide additional time, as needed, for effective communication due to the slower nature of TTY and TDD communications.

The Department will accept all TTY or TDD calls placed by those who are deaf or hard of hearing and received via a telecommunications relay service (28 CFR 35.162).

Note that relay services translate verbatim, so the conversation must be conducted as if speaking directly to the caller.

370.10 COMMUNITY VOLUNTEERS

Interpreter services may be available from community volunteers who have demonstrated competence in communication services, such as ASL or SE, and have been approved by the Department to provide interpreter services.

Where qualified interpreters are unavailable to assist, approved community volunteers who have demonstrated competence may be called upon when appropriate. However, department members must carefully consider the nature of the contact and the relationship between the individual with the disability and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

370.11 FAMILY AND FRIENDS

While family or friends may offer to assist with interpretation, members should carefully consider the circumstances before relying on such individuals. The nature of the contact and relationship between the individual with the disability and the person offering services must be carefully considered (e.g., victim/suspect).

Children shall not be relied upon except in emergency or critical situations when there is no qualified interpreter reasonably available.

Adults may be relied upon when (28 CFR 35.160):
Communications with Persons with Disabilities

(a) There is an emergency or critical situation and there is no qualified interpreter reasonably available.

(b) The person with the disability requests that the adult interpret or facilitate communication and the adult agrees to provide such assistance, and reliance on that adult for such assistance is reasonable under the circumstances.

370.12 REPORTING
Whenever any member of this department is required to complete a report or other documentation, and communication assistance has been provided, such services should be noted in the related report. Members should document the type of communication services utilized and whether the individual elected to use services provided by the Department or some other identified source. If the individual's express preference is not honored, the member must document why another method of communication was used.

All written communications exchanged in a criminal case shall be attached to the report or placed into evidence.

370.13 FIELD ENFORCEMENT
Field enforcement will generally include such contacts as traffic stops, pedestrian stops, serving warrants and restraining orders, crowd/traffic control and other routine field contacts that may involve individuals with disabilities. The scope and nature of these activities and contacts will inevitably vary.

The Department recognizes that it would be virtually impossible to provide immediate access to complete communication services to every member of this department. Members and/or supervisors must assess each situation and consider the length, complexity and importance of the communication, as well as the individual's preferred method of communication, when determining the type of resources to use and whether a qualified interpreter is needed.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information and the meaning or consequences of any enforcement action. For example, it would be meaningless to verbally request consent to search if the officer is unable to effectively communicate with an individual who is deaf or hard of hearing and requires communications assistance.

If available, officers should obtain the assistance of a qualified interpreter before placing an individual with a disability under arrest. Individuals who are arrested and are assisted by service animals should be permitted to make arrangements for the care of such animals prior to transport.

370.13.1 FIELD RESOURCES
Examples of methods that may be sufficient for transactions, such as checking a license or giving directions to a location or for urgent situations such as responding to a violent crime in progress, may, depending on the circumstances, include such simple things as:

(a) Hand gestures or visual aids with an individual who is deaf, hard of hearing or has impaired speech.

(b) Exchange of written notes or communications.

(c) Verbal communication with an individual who can speechread by facing the individual and speaking slowly and clearly.

Adopted: 2014/01/01 © 1995-2013 Lexipol, LLC
Communications with Persons with Disabilities

(d) Use of computer, word processing, personal communication device or similar device to exchange texts or notes.
(e) Slowly and clearly speaking or reading simple terms to individuals who have a visual or mental impairment.

Members should be aware that these techniques may not provide effective communication as required by law and this policy depending on the circumstances.

370.14 CUSTODIAL INTERROGATIONS

In an effort to ensure that the rights of individuals who are deaf, hard of hearing or have speech impairment are protected during a custodial interrogation, this department will provide interpreter services before beginning an interrogation, unless exigent circumstances exist or the individual has made a clear indication that he/she understands the process and desires to proceed without an interpreter. The use of a video remote interpreting service should be considered, where appropriate, if a live interpreter is not available. Miranda warnings shall be provided to suspects who are deaf or hard of hearing by a qualified interpreter or by providing a written Miranda warning card.

In order to ensure that communications during custodial investigations are accurately documented and are admissible as evidence, interrogations should be recorded whenever reasonably possible. See guidance on recording custodial interrogations in the Investigation and Prosecution Policy.

370.15 ARRESTS AND BOOKINGS

If an individual with speech or hearing disabilities is arrested, the arresting officer shall use department-approved procedures to provide a qualified interpreter at the place of arrest or booking as soon as reasonably practicable, unless the individual indicates that he/she prefers a different auxiliary aid or service or the officer reasonably determines another effective method of communication exists under the circumstances.

When gathering information during the booking process, members should remain alert to the impediments that often exist when communicating with those who are deaf, hard of hearing, who have impaired speech or vision, are blind, or have other disabilities. In the interest of the arrestee’s health and welfare, the safety and security of the facility and to protect individual rights, it is important that accurate medical screening and booking information be obtained. If necessary, members should seek the assistance of a qualified interpreter whenever there is concern that accurate information cannot be obtained or that booking instructions may not be properly understood by the individual.

Individuals who require and possess personally owned communication aids (e.g., hearing aids, cochlear processors) should be permitted to retain them while in custody.

370.16 COMPLAINTS

The Department shall ensure that individuals with disabilities who wish to file a complaint regarding members of this department are able to do so. The Department may provide a qualified interpreter or forms in enlarged print, as appropriate. Complaints will be referred to the department ADA Coordinator.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Qualified interpreters used during the investigation of a complaint should not be members of this Department.
370.17 COMMUNITY OUTREACH
Community outreach programs and other such services offered by this department are important to the ultimate success of more traditional law enforcement duties. This department will continue to work with community groups, local businesses and neighborhoods to provide equal access to such programs and services.

370.18 TRAINING
To ensure that all members who may have contact with individuals who are disabled are properly trained, the Department will provide periodic training that should include:

(a) Awareness and understanding of this policy and related procedures, related forms and available resources.
(b) Procedures for accessing qualified interpreters and other available resources.
(c) Working with in-person and telephone interpreters and related equipment.

The Training Officer shall be responsible for ensuring new members receive training related to interacting with individuals who have disabilities, including individuals who are deaf, hard of hearing, who have impaired speech or vision, or are blind. Those who may have contact with such individuals should receive refresher training at least once every two years thereafter. The Training Officer shall maintain records of all training provided, and will retain a copy in each member’s training file in accordance with established records retention schedules.

370.18.1 CALL-TAKER TRAINING
Emergency call-takers shall be trained in the use of TTY equipment protocols for communicating with individuals who are deaf, hard of hearing or who have speech impairments. Such training and information should include:

(a) The requirements of the ADA and Section 504 of the Rehabilitation Act for telephone emergency service providers.
(b) ASL syntax and accepted abbreviations.
(c) Practical instruction on identifying and processing TTY or TDD calls, including the importance of recognizing silent TTY or TDD calls, using proper syntax, abbreviations and protocol when responding to TTY or TDD calls.
(d) Hands-on experience in TTY and TDD communications, including identification of TTY or TDD tones.

Training should be mandatory for all the Communications Center members who may have contact with individuals from the public who are deaf, hard of hearing or have impaired speech. Refresher training should occur every six months.

(m) Assisting public safety personnel and the community in any other function of the clergy profession as requested.
(n) Participating in in-service training classes.
(o) Willing to train to enhance effectiveness.
(p) Promptly facilitating requests for representatives or ministers of various denominations.
(q) Making referrals in cases where specialized attention is needed or in cases that are beyond the chaplain's ability to assist.

Chaplains may not proselytize or attempt to recruit members of the Department or the public into a religious affiliation while on-duty unless the receiving person has solicited spiritual guidance or teaching. If there is any question as to the receiving person's intent, chaplains should verify that the person is desirous of spiritual counseling or guidance before engaging in such discussion.

Chaplains may not accept gratuities for any service or follow-up contact that was provided while functioning as a chaplain for the Metro East Police District.
376.7 **CLERGY-PENITENT CONFIDENTIALITY**

No person who provides chaplain services to members of the department may work or volunteer for a Department in any capacity other than that of chaplain.

Department chaplains shall be familiar with state evidentiary laws and rules pertaining to the limits of the clergy-penitent privilege and shall inform department members when it appears reasonably likely that the department member is discussing matters that are not subject to the clergy-penitent privilege. In such cases, the department chaplain should consider referring the member to a non-department counseling resource.

No chaplain shall provide counsel to or receive confidential communications from any Department employees concerning an incident personally witnessed by the chaplain or concerning an incident involving the chaplain.

376.8 **COMMAND STRUCTURE**

(a) Under the general direction of the Chief of Police or his/her designee, chaplains shall report to the Senior Chaplain and/or Shift Commander.

(b) The Chief of Police shall make all appointments to the Chaplain Program and will designate a Senior Chaplain/Chaplain Commander.

(c) The Senior Chaplain shall serve as the liaison between the Chaplain Unit and the Chief of Police. He/she will arrange for regular monthly meetings, act as chairman of all chaplain meetings, prepare monthly schedules, maintain records on all activities of the Chaplain Unit, coordinate activities that may concern the members of the Chaplain Unit and arrange for training classes for chaplains.

376.9 **OPERATIONAL GUIDELINES**

(a) Chaplains will be scheduled to be on-call for a period of seven days at a time during each month, beginning on Monday and ending on the following Sunday.

(b) Generally, each chaplain will serve with Department personnel a minimum of eight hours per month.

(c) At the end of each watch the chaplain will complete a Chaplain Shift Report and submit it to the Chief of Police or his/her designee.

(d) Chaplains shall be permitted to ride with officers during any shift and observe department operations, provided the Shift Commander or Chief of Police or his or her designee has been notified and approved of the activity.

(e) Chaplains shall not be evaluators of employees and shall not be required to report on an employee's performance or conduct.

(f) In responding to incidents, a chaplain shall never function as an officer.

(g) When responding to in-progress calls for service, chaplains may be required to stand-by in a secure area until the situation has been deemed safe.

(h) Chaplains shall serve only within the jurisdiction of the Department unless otherwise authorized by the Chief of Police or his/her designee.

(i) Each chaplain shall have access to current personnel rosters, addresses, telephone numbers, duty assignments and other information that may assist in their duties. Such Information will be considered confidential and each chaplain will exercise appropriate security measures to prevent distribution of the information.
Chaplains

376.9.1 UNIFORMS AND BADGES
A distinct uniform, badge and necessary safety equipment will be provided for the Chaplains. This uniform may be similar to that worn by the personnel of this department.

376.10 TRAINING
The Department will establish a minimum number of training hours and standards for department chaplains. The training may include stress management, death notifications, post-traumatic stress syndrome, burnout for officers and chaplains, legal liability and confidentiality, ethics, responding to crisis situations, the law enforcement family, substance abuse, suicide, officer injury or death, and sensitivity and diversity, as approved by the Training Officer.
Public Safety Camera System

378.1 PURPOSE AND SCOPE
The Department may operate a public safety camera system for the purpose of creating a safer environment for all those who live, work and visit the City. This policy explains the purpose of the cameras and provides guidelines for their operation and for the storage of captured images.

378.2 POLICY
Cameras may be placed in strategic locations throughout the City at the direction or with the approval of the Chief of Police. These cameras can be used for detecting and deterring crime, to help safeguard against potential threats to the public, to help manage emergency response situations during natural and man-made disasters and to assist City officials in providing services to the community.

378.3 PROCEDURE
The following procedures have been established for the effective operation of the public safety camera system.

378.3.1 MONITORING
Images from each camera will be recorded on a 24-hour basis every day of the week. These images will be transmitted to monitors installed in the Shift Commander's Office or Chief of Police or his or her designee's office and the Communications Center. When activity warranting further investigation is reported or detected at any camera location, the dispatcher may selectively view the appropriate camera and relay any available information to responding units. The Shift Commander or Chief of Police or his or her designee or the Communications Center personnel are authorized to adjust the cameras to more effectively view a particular area for any legitimate public safety purpose.

The Chief of Police may authorize video feeds from the public safety camera system to be set up at a location other than the Communications Center for monitoring by other than police personnel when the provision of such access is in furtherance of this policy.

The cameras only record images and do not record sound. Recorded images may be used for a variety of purposes, including criminal investigations and monitoring of activity around high value or high threat areas. In addition, the public safety camera system may be useful for the following purposes:

(a) To assist in identifying, apprehending and prosecuting offenders.
(b) To assist in gathering evidence for criminal and civil court actions.
(c) To help emergency services personnel maintain public order.
(d) To monitor pedestrian and vehicle traffic activity.
(e) To help improve the general environment on the public streets.
(f) To assist in providing effective public services.

378.3.2 TRAINING
Personnel involved in video monitoring will be appropriately trained and supervised.
Public Safety Camera System

378.3.3 PROHIBITED ACTIVITY
Video monitoring will be conducted in a professional, ethical and legal manner. The public safety camera system will not be used to invade the privacy of individuals, to look into private areas or areas where the reasonable expectation of privacy exists. All reasonable efforts will be taken to protect these rights. Video monitoring shall not be used to harass, intimidate or discriminate against any individual or group.

The making of a video record or the transmission of live video by law enforcement officers pursuant to a criminal investigation is generally exempt from the unauthorized video recording prohibitions of 720 ILCS 5/26-4. A search warrant should be obtained in order to record or transmit video of a person inside that person's residence from a public safety camera.

378.3.4 CAMERA MARKINGS
Except in the case of covert operations or confidential investigations, all public areas that are monitored by public safety cameras shall be marked in a conspicuous manner with appropriate signs to inform the public that the area is under police surveillance. Signs shall be well lit to ensure visibility.

378.4 MEDIA STORAGE
All media will be stored in a secure area with access restricted to authorized persons.

378.5 REVIEW OR RELEASE OR OF VIDEO IMAGES
The reviewing or the release of video images shall be done only with the authorization of the Chief of Police or his/her designee and only with a properly completed written request. Video images needed for a criminal investigation or other official reason shall be collected and booked in accordance with current departmental evidence procedures.

378.5.1 PUBLIC AND OTHER AGENCY REQUESTS
Requests for recorded video images from other government agencies or by the submission of a court order or subpoena shall be promptly submitted to the Communications Supervisor, who will promptly research the request and submit the results of such search through the Chief of Police to the States Attorney's office for further handling. Every reasonable effort should be made to preserve the data requested until the request has been fully processed by the States Attorney's office.

Video images captured by public safety cameras that are requested by the public or media will be made available only to the extent required by law. Except as required by a valid court order or other lawful process, video images requested under the Public Records Act will generally not be disclosed to the public when such video images are evidence in an ongoing criminal investigation in which a disposition has not been reached.

378.6 ANNUAL REVIEW OF THE PUBLIC SAFETY CAMERA SYSTEM
The Chief of Police or his/her designee will conduct an annual review of the public safety camera system. The annual review will include an inventory of video monitoring installations, date of installation, summary of the purpose, adherence to this policy and any proposed policy changes. The results of each review will be documented and maintained by the Chief of Police or his/her designee and other applicable advisory bodies. Any concerns or deviations from this policy will be addressed promptly and effectively.
Child and Dependent Adult Safety

380.1 PURPOSE AND SCOPE
This policy provides guidelines to ensure that children and dependent adults are not left without appropriate care in the event their caregiver or guardian is arrested or otherwise prevented from providing care due to actions taken by members of this department.

This policy does not address the actions to be taken during the course of a child abuse or dependent adult investigation. These are covered in the Child Abuse Policy and Elder Abuse Policy.

380.2 POLICY
It is the policy of this department to mitigate, to the extent reasonably possible, the stressful experience individuals may have when their parent or caregiver is arrested. The Metro East Police District will endeavor to create a strong cooperative relationship with local, state and community-based social services to ensure an effective, collaborative response that addresses the needs of those affected.

380.3 PROCEDURES DURING AN ARREST
When encountering an arrest or prolonged detention situation, the officers should make reasonable attempts to determine if the arrestee is responsible for children or dependent adults. In some cases this may be obvious, such as when children or dependent adults are present. However, officers should inquire if the arrestee has caregiver responsibilities for any children or dependent adults who are without appropriate supervision. The following steps should be taken:

(a) Inquire about and confirm the location of any children or dependent adults.
(b) Look for evidence of children and dependent adults. Officers should be mindful that some arrestees may conceal the fact that they have a dependent for fear the individual may be taken from them.
(c) Consider inquiring of witnesses, neighbors, friends and relatives of the arrestee as to whether the person is responsible for a child or dependent adult.

The officer shall assist the arrestee in the placement of the children or dependent adult with a relative or other responsible person designated by the arrestee. If the officer has reasonable cause to believe that a child may be a neglected child as defined in the Abused and Neglected Child Reporting Act, he/she shall report it immediately to the Department of Children and Family Services (725 ILCS 5/107-2(2)).

Whenever reasonably possible, officers should take reasonable steps to accomplish the arrest of a parent, guardian or caregiver out of the presence of his/her child or dependent adult. Removing children or dependent adults from the scene in advance of the arrest will generally ensure the best outcome for the individual.

Whenever it is safe to do so, officers should allow the parent or caregiver to assure children or dependent adults that they will be provided care. If this is not safe or if the demeanor of the parent or caregiver suggests this conversation would be non-productive, the officer at the scene should explain the reason for the arrest in age-appropriate language and offer reassurance to the child or dependent adult that he/she will receive appropriate care.
380.3.1 AFTER AN ARREST
Whenever an arrest is made, the officer should take all reasonable steps to ensure the safety of the arrestee's disclosed or discovered children or dependent adults.

Officers should allow the arrestee reasonable time to arrange for care of children and dependent adults. Temporary placement with family or friends may be appropriate. However, any decision should give priority to a care solution that is in the best interest of the child or dependent adult. In such cases the following guidelines should be followed:

(a) Allow the person reasonable time to arrange for the care of children and dependent adults with a responsible party, as appropriate.
   1. Unless there is evidence to the contrary (e.g., signs of abuse, drug use, unsafe environment), officers should respect the parent or caregiver's judgment regarding arrangements for care. It is generally best if the child or dependent adult remains with relatives or family friends that he/she knows and trusts because familiarity with surroundings and consideration for comfort, emotional state and safety are important.
   2. Except when a court order exists limiting contact, the officer should attempt to locate and place children or dependent adults with the non-arrested parent, guardian or caregiver.

(b) Provide for the immediate supervision of children or dependent adults until an appropriate caregiver arrives.

(c) Notify the Illinois Department of Children and Family Services, if appropriate.

(d) Notify the field supervisor or Shift Commander or Chief of Police or his or her designee of the disposition of children or dependent adults.

If children or dependent adults are at school or another known location outside the household at the time of arrest, the arresting officer should attempt to contact the school or other known location and inform the principal or appropriate responsible adult of the caregiver's arrest and of the arrangements being made for the care of the arrestee's dependent. The result of such actions should be documented in the associated report.

380.3.2 DURING THE BOOKING PROCESS
During the booking process the arrestee shall be allowed to make additional telephone calls to relatives or other responsible individuals as is reasonably necessary to arrange for the care of any child or dependent adult. These telephone calls should be given as soon as practicable and are in addition to any other telephone calls allowed by law.

If an arrestee is unable to resolve the care of any child or dependent adult through this process, a supervisor should be contacted to determine the appropriate steps to arrange for care. These steps may include additional telephone calls or contacting a local, county or state services agency.

380.3.3 REPORTING
(a) For all arrests where children are present or living in the household, the reporting employee will document the following information:
   1. Name
   2. Sex
   3. Age
4. How, where and with whom or which agency the child was placed

(b) For all arrests where dependent adults are present or living in the household, the reporting employee will document the following information:
   1. Name
   2. Sex
   3. Age
   4. Whether he/she reasonably appears able to care for him/herself
   5. Disposition or placement information if he/she is unable to care for him/herself

380.3.4 SUPPORT AND COUNSELING REFERRAL
If, in the judgment of the handling officers, the child or dependent adult would benefit from additional assistance, such as counseling services, contact with a victim advocate or a crisis telephone number, the appropriate referral information may be provided.

380.4 DEPENDENT WELFARE SERVICES
Whenever an arrestee is unwilling or incapable of arranging for the appropriate care of any child or dependent adult, the handling officer should consider contacting the appropriate welfare service or other department-approved social service to determine whether protective custody is appropriate.

Only when other reasonable options are exhausted should a child or dependent adult be transported to the police facility, transported in a marked patrol car or taken into formal protective custody.

Under no circumstances should a child or dependent adult be left unattended or without appropriate care.

380.5 TRAINING
The Training Officer is responsible to ensure that all personnel of this department who may be involved in arrests affecting children or dependent adults receive approved training on effective safety measures when a parent, guardian or caregiver is arrested.
Service Animals

382.1 PURPOSE AND SCOPE
Service animals play an important role in helping to overcome the limitations often faced by people with disabilities. The Metro East Police District recognizes this need and is committed to making reasonable modifications to its policies, practices, and procedures in accordance with Title II of the Americans with Disabilities Act of 1990 (ADA) to permit the use of service animals that are individually trained to assist a person with a disability.

382.2 DEFINITIONS
Service Animal - The ADA defines a service animal as any guide dog, signal dog or other animal individually trained to provide assistance to an individual with a disability. Service animals may be of any type or breed and need not be certified by any governmental agency or service group.

382.3 SERVICE ANIMALS
The ADA defines a service animal as any dog or miniature horse that is individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual or other mental disability. The work or tasks performed by a service animal must be directly related to the owner's disability (28 CFR 35.104).

382.3.1 STATE LAW
Illinois law expands the definition of a service animal to include any animal trained in obedience and task skills to meet the needs of a disabled person (740 ILCS 13/5).

382.3.2 USE OF SERVICE ANIMALS
Some service animals may be readily identifiable. However, many do not have a distinctive symbol, harness or collar. Service animals are not pets and may be trained by an individual or organization to assist individuals with disabilities.

The following examples are some of the ways service animals may be used to provide assistance:

• Guiding people who are blind or have low vision.
• Alerting people who are deaf or hard of hearing.
• Retrieving or picking up items, opening doors or flipping switches for people who have limited use of their hands, arms or legs.
• Pulling wheelchairs.
• Providing physical support and assisting with stability and balance.
• Doing work or performing tasks for persons with traumatic brain injury, intellectual disabilities, or psychiatric disabilities, such as reminding a person with depression to take medication.
• Alerting a person with anxiety to the onset of panic attacks, providing tactile stimulation to calm a person with post traumatic stress disorder, assisting people with schizophrenia to distinguish between hallucinations and reality, and helping people with traumatic brain injury to locate misplaced items or follow daily routines.
382.4 MEMBER RESPONSIBILITIES

Service animals that are assisting individuals with disabilities are permitted in all public facilities and areas where the general public is allowed (720 ILCS 5/48-8). Department members are expected to treat individuals with service animals with the same courtesy and respect that the Metro East Police District affords to all members of the public.

If an animal exhibits vicious behavior, poses a direct threat to the health of others or unreasonably disrupts or interferes with normal business operations an officer may direct the owner to remove the animal from the premises. Barking alone is not a threat nor does a direct threat exist if the person takes prompt, effective action to control the animal. Each incident must be considered individually and past incidents alone are not cause for excluding a service animal. Removal of a service animal may not be used as a reason to refuse service to an individual with disabilities. Members of this department are expected to provide all services as are reasonably available to an individual with the disability.

If it is apparent or if an officer is aware the animal is a service animal, the owner should not be asked any questions as to the status of the animal. If it is unclear whether an animal meets the definition of a service animal, the officer should ask the individual only the following questions:

• Is the animal required because of a disability?
• What task or service has the service animal been trained to perform?

If the individual explains that the animal is required because of a disability and has been trained to work or perform at least one task the animal meets the definition of a service animal and no further questions as to the animal’s status should be asked. The person should not be questioned about his/her disabilities nor should the person be asked to provide any license, certification or identification card for the service animal.

Service animals are not pets. Department members should not interfere with the important work performed by a service animal by talking to, petting or otherwise initiating contact with a service animal.

When handling calls of a complaint regarding a service animal, members of this department should remain neutral and should be prepared to explain the ADA requirements concerning service animals to the concerned parties. Businesses are required to allow service animals to accompany their owner into all areas that other customers or members of the public are allowed.

Absent a violation of law independent of the ADA, officers should take no enforcement action beyond keeping the peace. Individuals who believe they have been discriminated against as a result of a disability should be referred to the Civil Rights Division of the U.S. Department of Justice.
Abandoned Newborn Infant Protection

384.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidelines for the proper managing of incidents of newborn infant abandonment according to the Abandoned Newborn Infant Protection Act (325 ILCS 2/10).

384.2 ACCEPTANCE
Officers must accept a newborn infant relinquished at the Department (325 ILCS 2/20 (c)). The State of Illinois defines a newborn infant as a child who a licensed physician reasonably believes is 30 days old or less at the time the child is initially relinquished (325 ILCS 2/10). Although a person relinquishing a newborn infant retains the right to limited immunity and anonymity, officers should request the person's personal information. Absent any other information, officers should attempt to obtain any known medical information about the newborn infant. Any information obtained should be documented in the report and, if appropriate, transmitted to the hospital or medical facility to which the newborn infant is taken.

If there is no evidence of abuse or neglect of the newborn infant, the relinquishing person has the right to remain anonymous and leave the premises at any time without being pursued or followed. The act of relinquishing a newborn infant does not, in and of itself, constitute a basis for a finding of abuse, neglect or abandonment. If there is suspected abuse or neglect that is not based solely on the newborn infant's relinquishment, the relinquishing person no longer has the right to remain anonymous (325 ILCS 2/30).

384.3 MEDICAL CONSIDERATIONS
After accepting a relinquished newborn infant the officer will request paramedics for a medical evaluation and transportation to the nearest hospital (325 ILCS 2/20 (c)). If the infant is not being transported by the paramedics, the officer will see that transportation of the infant to the nearest hospital is accomplished as soon as transportation can be arranged. Newborn infants will not be transported in a department vehicle equipped with a prisoner screen or in any department vehicle without the appropriate child safety restraint and/or which does not allow for the proper placement of such child safety restraint.

384.4 NOTICE TO RELINQUISHING PERSON
When accepting a newborn infant, officers will offer the relinquishing person an information packet prepared and maintained by the Department for this purpose (325 ILCS 2/35). If possible, the employee will also inform the relinquishing person of the following:

- His/her acceptance of the information is completely voluntary.
- Registration with the Illinois Adoption Registry and Medical Information Exchange is voluntary.
- He/she will remain anonymous if they complete a Denial of Information Exchange.
- He/she has the option to provide medical information only and still remain anonymous.
- By relinquishing the child anonymously, he/she will have to petition the court of jurisdiction if he/she desires to prevent the termination of parental rights and regain custody of the child.
Abandoned Newborn Infant Protection

384.4.1 SUPERVISOR NOTIFICATION
When accepting a newborn infant, officers will notify their immediate supervisor as soon as practical.

384.4.2 DOCUMENTATION
When accepting a newborn infant, officers will generate a report and document all pertinent information.

384.5 RIGHT OF PARENT TO RETURN
If the parent of a relinquished newborn infant returns to reclaim the infant within 72 hours after relinquishing the infant at the Department, an officer must inform the parent of the name and location of the hospital where the infant was transported (325 ILCS 2/20(c)).

384.6 INFORMATION DISCLOSURE
Employees will not publicly disclose any information concerning the relinquishment of a newborn infant and the individuals involved, except as otherwise provided by law (325 ILCS 2/37).

384.7 INVESTIGATIVE RESPONSIBILITIES
Neither a child protective investigation nor a criminal investigation should be initiated solely because a newborn infant is relinquished (325 ILCS 2/25(c)).

After accepting a newborn infant, or upon being contacted to assist in regards to a newborn infant relinquished elsewhere, the handling employee should take the necessary steps to ensure that the infant is not a missing child.

If there is suspected child abuse or neglect that is not based solely on the newborn infant's relinquishment, as mandated reporters under the Abused and Neglected Child Reporting Act officers shall report their observations (325 ILCS 2/25(b)). In this instance, officers shall begin their criminal investigation.

384.8 REQUIRED SIGNAGE
The Administration Division Commander or Chief of Police or his or her designee will ensure that an appropriate sign is posted in a conspicuous place on the exterior of the police facility informing persons that a newborn infant may be relinquished at the facility. The sign and its placement will comply with the prescribed specifications to ensure statewide uniformity (325 ILCS 2/22).
Volunteer Program

386.1 PURPOSE AND SCOPE
It is the policy of this department to use qualified volunteers for specified tasks and duties in order to create efficiencies for the Department and improve services to the community. Volunteers are intended to supplement and support, rather than supplant, sworn officers and civilian personnel. Volunteers can be an important part of any organization and have proven to be a valuable asset to law enforcement agencies. Volunteers help to increase departmental responsiveness, delivery of services and information input, and provide new program opportunities. In addition, volunteers bring new skills and expertise to the Department and prompt new enthusiasm.

386.1.1 DEFINITION OF VOLUNTEER
An individual who performs a service for the Department without promise, expectation or receipt of compensation for services rendered. This may include unpaid chaplains, unpaid auxiliary officers, interns, persons providing administrative support and youth involved in a law enforcement Explorer Post, among others.

386.2 VOLUNTEER MANAGEMENT

386.2.1 VOLUNTEER COORDINATOR
The Volunteer Coordinator shall be appointed by the Administration Division Commander or Chief of Police or his or her designee. The function of the Volunteer Coordinator is to provide a central coordinating point for effective volunteer management within the Department, and to direct and assist staff and volunteer efforts to jointly provide more productive services. The Volunteer Coordinator should work with other Department staff on an ongoing basis to assist in the development and implementation of volunteer-staffed positions.

The Volunteer Coordinator, or his/her designee, shall be responsible for the following:

(a) Recruiting, selecting and training qualified volunteers for various positions.
(b) Facilitating the implementation of new volunteer activities and assignments.
(c) Maintaining records for each volunteer.
(d) Tracking and evaluating the contribution of volunteers.
(e) Maintaining the volunteer handbook and outlining expectations, policies and responsibilities for all volunteers.
(f) Maintaining a record of volunteer schedules and work hours.
(g) Completion and dissemination as appropriate of all necessary paperwork and information.
(h) Planning periodic recognition events.
(i) Administering discipline when warranted.
(j) Maintaining liaison with other volunteer-utilizing programs in the community and assisting in community-wide efforts to recognize and promote volunteering.
Volunteer Program

386.2.2 RECRUITMENT
Volunteers should be recruited on a continuous and ongoing basis consistent with department policy on equal opportunity nondiscriminatory employment. A primary qualification for participation in the application process should be an interest in, and an ability to assist the Department in serving the public.

Requests for volunteers should be submitted in writing by interested staff to the Volunteer Coordinator through the requester’s immediate supervisor. A complete position description and a requested time frame should be included in the request. All parties should understand that the recruitment of volunteers is enhanced by creative and interesting assignments. The Volunteer Coordinator may withhold assignment of any volunteer until such time as the requesting unit is prepared to make effective use of volunteer resources.

386.2.3 SCREENING
All prospective volunteers should complete the volunteer application form. The Volunteer Coordinator or designee should conduct a face-to-face interview with an applicant under consideration.

A documented background investigation shall be completed on each volunteer applicant and shall include, but not necessarily be limited to, the following:
(a) Traffic and criminal background check. Fingerprints shall be obtained from all applicants and processed through the Illinois Law Enforcement Agencies Data System (LEADS).
(b) Employment
(c) References
(d) Credit check

A polygraph exam may be required of each applicant depending on the type of assignment.

386.2.4 SELECTION AND PLACEMENT
Service as a volunteer with the Department shall begin with an official notice of acceptance or appointment to a volunteer position. Notice may only be given by an authorized representative of the Department, who will normally be the Volunteer Coordinator. No volunteer should begin any assignment until they have been officially accepted for that position and completed all required screening and paperwork. At the time of final acceptance, each volunteer should complete all required enrollment paperwork and will receive a copy of their position description and agreement of service with the Department. All volunteers shall receive a copy of the volunteer handbook and shall be required to sign a volunteer agreement.

Volunteers should be placed only in assignments or programs that are consistent with their knowledge, skills, abilities and the needs of the Department.

386.2.5 TRAINING
Volunteers will be provided with an orientation program to acquaint them with the Department, personnel, policies and procedures that have a direct impact on their work assignment.

Volunteers should receive position-specific training to ensure they have adequate knowledge and skills to complete tasks required by the position and should receive periodic ongoing training as deemed appropriate by their supervisor or the Volunteer Coordinator.
Volunteer Program

Training should reinforce to volunteers that they may not intentionally represent themselves as, or by omission infer that they are sworn officers or other full-time members of the Department. They shall always represent themselves as volunteers.

All volunteers shall comply with the rules of conduct and with all orders and directives, either oral or written, issued by the Department.

386.2.6  FITNESS FOR DUTY
No volunteer shall report to work or be on-duty when his/her judgment or physical condition has been impaired by alcohol, medication, other substances, illness or injury.

Volunteers shall report to their supervisor any changes in status that may affect their ability to fulfill their duties. This includes, but is not limited to, the following:
(a) Driver's license
(b) Medical condition
(c) Arrests
(d) Criminal investigations

All volunteers shall adhere to the guidelines set forth by this department regarding drug and alcohol use.

386.2.7  DRESS CODE
As representatives of the Department, volunteers are responsible for presenting a professional image to the community. Volunteers shall dress appropriately for the conditions and performance of their duties.

Volunteers shall conform to department-approved dress consistent with their duty assignment. Uniforms authorized for volunteers should be readily distinguishable from those worn by sworn officers. The uniform or identifiable parts of the uniform shall not be worn while off-duty except volunteers may choose to wear the uniform while in transit to or from official department assignments or functions provided an outer garment is worn over the uniform shirt so as not to bring attention to the volunteer while he/she is off duty.

Volunteers shall be required to return any issued uniform or department property at the termination of service.

386.3  SUPERVISION OF VOLUNTEERS
Each volunteer who is accepted to a position with the Department must have a clearly identified supervisor who is responsible for direct management of that volunteer. This supervisor will be responsible for day-to-day management and guidance of the work of the volunteer and should be available to the volunteer for consultation and assistance.

A volunteer may be assigned as and act as a supervisor of other volunteers provided that the supervising volunteer is under the direct supervision of a paid staff member.

Functional supervision of volunteers is the responsibility of the supervisor in charge of the unit where the volunteer is assigned. Following are some considerations to keep in mind while supervising volunteers:
(a) Take the time to introduce volunteers to employees on all levels.
(b) Ensure volunteers have work space and necessary office supplies.
Volunteer Program

(c) Make sure the work is challenging. Do not hesitate to give them an assignment or task that will tap these valuable resources.

386.4 CONFIDENTIALITY
With appropriate security clearance, volunteers may have access to confidential information such as criminal histories or investigative files. Unless otherwise directed by a supervisor or departmental policy, all information shall be considered confidential. Only that information specifically identified and approved by authorized personnel shall be released. Confidential information shall be given only to persons who have a need and a right to know as determined by departmental policy and supervisory personnel.

Each volunteer will be required to sign a nondisclosure agreement before being given an assignment with the Department. Subsequent unauthorized disclosure of any confidential information, verbally, in writing or by any other means, by the volunteer is grounds for immediate dismissal and possible criminal prosecution.

Volunteers shall not address public gatherings, appear on radio or television, prepare any article for publication, act as correspondents to a newspaper or other periodical, release or divulge any information concerning the activities of the Department, or maintain that they represent the Department in such matters without permission from the proper department personnel.

386.5 PROPERTY AND EQUIPMENT
Volunteers will be issued an identification card that must be worn at all times while on-duty.

Any fixed and portable equipment issued by the Department shall be for official and authorized use only. Any property or equipment issued to a volunteer shall remain the property of the Department and shall be returned at the termination of service.

386.5.1 VEHICLE USE
Volunteers assigned to duties such as vacation house checks or other assignments that require the use of a vehicle must first complete the following:

(a) A driving safety briefing and department approved driver safety course.
(b) Verification that the volunteer possesses a valid Illinois Driver's License.
(c) Verification that the volunteer carries current vehicle insurance.

The Volunteer Coordinator should insure that all volunteers receive safety briefing updates and license and insurance verification at least once a year.

When operating a Department vehicle, volunteers shall obey all rules of the road, including seat belt requirements. Smoking is prohibited in all Department vehicles.

Volunteers should not operate a marked patrol car unless there is a prominently placed sign indicating that it is out of service and are not authorized to operate a Department vehicle with emergency lights and siren activated.

386.5.2 RADIO AND MDT USAGE
Volunteers shall successfully complete LEADS and radio procedures training prior to using the police radio or MDT and comply with all related provisions. The Volunteer Coordinator should ensure that radio and LEADS training is provided for volunteers whenever necessary.
386.6 DISCIPLINARY PROCEDURES/TERMINATION
A volunteer may be removed from the volunteer program at the discretion of the Chief of Police or the Volunteer Coordinator. Volunteers shall have no property interests in their continued appointment. However, if a volunteer is removed for alleged misconduct, the volunteer will be afforded an opportunity solely to clear his/her name through a liberty interest hearing which shall be limited to a single appearance before the Chief of Police or authorized designee.

Volunteers may resign from volunteer service with the Department at any time. It is requested that volunteers who intend to resign provide advance notice of their departure and a reason for their decision.

386.6.1 EXIT INTERVIEWS
Exit interviews, where possible, should be conducted with volunteers who are leaving their positions. The interview should ascertain why the volunteer is leaving the position and solicit the volunteer's suggestions on improving the position. When appropriate, the interview should also include a discussion on the possibility of involvement in some other capacity with the Department.

386.7 EVALUATIONS
An evaluation of the overall volunteer program will be conducted on an annual basis by the Volunteer Coordinator. Regular evaluations should be conducted with volunteers to ensure the best use of human resources available, to ensure personnel problems can be identified and dealt with promptly and fairly, and to ensure optimum satisfaction on the part of volunteers.
Off-Duty Law Enforcement Actions

388.1 PURPOSE AND SCOPE
The decision to become involved in a law enforcement action when off-duty can place an officer as well as others at great risk and must be done with careful consideration. This policy is intended to provide guidelines for officers of the Department with respect to taking law enforcement action while off-duty.

388.2 POLICY
Initiating law enforcement action while off-duty is generally discouraged. Officers should not attempt to initiate enforcement action when witnessing minor crimes, such as suspected intoxicated drivers, reckless driving or minor property crimes. Such incidents should be promptly reported to the appropriate law enforcement agency.

Officers are not expected to place themselves in unreasonable peril. However, any sworn member of this department who becomes aware of an incident or circumstance that he/she reasonably believes poses an imminent threat of serious bodily injury or death, or significant property damage may take reasonable action to minimize the threat.

When public safety or the prevention of major property damage requires immediate action, officers should first consider reporting and monitoring the activity and only take direct action as a last resort.

388.3 FIREARMS
Officers of this department may carry firearms while off-duty in accordance with federal regulations and department policy. All firearms and ammunition must meet guidelines as described in the department Firearms and Qualification Policy. When carrying firearms while off-duty officers shall also carry their department-issued badge and identification.

Officers should refrain from carrying firearms when the consumption of alcohol is likely or when the need to carry a firearm is outweighed by safety considerations. Firearms shall not be carried by any officer who has consumed an amount of an alcoholic beverage or taken any drugs that would tend to adversely affect the officer's senses or judgment.

388.4 DECISION TO INTERVENE
There is no legal requirement for off-duty officers to take law enforcement action. However, should officers decide to intervene, they must evaluate whether the action is necessary or desirable, and should take into consideration the following:

(a) The tactical disadvantage of being alone and the fact there may be multiple or hidden suspects.
(b) The inability to communicate with responding units.
(c) The lack of equipment, such as handcuffs, OC or baton.
(d) The lack of cover.
(e) The potential for increased risk to bystanders if the off-duty officer were to intervene.
(f) Unfamiliarity with the surroundings.
(g) The potential for the off-duty officer to be misidentified by other peace officers or members of the public.

Officers should consider waiting for on-duty uniformed officers to arrive, and gather as much accurate intelligence as possible instead of immediately intervening.

388.4.1 INTERVENTION PROCEDURE
If involvement is reasonably necessary the officer should attempt to call, or have someone else call 9-1-1 to request immediate assistance. The operator should be informed that an off-duty officer is on-scene and should be provided a description of the officer if possible.

Whenever practicable, the officer should loudly and repeatedly identify him/herself as an Metro East Police District officer until acknowledged. Official identification should also be displayed.

388.4.2 INCIDENTS OF PERSONAL INTEREST
Officers should refrain from handling incidents of personal interest, (e.g., family or neighbor disputes) and should remain neutral. In such circumstances officers should call the responsible agency to handle the matter.

388.4.3 CIVILIAN RESPONSIBILITIES
Civilian personnel should not become involved in any law enforcement actions while off-duty except to notify the local law enforcement authority and remain at the scene, if safe and practicable.

388.4.4 OTHER CONSIDERATIONS
When encountering a non-uniformed officer in public, uniformed officers should wait for acknowledgement by the non-uniformed officer in case he/she needs to maintain an undercover capability.

388.5 REPORTING
Any off-duty officer who engages in any law enforcement activity, regardless of jurisdiction, shall notify the Shift Commander or Chief of Police or his or her designee as soon as practicable. The Shift Commander or Chief of Police or his or her designee shall determine whether a report should be filed by the employee.

Officers should cooperate fully with the agency having jurisdiction in providing statements or reports as requested or as appropriate.
Sex Assaults

389.1 PURPOSE AND SCOPE
This policy will establish guidelines for the investigation of sexual assault and sexual abuse incidents involving adult victims (18 year of age or older).

389.1.1 PROCEDURE
A. Upon response to a call regarding an alleged sex crime, the responding officer shall first see to it that any and all of the medical needs of the victim are addressed. Excluding emergency situations, officers of the opposite sexual orientation as the victim will avoid transporting victims of a sex crime to a medical facility for treatment. Officers are to arrange for local Emergency Medical Services to provide transportation to a medical facility, if the victim's family members and/or friend are unable to assist.

B. If it has been determined that the offense occurred within 72-hours of the reporting date and time, the responding officer will request the victim to respond to an area hospital for immediate examination. In cases that do not meet the 72-hour criteria, but the victim has obvious physical trauma associated with the assault; the officer will request the victim to respond to an area hospital for immediate examination. In the event that nude photographic evidence of the victim is needed, the Investigating Officer will have an Officer of the same sexual orientation or a member of Hospital Medical Staff of the same sexual orientation as the victim takes the photographs.

C. Once determined that the victim is enroute to the hospital for an examination and treatment, the responding officer will contact the Watch Commander, or the Chief of Police or his or her designee who will then contact the hospital and advise them of the situation. The responding officer will respond directly to the hospital for the initial stage of the investigation. During this critical point of the investigation, the officer will follow all evidence collection policies and procedures, assuring that potential evidence is properly handled by medical staff and officers alike. Unless directed otherwise by the Watch Commander or Investigative Division Screening Officer or Chief of Police or his or her designee, the initial responding officer will secure all evidence (i.e. Clothing, Sexual Assault Kit, Photographs) and submit it to the evidence vault in compliance with current evidentiary policies.

D. After attending to any potential medical needs, the initial responding officer will conduct a cursory interview with the victim. During this initial cursory interview, the officer will obtain basic information on the alleged sexual act, the suspect, the location of the offense, and when it occurred. At no point will the initial responding patrol division officer conduct an interrogation of the victim of a sexual related offense. Members of the patrol division conducting an initial cursory interview of alleged sex crime victim will not verbalize their personal opinions about the alleged act to the victim. Nor will the patrol division officer handling the initial cursory interview verbalize his/her opinions about the victim's actions prior to the alleged act, during the alleged act or after the alleged act. Whenever possible the interviewing officer should be of the same gender as the victim.

F. All sexual assault and/or sexual abuse related investigative reports, shall be typed and completed before the end of the officer's shift.

G. Officers shall be responsible for the timely follow up and retrieval of sex assault kits in the custody of hospitals or other healthcare providers.
SEX ASSAULTS OF MINORS

391.1 PURPOSE AND SCOPE
To establish guidelines for the response and investigation of sexual assault and abuse cases involving juveniles to ensure compliance with the Child Advocacy Center Protocol, which is also made a part of this Special Order.

391.1.1 PROCEDURE
A. Upon response to a call regarding an alleged sex crime as defined in Chapter 720 ILCS involving a victim or suspect age seventeen (17) and under, the responding officer shall first determine the validity of the complaint. If possible, the responding officer will gather general information needed from persons other than the victim (Le.: parents, or hospital staff) to determine the need to continue the investigation and to ensure the safety of the victim. B. Only in cases where authorization is given from the Chief of Police or his or her designee will the officer interview the victim. That interview will be kept to a cursory interview and will not be in depth. The responding officer will not attempt to interview a suspect unless directed to do so.

C. If it has been determined that the offense occurred within 72 hours, the responding officer will request guardians of the victim transport said victim to family’s preferred hospital, immediately for an examination. If the guardians are unable or refuse to respond, the responding officer will make every effort to see that an examination is performed at a local facility. In cases over 72 hours old, the physical examination will be scheduled after the forensic interview.

D. Reports regarding the incident will be dictated prior to ending the shift.

E. If the victim is age three (3) to twelve (12), an appointment will be made by the Investigator with the Advocacy Center. Victims age thirteen (13) to seventeen (17) may be interviewed outside the Advocacy Center if it is determined to be in the best interest of the child. The Investigator will contact the Advocacy Center with information regarding the interview. It will be the responsibility of the Investigator to contact the family and, if needed, arrange transportation to and from the facility and for ensuring that arrangements for unattended children have been made.

G. If the suspect is nine (9) or younger, the interview may be held at the Advocacy Center. The interview, however, will not be allowed if the victim is in the facility. If the suspect is over (9) years of age, it will be at the discretion of the Investigator to determine the most suitable location for the suspect interview.

H. In cases where the suspect has been unable to be interviewed within seven days, the Investigator will communicate in writing, to the Department of Children and Family Services that the suspect is not to be interviewed by DCFS. This will only apply to cases that fall under DCFS guidelines.

I. By the time of the victim interview, it will be the responsibility of the Investigator to provide complete reports to the Advocacy Center to be reviewed prior to the interview with the child. All efforts will be made to ensure that any reports generated have been corrected and approved.
SEX ASSAULTS OF MINORS

J. Any deviation from this protocol will be at the discretion of the Chief of Police or his or her designee.

It is the goal of the Metro East Police District to make every reasonable effort to accurately and appropriately gather and report any information that may relate to either foreign or domestic terrorism. Officers should advise a supervisor as soon as practicable of any activity believed to be terrorism related and should document such incidents with a written report or Field Interview (FI). The supervisor should ensure that all terrorism related reports and FIs are forwarded to the Detective Bureau Supervisor in a timely fashion.

400.2 PATROL INFORMATION SHARING PROCEDURES
The following guidelines are intended to develop and maintain inter and intra-department cooperation and information flow between the various divisions of and departments within the Metro East Police District.
Patrol Function

400.2.1 CRIME ANALYSIS UNIT
The Crime Analysis Unit (CAU) will be the central unit for information exchange. Criminal information and intelligence reports can be submitted to the central records for distribution to all divisions within the Department through daily and special bulletins.

400.2.2 CRIME REPORTS
A crime report may be completed by any patrol officer who receives criminal information. The report will be processed and forwarded to the appropriate bureau for retention or follow-up investigation.

400.2.3 PATROL ROLL CALLS
Patrol supervisors, detective sergeants, and special unit sergeants are encouraged to share information as much as possible. All supervisors and/or officers will be provided an opportunity to share information at the daily patrol Roll Calls as time permits.

Several information clipboards will be maintained in the Roll Call room and will be available for review by officers from all divisions within the Department. These will include, but not be limited to, the patrol check clipboard, the wanted persons clipboard, and the written directive clipboard. These clipboards will also be promulgated electronically among the Departments within the Metro East Police District.

400.2.5 BULLETIN BOARDS
A bulletin board will be kept in the Roll Call room and the Detective Bureau for display of suspect information, intelligence reports and photographs. New Departmental Directives will be made available for patrol supervisors and will be discussed at Roll Calls and shift meetings. 400.3 CROWDS, EVENTS AND GATHERINGS
Officers may encounter gatherings of people, including but not limited to, civil demonstrations, civic, social and business events, public displays, parades and sporting events. Officers should monitor such events as time permits in an effort to keep the peace and protect the safety and rights of those present. A patrol supervisor should be notified when it becomes reasonably foreseeable that such an event may require increased monitoring, contact or intervention.

Officers responding to an event or gathering that warrants law enforcement involvement should carefully balance the speech and association rights of those present with applicable public safety concerns before taking enforcement action. Officers are encouraged to contact organizers or responsible persons to seek voluntary compliance that may address relevant public safety/order concerns.

Officers should consider enforcement of applicable state and local laws, when the activity blocks the entrance or egress of a facility or location and when voluntary compliance with the law is not achieved.

Roll Call Training

404.1 PURPOSE AND SCOPE
Roll Call training is generally conducted at the beginning of the officer's assigned shift. Roll Call provides an opportunity for important exchange between employees and supervisors. A supervisor generally will conduct Roll Call; however officers may conduct Roll Call for training purposes with supervisor approval.

Crime and Disaster Scene Integrity

406.1 PURPOSE AND SCOPE
The protection and integrity of a crime scene is of the utmost importance for the successful apprehension of criminals and successful prosecution. The integrity of a disaster scene is equally as critical for the protection of life and property and investigation by proper authorities.

406.2 CRIME SCENE RESPONSIBILITY
The first officer at the scene of a crime or major incident is generally responsible for the preservation of the scene. Officers shall also consider officer safety and public safety issues, including rendering medical aid to any injured parties. Once an officer has assumed or been assigned to maintain the integrity of the crime/disaster scene, it shall be maintained until the officer is relieved by a supervisor.

406.2.1 FIRST RESPONDER CONSIDERATIONS
The following list generally describes the first responder’s function at a crime or disaster scene. This list is not intended to be all-inclusive, is not necessarily in order and may be altered according to the demands of each situation, the availability of resources, capacity of personnel and totality of each circumstance:

(a) Ensure no suspects are still within the area.
(b) Broadcast emergency information including all requests for additional assistance.
(c) Provide first aid to injured parties if it can be done safely.

406.3 SEARCHES AT CRIME OR DISASTER SCENES
Officers arriving at crime or disaster scenes are often faced with the immediate need to search for and render aid to victims and determine if suspects are present and continue to pose a threat. Once officers are satisfied that no additional suspects are present and/or there are no injured persons to be treated, those exigent circumstances will likely no longer exist. Officers should thereafter secure the scene and conduct no further search until proper authority for the search is obtained.

406.3.1 CONSENT
Officers should seek consent to search from authorized individuals where possible. However, in the case of serious crimes or major investigations it may be prudent to obtain a search warrant. Consent may be sought even in cases where a search warrant has been granted.

Officers should use sound discretion when encountering a potentially dangerous situation, and if feasible, let the participant out of the vehicle in a well-lighted place of safety. The telecommunicator will be advised of the situation and as soon as practical have another police unit respond to pick up the participant at that location. (e) Officers will not allow any ride-alongs to be present in any residences or situations that would jeopardize their safety or cause undue stress or embarrassment to a victim or any other citizen.

(f) Under no circumstance shall a civilian ride along be permitted to enter a private residence with an officer without the expressed consent of the resident or other authorized person.
Hazardous Material Response

412.1 PURPOSE AND SCOPE
Hazardous materials present a potential harm to employees resulting from their exposure.

412.1.1 HAZARDOUS MATERIAL DEFINED
A hazardous material is a substance which by its nature, containment and reactivity, has the capability of inflicting harm during exposure. Hazardous materials are characterized as being toxic, corrosive, flammable, reactive, an irritant or strong sensitizer and thereby posing a threat to health when improperly managed.

412.2 HAZARDOUS MATERIAL RESPONSE
Employees may encounter situations involving suspected hazardous materials, such as at the scene of a traffic accident, chemical spill, or fire. When employees come into contact with a suspected hazardous material, certain steps should be taken to protect themselves and citizens.

The following steps should be considered at any scene involving suspected hazardous materials:

(a) Attempt to identify type of hazardous substance. Identification can be determined by placard, driver’s manifest or statements from the person transporting the material.
(b) Notify the Fire Department.
(c) Provide first-aid for injured parties if it can be done safely and without contamination.
(d) Begin evacuation of the immediate area and surrounding areas dependent on substance. Voluntary evacuation should be considered; however depending on the substance, mandatory evacuation may be necessary.

412.3 REPORTING EXPOSURE(S)
Department personnel who believe that they have been exposed to a hazardous material shall immediately report the exposure to a supervisor. Each exposure shall be documented by the employee in an employee memorandum that shall be forwarded via chain of command to the Commanding Officer. Should the affected employee be unable to document the exposure for any reason, it shall be the responsibility of the notified supervisor to complete the memorandum.

Injury or illness caused or believed to be caused from exposure to hazardous materials shall be reported the same as any other on-duty injury or illness in addition to a crime report or incident report.

412.3.1 SUPERVISOR RESPONSIBILITY
When a supervisor has been informed that an employee has been exposed to a hazardous material, he/she shall ensure that immediate medical treatment is obtained and appropriate action is taken to mitigate the exposure.

To ensure the safety of employees, safety equipment is available through supervisory personnel. Safety items not maintained by the Department will be obtained through the Fire Department.

Hostage and Barricade Incidents

414.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidelines for situations where officers have legal cause to contact, detain or arrest a person, and the person refuses to submit to the lawful requests of the officers by remaining in a structure or vehicle and/or by taking a hostage.

The scope of this policy is not intended to address all variables that officers encounter during their initial response or when a hostage or barricade situation has developed. This policy does not require or purport to recommend specific strategies or tactics for resolution as each incident is a dynamic and rapidly evolving event.

414.1.1 DEFINITIONS
Definitions related to this policy include:

Barricade situation - An incident where a person maintains a position of cover or concealment and ignores or resists law enforcement personnel, and it is reasonable to believe the subject is armed with a dangerous or deadly weapon.

Hostage situation - An incident where it is reasonable to believe a person is unlawfully held by a hostage-taker as security so that specified terms or conditions will be met.

414.2 POLICY
It is the policy of the Department to address hostage and barricade situations with due regard for the preservation of life and balancing the risk of injury, while obtaining the safe release of hostages, apprehending offenders and securing available evidence.

414.3 COMMUNICATION
When circumstances permit, initial responding officers should try to establish and maintain lines of communication with a barricaded person or hostage-taker. Officers should attempt to identify any additional subjects, inquire about victims and injuries, seek the release of hostages, gather intelligence information, identify time-sensitive demands or conditions and obtain the suspect's surrender.

When available, department-authorized negotiators should respond to the scene as soon as practicable and assume communication responsibilities. Negotiators are permitted to exercise flexibility in each situation based upon their training, the circumstances presented, suspect actions or demands and the available resources.

414.3.1 EMERGENCY COMMUNICATIONS
Should circumstances at the scene permit, Department supervisors or negotiators may promptly contact the Office of the State Attorney for assistance in obtaining an ex parte order to intercept audio communications at the scene (725 ILCS 5/108B-3).

Additionally, Department negotiators or individuals summoned by officers to provide assistance, may use an eavesdropping device, including a camera or audio device, during an ongoing hostage and barricade incident when such use is necessary to protect the safety of officers or members of the general public (720 ILCS 5/14-3(o)).
414.4  FIRST RESPONDER CONSIDERATIONS

First responding officers should promptly and carefully evaluate all available information to determine whether an incident involves, or may later develop into, a hostage or barricade situation.

The first responding officer should immediately request a supervisor's response as soon as it is determined that a hostage or barricade situation exists. The first responding officer shall assume the duties of the supervisor until relieved by a supervisor or a more qualified responder. The officer shall continually evaluate the situation, including the level of risk to officers, to the persons involved and to bystanders, and the resources currently available.

The handling officer should brief the arriving supervisor of the incident, including information about suspects and victims, the extent of any injuries, additional resources or equipment that may be needed, and current perimeters and evacuation areas.

414.4.1  BARRICADE SITUATION

Unless circumstances require otherwise, officers handling a barricade situation should attempt to avoid a forceful confrontation in favor of stabilizing the incident by establishing and maintaining lines of communication while awaiting the arrival of specialized personnel and trained negotiators. During the interim the following options, while not all-inclusive or in any particular order, should be considered:

(a) Ensure injured persons are evacuated from the immediate threat area if it is reasonably safe to do so. Request medical assistance.

(b) Assign personnel to a contact team to control the subject should he/she attempt to exit the building, structure or vehicle, and attack, use deadly force, attempt to escape or surrender prior to additional resources arriving.

(c) Request additional personnel, resources and equipment as needed (e.g., canine team, air support).

(d) Provide responding emergency personnel with a safe arrival route to the location.

(e) Evacuate non-injured persons in the immediate threat area if it is reasonably safe to do so.

(f) Attempt or obtain a line of communication and gather as much information on the subject as possible, including weapons, other involved parties, additional hazards or injuries.

(g) Establish an inner and outer perimeter as circumstances require and resources permit to prevent unauthorized access.

(h) Evacuate bystanders, residents and businesses within the inner and then outer perimeter as appropriate. Check for injuries, the presence of other involved subjects, witnesses, evidence or additional information.

(i) Determine the need for and notify the appropriate persons within and outside the Department, such as command officers and the Public Information Officer.

(j) If necessary and available, establish a tactical or exclusive radio frequency for the incident.

(k) Establish a command post.

414.4.2  HOSTAGE SITUATION

Officers presented with a hostage situation should attempt to avoid a forceful confrontation in favor of controlling the incident in anticipation of the arrival of specialized personnel and trained hostage negotiators. However, it is understood that hostage situations are dynamic.
and can require that officers react quickly to developing or changing threats. The following options while not all-inclusive or in any particular order, should be considered:

(a) Ensure injured persons are evacuated from the immediate threat area if it is reasonably safe to do so. Request medical assistance.

(b) Assign personnel to a contact team to control the subject should he/she attempt to exit the building, structure or vehicle, and attack, use deadly force, attempt to escape or surrender prior to additional resources arriving.

(c) Establish a rapid response team in the event it becomes necessary to rapidly enter a building, structure or vehicle, such as when the suspect is using deadly force against any hostages (see the Rapid Response and Deployment Policy).

(d) Assist hostages or potential hostages to escape if it is reasonably safe to do so. Hostages should be kept separated if practicable pending further interview.

(e) Request additional personnel, resources and equipment as needed (e.g., canine team, air support).

(f) Provide responding emergency personnel with a safe arrival route to the location.

(g) Evacuate non-injured persons in the immediate threat area if it is reasonably safe to do so.

(h) Coordinate pursuit or surveillance vehicles and control of travel routes.

(i) Attempt or obtain a line of communication and gather as much information about the suspect as possible, including any weapons, victims and their injuries, additional hazards, other involved parties and any other relevant intelligence information.

(j) Establish an inner and outer perimeter as resources and circumstances permit to prevent unauthorized access.

(k) Evacuate bystanders, residents and businesses within the inner and then outer perimeter as appropriate. Check for injuries, the presence of other involved subjects, witnesses, evidence or additional information.

(l) Determine the need for and notify the appropriate persons within and outside the Department, such as command officers and the Public Information Officer.

(m) If necessary and available, establish a tactical or exclusive radio frequency for the incident.

414.5 SUPERVISOR RESPONSIBILITIES

Upon being notified that a hostage or barricade situation exists, the supervisor should immediately respond to the scene, assess the risk level of the situation, establish a proper chain of command and assume the role of Incident Commander until properly relieved. This includes requesting a Crisis Response Unit (CRU) response if appropriate and apprising the CRU Commander of the circumstances. In addition, the following options, listed here in no particular order, should be considered:

(a) Ensure injured persons are evacuated and treated by medical personnel.

(b) Ensure the completion of necessary first responder responsibilities or assignments.

(c) Request crisis negotiators, specialized units, additional personnel, resources or equipment as appropriate.

(d) Establish a command post location as resources and circumstances permit.

(e) Designate assistants who can help with intelligence information and documentation of the incident.

(f) If it is practicable to do so, arrange for video documentation of the operation.
Hostage and Barricade Incidents

(g) Consider contacting utility and communication providers when restricting such services (e.g., restricting electric power, gas, telephone service).

(h) Ensure adequate law enforcement coverage for the remainder of the City during the incident. The supervisor should direct non-essential personnel away from the scene unless they have been summoned by the supervisor or the Communications Center.

(i) Identify a media staging area outside the outer perimeter and have the department Public Information Officer or a designated temporary media representative provide media access in accordance with the News Media Relations Policy.

(j) Identify the need for mutual aid and the transition or relief of personnel for incidents of extended duration.

(k) Debrief personnel and review documentation as appropriate.

414.6 CRISIS RESPONSE UNIT RESPONSIBILITIES

It will be the Incident Commander's decision, with input from the CRU Commander, whether to deploy the CRU during a hostage or barricade situation. Once the Incident Commander authorizes deployment, the CRU Commander or the authorized designee will be responsible for the tactical portion of the operation. The Incident Commander shall continue supervision of the command post operation, outer perimeter security and evacuation, media access and support for the CRU. The Incident Commander and the CRU Commander or the authorized designee shall maintain communications at all times.

414.7 REPORTING

Unless otherwise relieved by a supervisor or Incident Commander, the handling officer at the scene is responsible for completion and/or coordination of incident reports.
Response to Bomb Calls

416.1 PURPOSE AND SCOPE
These guidelines have been prepared to assist officers in their initial response to incidents involving explosives, explosive devices, or explosion/bombing incidents. Under no circumstances should these guidelines be interpreted as compromising the safety of first responders or the public. When confronted with an incident involving explosives, safety shall always be the primary consideration.

416.2 FOUND EXPLOSIVES/SUSPECT DEVICES
When handling an incident involving a suspected explosive device, the following guidelines should be followed:

(a) No known or suspected explosive item should be considered safe regardless of its size or apparent packaging. The appropriate bomb squad or military explosive ordnance disposal team should be summoned for assistance.

(b) A minimum perimeter of 300 feet should be established around the location of the device. An access point should be provided for support personnel.

(c) As much information as is available should be promptly relayed to the Shift Commander or Chief of Police or his or her designee including:
   1. The stated threat.
   2. Exact comments.
   3. Time of discovery.
   4. Exact location of the device.
   5. Full description (e.g., size, shape, markings, construction) of the device.

(d) The device should not be touched or moved except by qualified bomb squad personnel.

(e) All equipment within 300 feet of the suspected device capable of producing radio frequency energy should be turned off. This includes two-way radios, cell phones and other personal communication devices.

(f) Consideration should be given to evacuating any buildings near the device.

(g) A search of the area should be conducted for secondary devices or other objects that are either hazardous or foreign to the area and a perimeter should be established around any additional suspicious device found.

Explosive or military ordnance of any type should be handled only by the bomb squad or military ordnance disposal team.

416.3 EXPLOSION/BOMBING INCIDENTS
When an explosion has occurred, there are multitudes of considerations which may confront the responding officers. As in other catastrophic incidents, a rapid response may help to minimize injury to victims, contamination of the scene by gathering crowds or additional damage by resulting fires or unstable structures. Whether the explosion was the result of an accident or a criminal act, the responding officers should consider the following actions:

Adopted: 2014/01/01 © 1995-2013 Lexipol, LLC
Response to Bomb Calls

- Assess the scope of the incident, including the number of victims and extent of injuries.
- Assist with first aid (Fire Department has primary responsibility).
- Assist with evacuation of victims (Fire Department has primary responsibility).
- Identify and take appropriate precautions to mitigate scene hazards such as collapsed structures, blood borne pathogens, hazardous materials and secondary explosive devices.
- Request additional resources as needed.
- Identify witnesses.
- Preserve evidence.

416.3.1 NOTIFICATIONS
When an explosion has occurred, the following people shall be notified as soon as practicable if their assistance is needed:

(a) Fire Department.
(b) Bomb Squad.
(c) Additional officers.
(d) Field supervisor.
(e) Shift Commander.
(f) Detectives.
(g) Forensic Science Services.

416.3.2 CROWD CONTROL
Only authorized personnel with a legitimate need shall be permitted access to the scene. Spectators and other unauthorized individuals shall be excluded to a safe distance as is reasonably practicable given the available resources and personnel.

416.3.3 SCENE OF INCIDENT
As in any other crime scene, steps should immediately be taken to preserve the scene. The scene could extend over a long distance. Evidence may be imbedded in nearby structures or hanging in trees and bushes.

416.4 BOMB THREATS RECEIVED AT POLICE FACILITY
This procedure should be followed should a bomb threat call be received at the police facility.

416.4.1 BOMB THREATS RECEIVED BY TELEPHONE
The following questions should be asked if a bomb threat is received at the Police Department:

- When is the bomb going to explode?
- Where is the bomb?
- What kind of bomb is it?
- What does it look like?
- Why did you place the bomb?
Response to Bomb Calls

• Who are you? (to avoid possible termination of the call this should be the last question asked)

Attempt to keep the caller on the line as long as possible and obtain expanded answers to these five basic questions.

During this time, document the following:

• Time of the call.
• Exact words of the person as accurately as possible.
• Estimated age and sex of the caller.
• Speech patterns and/or accents.
• Background noises.

If the incoming call is received at the police facility on a recorded line, steps shall be taken to ensure that the recording is preserved in accordance with current department evidence procedures.

416.4.2 RESPONSIBILITIES

The employee handling the call shall ensure the Shift Commander or Chief of Police or his or her designee is immediately advised and fully informed of the details. The Shift Commander or Chief of Police or his or her designee will then direct and assign officers as required for coordinating a general building search or evacuation as he/she deems appropriate.
Mental Illness Commitments

418.1 PURPOSE AND SCOPE
This procedure describes an officer's duties when a person is to be committed to a mental health facility pursuant to the Mental Health and Developmental Disabilities Code (405 ILCS 5/1€ 100 et seq.). The commitment of a person under this statute does not constitute an arrest. If an officer believes that a person falls within the provisions of the Mental Health and Developmental Disabilities Code, he/she shall transport that person to the designated facility for evaluation and commitment.

418.2 AUTHORITY
Pursuant to the Mental Health and Developmental Disabilities Code, when any person, as a result of mental disorder, is a danger to others, or to himself/herself, a peace officer, or other individual authorized by statute may, upon probable cause, take, or cause to be taken, the person into custody and place him or her in a facility designated by the county and approved by the Illinois Department of Human Services as a facility for 72-hour treatment and evaluation (excluding Saturdays, Sundays, and holidays).

Such facility shall require an application in writing stating the circumstances under which the person's condition was called to the attention of the officer, or other individual authorized by statute has probable cause to believe that the person is, as a result of mental disorder, a danger to others.

418.3 OFFICER CONSIDERATIONS AND RESPONSIBILITIES
Any officer responding to or handling a call involving a suspected or actual mentally disabled individual should carefully consider the following:

(a) Any available information which might assist in determining the cause and nature of the mental illness or developmental disabilities.
(b) Conflict resolution and de-escalation techniques for potentially dangerous situations involving mentally disabled persons.
(c) Appropriate verbal language, body language and tone of voice when interacting with mentally disabled persons.
(d) If circumstances permit, alternatives to deadly force when interacting with potentially dangerous mentally disabled persons.
(e) Community resources which may be readily available to assist with a mentally disabled individual.

418.3.1 TRANSPORTATION
When transporting any individual for a mental illness commitment, the handling officer should have the Communications Center notify the receiving facility of the estimated time of arrival, the level of cooperation of the patient and whether or not any special medical care is needed.

Officers may transport patients in the patrol unit and shall secure them in accordance with the handcuffing policy. Violent patients or those that are medically unstable may be restrained and transported by ambulance and ambulance personnel. The officer will escort the patient into the facility and place that person in a designated treatment room as
Mental Illness Commitments

directed by a staff member. As soon as a security staff member becomes available, he/she should relieve the officer and physically remain in the treatment room with the patient.

418.3.2 RESTRAINTS
If the patient is violent or potentially violent, the officer will notify the staff of this concern. The staff member in charge will have discretion as to whether soft-restraints will be used. If these restraints are desired, the officer will wait while they are being applied to help provide physical control of the patient, if needed.

418.3.3 MENTAL HEALTH DOCUMENTATION
The officer will complete a Petition for Involuntary Admission and provide it to the staff member assigned to that patient. The officer will retain a copy of the petition for inclusion in the case report. The officer shall also provide a verbal summary to the appropriate staff member regarding the circumstances leading to the involuntary admission.

418.3.4 SECURING OF WEAPONS
If a receiving and secured facility prohibits weapons or if an extraordinary event occurs in the treatment facility and officers determine a need to secure their firearms, the firearm shall be secured in the appropriate gun locker at the facility or in the police unit.

418.4 MENTALLY ILL PERSON CHARGED WITH A CRIME
When practical, any person charged with a crime who also appears to be mentally ill shall be booked at the Department before being transported to the authorized facility. If the person has injuries or some other medical condition, he/she may be taken directly to the hospital with the approval of a supervisor.

418.5 CONFISCATION OF FIREARMS AND OTHER WEAPONS
Whenever a person has been detained or apprehended for examination pursuant to the Mental Health and Developmental Disabilities Code and is found to own, have in his/her possession or under his/her immediate control, any firearm whatsoever or any other deadly weapon, the firearm or other deadly weapon shall be confiscated by the handling officer.

Officers are cautioned that a search warrant may be needed before entering a residence to search unless lawful, warrantless entry has already been made (e.g., exigent circumstances, valid consent).

The firearm or other deadly weapon shall be booked into evidence until further processing.

The handling officer shall further advise the person of the below described procedure for the return of any firearm or other deadly weapon which has been confiscated. For purposes of this section deadly weapon means any weapon that the possession of or carrying while concealed is prohibited by 720 ILCS 5/24.

418.5.1 RETURN OF CONFISCATED FIREARMS AND WEAPONS
(a) Whenever the handling officer has cause to believe that the future return of any confiscated weapon(s) might endanger the person or others, the officer shall detail those facts and circumstances in a report. The report shall be forwarded to the Detective Bureau or Chief of Police or his or her designee which shall be responsible for contacting the Illinois State Police Firearms Owners Identification Section.
Mental Illness Commitments

(b) Under no circumstances shall any firearm be returned to any individual unless and until such person presents valid Illinois Firearms Owners Identification Card.

(c) In no case in which a firearm or other deadly weapon is not retained as evidence shall the Department be required to retain such firearms or other deadly weapon longer than 180 days after notice has been provided to the owner that such firearm or other deadly weapon is available for return. At the expiration of such period, the firearm or other deadly weapon may be processed for disposal in accordance with applicable law.

418.6 TRAINING

As part of advanced officer training programs, this agency will endeavor to include Illinois Law Enforcement Training Standards Board approved training on interaction with mentally disabled persons as provided by Illinois statute.
Cite and Release Policy

420.1 PURPOSE AND SCOPE
Illinois Compiled Statutes (ILCS) authorize peace officers to use release procedures in lieu of a custodial arrest for arrests made without a warrant with certain exceptions.

420.2 STATUTORY REQUIREMENTS
Whenever a peace officer is authorized to arrest a person without a warrant he/she may instead issue to such person a notice to appear (725 ILCS 5/107-12). Release by citation for misdemeanor offenses can be accomplished in two separate ways:

(a) A field release is when the violator is released in the field without being transported to a jail facility.
(b) A jail release is when a violator is released after being transported to the jail and booked.

420.2.1 DISCRETION TO ARREST
While this department recognizes the statutory power of peace officers to make arrests throughout the state, officers are encouraged to use sound discretion in the enforcement of the law. On-duty arrests will not generally be made outside the jurisdiction of this department except in cases of hot and/or fresh pursuit, while following up on crimes committed within the City, or while assisting another agency. On-duty officers who discover criminal activity outside the jurisdiction of the City should, when circumstances permit, consider contacting the agency having primary jurisdiction before attempting an arrest.

Off-duty officers observing criminal activity should generally take enforcement action only when it reasonably appears that imminent risk to life or property exists and the reasonable opportunity does not exist to contact the law enforcement agency with primary jurisdiction. In such situations the involved officer shall clearly identify him/herself as a police officer.

Officers are authorized to use verbal or written warnings to resolve minor traffic and criminal violations when appropriate.

420.3 DEPARTMENT PROCEDURE
The following procedure will be followed to comply with this law.

420.3.1 JAIL RELEASE
In certain cases, it may be impractical to release a person arrested for misdemeanor offenses in the field. The person arrested may instead be released after booking at the jail, with Shift Commander approval.

Any person arrested for a misdemeanor offense shall be released on his/her written promise to appear after the booking procedure is completed, unless otherwise disqualified.

420.3.2 INSTRUCTIONS TO CITED PERSON
The citing officer shall, at the time he/she asks the defendant to sign the notice to appear, call attention to the time and place for appearance and take any other steps he/she deems necessary to ensure that the defendant understands his/her written promise to appear.
420.4 JUVENILE CITATIONS
Completion of criminal citations for juveniles is generally not appropriate with the following exceptions:

- Misdemeanor traffic violations of the Vehicle Code
- Violations of the East St. Louis Police Department City codes

All other misdemeanor violations for juveniles shall be documented with a case number and the case should be referred to the Detective Bureau for further action including diversion.

420.5 REQUESTING CASE NUMBERS
Many cases involving a criminal citation release can be handled without requesting a case number. Traffic situations and local code violations can be documented on the reverse side of the records copy of the citation. Most criminal offenses will require a case number to document the incident properly in a report. This section does not preclude an officer from requesting a case number if he/she feels the situation should be documented more thoroughly in a case report.
Arrest or Detention of Foreign Nationals

422.1 PURPOSE AND SCOPE
Article 36 of the Vienna Convention on Consular Relations sets forth certain rights of foreign nationals from member countries when arrested, detained or imprisoned by law enforcement officials in this country. This section provides direction to officers when considering a physical arrest or detention of a foreign national. All foreign service personnel shall be treated with respect and courtesy, regardless of the level of established immunity. As noted herein, the United States is a party to several bilateral agreements that obligate our authorities to notify the consulate upon the person's detention, regardless of whether the detained person(s) request that his/her consulate be notified. The list of specific countries that the United States is obligated to notify may be found at the U.S. Department of State website.

422.1.1 DEFINITIONS
Foreign National - Anyone who is not a citizen of the United States (U.S.). A person with dual-citizenship, U.S. and foreign, is not a foreign national.

Immunity - Refers to various protections and privileges extended to the employees of foreign governments who are present in the U.S. as official representatives of their home governments. These privileges are embodied in international law and are intended to ensure the efficient and effective performance of their official missions (i.e., embassies, consulates, etc.) in foreign countries. Proper respect for the immunity to which an individual is entitled is necessary to ensure that U.S. diplomatic relations are not jeopardized and to maintain reciprocal treatment of U.S. personnel abroad. Although immunity may preclude U.S. courts from exercising jurisdiction, it is not intended to excuse unlawful activity. It is the policy of the U.S. Department of State's Office of Foreign Missions (OFM) that illegal acts by Foreign Service personnel should always be pursued through proper channels. Additionally, the host country's right to protect its citizens supersedes immunity privileges. Peace officers may intervene to the extent necessary to prevent the endangerment of public safety or the commission of a serious crime, regardless of immunity claims.

422.2 ARREST OR DETENTION OF FOREIGN NATIONALS
Officers should take appropriate enforcement action for all violations observed, regardless of claims of diplomatic or consular immunity received from violators. A person shall not, however, be subjected to in-custody arrest when diplomatic or consular immunity is claimed by the individual or suspected by the officer, and the officer has verified or reasonably suspects that the claim of immunity is valid.

422.3 LEVELS OF IMMUNITY
The specific degree of immunity afforded to foreign service personnel within the U.S. is directly related to their function and position in this country.

422.3.1 DIPLOMATIC AGENTS
Diplomatic agents (e.g., ambassadors and United Nations representatives) are afforded the highest levels of immunity. They are exempt from arrest or detention and are immune from all criminal (and most civil) prosecution by the host state. The family members of diplomatic
agents enjoy these same immunities. Currently there are no diplomatic agents permanently assigned to Illinois; but they do occasionally visit the state.

422.3.2 CONSULAR OFFICERS
Consular officers are the ranking members of consular posts who perform various formal functions on behalf of their own governments. Typical titles include consul general, consul, and vice consul. These officials are immune from arrest or detention, except pursuant to a felony warrant. They are only immune from criminal and civil prosecution arising from official acts. Official acts immunity must be raised as an affirmative defense in the court jurisdiction, and its validity is determined by the court. Under this defense, the prohibited act itself must have been performed as an official function. It is not sufficient that the consular agent was on-duty or in an official capacity at the time of the violation. The family members of consular officers generally enjoy no immunity, however, any family member who enjoys a higher level of immunity is issued an identification card by Department of State (DOS) enumerating any privileges or immunities on the back of the card. Examples are consular officers and family members from Russia or China.

There are approximately 40 consular officers in Illinois, with most located in the Chicago area.

422.3.3 HONORARY CONSULS
Honorary consuls are part-time employees of the country they represent and are either permanent residents of the U.S. or U.S. nationals (unlike career consular officers, who are foreign nationals on temporary assignment to the U.S.). Honorary consuls may be arrested and detained; limited immunity for official acts may be available as a subsequent defense. Family members have no immunity. There are a relatively small number of honorary consuls in Illinois.

422.4 IDENTIFICATION
All diplomatic and consular personnel who are entitled to immunity are registered with the Department of State and are issued distinctive identification cards by the Department of State Protocol Office. These cards are the best means of identifying Foreign Service personnel. They include a photograph, identifying information, and, on the reverse side, a brief description of the bearer's immunity status. Unfortunately, these identification cards are not always promptly issued by the Department of State. In addition to the Department of State identification card, Foreign Service personnel should also have a driver license issued by the Department of State Diplomatic Motor Vehicle Office (DMVO), which in most circumstances replaces the operator's license issued by the state.

422.4.1 VEHICLE REGISTRATION
Vehicles that are owned by foreign missions or Foreign Service personnel and their dependents are registered with the Department of State OFM and display distinctive red, white, and blue license plates. Vehicles assigned to diplomatic or consular officers will generally have license plates labels with the words diplomat or consul. Driver's identity or immunity status should not be presumed from the type of license plates displayed on the vehicle. The status of an OFM license plate should be run via the National Law Enforcement Telecommunications System (NLETS), designating US as the state, if the officer has reason to question the legitimate possession of the license plate.

422.5 ENFORCEMENT PROCEDURES
The following procedures provide a guideline for handling enforcement of foreign nationals:
422.5.1 CITABLE OFFENSES
An enforcement document shall be issued at the scene for all violations warranting such action, regardless of the violator's immunity status. The issuance of a citation is not considered an arrest or detention under current Department of State guidelines. Whenever the equivalent of a notice to appear is issued to an immunity claimant, the following additional procedures shall be followed by the arresting officer:

(a) Identification documents are to be requested of the claimant.
(b) The title and country represented by the claimant are to be recorded on the back of the officer's copy of the Notice to Appear for later reference. Do not include on the face of the notice to appear.
(c) The claimant shall be requested to sign the notice to appear. If the claimant refuses, the identity and immunity status of the individual shall be conclusively established.
(d) Verified diplomatic agents and consular officers, including staff and family members from countries with which the U.S. has special agreements, are not required to sign the Notice to Appear. The word Refused shall be entered in the signature box, and the violator shall be released.
(e) Verified consular staff members, excluding those from countries with which the U.S. has special agreements, are generally obligated to sign the Notice to Appear, but a signature shall not be required if their immunity status is uncertain.
(f) All other claimants are subject to the provisions of the Illinois Vehicle Code and policy and procedures outlined in this chapter.
(g) The violator shall be provided with the appropriate copy of the notice to appear.

422.5.2 IN-CUSTODY ARRESTS
Diplomatic agents and consular officers are immune from arrest or detention (unless they have no identification and the detention is to verify their diplomatic status). Proper identification of immunity claimants is imperative in potential in-custody situations. Claimants who are not entitled to immunity shall be placed in custody in accordance with the provisions outlined in Policy Manual § 422.7.1.

A subject who is placed under arrest and claims diplomatic or consular immunity shall not be physically restrained before verification of the claim (unless restraint is necessary for the protection of the officer or others).

A supervisor shall be promptly notified and should respond to the scene when possible.

Field verification of the claimant's identity is to be attempted as follows:

(a) Identification cards issued by the Department of State, Protocol Office, are the only valid evidence of diplomatic or consular immunity. The following types of identification cards are issued: Diplomatic (blue bordered), Consular (red bordered), and Official (green bordered). The Department of State identification cards are 3-3/4 inch by 1-1/2 inch and contain a photograph of the bearer.
(b) Initiate telephone verification with the Department of State. Newly arrived members of diplomatic or consular missions may not yet have official Department of State identity documents. Verify immunity by telephone with the Department of State any time an individual claims immunity and cannot present satisfactory identification, the officer has reason to doubt the claim of immunity, or there is a possibility of physical arrest. Law enforcement personnel should use the following numbers in order of preference:
Members of diplomatic or consular missions also have other forms of identification. These may include identification cards issued by the State of Illinois, local law enforcement agencies, the foreign embassy, or consulate; driver licenses issued by Department of State; and, Department of State license indicia on the vehicle. All these items are only an indication that the bearer may have some form of immunity.

Subjects verified through the above procedures as being officials entitled to immunity (diplomatic agent, consular officers and consular staff and family members from countries with which the U.S. has special agreements) may not be arrested. The procedures below shall be followed. These procedures should also be used in the event immunity cannot be verified, but another form of identification indicates that immunity is probable.

If the release of the violator will not create an additional hazard, adequate information to properly identify the violator shall be obtained then the official shall be released. A supervisor's approval for the release shall be obtained whenever possible. The necessary release documents and/or a Certificate of Release form should only be issued under the proper conditions.

If the violator appears to have been driving while under the influence, field sobriety tests, including Preliminary Alcohol Screening (PAS) device tests and chemical tests should be offered and obtained whenever possible, however, these tests cannot be compelled. The subject shall not be permitted to drive. A supervisor's approval for release shall be obtained whenever possible and alternative transportation should be arranged.

All facts of the incident shall be documented in accordance with this policy in a Driving Under the Influence (DUI) Arrest-Investigation Report, Arrest-Investigation Report and/or any other relevant Report form. Notwithstanding the field release of the subject, prosecution is still appropriate and should be pursued by the command concerned. The Department of State will take appropriate sanctions against errant foreign service personnel, even where prosecution is not undertaken by the agency.
422.6 TRAFFIC COLLISIONS
Persons involved in traffic collisions who possess a Department of State OFM Diplomatic Driver License, issued by the DMVO, shall have detailed information from the DVMO license included in the narrative portion of the report. If subsequent prosecution of the claimant is anticipated, the claimant's title, country, and type of identification presented should be recorded for future reference. Issuance of a citation to, or arrest of, an immunity claimant at the accident scene should be handled in accordance with the procedures specified in Policy Manual § 422.5 of this chapter.

422.6.1 VEHICLES
Vehicles, which are owned by subjects with full immunity, may not be searched, stored, or impounded without the owner's permission. (Such permission may be assumed if the vehicle has been stolen.) These vehicles may, however, be towed the necessary distance to remove them from obstructing traffic or creating any other hazard.

422.6.2 REPORTS
A photocopy of each traffic collision report involving an identified diplomat and/or immunity claimant shall be forwarded to the office of the Chief of Police within 48 hours whether or not the claim is verified. The words Immunity Claim shall be marked on the photocopy, together with a notation of the claimant's title, country, and type of identification presented (if applicable). In addition to the report, a follow-up cover memorandum should be submitted if the violation was flagrant, if the claimant was uncooperative, or if there were any other unusual aspects of the enforcement contact that should be reported to the Department of State for further action. The Shift Commander/Supervisor apprised of the incident/accident shall also send a copy of all documents and reports submitted by the investigating officer along with any supervisor's notes, materials and/or logs to the Chief of Police's office within 48 hours of the incident. The Chief of Police's office will check to ensure that notification of Department of State and all necessary follow-up occur.

422.7 FOREIGN NATIONALS WHO DO NOT CLAIM IMMUNITY
These policies and procedures apply to foreign nationals who do not claim diplomatic or consular immunity.

Officers shall arrest foreign nationals only under the following circumstances:

(a) There is a valid warrant issued for the person's arrest.
(b) There is probable cause to believe that the foreign national has violated a federal criminal law, a state law, or a local ordinance.
(c) Officers shall not arrest foreign nationals solely for alleged undocumented entry into the U.S. unless the undocumented entry is committed in the officer's presence.

After a lawful detention or criminal arrest, officers may detain foreign nationals solely for alleged undocumented presence in the U.S. if the U.S. Immigration and Customs Enforcement (ICE) is contacted and can respond to take custody within a reasonable time. Officers shall not arrest foreign nationals for undocumented presence. Federal courts have consistently held that undocumented presence is not a crime but a federal civil violation only enforceable by federal officers.

• Officers shall not stop or detain persons solely for determining immigration status
• International treaty obligations provide for notification of foreign governments when foreign nationals are arrested or otherwise detained in the U.S.
Whenever an officer arrests and incarcerates a foreign national or detains a foreign national for investigation for over two hours, the officer shall promptly advise the individual that he/she is entitled to have his/her government notified of the arrest or detention. If the individual wants his/her government notified, the officer shall begin the notification process.

422.7.1 ARREST PROCEDURE
Whenever an officer physically arrests or detains an individual for criminal investigation and the officer reasonably believes the person to be a foreign national, the officer shall inquire to determine the person's citizenship.

If the individual indicates that he/she is other than a U.S. citizen, the officer shall advise the individual that he/she has a right to have the nearest appropriate embassy or consulate notified of the arrest/detention (Vienna Convention on Consular Relations, Art. 36, (1969)).

If the individual requests such notification, the officer shall contact the Communications Center as soon as practical and request the appropriate embassy/consulate be notified. Officers shall provide the Communications Center with the following information concerning the individual:

- Country of citizenship
- Full name of individual, including paternal and maternal surname, if used
- Date of birth or age
- Current residence
- Time, date, place, location of incarceration/detention and the 24-hour telephone number of the place of detention if different from the Department itself

If the individual claims citizenship of one of the countries for which notification of the consulate/embassy is mandatory, officers shall provide the Communications Center with the information above as soon as practicable, regardless of whether the individual desires that the embassy/consulate be notified. This procedure is critical because of treaty obligations with the particular countries. The list of countries and jurisdictions that require notification can be found on the U.S. Department of State website.

422.7.2 DOCUMENTATION
Officers shall document on the face page and in the narrative of the appropriate Arrest-Investigation Report the date and time the Communications Center was notified of the foreign national's arrest/detention and his/her claimed nationality.
Rapid Response And Deployment Policy

424.1 PURPOSE AND SCOPE
Violence in schools, workplaces and other locations by any individual or group of individuals presents a difficult situation for law enforcement. The purpose of this policy is to identify guidelines and factors that will assist responding officers as they make decisions in these rapidly unfolding and tense situations.

424.2 POLICY
The policy of this department in dealing with the crisis situation shall be:

(a) To obtain and maintain complete operative control of the incident.
(b) To explore every reasonably available source of intelligence regarding the circumstances, location, and suspect(s) in the incident.
(c) To attempt, by every means available, to attain any tactical advantage over the responsible individual(s).
(d) To attempt, whenever feasible, a negotiated surrender of the suspect(s) and release of the hostages through the expertise of the members of this department and others.
(e) When an emergency situation exists, neutralize the threat as rapidly as reasonably possible to minimize injury and loss of life.

Nothing in this policy shall preclude the use of necessary force, deadly or otherwise, by members of this department in protecting themselves or others from death or serious injury.

424.3 PROCEDURE
If there is a reasonable belief that acts or threats by a suspect are placing lives in imminent danger, first responding officers should consider reasonable options to immediately eliminate the threat. Officers must decide, often under a multitude of difficult and rapidly evolving circumstances, whether to advance on the suspect, take other actions to deal with the threat or wait for additional resources.

When deciding on a course of action officers should consider:

(a) Whether sufficient personnel are available on-scene to advance on the suspect. Any advance on a suspect should be made using two or more officers whenever reasonably possible.
(b) Whether individuals who are under imminent threat can be moved out of danger with reasonable safety.
(c) Whether the officers have the ability to effectively communicate with others in the field.
(d) Whether planned tactics can be effectively deployed.
(e) The availability of rifles, shotguns, shields, control devices and any other appropriate tools, and whether the deployment of these tools will provide a tactical advantage.
(f) In a case of a barricaded suspect with no hostages and no immediate threat to others, officers should consider summoning and waiting for additional assistance (special tactics and/or hostage negotiation team response).
(g) If a suspect is actively engaged in the infliction of serious bodily harm or other life-threatening activity toward others, the officer should take immediate action, if reasonably possible, to stop the threat presented by the suspect while calling for additional assistance.
Reporting Law Enforcement Activity Outside of Jurisdiction

426.1 PURPOSE AND SCOPE
This policy provides general guidelines for reporting law enforcement activity while on or off-duty and occurring outside the jurisdiction of the Department.

426.1.1 ASSISTANCE TO AGENCIES OUTSIDE THE CITY
When an officer is on-duty and is requested by an allied agency to participate in law enforcement activity in another jurisdiction, he/she shall obtain prior approval from the immediate supervisor or the Shift Commander or Chief of Police or his or her designee. If the request is of an emergency nature, the officer shall notify the Communications Center before responding and thereafter notify a supervisor as soon as practical.

426.1.2 LAW ENFORCEMENT ACTIVITY OUTSIDE THE CITY
Any on-duty officer, who engages in law enforcement activities of any type outside the immediate jurisdiction of the Department shall notify his/her supervisor or the Shift Commander or Chief of Police or his or her designee at the earliest possible opportunity. Any off-duty officer who engages in any law enforcement activities, regardless of jurisdiction shall notify the Shift Commander or Chief of Police or his or her designee as soon as practical.

The supervisor shall determine if a case report or other documentation of the officer's activity is required. The report or other documentation shall be forwarded to the officer's Division Commander or Chief of Police or his or her designee.
Immigration Violations

428.1 PURPOSE AND SCOPE
The immigration status of individuals alone is generally not a matter for law enforcement action. It is incumbent upon all employees of this department to make a personal commitment to equal enforcement of the law and equal service to the public regardless of immigration status. Confidence in this commitment will increase the effectiveness of the Department in protecting and serving the entire community.

428.2 DEPARTMENT POLICY
The U.S. Immigration and Customs Enforcement (ICE) has primary jurisdiction for enforcement of the provisions of Title 8, U.S.C, dealing with illegal entry. When assisting ICE at its specific request, or when suspected criminal violations are discovered as a result of inquiry or investigation based on probable cause originating from activities other than the isolated violations of Title 8, U.S.C. §§ 1304, 1324, 1325 and 1326 this department may assist in the enforcement of federal immigration laws.

428.3 PROCEDURES FOR IMMIGRATION COMPLAINTS
Persons wishing to report immigration violations should be referred to the local office of the U.S. Immigration and Customs Enforcement (ICE). The Employer Sanction Unit of ICE has primary jurisdiction for enforcement of Title 8, United States Code.

428.3.1 BASIS FOR CONTACT
Unless immigration status is relevant to another criminal offense or investigation (e.g., harboring, smuggling, terrorism), the fact that an individual is suspected of being an undocumented alien shall not be the sole basis for contact, detention or arrest.

428.3.2 SWEEPS
The Department does not independently conduct sweeps or other concentrated efforts to detain suspected undocumented aliens.

When enforcement efforts are increased in a particular area, equal consideration should be given to all suspected violations and not just those affecting a particular race, ethnicity, age, gender, sexual orientation, religion, socioeconomic status, or other group.

The disposition of each contact (e.g., warning, citation, arrest), while discretionary in each case, should not be affected by such factors as race, ethnicity, age, gender, sexual orientation, religion or socioeconomic status.

428.3.3 ICE REQUEST FOR ASSISTANCE
If a specific request is made by ICE or any other federal agency, this department will provide available support services, such as traffic control or peacekeeping efforts, during the federal operation.

Members of this department should not participate in such federal operations as part of any detention team unless it is in direct response to a request for assistance on a temporary basis or for officer safety. Any detention by a member of this department should be based upon the reasonable belief that an individual is involved in criminal activity.
**Immigration Violations**

**428.3.4 IDENTIFICATION**
Whenever any individual is reasonably suspected of a criminal violation (infraction, misdemeanor or felony), the investigating officer should take reasonable steps to determine the person's identity through valid identification or other reliable sources.

If an individual would have otherwise been released for an infraction or misdemeanor on a citation, the person should be taken to the station and given a reasonable opportunity to verify his/her true identity (e.g., telephone calls). If the person's identity is thereafter reasonably established, the original citation release should be completed without consideration of immigration status.

**428.3.5 ARREST**
If the officer intends to take enforcement action and the individual is unable to reasonably establish his/her true identity, the officer may take the person into custody on the suspected criminal violation. A field supervisor shall approve all such arrests.

**428.3.6 BOOKING**
If the officer is unable to reasonably establish an arrestee's identity, the individual may, upon approval of a supervisor, be booked into jail for the suspected criminal violation and held for bail or he/she may be released on his/her signature with a promise to appear in court for any Vehicle Code infraction.

**428.3.7 NOTIFICATION OF IMMIGRATION AND CUSTOMS ENFORCEMENT**
Whenever an officer has reason to believe that any person arrested for any felony offense may not be a citizen of the United States, and the individual is not going to be booked into county jail, the arresting officer shall cause ICE to be notified for consideration of an immigration hold.

If an officer believes that an individual taken into custody for an offense other than a felony is also an undocumented alien and there is no intention to transport the person to the county jail after he/she is formally booked, ICE may be notified for consideration of an immigration hold.

In making the determination whether to notify ICE in such circumstances, the officer should, in consultation with a supervisor, consider the totality of circumstances of each case, including, but not limited to:

(a) Seriousness of the offense
(b) Community safety
(c) Potential burden on ICE
(d) Impact on the immigrant community

Generally, officers will not need to notify ICE when booking arrestees at the county jail. Immigration officials routinely interview suspected undocumented aliens who are booked into the county jail on criminal charges and notification will be handled according to jail operation procedures.

**428.4 CONSIDERATIONS PRIOR TO REPORTING TO ICE**
The Department is concerned for the safety of local citizens and thus detection of criminal behavior is of primary interest in dealing with any person. The decision to arrest shall be based upon those factors which establish probable cause and not on arbitrary aspects.
Race, ethnicity, age, gender, sexual orientation, religion, and socioeconomic status alone are of no bearing on the decision to arrest.

All individuals, regardless of their immigration status, must feel secure that contacting law enforcement will not make them vulnerable to deportation. Members should not attempt to determine the immigration status of crime victims and witnesses or take enforcement action against them absent exigent circumstances or reasonable cause to believe that a crime victim or witness is involved in violating criminal laws. Generally, if an officer suspects that a victim or witness is an undocumented immigrant, the officer need not report the person to ICE unless circumstances indicate such reporting is reasonably necessary.

Nothing in this policy is intended to restrict officers from exchanging legitimate law enforcement information with any other federal, state or local governmental entity (8 USC § 1373; 8 USC § 1644).

428.4.1 U-VISA/T-VISA NONIMMIGRANT STATUS
Under certain circumstances, federal law allows temporary immigration benefits to victims and witnesses of certain qualifying crimes (8 USC § 1101(a)(15)(U and T)). A declaration/certification for a U-Visa/T-Visa from the U.S. Citizenship and Immigration Services may be completed on the appropriate U.S. DHS Form I-918/I-914 by law enforcement and must include information on how the individual can assist in a criminal investigation or prosecution in order for a U-Visa/T-Visa to be issued.

Any request for assistance in applying for U-Visa/T-Visa status should be forwarded in a timely manner to the Detective Bureau sergeant assigned to supervise the handling of any related case. The Detective Bureau sergeant should do the following:

(a) Consult with the assigned detective to determine the current status of any related case and whether further documentation is warranted.

(b) Review the instructions for completing the declaration/certification, if necessary. Instructions for completing Forms I-918/I-914 can be found on the U.S. DHS website at www.uscis.gov/portal/site/uscis.

(c) Contact the appropriate prosecutor assigned to the case, if applicable, to ensure the declaration/certification has not already been completed and whether a declaration/certification is warranted.

(d) Address the request and complete the declaration/certification, if appropriate, in a timely manner.

(e) Ensure that any decision to complete or not complete the form is documented in the case file and forwarded to the appropriate prosecutor. Include a copy of any completed certification in the case file.
Emergency Utility Service

430.1 PURPOSE AND SCOPE
The City Public Works Department has personnel available to handle emergency calls 24 hours per day. Calls for service during non-business hours are frequently directed to the Police Department. Requests for such service received by this department should be handled in the following manner.

430.1.1 BROKEN WATER LINES
The City's responsibility ends at the water meter. Any break or malfunction in the water system from the water meter to the citizen's residence or business is the customer's responsibility. Public Works can only turn off the valve at the meter. The citizen can normally accomplish this.

If a break occurs on the City side of the meter, emergency personnel should be called as soon as practical by the Communications Center.

430.1.2 ELECTRICAL LINES
City Public Works does not maintain electrical lines to street light poles. When a power line poses a hazard, an officer should be dispatched to protect against personal injury or property damage that might be caused by power lines. The appropriate utility company or Public Works should be promptly notified.

430.1.3 RESERVOIRS, PUMPS, WELLS, ETC.
Public Works maintains the public water equipment and may maintain other municipal utility equipment as well. In the event of flooding or equipment malfunctions, emergency personnel should be contacted as soon as possible.

430.1.4 EMERGENCY NUMBERS
A current list of emergency personnel who are to be called for municipal utility emergencies is maintained by the Communications Center.

430.2 TRAFFIC SIGNAL MAINTENANCE
The municipalities contract with a private maintenance company to furnish maintenance for all traffic signals within the City, other than those maintained by the Illinois Department of Transportation or other unit of government.

430.2.1 OFFICER'S RESPONSIBILITY
Upon observing a damaged or malfunctioning signal, the officer will advise the the Communications Center of the location and problem with the signal. The telecommunicator should make the necessary notification to the proper maintenance agency.
Patrol Rifles

432.1 PURPOSE AND SCOPE
In order to more effectively and accurately address the increasing level of fire power and body armor utilized by criminal suspects, the Department will make patrol rifles available to qualified patrol officers as an additional and more immediate tactical resource.

432.2 PATROL RIFLE

432.2.1 DEFINITION
Patrol Rifle - An authorized weapon which is owned by the Department and which is made available to properly trained and qualified officers as a supplemental resource to their duty handgun or shotgun. No personally owned rifles may be carried for patrol duty unless pre-approved in writing by the Chief of Police and the department armorer.

432.3 SPECIFICATIONS
Only weapons and ammunition that meet agency authorized specifications, approved by the Chief of Police, and issued by the Department may be used by officers in their law enforcement responsibilities. The authorized patrol rifle issued by the Department is the Colt AR-15.

432.4 RIFLE MAINTENANCE
(a) Primary responsibility for maintenance of patrol rifles shall fall on the Rangemaster, who shall inspect and service each patrol rifle on a monthly basis.
(b) Each patrol officer carrying a patrol rifle may be required to field strip and clean an assigned patrol rifle as needed.
(c) Each patrol officer shall be responsible for promptly reporting any damage or malfunction of an assigned patrol rifle.
(d) Any patrol rifle found to be unserviceable shall be removed from service. The rifle shall be clearly labeled as out of service and details regarding the weapon’s condition shall be included on the label.
(e) Each patrol rifle shall be subject to inspection by a supervisor or the Rangemaster at any time.
(f) No modification shall be made to any patrol rifle without prior written authorization from the Rangemaster.

432.5 TRAINING
Officers shall not carry or utilize the patrol rifle unless they have successfully completed departmental training. This training shall consist of an initial 24-hour patrol rifle user's course and qualification score with a qualified patrol rifle instructor. Officers shall thereafter be required to successfully complete quarterly training and qualification conducted by a qualified patrol rifle instructor.

Any officer who fails to qualify or who fails to successfully complete two or more department-sanctioned training/qualification sessions within a calendar year will no longer be authorized
to carry the patrol rifle without successfully retaking the initial patrol officers user's course and qualification.

432.6 DEPLOYMENT OF THE PATROL RIFLE
Officers may deploy the patrol rifle in any circumstance where the officer can articulate a reasonable expectation that the rifle may be needed. Examples of some general guidelines for deploying the patrol rifle may include, but are not limited to:

(a) Situations where the officer reasonably anticipates an armed encounter.
(b) When an officer is faced with a situation that may require the delivery of accurate and effective fire at long range.
(c) Situations where an officer reasonably expects the need to meet or exceed a suspect's firepower.
(d) When an officer reasonably believes that there may be a need to deliver fire on a barricaded suspect or a suspect with a hostage.
(e) When an officer reasonably believes that a suspect may be wearing body armor.
(f) When authorized or requested by a supervisor.
(g) When needed to euthanize an animal.

432.7 DISCHARGE OF THE PATROL RIFLE
The discharge of the patrol rifle shall be governed by the Department's Deadly Force Policy, Policy Manual § 300.

432.8 PATROL READY
Any qualified officer carrying a patrol rifle in the field shall maintain the weapon in the patrol ready condition until deployed. A rifle is considered in a patrol ready condition when it has been inspected by the assigned officer, the fire selector switch is in the safe position, the chamber is empty and a fully loaded magazine is inserted into the magazine well.

432.9 RIFLE STORAGE
(a) At the start of each assigned shift, any qualified, on-duty officer may contact the Shift Commander or a patrol supervisor for access to the department armory.
(b) The last three digits of the assigned patrol rifle serial number will be recorded on the Daily Activity Log.
(c) When not deployed, in-service patrol rifles should be secured in the vehicle in a locked gun rack or locked in the trunk.
(d) At the end of the assigned officer's shift, the patrol rifle will be returned and secured in the department armory.
Aircraft Accidents

434.1 PURPOSE AND SCOPE
This policy describes situations involving aircraft accidents including responsibilities of personnel, making proper notification, and documentation.

434.2 RESPONSIBILITIES
In the event of an aircraft crash the employee responsibilities are as follows:

434.2.1 OFFICER RESPONSIBILITY
Officers should treat an aircraft crash site as a crime scene until it is determined that such is not the case. If a military aircraft is involved, additional dangers, such as live ordnance or hazardous materials, may be present. The scene may require additional security due to the potential presence of confidential equipment or information.

The duties of the field officer at the scene of an aircraft accident include the following:

(a) Determine the nature and extent of the accident.
(b) Request additional personnel and other resources to respond as needed.
(c) Provide assistance for the injured parties until the arrival of fire department personnel and/or other emergency personnel.
(d) Cordon off and contain the area to exclude unauthorized individuals as soon as practicable.
(e) Provide crowd control and other assistance until directed otherwise by a supervisor.
(f) Ensure the Coroner's office is notified if a death occurs.

Entering an aircraft or tampering with parts or debris is only permissible for the purpose of removing injured or trapped occupants, protecting the wreckage from further damage or protecting the public from danger. If possible, the investigating authority should first be consulted before entering or moving any aircraft or any crash debris. Photographs or sketches of the original positions should be made whenever feasible.

The fire department will be responsible for control of the accident scene until the injured parties are cared for and the accident scene has been rendered safe for containment. Thereafter, police personnel will be responsible for preserving the scene until relieved by the investigating authority.

Once the scene is relinquished to the investigating authority, personnel from this agency may assist in containment of the scene until the investigation is completed or assistance is no longer needed.

An airport service worker or the airport manager may respond to the scene to assist the on-scene commander with technical expertise, should it be needed during the operation.

434.2.2 NATIONAL TRANSPORTATION SAFETY BOARD (NTSB)
The NTSB has the primary responsibility for investigating accidents involving civil aircraft. In the case of a military aircraft incident the appropriate branch of the military will be involved.
Aircraft Accidents

in the investigation. The NTSB is concerned with several aspects of a crash as described in this section.

Every effort should be made to preserve the scene to the extent possible in the condition in which it was found until such time as NTSB or other authorized personnel arrive to take charge of the scene. Military personnel will respond to take charge of any military aircraft involved, whether or not injuries or deaths have occurred.

If the accident did not result in a death or injury and the NTSB elects not to respond, the pilot or owner may assume control of the aircraft.

Removal of the wreckage shall be done under the guidance of the NTSB or military authorities or, if the NTSB is not responding for an onsite investigation, at the discretion of the pilot or the owner.

434.2.3 THE COMMUNICATIONS CENTER RESPONSIBILITIES

Dispatchers are responsible to make notifications as directed once an aircraft accident has been reported. The notifications will vary depending on the type of accident, extent of injuries or damage, and the type of aircraft involved. Generally, the telecommunicator will need to notify the following agencies or individuals when an aircraft accident has occurred.

(a) Fire Department.
(b) The affected airport tower.
(c) Closest military base if a military aircraft is involved.
(d) Ambulances or other assistance as required.

When an aircraft accident is reported to the Police Department by the airport tower personnel the telecommunicator receiving such information should verify that the tower personnel will contact the Federal Aviation Administration (FAA) Flight Standards District Office and the National Transportation Safety Board (NTSB). In the event that airport personnel are not involved, the telecommunicator should notify the FAA and the NTSB.

434.2.4 RECORDS SUPERVISOR RESPONSIBILITIES

The Records Supervisor or Chief of Police or his or her designee is responsible for the following:

(a) Forward and maintain an approved copy of the accident report to the Illinois Department Transportation, Division of Aeronautics.
(b) Forward a copy of the report to the Uniform Patrol Division Commander and the manager of the affected airport.

434.2.5 PUBLIC INFORMATION OFFICER RESPONSIBILITIES

The Department Public Information Officer or Chief of Police or his or her designee is responsible for the following:

(a) Obtain information for a press release from the on-scene commander or his/her designee.
(b) When practical, the Department Public Information Officer should coordinate with the FAA Press Information Officer to prepare a press release for distribution to the Media.
Aircraft Accidents

Information released to the press regarding any aircraft accident should be handled by the Department Public Information Officer or in accordance with existing policy.

434.3 DOCUMENTATION
Any aircraft accident (crash) within the City, regardless of whether injuries or deaths occur, shall be documented.

436.4 TRAINEE DEFINED
Any entry level, lateral police officer, or person granted Conservators of the Peace Power newly appointed to the Department who has successfully completed an ILETSB training course.

436.5 REQUIRED TRAINING
Entry level officers shall be required to successfully complete the Field Training Program, consisting of a minimum of 10 weeks.

The training period for lateral officers may be modified depending on the trainee's demonstrated performance and level of experience, but shall consist of a minimum of eight weeks.

To the extent practicable, officers should be assigned to a variety of Field Training Officers, shifts and geographical areas during their Field Training Program.

436.5.1 FIELD TRAINING MANUAL
Each new officer will be issued a Field Training Manual at the beginning of his/her Primary Training Phase. This manual is an outline of the subject matter and/or skills necessary to properly function as an officer with the Department. The manual is not intended to cover every contingency, but will be periodically reviewed and adjusted as appropriate. The officer shall become knowledgeable of the subject matter as outlined. He/she shall also become proficient with those skills as set forth in the manual.

The Field Training Manual will specifically cover those policies, procedures, rules and regulations enacted by the Metro East Police District.

436.6 EVALUATIONS
Evaluations are an important component of the training process and shall be completed as outlined below.

436.6.1 FIELD TRAINING OFFICER
The FTO will be responsible for the following:

(b) Review the Daily Trainee Performance Evaluations with the trainee each day.
(c) Complete a detailed end-of-phase performance evaluation on his/her assigned trainee at the end of each phase of training.

(a) Daily Trainee Performance Evaluations.
(b) End of phase evaluations.
(c) A Certificate of Completion certifying that the trainee has successfully completed the required number of hours of field training.
Obtaining Air Support Assistance

438.1 PURPOSE AND SCOPE
The use of a law enforcement helicopter can be invaluable in certain situations. This policy specifies potential situations where the use of a helicopter may be requested and the responsibilities for making a request.

438.2 REQUEST FOR HELICOPTER ASSISTANCE
If a supervisor or officer in charge of an incident determines that the use of a helicopter would be beneficial, a request to obtain helicopter assistance may be made.

438.2.1 REQUEST FOR ASSISTANCE FROM ANOTHER AGENCY
After consideration and approval of the request for a helicopter, the Shift Commander, or his/her designee, will call the closest agency having helicopter support available. The Shift Commander on duty will apprise that agency of the specific details of the incident prompting the request.

438.2.2 CIRCUMSTANCES UNDER WHICH AID MAY BE REQUESTED
Law Enforcement helicopters may be requested under any of the following conditions:

(a) When the helicopter is activated under existing mutual aid agreements.
(b) Whenever the safety of law enforcement personnel is in jeopardy and the presence of the helicopters may reduce such hazard.
(c) When the use of the helicopters will aid in the capture of a suspected fleeing felon whose continued freedom represents an ongoing threat to the community.
(d) When a helicopter is needed to locate a person who has strayed or is lost and whose continued absence constitutes a serious health or safety hazard.
(e) Vehicle pursuits.

While it is recognized that the availability of helicopter support will generally provide valuable assistance to ground personnel, the presence of a helicopter will rarely replace the need for officers on the ground.
Detentions And Photographing Detainees

440.1  PURPOSE AND SCOPE
The purpose of this policy is to establish guidelines for conducting field interviews (FI) and pat-down searches, and the taking and retention of photographs of persons detained in the field but not arrested. Due to a variety of situations confronting the officer, the decision to FI or photograph a field detainee shall be left to the discretion of the involved officer based on the totality of the circumstances available to them at the time of the detention.

440.2  DEFINITIONS
Detention - Occurs when an officer intentionally, through words, actions or physical force causes an individual to reasonably believe he/she is being required to restrict his/her movement. Detentions also occur when an officer actually restrains a person's freedom of movement.

Consensual Encounter - Occurs when an officer contacts an individual but does not create a detention through words, actions or other means. In other words, a reasonable individual would believe that his/her contact with the officer is voluntary.

Field Interview - The brief detention of an individual, whether on foot or in a vehicle, based on reasonable suspicion for the purposes of determining the individual's identity and resolving the officer's suspicions.

Field Photographs - Field photographs are defined as posed photographs taken of a person during a contact, detention, or arrest in the field. Undercover surveillance photographs of an individual and recordings captured by the normal operation of a Mobile Audio Video (MAV) system when persons are not posed for the purpose of photographing are not considered field photographs.

Pat-Down Search - This type of search is used by officers in the field to check an individual for weapons. It involves a thorough patting down of clothing to locate any weapons or dangerous items that could pose a danger to the officer, the detainee, or others.

Reasonable Suspicion - Occurs when, under the totality of the circumstances, an officer has articulable facts that criminal activity may be afoot and a particular person is connected with that possible criminal activity.

440.3  FIELD INTERVIEWS (FI)
Officers may stop individuals for the purpose of conducting an FI where reasonable suspicion is present. In justifying the stop, the officer should be able to point to specific facts which, when taken together with rational inferences, reasonably warrant the stop. Such facts include, but are not limited to, the following:

(a) The appearance or demeanor of an individual suggests that he/she is part of a criminal enterprise or is engaged in a criminal act.
(b) The actions of the suspect suggest that he/she is engaged in a criminal activity.
(c) The hour of day or night is inappropriate for the suspect's presence in the area.
Detentions And Photographing Detainees

(d) The suspect's presence in the particular area is suspicious.
(e) The suspect is carrying a suspicious object.
(f) The suspect's clothing bulges in a manner that suggests he/she is carrying a weapon.
(g) The suspect is located in proximate time and place to an alleged crime.
(h) The officer has knowledge of the suspect's prior criminal record or involvement in criminal activity.

440.3.1 INITIATING A FIELD INTERVIEW
An officer may initiate the stop of a person when there is articulable, reasonable suspicion to do so. A person, however, should not be detained longer than is reasonably necessary to resolve the officer's suspicions. Federal case law prevails in these detentions, however 725 ILCS 5/107-14 provides specific authority to an officer to initiate the stop when the officer reasonably infers from the circumstances that the person is committing, is about to commit, or has committed an offense as defined in Section 102-15 of the ILCS.

Nothing in this policy is intended to discourage consensual contacts. Frequent and random casual contacts with consenting individuals are encouraged by the Metro East Police District to strengthen our community involvement, community awareness and problem identification.

440.3.2 WITNESS IDENTIFICATION AND INTERVIEWS
Because potential witnesses to an incident may be lost or the integrity of their statements compromised with the passage of time, officers should, when warranted by the seriousness of the case, take reasonable steps to promptly coordinate with an on-scene supervisor and/or criminal investigators to utilize available personnel for the following:

(a) Identify all persons present at the scene and in the immediate area.
   1. When feasible, a recorded statement should be obtained from those persons who claim not to have witnessed the incident but who were present at the time it occurred.
   2. Any potential witness who is unwilling or unable to remain available for a formal interview should not be detained absent reasonable suspicion to detain or probable cause to arrest. Without detaining the individual for the sole purpose of identification, officers should attempt to identify the witness prior to his/her departure.

(b) Witnesses who are willing to provide a formal interview should be asked to meet at a suitable location where criminal investigators may obtain a recorded statement. Such witnesses, if willing, may be transported by department personnel.
   1. A written, verbal or recorded statement of consent should be obtained prior to transporting a witness in a department vehicle. When the witness is a minor, consent should be obtained from the parent or guardian, if available, prior to transportation.

440.4 PAT-DOWN SEARCHES
A pat-down search of a detained subject may be conducted whenever an officer reasonably believes that the person may possess an object that can be utilized as an offensive weapon or whenever the officer has a reasonable fear for his/her own safety or the safety of others.

Adopted: 2014/01/01 © 1995-2013 Lexipol, LLC
Detentions And Photographing Detainees

Circumstances that may establish justification for performing a pat-down search include, but are not limited to:

(a) The type of crime suspected, particularly in crimes of violence where the use or threat of deadly weapons is involved.
(b) Where more than one suspect must be handled by a single officer.
(c) The hour of the day and the location or neighborhood where the stop takes place.
(d) Prior knowledge of the suspect's use of force and/or propensity to carry deadly weapons.
(e) The appearance and demeanor of the suspect.
(f) Visual indications which suggest that the suspect is carrying a firearm or other weapon.
(g) The age and gender of the suspect.

Whenever possible, pat-down searches should be performed by an officer of the same gender.

440.5 FIELD PHOTOGRAPHS

Before photographing any field detainee, the officer shall carefully consider, among other things, the factors listed below.

440.5.1 FIELD PHOTOGRAPHS TAKEN WITH CONSENT

Field photographs may be taken when the subject of the photograph knowingly and voluntarily gives consent. When taking a consensual photograph, the officer should have the individual read and sign the appropriate form accompanying the photograph.

440.5.2 FIELD PHOTOGRAPHS TAKEN WITHOUT CONSENT

Field photographs may be taken without consent only if they are taken during a detention that is based on reasonable suspicion of criminal activity, and the photograph serves a legitimate law enforcement purpose related to the detention. Mere knowledge or suspicion of gang membership or affiliation is not a sufficient justification for taking a photograph without consent. The officer must be able to articulate facts that reasonably indicate that the subject was involved in, or was about to become involved in, criminal conduct.

If, prior to taking a photograph, the officer's reasonable suspicion of criminal activity has been dispelled, the detention must cease and the photograph should not be taken.

All field photographs and related reports shall be submitted to a supervisor and retained in compliance with this policy.

440.6 SUPERVISOR RESPONSIBILITY

While it is recognized that field photographs often become valuable investigative tools, supervisors should monitor such practices in view of the above listed considerations. This is not to imply that supervisor approval is required before each photograph. Access to field photographs shall be strictly limited to law enforcement purposes.

440.7 DISPOSITION OF PHOTOGRAPHS

All detainee photographs must be adequately labeled and submitted to the Shift Commander or Chief of Police or his or her designee with either an associated FI card or
other memorandum explaining the nature of the contact. If an individual is photographed as a suspect in a particular crime, the photograph should be submitted as an evidence item in the related case, following standard evidence procedures.

If a photograph is not associated with an investigation where a case number has been issued, the Shift Commander or Chief of Police or his or her designee should review and forward the photograph to one of the following locations:

(a) If the photo and associated FI or memorandum is relevant to criminal street gang enforcement, the Shift Commander or Chief of Police or his or her designee will forward the photo and documents to the Gang Supervisor. The Gang Supervisor or Chief of Police or his or her designee will ensure the photograph and supporting documents are retained as prescribed by Policy § 442. When a photograph is taken in association with a particular case, the detective may use such photograph in a photo lineup. Thereafter, the individual photograph should be retained as a part of the case file. All other photographs will be kept in the central records in a separate non-booking photograph file in alphabetical order.

440.7.1 PURGING THE FIELD PHOTO FILE
The Records Supervisor will be responsible for ensuring that photographs maintained by the central records that are more than one year old and no longer serve a law enforcement purpose are periodically purged and destroyed. Photographs that continue to serve a legitimate law enforcement purpose may be retained longer than one year provided that a notation of that fact is added to the file for each additional year that they are retained. Access to the FI photo file shall be strictly limited to law enforcement purposes.

A photograph need not be purged but may be retained as an updated photograph in a prior booking file if the person depicted in the photograph has been booked at the Metro East Police District and the booking file remains in the central records.

440.8 PHOTO REVIEW POLICY
Any person who has been the subject of a field photograph or an FI by this agency during any contact other than an arrest may file a written request within 30 days of the contact requesting a review of the status of the photograph/FI. The request shall be directed to the office of the Chief of Police who will ensure that the status of the photograph or FI is properly reviewed according to this policy as described below. Upon a verbal request, the Department will send a request form to the requesting party along with a copy of this policy.

440.8.1 REVIEW PROCESS
Upon receipt of such a written request, the Chief of Police or his/her designee will permit the individual to appear in person (any minor must be accompanied by their parent or legal guardian) for a review of the status of the photograph/FI.

Such a meeting will generally be scheduled during regular business hours within 30 days of the receipt of the written request. An extension of the 30-day limit may be made either upon the mutual convenience of the parties or if, at the discretion of the Chief of Police, there appears to be an ongoing legitimate law enforcement interest which warrants a delay. If the delay could jeopardize an ongoing investigation, nothing in this policy shall require the Chief of Police to disclose the reason(s) for the delay.
Detentions And Photographing Detainees

A meeting for the review of the status of any non-arrest photograph/FI is not intended to be a formal hearing, but simply an informal opportunity for the individual to meet with the Chief of Police or his/her designee to discuss the matter.

After carefully considering the information available, the Chief of Police or designee will determine, generally within 30 days of the original meeting, whether the photograph/FI was obtained in accordance with existing law and the Department policy and, even if properly obtained, then whether there is any ongoing legitimate law enforcement interest in retaining the photograph/FI.

If the Chief of Police or his/her designee determines that the photograph/FI was obtained in accordance with existing law and department policy and that there is an ongoing legitimate law enforcement interest in retaining the non-arrest photograph, the photograph/FI shall be retained according to this policy and applicable law.

If the Chief of Police or his/her designee determines that the original legitimate law enforcement interest in retaining a non-arrest photograph no longer exists or that it was obtained in violation of existing law or the Department policy, the original photograph will be destroyed or returned to the person photographed, if requested. All other associated reports or documents, however, will be retained according to department policy and applicable law.

If the Chief of Police or his/her designee determines that the original legitimate law enforcement interest in retaining a non-arrest FI no longer exists or that the original FI was not obtained in accordance with established law or the Department policy, the original FI may only be destroyed upon the execution of a full and complete waiver of liability by the individual (and guardian if a minor) arising out of that field contact.

If the Chief of Police or his/her designee determines that any involved Department personnel violated existing law or department policy, the Chief of Police or designee shall initiate a separate internal investigation which may result in additional training, discipline or other appropriate action for the involved employees.

The person photographed/FI'd will be informed in writing within 30 days of the Chief of Police's determination whether or not the photograph/FI will be retained. This does not entitle any person to any discovery or access to any law enforcement records not otherwise authorized by law.
Criminal Street Gangs

442.1 PURPOSE AND SCOPE
It is the policy of this department to establish a procedure for identifying criminal street gangs, participants of criminal street gangs, and patterns of criminal activity as outlined in the Illinois Street Gang Terrorism Omnibus Prevention Act (740 ILCS 147).

The intent of this policy is to provide for the collection and management of criminal street gang information so as to enhance officer safety and the criminal prosecution of criminal street gang participants. This policy is not intended or designed to establish a formal gang intelligence database.

442.2 DEFINITIONS
Definitions related to this policy include:

Course or pattern of criminal gang activity - Two or more gang-related criminal offenses committed in whole or in part within this State, as described in 740 ILCS 147/10, when:

(a) At least one such offense was committed after the effective date of the Illinois Street Gang Terrorism Omnibus Prevention Act
(b) Both offenses were committed within five years of each other and
(c) At least one offense involved the solicitation to commit, conspiracy to commit, attempt to commit, or commission of any offense defined as a felony or forcible felony under the Criminal Code of 2012, or one or more acts of criminal defacement of property under 720 ILCS 5/21-1.3 of the Criminal Code of 2012, if the defacement includes a sign or other symbol intended to identify the street gang.

Criminal street gang - Any combination, confederation, alliance, network, conspiracy, understanding or other similar conjoining, in law or in fact, of three or more persons with an established hierarchy that, through its membership or through the agency of any member, engages in a course or pattern of criminal activity.

Gang-related crime - Any crime, which is committed for the benefit of, at the direction of, or in association with, a criminal street gang with the intent to promote, further or assist any criminal street gang.

442.3 IDENTIFICATION OF CRIMINAL STREET GANGS / PARTICIPANTS
The gang information unit shall be authorized to collect information on individuals who are suspected of participating in a criminal street gang and groups that are suspected of being criminal street gangs.

(a) A group of three or more individuals shall be designated a criminal street gang when:
1. They have a common name or common identifying sign or symbol.
2. There is evidence, substantiated by crime and informational reports, that a primary activity of the group is the commission of one or more criminal acts enumerated in the Criminal Code of 2012.
3. One or more members individually or collectively have engaged in a pattern of criminal gang activity as defined in the Criminal Code of 2012.
Criminal Street Gangs

4. A designated representative of the State Attorney's Office reviews the available evidence and concurs with a department finding that the group meets the criteria for being a criminal street gang.

(b) An individual shall be designated as a participant in a criminal street gang and included in a gang file, when one or more of the following elements have been verified by a gang information unit member and a reasonable basis for believing such affiliation has been established and approved by a supervisor:

1. An individual admits membership in a criminal street gang.
2. A reliable informant or known gang member identifies an individual as a participant in a criminal street gang.
3. An informant of previously untested reliability identifies an individual as a participant in a criminal street gang when that identification is corroborated by independent information.
4. An individual resides in or frequents a particular criminal street gang's area, and affects their style of dress, color of dress, use of jewelry, tattoos, monikers or any other identifiable mannerism associated to that particular criminal street gang, and where the officer documents reasonable suspicion that the individual is involved in criminal gang activity or enterprise.
5. A person has been arrested in the company of identified criminal street gang members for offenses that are consistent with criminal street gang activity or criminal street gang related crimes.
6. An individual is identified as a gang member in a criminal street gang document or the individual is depicted in a criminal street gang member's photograph in such a manner as to clearly indicate membership in a criminal street gang.
7. An individual otherwise meets the criteria of a criminal street gang participant under the guidelines of a department-approved gang intelligence database and/or 28 CFR 23.20.

(c) An individual may be designated as a gang affiliate only when the individual is known to affiliate with active criminal gang members and an officer has established that there is reasonable suspicion that the individual is involved in criminal activity. An officer's belief must be premised upon reasoning and logic coupled with sound judgment based upon law enforcement experience, rather than a mere hunch or whim.

442.4 CRIMINAL STREET GANG TEMPORARY FILE

The Gang Unit Supervisor or the Chief of Police or his or her designee may maintain a temporary file of reports and FIs that is separate from any criminal gang intelligence database when an individual or group has been identified as a suspected criminal street gang participant or a suspected criminal street gang but does not meet the criteria necessary for entry into a criminal gang intelligence database.

Inclusion in a temporary file may be done only if there is a reasonable likelihood that, within one year of the contact, the individual or group will meet the criteria for entry into a department approved criminal gang intelligence database. Reports and FIs will only be included in a temporary gang file with the written authorization of the Gang Unit Supervisor. A temporary file of criminal street gang participants or criminal street gangs shall include:

(a) Names, aliases, monikers, addresses, and other relevant identifying information.
(b) Gang name.
Criminal Street Gangs

(c) Justification used to identify an individual as a criminal street gang participant.

(d) Vehicle(s) known to be used.

(e) Cross references to other identified gangs or gang members.

442.4.1 REVIEW AND PURGING OF GANG PARTICIPANT FILE

Temporary files shall not be retained longer than one year. At the end of one year, temporary files must be purged if the information does not qualify for entry into a department approved criminal gang intelligence database.

The Gang Unit Supervisor or the Chief of Police or his or her designee shall periodically review temporary files to verify that the information was properly obtained and meets the criteria for retention. Validation and purging of temporary criminal street gang files is the responsibility of the Gang Unit Supervisor or the Chief of Police or his or her designee.

442.4.2 GANG INTELLIGENCE DATABASES

While this policy does not establish a criminal gang intelligence database, the Chief of Police may approve one or more criminal gang intelligence databases, such as a statewide repository, for use by members of the gang unit. Any such database must be compliant with 28 CFR 23.20 regulating criminal intelligence systems. Employees must obtain the requisite training before accessing any such database.

It is the gang unit supervisor's responsibility to verify whether any report or FI contains information that would qualify for entry into a department-approved criminal gang intelligence database. After giving written approval for entry of the record, the gang unit supervisor should forward any such reports/FIs to the central records after appropriate database entries are made. The submitting gang unit supervisor should clearly mark the report/FI as gang intelligence information.

It is the responsibility of the Records Supervisor to retain reports and FIs in compliance with the procedures of the Department-approved criminal gang intelligence database and 28 CFR 23.20. The Records Supervisor may not purge these reports or FIs without the approval of the gang unit supervisor.

Validation and purging of gang intelligence databases is the responsibility of the gang unit supervisor.

442.5 FIELD CONTACTS

Officers who contact individuals who are, or may be participants in criminal street gang activity should complete an FI card and document the reasonable suspicion underlying the contact and the exact circumstances leading to the suspicion that the individual is a criminal street gang participant (e.g., subject states he/she is a member of XYZ gang; XYZ tattoo on right hand near thumb; wearing ball cap with gang name printed in blue or red ink).

Photographing known or suspected criminal street gang participants shall be done in accordance with the provisions of the Detentions and Photographing Detainees Policy.

442.6 INQUIRY BY PARENT OR GUARDIAN

When an inquiry is made by a parent or guardian as to whether a juvenile's name is in the temporary criminal street gang participant's file, such information shall be provided by the unit supervisor, unless there is good cause to believe that the release of such information may jeopardize an ongoing criminal investigation.
Employees must strictly comply with the procedures governing release of information from a department approved gang intelligence database.

442.7 DISSEMINATIONS OF THE FILE INFORMATION
Information from the temporary criminal street gang participant files may only be furnished to Department personnel and other public law enforcement agencies on a need to know basis. This means information that may be of use in the prevention of gang related criminal activity or information concerning the investigation of gang related crimes shall only be released to members of this department and other law enforcement agencies.

Information from any department approved gang intelligence file must only be released in compliance with the rules for that particular temporary file or database.

442.8 REPORTING CRITERIA AND ROUTING
(a) Suspicious incidents, information reports and criminal incidents that appear to be criminal street gang related shall be documented on a report form.

1. The reporting officer shall describe why the incident may be criminal street gang related and document statements, actions, dress, etc. that would tend to support the belief that involvement of a criminal street gang has occurred.

2. The officer shall specifically indicate that a copy of the report be routed to the Gang Unit.

(b) Officers completing a field interview card under the guidelines above shall photocopy the card and deliver it to the Gang Unit.
Shift Commanders

444.1 PURPOSE AND SCOPE
Each patrol shift must be directed by supervisors who are capable of making decisions and communicating in a manner consistent with departmental policies, procedures, practices, functions and objectives.

444.2 DESIGNATION AS ACTING SHIFT COMMANDER
When a Lieutenant is unavailable for duty as Shift Commander, in most instances the senior qualified sergeant shall be designated as acting Shift Commander. This policy does not preclude designating a less senior sergeant as an acting Shift Commander when operational needs require or training permits or an alternative designation by the Chief of Police.
Mobile Audio Video

446.1 PURPOSE AND SCOPE
The Department has equipped marked patrol cars with Mobile Audio and Video (MAV) recording systems to provide records of events and assist uniformed officers in the performance of their duties by providing a visual and/or audio record of patrol-related activities when permitted by law (720 ILCS 5/14-3(h)). This policy provides guidance on the use of these systems.

446.1.1 DEFINITIONS
Definitions related to this policy include:

Activate - Any process that causes the MAV system to transmit or store video or audio data in an active mode.

In-car video and Mobile Audio Video (MAV) system - Synonymous terms which refer to any system that captures audio and video signals, that is capable of installation in a vehicle, and that includes at minimum, a camera, microphone, recorder and monitor.

MAV technician - Personnel certified or trained in the operational use and repair of MAVs, duplicating methods, storage and retrieval methods and procedures, and who have a working knowledge of video forensics and evidentiary procedures.

Recorded media - Audio-video signals recorded or digitally stored on a storage device or portable media.

446.2 POLICY
It is the policy of the Metro East Police District to use mobile audio and video technology to more effectively fulfill the department's mission and to ensure these systems are used securely and efficiently.

446.3 OFFICER RESPONSIBILITIES
Prior to going into service, each officer will properly equip him/herself to record audio and video in the field. At the end of the shift, each officer will follow the established procedures for providing to the Department any recordings or used media and any other related equipment. Each officer should have adequate recording media for the entire duty assignment. In the event an officer works at a remote location and reports in only periodically, additional recording media may be issued. Only Department identified and labeled media with tracking numbers is to be used.

At the start of each shift, officers should test the MAV system's operation in accordance with manufacturer specifications and department operating procedures and training.

System documentation is accomplished by the officer recording his/her name, serial number, badge or PIN number and the current date and time at the start and again at the end of each shift. If the system is malfunctioning, the officer shall take the vehicle out of service unless a supervisor requests the vehicle remain in service.

Adopted: 2014/01/01 © 1995-2013 Lexipol, LLC
446.4 ACTIVATION OF THE MAV
The MAV system is designed to turn on whenever the unit’s emergency lights are activated. The system remains on until it is turned off manually. The audio portion is independently controlled and should be activated manually by the officer whenever appropriate. When audio is being recorded, the video will also record.

446.4.1 REQUIRED ACTIVATION OF MAV
This policy is not intended to describe every possible situation in which the MAV system may be used, although there are many situations where its use is appropriate. An officer may activate the system any time the officer believes it would be appropriate or valuable to document an incident.

In some circumstances it is not possible to capture images of the incident, due to conditions or the location of the camera. However, the audio portion can be valuable evidence and is subject to the same activation requirements as the MAV. The MAV system should be activated as soon as practicable in any of the following situations:

(a) All field contacts involving actual or potential criminal conduct, within video or audio range:
   1. Traffic stops (to include, but not limited to, traffic violations, stranded motorist assistance and all crime interdiction stops)
   2. Priority responses
   3. Vehicle pursuits
   4. Suspicious vehicles
   5. Arrests
   6. Vehicle searches
   7. Physical or verbal confrontations or use of force
   8. Pedestrian stops
   9. DWI/DUI investigations including field sobriety tests
   10. Crimes in progress
   11. Responding to an in-progress call

(b) All self-initiated activity in which an officer would normally notify the Communications Center

(c) Any call for service involving a crime where the recorder may aid in the apprehension and/or prosecution of a suspect:
   1. Domestic violence calls
   2. Disturbance of peace calls
   3. Offenses involving violence or weapons

(d) Any other contact that becomes adversarial after the initial contact, in a situation that would not otherwise require recording

(e) Any other circumstance where the officer believes that a recording of an incident would be appropriate

446.4.2 CESSATION OF RECORDING
Once activated, the MAV system should remain on until the incident has concluded. For purposes of this section, conclusion of an incident has occurred when all arrests have
been made, arrestees have been transported and all witnesses and victims have been interviewed. Recording may cease if an officer is simply waiting for a tow truck or a family member to arrive, or in other similar situations.

446.4.3 WHEN ACTIVATION IS NOT REQUIRED
Activation of the MAV system is not required when exchanging information with other officers or during breaks, lunch periods, when not in service or actively on patrol.

No member of this department may surreptitiously record a conversation of any other member of this department except with a court order or when lawfully authorized by the Chief of Police or the authorized designee for the purpose of conducting a criminal or administrative investigation.

446.4.4 SUPERVISOR RESPONSIBILITIES
Supervisors should determine if vehicles with non-functioning MAV systems should be placed into service. If these vehicles are placed into service, the appropriate documentation should be made, including notification of the Communications Center.

At reasonable intervals, supervisors should validate that:
(a) Beginning and end-of-shift recording procedures are followed.
(b) Logs reflect the proper chain of custody, including:
   1. The tracking number of the MAV system media.
   2. The date it was issued.
   3. The law enforcement operator or the vehicle to which it was issued.
   4. The date it was submitted.
   5. Law enforcement operators submitting the media.
   6. Holds for evidence indication and tagging as required.
(c) The operation of MAV systems by new employees is assessed and reviewed no less than biweekly.

When an incident arises that requires the immediate retrieval of the recorded media (e.g., serious crime scenes, officer-involved shootings, department-involved collisions), a supervisor shall respond to the scene and ensure that the appropriate supervisor, MAV technician or crime scene investigator properly retrieves the recorded media. The media may need to be treated as evidence and should be handled in accordance with current evidence procedures for recorded media.

Supervisors may activate the MAV system remotely to monitor a developing situation, such as a chase, riot or an event that may threaten public safety, officer safety or both, when the purpose is to obtain tactical information to assist in managing the event. Supervisors shall not remotely activate the MAV system for the purpose of monitoring the conversations or actions of an officer.

446.5 REVIEW OF MAV RECORDINGS
All recording media, recorded images and audio recordings are the property of the Department. Dissemination outside of the agency is strictly prohibited, except to the extent permitted or required by law.
To prevent damage to, or alteration of, the original recorded media, it shall not be copied, viewed or otherwise inserted into any device not approved by the department MAV technician or forensic media staff. When reasonably possible, a copy of the original media shall be used for viewing (unless otherwise directed by the courts) to preserve the original media.

Recordings may be reviewed in any of the following situations:

(a) For use when preparing reports or statements
(b) By a supervisor investigating a specific act of officer conduct
(c) By a supervisor to assess officer performance
(d) To assess proper functioning of MAV systems
(e) By a department investigator who is participating in an official investigation, such as a personnel complaint, administrative inquiry or a criminal investigation
(f) By department personnel who request to review recordings
(g) By an officer who is captured on or referenced in the video or audio data and reviews and uses such data for any purpose relating to his/her employment
(h) By court personnel through proper process or with permission of the Chief of Police or the authorized designee
(i) By the media through proper process or with permission of the Chief of Police or the authorized designee
(j) To assess possible training value
(k) Recordings may be shown for training purposes. If an involved officer objects to showing a recording, his/her objection will be submitted to the staff to determine if the training value outweighs the officer's objection

Employees desiring to view any previously uploaded or archived MAV recording should submit a request in writing to the Shift Commander. Approved requests should be forwarded to the MAV technician for processing.

In no event shall any recording be used or shown for the purpose of ridiculing or embarrassing any employee.

446.6 DOCUMENTING MAV USE
If any incident is recorded with either the video or audio system, the existence of that recording shall be documented in the officer's report. If a citation is issued, the officer shall make a notation on the back of the records copy of the citation indicating that the incident was recorded.

446.7 RECORDING MEDIA STORAGE AND INTEGRITY
Once submitted for storage, all recording media will be labeled and stored in a designated secure area. All recording media that is not booked as evidence will be retained for a minimum of 90 days and disposed of in compliance with the established records retention schedules (720 ILCS 5/14-3(h-15).

446.7.1 COPIES OF ORIGINAL RECORDING MEDIA
Original recording media shall not be used for any purpose other than for initial review by a supervisor. Upon proper request, a copy of the original recording media will be made for use as authorized in this policy.
Original recording media may only be released in response to a court order or upon approval by the Chief of Police or the authorized designee. In the event that an original recording is released to a court, a copy shall be made and placed in storage until the original is returned.

446.7.2 MAV RECORDINGS AS EVIDENCE
Officers who reasonably believe that a MAV recording is likely to contain evidence relevant to a criminal offense, potential claim against the officer or against the Department should indicate this in an appropriate report. Officers should ensure relevant recordings are preserved.

446.8 SYSTEM OPERATIONAL STANDARDS
(a) MAV system vehicle installations should be based on officer safety requirements and the vehicle and device manufacturer's recommendations.
(b) The MAV system should be configured to minimally record for 30 seconds prior to an event.
(c) The MAV system may not be configured to record audio data occurring prior to activation.
(d) Unless the transmitters being used are designed for synchronized use, only one transmitter, usually the primary initiating officer's transmitter, should be activated at a scene to minimize interference or noise from other MAV transmitters.
(e) Officers using digital transmitters that are synchronized to their individual MAV shall activate both audio and video recordings when responding in a support capacity. This is to obtain additional perspectives of the incident scene.
(f) With the exception of law enforcement radios or other emergency equipment, other electronic devices should not be used inside MAV-equipped law enforcement vehicles to minimize the possibility of causing electronic or noise interference with the MAV system.
(g) Officers shall not erase, alter, reuse, modify or tamper with MAV recordings. Only a supervisor, MAV technician or other authorized designee may erase and reissue previous recordings and may only do so pursuant to the provisions of this policy.
(h) To prevent damage, original recordings shall not be viewed on any equipment other than the equipment issued or authorized by the MAV technician.

446.9 MAV TECHNICIAN RESPONSIBILITIES
The MAV technician is responsible for:
(a) Ordering, issuing, retrieving, storing, erasing and duplicating of all recorded media.
(b) Collecting all completed media for oversight and verification of wireless downloaded media. Once collected, the MAV technician:
   1. Ensures it is stored in a secure location with authorized controlled access.
   2. Makes the appropriate entries in the chain of custody log.
(c) Erasing of media:
   1. Pursuant to a court order.
   2. In accordance with established records retention policies, including reissuing all other media deemed to be of no evidentiary value.
(d) Assigning all media an identification number prior to issuance to the field.
1. Maintaining a record of issued media.

(e) Ensuring that an adequate supply of recording media is available.

(f) Managing the long-term storage of media that has been deemed to be of evidentiary value in accordance with the department evidence storage protocols and the records retention schedule.

446.10 TRAINING
All members who are authorized to use the MAV system shall successfully complete an approved course of instruction prior to its use.
Mobile Digital Terminal Use

448.1 PURPOSE AND SCOPE
The Mobile Digital Terminal (MDT) accesses confidential records from the Illinois State Police and the Illinois Secretary of States Office. Employees using the MDT shall comply with all appropriate federal and state rules and regulations.

448.2 MDT USE
The MDT shall be used for official police communications only. Messages that are of a sexual, racist, or offensive nature, or otherwise critical of any member of the Department are strictly forbidden. MDT use is also subject to the Department Technology Use Policy.

Messages may be reviewed by supervisors at anytime without prior notification. Employees generating or transmitting messages not in compliance with this policy are subject to discipline.

All calls dispatched to patrol units should be communicated by voice and/or MDT unless otherwise authorized by the Shift Commander.

448.2.1 USE WHILE DRIVING
Use of the MDT by the vehicle operator should generally be limited to times when the vehicle is stopped. When the vehicle is in motion, the operator should only attempt to read messages that are likely to contain information that is required for immediate enforcement, investigative or safety needs.

Short transmissions, such as a license plate check, are permitted if it reasonably appears that it can be done safely. In no case shall an operator attempt to send or review lengthy messages while the vehicle is in motion.

448.2.2 DOCUMENTATION OF ACTIVITY
MDT’s and voice transmissions are used to record the officer's daily activity. To ensure the most accurate recording of these activities, the following are required:

(a) All contacts or activity shall be documented at the time of the contact.
(b) Whenever the activity or contact is initiated by voice, it shall be entered into the Computer Aided Dispatch (CAD) system by a telecommunicator.
(c) Whenever the activity or contact is not initiated by voice, the officer shall record it on the MDT.

448.2.3 STATUS CHANGES
All changes in status (e.g., arrival at scene, meal periods, in service) will be transmitted either verbally over the police radio and/or through the MDT system.

Officers responding to in-progress calls shall advise changes in status verbally over the radio to assist other officers responding to the same incident.

Other changes in status may be entered by depressing the appropriate keys on the MDT's.
448.2.4 EMERGENCY ACTIVATION ON MDT
If the emergency button is depressed on the MDT, the telecommunicator will call the unit and ask if "Code-4". If there is no emergency, then he/she should answer "Code-4" and all units will resume their normal activity. If there is no response or the officer answers in some other way, the telecommunicator shall proceed as follows:

(a) If the unit is not on a call or stop, available units will be sent to assist in locating the unit transmitting the emergency. If the last location is known, the nearest available unit(s) and a supervisor will be dispatched to an officer needs assistance call.

(b) Notify the field sergeant and Shift Commander of the incident without delay.

Communications and units not responding to the emergency shall hold all non-emergency radio traffic until the officer is found and the air is cleared.

448.3 MDT CONSIDERATIONS

448.3.1 NON-FUNCTIONING MDT
Whenever possible, officers will only use units with functioning MDT's. Whenever officers must drive a unit in which the MDT is not working, they shall notify the Communications Center. It shall be responsibility of the Communications Center to record all information that will then be transmitted verbally over the police radio.

448.3.2 BOMB CALLS
When investigating reports of possible bombs, officers will turn off their MDT's. Operating the MDT may cause some devices to detonate.
Use of Audio/Video Recorders

450.1 PURPOSE AND SCOPE
This policy provides guidelines for the use of portable audio/video recording devices by members of this department while in the performance of their duties.

This policy does not apply to surreptitious interception of electronic communications for lawful authorized investigative purposes or to mobile audio video recordings (see Mobile Audio Video Policy).

450.2 POLICY
The Department may provide members with access to portable recorders, either audio or video or both, for use during the performance of their duties. The use of recorders is intended to enhance the mission of the Department by accurately capturing contacts between members of the Department and the public.

450.3 PRIVACY
All recordings made by personnel acting in their official capacity as members of this department shall remain the property of the Department and should not be considered private, regardless of whether those recordings were made with department-issued or personally owned recorders.

450.4 MEMBER RESPONSIBILITIES
Prior to going into service, each uniformed member will be responsible for making sure that he/she is equipped with a portable recorder, issued by the Department, and that the recorder is in good working order. Uniformed members should wear the recorder in a conspicuous manner.

Any member assigned to a non-uniformed position may carry an approved portable recorder at any time the member believes that such a device may be useful.

When using a recorder, the assigned member shall record his/her name, employee number and the current date and time at the beginning and the end of the shift or other period of use, regardless of whether any activity was recorded. This procedure is not required when the recording device and related software captures the user's unique identification and the date and time of each recording.

450.5 ACTIVATION OF THE AUDIO RECORDER
Members should activate the recorder during all enforcement stops and field interrogation situations and any other time the member reasonably believes that a recording of an on-duty contact may be useful. The member must first obtain the parties' consent to the recording (720 ILCS 5/14-2). Once started, recordings should continue without interruption until the contact ends, if feasible.

At no time is a member expected to jeopardize his/her safety in order to activate a recorder or change the recording media. However, the recorder should be activated in required situations as soon as practicable.
Use of Audio/Video Recorders

450.5.1 SURREPTITIOUS USE OF THE AUDIO RECORDER
Illinois law prohibits any individual from surreptitiously recording any conversation in which any party to the conversation has a reasonable belief that the conversation is private or confidential (720 ILCS 5/14-2).

Members shall not surreptitiously record another department member without a court order or unless lawfully authorized by the Chief of Police or the authorized designee.

450.6 PROHIBITED USE OF PORTABLE RECORDERS
Members are prohibited from using department-issued portable recorders and recording media for personal use and are prohibited from making personal copies of recordings created while on-duty or while acting in their official capacity.

Members are also prohibited from retaining recordings of activities or information obtained while on-duty, whether the recording was created with department-issued or personally owned recorders. Members shall not duplicate or distribute such recordings, except for authorized legitimate department business purposes. All such recordings shall be retained at the Department.

Members are prohibited from using personally owned recording devices while on-duty without the express consent of the Shift Commander or the Chief of Police or his or her designee. Any member who uses a personally owned recorder for department-related activities shall comply with the provisions of this policy, including retention and release requirements.

Recordings shall not be used by any member for the purpose of embarrassment or ridicule.

Any member who may have questions regarding the application of this policy is encouraged to seek clarification from supervisory personnel.

450.7 RETENTION OF RECORDINGS
Any time a member records any portion of a contact that the member reasonably believes constitutes evidence in a criminal case, the member shall record the related case number and download the file in accordance with the Computers and Digital Evidence Policy and document the existence of the recording in the related case report.

Any time a member reasonably believes a recorded contact may be beneficial in a non-criminal matter (e.g., a hostile contact), the member should promptly notify a supervisor of the existence of the recording.

Members should upload the file, in accordance with current procedure for storing digital files, at the end of their shift and any time the storage capacity is nearing its limit.

450.7.1 RETENTION REQUIREMENTS
All recordings shall be retained for a period consistent with the requirements of the organization's records retention schedule but in no event for a period less than 180 days.

450.8 RELEASE OF RECORDINGS
Recordings made using portable recording devices pursuant to this policy are department records and may only be released as provided in the Records Release and Security Policy or for other authorized legitimate department business purposes.
Use of Audio/Video Recorders

450.9 REVIEW OF RECORDED MEDIA FILES

When preparing written reports, members should review their recordings as a resource. However, members should not use the fact that a recording was made as a reason to write a less detailed report.

Supervisors are authorized to review relevant recordings any time they are investigating alleged misconduct, reports of meritorious conduct or whenever such recordings would be beneficial in reviewing the member’s performance.

Recorded files may also be reviewed:

(a) Upon approval by a supervisor, by any member of the Department who is participating in an official investigation, such as a personnel complaint, administrative investigation or criminal investigation.

(b) Pursuant to lawful process or by court personnel who are otherwise authorized to review evidence in a related case.

(c) By media personnel with permission of the Chief of Police or the authorized designee.

(d) In compliance with a public records request, if permitted, and in accordance with the Records Release and Security Policy.
Bicycle Patrol Unit

454.1 PURPOSE AND SCOPE
The Department has established the Bicycle Patrol Unit (BPU) for the purpose of enhancing patrol efforts in the community. Bicycle patrol has been shown to be an effective way to increase officer visibility in congested areas and their quiet operation can provide a tactical approach to crimes in progress. The purpose of this policy is to provide guidelines for the safe and effective operation of the patrol bicycle.

454.2 POLICY
Patrol bicycles may be used for regular patrol duty, traffic enforcement, parking control, or special events. The use of the patrol bicycle will emphasize their mobility and visibility to the community.

Bicycles may be deployed to any area at all hours of the day or night, according to Department needs and as staffing levels allow.

Requests for specific deployment of bicycle patrol officers shall be coordinated through the Bicycle Patrol Unit supervisor or the Shift Commander or the Chief of Police or his or her designee.

454.3 SELECTION OF PERSONNEL
Interested sworn personnel, who are off probation, shall submit a change of assignment request to their appropriate Division Commander or the Chief of Police or his or her designee. A copy will be forwarded to the BPU supervisor. Qualified applicants will then be invited to an oral interview. The oral board will consist of the BPU supervisor and second person to be selected by the BPU supervisor. Interested personnel shall be evaluated by the following criteria:

(a) Recognized competence and ability as evidenced by performance.
(b) Special skills or training as it pertains to the assignment.
(c) Good physical condition.
(d) Willingness to perform duties using the bicycle as a mode of transportation.

454.3.1 BICYCLE PATROL UNIT SUPERVISOR
The Bicycle Patrol Unit supervisor will be selected by the Uniform Patrol Division Commander or or the Chief of Police or his or her designee.

The Bicycle Patrol Unit supervisor shall have responsibility for the following:

(a) Organizing bicycle patrol training.
(b) Inspecting and maintaining inventory of patrol bicycles and program equipment.
(c) Scheduling maintenance and repairs.
(d) Evaluating performance of bicycle officers.
(e) Coordinating activities with the Uniform Patrol Division.
(f) Other activities as required to maintain the efficient operation of the Bicycle Patrol Unit.
Bicycle Patrol Unit

454.4 TRAINING
Participants in the program must complete an initial Department approved bicycle-training course after acceptance into the program. Thereafter bicycle patrol officers should receive yearly in-service training to improve skills and refresh safety, health and operational procedures. The initial training shall minimally include the following:

- Bicycle patrol strategies
- Bicycle safety and accident prevention
- Operational tactics using bicycles

Bicycle patrol officers will be required to qualify with their duty firearm while wearing bicycle safety equipment including the helmet and riding gloves.

454.5 UNIFORMS AND EQUIPMENT
Officers shall wear the department-approved uniform and safety equipment while operating the department bicycle. Safety equipment includes department-approved helmet, riding gloves, protective eyewear and approved footwear.

The bicycle patrol unit uniform consists of the standard short-sleeve uniform shirt or other department-approved shirt with department badge and patches and department-approved bicycle patrol pants or shorts.

Optional equipment includes jacket in colder weather, turtleneck shirts or sweaters when worn under the uniform shirt, and a radio head set and microphone.

Bicycle patrol officers shall carry the same equipment on the bicycle patrol duty belt as they would on a regular patrol assignment.

Officers will be responsible for obtaining the necessary forms, citation books and other department equipment needed while on bicycle patrol.

454.6 CARE AND USE OF PATROL BICYCLES
Officers will be assigned a specially marked and equipped patrol bicycle, attached gear bag, two batteries and a charger.

Bicycles utilized for uniformed bicycle patrol shall be primarily black or white in with a Police decal affixed to each side of the crossbar or the bike’s saddlebag. Every such bicycle shall be equipped with front and rear reflectors front lights and a siren/horn satisfying the requirements of the Illinois Vehicle Code (625 ILCS 5/11-1507). A bicycle is a police vehicle as authorized by 625 ILCS 5/1-162.3.

Bicycles utilized for uniformed bicycle patrol shall be equipped with a rear rack and/or saddle bag(s) sufficient to carry all necessary equipment to handle routine patrol calls including report writing, vehicle storage and citations.

Each bicycle gear bag shall include a first aid kit, tire pump, repair tool, tire tube, security lock, equipment information and use manuals. These items are to remain with/on the bicycle at all times.

Each bicycle shall be equipped with an oscillating, rotating or flashing red and/or blue warning light that is visible from the front, sides, or rear of the bicycle (625 ILCS 5/12-215).

Bicycle officers shall conduct an inspection of the bicycle and equipment prior to use to insure proper working order of the equipment. Officers are responsible for the routine care
and maintenance of their assigned equipment (e.g., tire pressure, chain lubrication, overall cleaning).

If a needed repair is beyond the ability of the bicycle officer, a repair work order will be completed and forwarded to the program supervisor for repair by an approved technician.

Each bicycle will have scheduled maintenance twice yearly to be performed by a department approved repair shop/technician.

At the end of a bicycle assignment, the bicycle shall be returned clean and ready for the next tour of duty.

Electric patrol bicycle batteries shall be rotated on the assigned charger at the end of each tour of duty. During prolonged periods of non-use, each officer assigned an electric bicycle shall periodically rotate the batteries on the respective charges to increase battery life.

Officers shall not modify the patrol bicycle, remove, modify or add components except with the expressed approval of the bicycle supervisor, or in the event of an emergency.

Vehicle bicycle racks are available should the officer need to transport the patrol bicycle. Due to possible component damage, transportation of the patrol bicycle in a trunk or on a patrol car push-bumper is discouraged.

Bicycles shall be properly secured when not in the officer's immediate presence.

454.7 OFFICER RESPONSIBILITY

Officers must operate the bicycle in compliance with the vehicle code under normal operation. Officers may operate the bicycle without lighting equipment during hours of darkness when such operation reasonably appears necessary for officer safety and tactical considerations. Officers must use caution and care when operating the bicycle without lighting equipment.

Officers operating an authorized emergency vehicle may park or stand, irrespective of the provisions of the Illinois Vehicle Code (625 ILCS); proceed past a red or stop signal or stop sign, but only after slowing down as may be required and necessary for safe operation; exceed the maximum speed limits so long as he/she does not endanger life or property; disregard regulations governing direction of movement or turning in specified directions (625 ILCS 5/11-205).

The driver of an authorized emergency vehicle is not relieved from the duty of driving with due regard for the safety of all persons, nor do such provisions protect the driver from the consequences of his/her reckless disregard for the safety of others (625 ILCS 5/11-205(e)).
Citation Dismissal, Correction, and Voiding

456.1 PURPOSE AND SCOPE
This policy outlines the responsibility for citations, the procedure for dismissal, correction, and voiding of citations.

456.2 RESPONSIBILITIES
The Records Supervisor shall be responsible for the development and design of all Department citations in compliance with County standards, state law, or the Illinois Supreme Court.

The central records shall be responsible for the supply and accounting of all citations issued to employees of this department.

456.3 DISMISSAL OF CITATIONS
Employees of this department do not have the authority to dismiss a citation once it has been issued. Only the court has the authority to dismiss a citation that has been issued. Any request from a recipient to dismiss a citation shall be referred to the generating member's Division Commander. Upon a review of the circumstances involving the issuance of the citation, it is the decision of the Division Commander or the Chief of Police or his or her designee to recommend dismissal of the citation. If approved, the citation will be forwarded to the prosecutor's office with a request for dismissal. All recipients of citations whose request for the dismissal of a citation has been denied shall be referred to the appropriate court.

Should an officer determine during a court proceeding that a citation should be dismissed in the interest of justice or where prosecution is deemed inappropriate the officer may request the prosecutor to dismiss the citation. Upon dismissal of the citation by the court, the officer shall notify his/her immediate supervisor of the circumstances surrounding the dismissal and shall complete any paperwork as directed or required. The citation dismissal shall then be forwarded to the Division Commander or the Chief of Police or his or her designee for review.

456.4 VOIDING CITATIONS
Voiding a citation may occur when a citation has not been completed or where it is completed, but not issued. All copies of the citation shall be presented to a supervisor to approve the voiding of the citation. The citation and copies shall then be forwarded to the central records.

456.5 CORRECTION OF CITATIONS
When a citation is issued and in need of correction, the officer issuing the citation shall submit the citation and a letter requesting a specific correction to his/her immediate supervisor. The citation and letter shall then be forwarded to the central records. The central records shall prepare a letter of correction to the States Attorneys Office having jurisdiction and to the recipient of the citation.

Adopted: 2014/01/01 © 1995-2013 Lexipol, LLC
456.6 DISPOSITION OF CITATIONS
The court and file copies of all citations issued by members of this department shall be forwarded to the employee's immediate supervisor for review. The citation copies shall then be filed with the central records.

Upon separation from employment with this department, all employees issued citations books shall return any unused citations to the central records.
Foot Pursuit Policy

458.1 PURPOSE AND SCOPE
Foot pursuits are inherently dangerous and require heightened officer safety awareness, common sense and sound tactics. This policy sets forth guidelines to assist officers in making the decision to initiate or continue a pursuit of suspects on foot.

Officers must be mindful that immediate apprehension of a suspect is rarely more important than the safety of the public and officers.

458.1.1 POLICY
When deciding to initiate or continue a foot pursuit officers should continuously balance the objective of apprehending the suspect with the risk of injury to officers or others. With due consideration of the totality of the circumstances, officers are expected to act reasonably when determining whether to pursue or to coordinate containment.

Deciding to initiate and continue a foot pursuit is a decision that an officer must make quickly and under unpredictable and dynamic circumstances. In recognition of the potential risk to officers and the public created by foot pursuits, no officer or supervisor shall be criticized or disciplined for deciding not to engage in a foot pursuit due to the risk involved.

458.2 PROCEDURES

458.2.1 DECISION TO PURSUE
Although any officer of this Department may be justified in initiating a foot pursuit of an individual who the officer reasonably believes is about to engage in, is engaging in or has engaged in criminal activity, the decision to initiate or continue such a foot pursuit must be continuously re-evaluated in light of the circumstances present at the time.

Mere flight by an individual should not serve as the sole justification for engaging in an extended foot pursuit without the development of further suspicion.

In deciding whether or not to initiate or continue a foot pursuit, an officer should continuously consider reasonable alternatives to pursue based upon the circumstances and resources available, including:

- Containment of the area
- Canine search
- Saturation of the area with patrol personnel
- Aerial support
- Apprehension at another time when the identity of the suspect is known or other information is available that would likely allow for later apprehension and the need to immediately apprehend the suspect does not reasonably appear to outweigh the risk in continuing the pursuit.

458.2.2 GUIDELINES FOR FOOT PURSUIT
The team concept of using two or more officers should be used whenever possible. Unless the officer reasonably believes that exigent circumstances exist (e.g., a serious threat to the
Foot Pursuit Policy

safety of officers or members of the public if the suspect is not immediately apprehended), officers should consider alternatives to engaging in or continuing a foot pursuit under the following conditions:

(a) When the officer is acting alone.

(b) When two or more officers become separated, lose visual contact with one another, or obstacles separate them to the degree that they cannot immediately assist each other should a confrontation take place. If exigent circumstances exist, it is generally recommended that a single officer keep the suspect in sight from a safe distance and coordinate containment.

(c) When the officer is unsure of his or her location and direction of travel.

(d) When pursuing multiple suspects and the pursuing officers do not reasonably believe that they would be able to control the suspects should a confrontation occur.

(e) The physical condition of the officers renders them incapable of controlling the suspect if apprehended.

(f) The officer loses radio contact with the communications center or with backup officers.

(g) The suspect enters a building, structure, confined space, wooded or otherwise isolated area and there are insufficient officers to provide backup and containment. The primary officer should consider discontinuing the pursuit and coordinating containment, pending the arrival of sufficient officers.

(h) The officer becomes aware of unanticipated or unforeseen circumstances that would unreasonably increase the risk to officers or the public.

(i) The officer reasonably believes that the danger to the pursuing officers or public outweighs the objective of immediate apprehension.

(j) The officer loses possession of his or her firearm or other essential equipment.

(k) The officer, or a third party, is injured during the pursuit, requiring immediate assistance and there are no other emergency personnel able to render assistance.

(l) The suspect's location is no longer definitely known.

(m) The identity of the suspect is established or other information exists that allows for the suspect's apprehension at a later time and it reasonably appears that there is no immediate threat to the officers or the public if the suspect is not immediately apprehended.

(n) A supervisor directs that the foot pursuit be terminated. Such an order shall be considered mandatory.

(o) The officer's ability to safely continue the pursuit is impaired by inclement weather, darkness, or other conditions.

458.3 RESPONSIBILITIES IN FOOT PURSUITS

458.3.1 INITIATING OFFICER RESPONSIBILITIES

Unless relieved by another officer or a supervisor, officers initiating a foot pursuit shall be responsible for the initial coordination of the pursuit. When practicable the initiating officer should not attempt to overtake and confront the suspect but should keep the suspect in sight until sufficient officers are present to safely apprehend the suspect.

It is essential that officers initiating a foot pursuit broadcast at minimum the following information as soon as it becomes practicable and available:

- Unit identifier

Adopted: 2014/01/01 © 1995-2013 Lexipol, LLC
Foot Pursuit Policy

- Officer location and direction of travel
- Reason for the foot pursuit
- Number of suspects and description
- Whether the suspect is known or believed to be armed

Officers should be mindful that radio transmissions made while running may be difficult to understand and may need to be repeated.

Absent extenuating circumstances, any officer unable to promptly and effectively broadcast this information should terminate the pursuit. If the foot pursuit is discontinued for any reason, immediate efforts for containment should be established and alternatives considered based upon the circumstances and available resources.

When a foot pursuit terminates, the officer should notify communications of his or her location, the status of the pursuit termination (e.g., suspect in custody, lost sight of suspect), and direct further actions as reasonably appear necessary.

458.3.2 ASSISTING OFFICER RESPONSIBILITIES
Whenever any officer announces that he/she is engaged in a foot pursuit, all other officers should minimize non-essential radio traffic in order to permit the involved officers maximum access to the involved radio frequency.

Other officers able to intercept a fleeing suspect or assist the primary officers with the apprehension of the suspect shall act reasonably and in accordance with department policy, based upon information provided as well as their own observations.

458.3.3 SUPERVISOR’S RESPONSIBILITY
Upon becoming aware of a foot pursuit, the responsible supervisor shall make every reasonable effort to ascertain sufficient information necessary to direct responding resources and to take command, control and coordination of the foot pursuit. The supervisor should respond to the area whenever possible, however need not be physically present to exercise control over the pursuit. The supervisor shall continuously assess the situation in order to ensure the foot pursuit is conducted within established department guidelines.

The supervisor shall terminate the foot pursuit at any time he or she concludes that the danger to pursuing officers or the public outweighs the objective of immediate apprehension of the suspect.

Upon the apprehension of the suspect, the supervisor shall promptly proceed to the termination point to direct the post-pursuit activity.

458.3.4 REPORTING
The initiating officer shall complete appropriate crime/arrest reports documenting, at minimum, the following:

(a) The reason for initiating the foot pursuit.
(b) The identity of involved personnel (if known).
(c) The course and approximate distance of the pursuit.
(d) Whether a suspect was apprehended as well as the means and methods used.
Foot Pursuit Policy

1. Any use of force shall be reported and documented in compliance with the Department Use of Force Policy (Policy §300).

2. In any case in which a suspect is not apprehended and there is insufficient information to warrant further investigation, a supervisor may authorize that the initiating officer need not complete a formal report.

(e) Any injuries or property damage.

Assisting officers taking an active role in the apprehension of the suspect shall complete supplemental reports as necessary or as directed.
Homeless Persons

464.1 PURPOSE AND SCOPE
The purpose of this policy is to ensure that personnel understand the needs and rights of the homeless and to establish procedures to guide officers during all contacts with the homeless, whether consensual or for enforcement purposes. The Metro East Police District recognizes that members of the homeless community are often in need of special protection and services. It is the goal of the Metro East Police District to address these needs in balance with the overall mission of departments within the District. Therefore, officers will consider the following when serving the homeless community.

464.1.1 POLICY
It is the policy of the Department to provide law enforcement services and to protect the rights, dignity and private property of all members of the community, regardless of their socioeconomic status. Homelessness is not a crime and members of this department will not use homelessness solely as a basis for detention or law enforcement action.

464.2 HOMELESS COMMUNITY LIAISON
If appropriate for proper handling of contacts with homeless persons and adherence to this policy, the Chief of Police will designate a member of this department to act as the Homeless Liaison Officer. The responsibilities of the Homeless Liaison Officer include the following:

(a) Maintain and make available to all department employees a list of assistance programs and other resources that are available to the homeless.

(b) Meet with Social Services and representatives of other organizations that render assistance to the homeless.

(c) Maintain a list of those areas within and near this jurisdiction that are used as frequent homeless encampments.

(d) Remain abreast of laws dealing with the removal and/or destruction of the personal property of the homeless. This will include the following:
   1. Proper posting of notices of trespass and clean-up operations.
   2. Proper retention of property after clean-up, to include procedures for owners to reclaim their property in accordance with Policy § 804 and other established procedures.

(e) Be present during any clean-up operation conducted by this department involving the removal of personal property of the homeless to ensure the rights of the homeless are not violated.

(f) Develop training to assist officers in understanding current legal and social issues relating to the homeless.

464.3 FIELD CONTACTS
Officers are encouraged to contact the homeless for purposes of rendering aid, support and for community-oriented policing purposes. When encountering a homeless person who has committed a non-violent misdemeanor and continued freedom is not likely to result in a continuation of the offense or a breach of the peace officers may consider long-term solutions to problems that may relate to the homeless, such as shelter referrals.
and counseling in lieu of physical arrest. However, nothing in this policy is meant to dissuade an officer from taking reasonable enforcement action when facts support a reasonable suspicion of criminal activity.

Officers should provide homeless persons with resource and assistance information whenever it is reasonably apparent such services may be appropriate.

464.3.1 OTHER CONSIDERATIONS
Homeless members of the community will receive the same level and quality of service provided to other members of the community. The fact that a victim or witness is homeless can, however, require special considerations for a successful investigation and prosecution. Officers should consider the following when handling investigations involving homeless victims, witnesses or suspects:

(a) Document alternate contact information. This may include obtaining addresses and phone numbers of relatives and friends.
(b) Document places the homeless person may frequent.
(c) Provide homeless victims with victim/witness resources when appropriate.
(d) Obtain statements from all available witnesses in the event a homeless victim is unavailable for a court appearance.
(e) Consider whether the person may be a dependent adult or elder and if so proceed in accordance with Policy § 326.
(f) Arrange for transportation for investigation related matters, such as medical exams and court appearances.
(g) Consider whether a crime should be reported and submitted for prosecution even when a homeless victim indicates he/she does not desire prosecution.

464.4 PERSONAL PROPERTY
The personal property of homeless persons must not be treated differently than the property of other members of the public. Officers should use reasonable care when handling, collecting and retaining the personal property of homeless persons and should not destroy or discard the personal property of homeless persons.

When a homeless person is arrested, or otherwise removed from a public place, officers should make reasonable accommodations to permit the person to lawfully secure his/her personal property. Otherwise, the personal property should be collected for safekeeping. If the arrestee has more personal property than can reasonably be collected and transported by the officer, a supervisor should be consulted. The property should be photographed and measures should be taken to remove or secure the property. It will be the supervisor's responsibility to coordinate the removal and safekeeping of the property.

Officers should not conduct or assist in clean-up operations of belongings that reasonably appear to be the property of homeless persons without the prior authorization of a supervisor or the department Homeless Liaison Officer. When practicable, requests by the public for clean-up operations of a homeless encampment should be referred to the Homeless Liaison Officer.

Officers who encounter unattended encampments, bedding or other personal property in public areas that reasonably appears to belong to a homeless person should not remove or destroy such property and should inform the department Homeless Liaison Officer if such property appears to involve a trespass, blight to the community or is the subject of a
Homeless Persons

complaint. It will be the responsibility of the Homeless Liaison Officer to address the matter in a timely fashion.

464.5  MENTAL ILLNESS AND MENTAL IMPAIRMENT
Some homeless persons may suffer from a mental illness or a mental impairment. Officers shall not detain a homeless person under a mental illness commitment unless facts and circumstances warrant such a detention (See Policy § 418).

When a mental illness hold is not warranted, the contacting officer should provide the homeless person with contact information for mental health assistance as appropriate. In these circumstances, officers may provide transportation to a mental health specialist if requested by the person and approved by a supervisor.

464.6  ECOLOGICAL ISSUES
Sometimes homeless encampments can impact the ecology and natural resources of the community and may involve criminal offenses beyond mere littering. Officers are encouraged to notify other appropriate agencies or departments when a significant impact to our environment has or is likely to occur. Significant impacts to the environment may warrant a crime report, investigation, supporting photographs and supervisor notification.
Chapter 5 - Traffic Operations
Traffic Function and Responsibility

500.1 PURPOSE AND SCOPE
The ultimate goal of traffic law enforcement is to reduce traffic collisions. This may be achieved through the application of such techniques as geographic/temporal assignment of personnel and equipment and the establishment of preventive patrols to deal with specific categories of unlawful driving behavior. Traffic enforcement techniques are based on accident data, enforcement activity records, traffic volume, and traffic conditions. This department provides enforcement efforts toward violations, not only in proportion to the frequency of their occurrence in accident situations, but also in terms of traffic-related needs.

500.2 TRAFFIC OFFICER DEPLOYMENT
Several factors are considered in the development of deployment schedules for officers of the Department. Traffic crash information provided by the Illinois Department of Transportation is a valuable resource for traffic accident occurrences and therefore officer deployment. Some of the factors for analysis include:

- Location
- Time
- Day
- Violation factors

All officers assigned to patrol or traffic enforcement functions will emphasize enforcement of accident causing violations during high accident hours and at locations of occurrence. All officers will take directed enforcement action on request, and random enforcement action when appropriate against violators as a matter of routine. All officers shall maintain high visibility while working general enforcement, especially at high accident locations.

Other factors to be considered for deployment are citizen requests, construction zones or special events.

500.3 ENFORCEMENT
Enforcement actions are commensurate with applicable laws and take into account the degree and severity of the violation committed. This department does not establish ticket quotas and the number of arrests or citations issued by any officer shall not be used as the sole criterion for evaluating officer overall performance. The visibility and quality of an officer's work effort will be commensurate with the philosophy of this policy. Several methods are effective in the reduction of collisions:

500.3.1 WARNINGS
Warnings or other non-punitive enforcement actions should be considered in each situation and substituted for arrests or citations when circumstances warrant, especially in the case of inadvertent violations.
Traffic Function and Responsibility

500.3.2 CITATIONS
Citations may be issued when an officer believes it is appropriate. It is essential that officers fully explain the rights and requirements imposed on motorists upon issuance of a citation for a traffic violation. Officers should provide the following information at a minimum:

(a) Explanation of the violation or charge.
(b) Court appearance procedure including the optional or mandatory appearance by the motorist.
(c) Notice of whether the motorist can enter a plea and pay the fine by mail or at the court.

500.3.3 PHYSICAL ARREST
Physical arrest can be made on a number of criminal traffic offenses outlined in the Vehicle Code or Criminal Code. These physical arrest cases usually deal with, but are not limited to:

(a) Reckless homicide.
(b) Felony and misdemeanor driving under the influence of alcohol/drugs.
(c) Felony or misdemeanor hit-and-run.
(d) Refusal to sign notice to appear.
(e) Any other misdemeanor at the discretion of the officer, such as reckless driving with extenuating circumstances.

500.3.4 SUSPENDED OR REVOKED DRIVERS LICENSES
If an officer contacts a traffic violator for driving on a suspended or revoked license, the officer may issue a traffic citation pursuant to 625 ILCS 5/6-303.

500.3.5 SEIZURE OF ITEMS
Officers who reasonably believe that any certificate of title, registration card, permit, license, registration plate, license plate, disability license plate, parking decal or device, or registration sticker is fictitious, expired, revoked, cancelled, suspended or unlawfully issued shall seize such items for return of the items to the Secretary of State (625 ILCS 5/2-111).

500.4 SUSPENDED OR REVOKED DRIVERS LICENSES
If an officer contacts a traffic violator for driving on a suspended or revoked license, the officer may issue a traffic citation pursuant to 625 ILCS 5/6-303.

500.5 HIGH-VISIBILITY VESTS
The Department has provided ANSI Class II high-visibility vests to reduce the danger to employees who may be exposed to hazards presented by passing traffic, construction vehicles and disaster recovery equipment (23 CFR 634.3).

Although intended primarily for use while performing traffic related assignments, high-visibility vests should be worn at any time increased visibility would improve the safety or efficiency of the employee.

500.5.1 REQUIRED USE
Except when working in a potentially adversarial or confrontational role, such as during vehicle stops, high-visibility vests should be worn at any time it is anticipated that an employee will be exposed to the hazards of approaching traffic or construction and recovery.
Traffic Function and Responsibility

equipment. Examples of when high-visibility vests should be worn include traffic control duties, accident investigations, lane closures and while at disaster scenes, or anytime high visibility is desirable. When emergency conditions preclude the immediate donning of the vest, officers should retrieve and wear the vest as soon as conditions reasonably permit. Use of the vests shall also be mandatory when directed by a supervisor.

Vests maintained in the investigation units may be used any time a plainclothes officer might benefit from being readily identified as a member of law enforcement.

500.5.2 CARE AND STORAGE OF HIGH-VISIBILITY VEST

High-visibility vests shall be maintained in the trunk of each patrol and investigation unit, in the side box of each police motorcycle and in the saddlebag or gear bag of each police bicycle. Each vest should be stored inside the re-sealable plastic bag provided to protect and maintain the vest in a serviceable condition. Before going into service each employee shall ensure a serviceable high-visibility vest is properly stored.

A supply of high-visibility vests will be maintained in the equipment room for replacement of damaged or unserviceable vests. The Training Officer should be promptly notified whenever the supply of vests in the equipment room needs replenishing.
Traffic Crash Reporting

502.1 PURPOSE AND SCOPE
The Department prepares traffic crash reports in compliance with the Illinois Department of Transportation, Division of Traffic Safety Illinois Traffic Crash Report (Form SR1050) Manual and as a public service makes traffic crash reports available to the community with some exceptions.

502.2 RESPONSIBILITY
The Chief of Police or his or her designee will be responsible for distribution of the Illinois Traffic Crash Report Manual. The Chief will receive all changes in the state manual and ensure conformity with this policy.

502.3 TRAFFIC CRASH REPORTING
All traffic crash reports taken by members of this department shall be forwarded to the Traffic Bureau or the Chief of Police or his or her designee for approval and data entry into the Records Management System. The Captain or the Chief of Police or his or her designee will be responsible for monthly and quarterly reports on traffic crash statistics to be forwarded to other persons as required.

502.4 REPORTING SITUATIONS

502.4.1 TRAFFIC CRASHES INVOLVING CITY VEHICLES
Traffic crash investigation reports shall be taken when a City-owned vehicle is involved in a traffic crash upon a roadway or highway or on private property when any damage or injury results. Whenever there is damage to a City vehicle, a Vehicle Damage Report shall be completed and forwarded to the appropriate Division Commander or the Chief of Police or his or her designee.

Photographs of the crash scene and vehicle damage shall be taken at the discretion of the traffic investigator or any supervisor or the Chief of Police or his or her designee.

502.4.2 TRAFFIC CRASHES WITH POLICE DEPARTMENT EMPLOYEES
When an employee of this department, either on-duty or off-duty, is involved in a traffic crash within the jurisdiction of the Department resulting in a serious injury or fatality, the Captain or the Shift Commander or the Chief of Police or his or her designee, should notify an allied agency, the County Sheriff, or the Illinois State Police for assistance.

The term serious injury is defined as any injury that may result in a fatality.

502.4.3 TRAFFIC CRASHES WITH OTHER CITY EMPLOYEES OR OFFICIALS
The Captain or on-duty Shift Commander or the Chief of Police or his or her designee should request assistance from an allied agency, the County Sheriff, or the Illinois State Police for the investigation of any traffic crash involving any City official or employee where a serious injury or fatality has occurred.
502.4.4 TRAFFIC CRASHES ON PRIVATE PROPERTY
Generally, traffic crash reports shall not be taken for traffic crashes occurring on private property, unless there is a death or injury to any person involved, damage to the property of any one person in excess of $1,500 (or $500 if any of the involved vehicles are uninsured in violation of 625 ILCS 5/7-601), a hit-and-run violation, other criminal traffic violation or a school bus is involved. An Incident Report may be taken at the discretion of any supervisor (625 ILCS 5/11 406).

502.4.5 TRAFFIC CRASHES ON ROADWAYS OR HIGHWAYS
Traffic crash reports shall be taken when they occur on a roadway or highway within the jurisdiction of this department under any of the following circumstances:
(a) When there is a death or injury to any persons involved in the crash.
(b) When there is damage to the property of any one person valued over $500, including the driver.
(c) When there is an identifiable violation of the Illinois Vehicle Code or similar local ordinance.
(d) When a report is requested by any involved drivers.
(e) Whenever a school bus is involved.

502.5 NOTIFICATION OF TRAFFIC BUREAU SUPERVISION
The Shift Commander or any supervisor or the Chief of Police or his or her designee may assign an accident investigator or motor officer to investigate the traffic crash.

502.5.1 SUPERVISORY DISCRETION
A supervisor may, if appropriate to the circumstances, request assistance from an allied agency, the County Sheriff, or the Illinois State Police for the investigation of any traffic crash.
Vehicle Towing Policy

510.1 PURPOSE AND SCOPE
This policy provides the procedures for towing a vehicle by or at the direction of the Department.

510.2 RESPONSIBILITIES
The responsibilities of those employees storing or impounding a vehicle are as follows.

510.2.1 COMPLETION OF TOW REPORT
Department members requesting storage of a vehicle shall complete a Tow Report, including a description of property within the vehicle. A copy is to be given to the tow truck operator and the original is to be submitted to the central records as soon as practical after the vehicle is stored.

Records personnel shall promptly enter pertinent data from the completed Tow Report into LEADS and return the form to the Shift Commander for approval.

Approved storage forms shall be promptly placed into the auto-file so that they are immediately available for release or for information should inquiries be made.

510.2.2 REMOVAL OF VEHICLE DISABLED IN A TRAFFIC CRASH
When a vehicle has been involved in a traffic crash and must be removed from the scene, the officer shall have the driver select a towing company, if possible, and shall relay the request for the specified towing company to the telecommunicator. When there is no preferred company requested, a company will be selected from the approved list of towing companies in the Communications Center in the proper manner.

If the owner is incapacitated, or for any reason it is necessary for the Department to assume responsibility for a vehicle involved in a crash, the officer shall request the telecommunicator to call the appropriate towing company from the approved list of towing companies in the Communications Center in the proper manner and complete a Tow Report.

510.2.3 DRIVING A NON-CITY VEHICLE
Vehicles which have been towed by or at the direction of the Department should not be driven by police personnel unless it is necessary to move a vehicle a short distance to eliminate a hazard, prevent the obstruction of a fire hydrant, or to comply with posted signs.

510.2.4 TELECOMMUNICATOR RESPONSIBILITIES
Upon receiving a request for towing, the telecommunicator shall promptly telephone the specified authorized towing service. The officer shall be advised when the request has been made and the towing service has been dispatched.

When there is no preferred company requested, the telecommunicator shall call the next firm in rotation from the list of approved towing companies and shall make appropriate entries on that form to ensure the following firm is called on the next request.
Vehicle Towing Policy

510.3 TOWING SERVICES
The municipalities periodically selects a firm to act as the official tow service and awards a contract to that firm. This firm will be used in the following situations:

(a) When it is necessary to safeguard a vehicle due to the inability of the owner or operator to take the required action.
(b) When a vehicle is being held as evidence in connection with an investigation.
(c) When it is otherwise necessary to store a motor vehicle. This would include situations involving the recovery of stolen or abandoned vehicles and the removal from the streets of vehicles obstructing traffic in violation of state or local regulations.

Towing firms are prohibited from soliciting tows from owners or operators of damaged or disabled vehicles (625 ILCS 5/11-1431).

Officers are prohibited from accepting or receiving any fee or benefit from any towing firm selected to provide towing services by the municipality. Officers are prohibited from entering into any business or contractual relationship with any towing firm providing towing services selected by the municipality.

Nothing in this policy shall require the Department to tow a vehicle.

510.4 STORAGE AT ARREST SCENES
Whenever a person in charge or in control of a vehicle is arrested, it is the policy of this department to provide reasonable safekeeping by storing the arrestee's vehicle subject to the exceptions described below. However, the vehicle shall be stored whenever it is needed for the furtherance of an investigation or prosecution of the case, or when the community caretaker doctrine would reasonably suggest that the vehicle should be stored, for example, the vehicle would present a traffic hazard if not removed or due to a high crime area the vehicle would be in jeopardy of theft or damage if left at the scene.

The vehicle shall also be stored as mandated by law. Examples of situations where storage may be mandated include, but may not be limited to the following:

- When the driver has a suspended or revoked license and is uninsured (625 ILCS 5/6-303(e)).
- When the officer reasonably believes that a violation of § 11-501 of the Illinois Vehicle Code or similar provision is likely to continue upon release of the arrested person (625 ILCS 5/4-203(e)).

The following are examples of situations where consideration should be given to leaving a vehicle at the scene in lieu of storing, provided the vehicle can be lawfully parked and left in a reasonably secured and safe condition:

- Traffic-related warrant arrest.
- Situations where the vehicle was not used to further the offense for which the driver was arrested.
- Whenever the licensed owner of the vehicle is present, willing and able to take control of any vehicle not involved in criminal activity.
- Whenever the vehicle otherwise does not need to be stored and the owner requests that it be left at the scene.
Vehicle Towing Policy

In such cases, the handling employee shall note in the report that the owner was informed that the Department will not be responsible for theft or damages.

510.5 VEHICLE INVENTORY
All property in a stored or impounded vehicle shall be inventoried and listed on the Tow Report. This includes the trunk and any compartments or containers, even if closed and/or locked. Members conducting inventory searches should be as thorough and accurate as practical in preparing an itemized inventory. These inventory procedures are for the purpose of protecting an owner’s property while in police custody, to provide for the safety of officers, and to protect the Department against fraudulent claims of lost, stolen, or damaged property.

510.6 SECURITY OF VEHICLES AND PROPERTY
Unless it would cause an unreasonable delay in the completion of a vehicle impound/storage or create an issue of officer safety, officers should make reasonable accommodations to permit a driver/owner to retrieve small items of value or personal need (e.g. cash, jewelry, cell phone, prescriptions) which are not considered evidence or contraband.

If a search of a vehicle leaves the vehicle or any property contained therein vulnerable to unauthorized entry, theft or damage, search personnel shall take such steps as are reasonably necessary to secure and/or preserve the vehicle or property from such hazards.
Vehicle Tow, Storage and Impound Hearings

512.1 PURPOSE AND SCOPE
This policy establishes a procedure for the requirement to provide vehicle storage or impound hearings.

512.2 VEHICLE TOWS, STORAGE OR IMPOUNDS
When a vehicle is towed or stored by any member of the Metro East Police District, a hearing may be conducted upon the request of the registered or legal owner of the vehicle or their agent. Hearings for vehicles that are impounded pursuant to a local impound ordinance shall follow hearing procedures provided within the ordinance. Vehicles that are impounded for the purpose of statutory seizure shall have hearings in compliance with the statute.

512.2.1 HEARING PROCEDURES
The vehicle tow or storage hearing is an informal process to evaluate the validity of the tow or storage of a vehicle. Any relevant evidence may be submitted and reviewed by the hearing officer to determine if the vehicle in question was properly towed and/or stored in accordance with the law and Metro East Police District policies and procedures. The employee who caused the storage or removal of the vehicle does not need to be present for this hearing.

All requests for a hearing on a towed and/or stored vehicle shall be submitted in person, writing, or by telephone within ten days of the date appearing on the notice. The hearing officer may be assigned by the Chief of Police or his or her designee. The person requesting the hearing may record the hearing at his/her own expense.

The vehicle storage/towing hearing officer shall consider all information provided and determine the validity of the towing and/or storage of the vehicle in question and then render a decision. The hearing officer shall also consider any mitigating circumstances attendant to the storage that reasonably would warrant the release of the vehicle or a modification or reduction of period the vehicle is impounded.

If a decision is made that the vehicle was properly towed and/or stored within the law and department policy, and that mitigating circumstances are not a factor, the hearing officer shall so advise the inquiring party.

A decision that the vehicle was not towed and/or stored in a lawful manner or within department policy will require that the vehicle in storage be released immediately and any or all towing and storage fees will be waived.

If mitigating circumstances are found to be relevant, the hearing officer shall make reasonable adjustments to the impound period, storage, or assessment of fees as warranted.

If a decision is made that the vehicle was not towed and/or stored in a lawful manner or within department policy, and the vehicle has been released with fees having been paid, the receipt for such fees will be forwarded with a letter to the appropriate Division Commander or the Chief of Police or his or her designee. The hearing officer will recommend to the
Vehicle Tow, Storage and Impound Hearings

appropriate Division Commander or the Chief of Police or his or her designee that the fees paid by the registered or legal owner of the vehicle in question or their agent be reimbursed by the Department.
Impaired Driving

514.1 PURPOSE AND SCOPE
This policy provides guidance to those department members who play a role in the detection and investigation of driving under the influence (DUI).

514.2 POLICY
The Metro East Police District is committed to the safety of the roadways and the community and will pursue fair but aggressive enforcement of Illinois's impaired driving laws.

514.3 INVESTIGATIONS
Officers should not enforce DUI laws to the exclusion of their other duties unless specifically assigned to DUI enforcement. All officers are expected to enforce these laws with due diligence.

514.4 FIELD TESTS
The Chief of Police or his or her designee should identify the primary field sobriety tests (FSTs) and any approved alternate tests for officers to use when investigating violations of DUI laws.

514.5 CHEMICAL TESTS
A person is deemed to have consented to a chemical test or tests under any of the following (625 ILCS 5/11-501.1):

(a) The arresting officer has probable cause to believe that the person was driving or in actual physical control of a vehicle while under the influence of alcohol, drugs, intoxicating compounds or any combination thereof (625 ILCS 5/11-501.1(a)).

(b) The person is arrested for driving a vehicle involved in a motor vehicle accident resulting in personal injury or death of any person (625 ILCS 5/11-401(b)).

(c) The person was driving or in actual physical control of a vehicle and involved in a personal injury or fatality accident (625 ILCS 5/11-501.6).

(d) The person is dead, unconscious or otherwise in a condition rendering the person incapable of refusal (625 ILCS 5/11-501.1(b)).

(e) The person is under the age of 21, was driving or in actual physical control of a vehicle and the officer has probable cause to believe that the person has consumed any amount of an alcoholic beverage (625 ILCS 5/11-501.8).

Chemical tests shall be taken pursuant to the standards promulgated by the Department of State Police (625 ILCS 5/11-501.2(a)(1)).

514.5.1 BREATHE SAMPLES
The Chief of Police or his or her designee should ensure that all devices used for the collection and analysis of breath samples are properly serviced and tested and that a record of such service and testing is properly maintained.
Impaired Driving

Officers obtaining a breath sample should monitor the device for any sign of malfunction. Any anomalies or equipment failures should be noted in the appropriate report and promptly reported to the Captain.

514.5.2 BLOOD SAMPLES
Only persons authorized by law to withdraw blood shall collect blood samples (625 ILCS 5/11-501.2(a)(2)). The withdrawal of the blood sample should be witnessed by the assigned officer. No officer, even if properly certified, should conduct the blood withdrawal.

Officers should inform an arrestee that if he/she chooses to provide a blood sample, a separate sample can be drawn for alternate testing. Unless medical personnel object, two samples should be drawn and retained as evidence, so long as only one puncture is required.

If an arrestee cannot submit to a blood test because he/she is a hemophiliac or is using an anticoagulant, he/she shall not be required to take a blood test. Such inability to take a blood test should not be treated as a refusal. However, the person may be required to complete another available and viable test.

514.5.3 URINE SAMPLES
If a urine test will be performed, the person should be promptly transported to the appropriate testing site. The officer shall follow any directions accompanying the urine evidence collection kit.

Urine samples shall be collected and witnessed by an officer or jail staff of the same sex as the person giving the sample. The person tested should be allowed sufficient privacy to maintain his/her dignity, to the extent possible, while still ensuring the accuracy of the specimen.

The collection kit shall be marked with the person's name, offense, Department case number and the name of the witnessing officer. The collection kit should be refrigerated pending transportation for testing.

514.6 REFUSALS
When a person refuses to provide a chemical sample, officers should:

(a) Advise the person of the requirement to provide a sample (625 ILCS 5/11-501.1).
(b) Audio-record the admonishment and the response when it is practicable.
(c) Document the refusal in the appropriate report.

514.6.1 STATUTORY NOTIFICATIONS
Upon refusal to submit to a chemical test as required by law, officers shall personally serve the notice of statutory summary suspension or revocation upon the person and take possession of any state-issued license to operate a motor vehicle that is held by that person and issue the person a temporary driving permit (625 ILCS 5/11-501.1(f)).

514.6.2 BLOOD SAMPLE WITHOUT CONSENT
A blood sample may be obtained from a person who refuses a chemical test when any of the following conditions exist:

(a) A search warrant has been obtained.
(b) The officer can articulate that exigent circumstances exist. Exigency does not exist solely because of the short time period associated with the natural dissipation of alcohol in the person's blood stream. Exigency can be established by the existence of special facts such as a lengthy delay in obtaining a blood sample due to a crash investigation or medical treatment of the person.

(c) Exigent circumstances exist and the person was driving or in actual physical control of a vehicle while under the influence of alcohol, drugs, intoxicating compounds or any combination thereof and caused death or personal injury to another person (625 ILCS 5/11-501.2).

514.6.3 FORCED BLOOD SAMPLE

If a person indicates by word or action that he/she will physically resist a blood draw, the officer should request a supervisor to respond.

The responding supervisor should:

(a) Evaluate whether using force to obtain a blood sample is appropriate under the circumstances.

(b) Ensure that all attempts to obtain a blood sample through force cease if the person agrees to, and completes a viable form of testing in a timely manner.

(c) Advise the person of his/her duty to provide a sample (even if this advisement was previously done by another officer) and attempt to persuade the person to submit to such a sample without physical resistance. This dialogue should be recorded on audio and/or video when practicable.

(d) Ensure that the withdrawal is taken in a medically approved manner.

(e) Supervise any use of force and ensure the forced withdrawal is recorded on audio and/or video when practicable.

1. Unless otherwise provided in a warrant, force should generally be limited to handcuffing or similar restraint methods. In misdemeanor cases, if the suspect becomes violent or more resistant, no additional force will be used and a refusal should be noted in the report. In felony cases, force which reasonably appears necessary to overcome the resistance to the blood being withdrawn may be permitted.

(f) Monitor and ensure that the type and level of force applied is reasonable under the circumstances.

1. Unless otherwise provided in a warrant, force should generally be limited to handcuffing or similar restraint methods.

2. In misdemeanor cases, if the suspect becomes violent or more resistant, no additional force will be used and a refusal should be noted in the report.

3. In felony cases, force which reasonably appears necessary to overcome the resistance to the blood being withdrawn may be permitted.

(g) Ensure the use of force and methods used to accomplish the blood sample draw are documented in the related report.

If a supervisor is unavailable, officers are expected to use sound judgment and perform as a responding supervisor, as set forth above.
514.7 ARREST AND INVESTIGATION

514.7.1 STATUTORY WARNING
An officer requesting that a person submit to a chemical test shall provide the person with the mandatory warning pursuant to 625 ILCS 5/11-501.1.

514.7.2 PRELIMINARY BREATH SCREENING TEST
An officer having reasonable suspicion to believe that a person is DUI may, prior to arrest, request that the person provide a sample of his/her breath for a preliminary breath screening (PBS) test using a portable device approved by the Department of State Police. The person may refuse the test, however, if a test is administered, the results may be used by the officer for the purpose of determining whether probable cause exists to require a chemical test as authorized by 625 ILCS 5/11-501.1 and 625 ILCS 5/11-501.2 (625 ILCS 5/11-501.5).

514.7.3 ADDITIONAL TESTING
A person submitting to a chemical test may have qualified medical personnel of their own choosing administer an additional chemical test (625 ILCS 5/11-201.2(a)(3)).

514.7.4 OFFICER RESPONSIBILITIES
If a person refuses to submit to a chemical test or submits to a test that discloses a prohibited alcohol concentration, the officer shall immediately submit a sworn statement of such fact to the circuit court of venue and the Secretary of State (SOS) (625 ILCS 5/11-501.1(d)).

514.7.5 COLLISIONS
An officer having probable cause to believe that a motor vehicle driven by or in actual physical control of a person under the influence of alcohol, other drugs, or intoxicating compounds or any combination thereof has caused the death or personal injury of another person, shall request that the person submit to a chemical test (625 ILCS 5/11-501.2(c)(2)).

514.7.6 REPORTING
The Chief of Police or his or her designee shall ensure that the Department complies with all state reporting requirements pursuant to 20 ILCS 2630/5.

514.7.7 DESIGNATION OF CHEMICAL TESTS
The Chief of Police shall designate which chemical tests shall be administered to a person in violation of DUI laws (625 ILCS 5/11-501.1(a)).

514.8 CENTRAL RECORDS RESPONSIBILITIES
The Records Supervisor will ensure that all case-related records are transmitted according to current records procedures and as required by the prosecuting attorney's office.

514.9 ADMINISTRATIVE HEARINGS
The supervisor will ensure that all appropriate reports and documents related to administrative license suspensions are reviewed and forwarded to the Secretary of State (SOS).

Any officers who receive notice of required attendance to an administrative license suspension hearing should promptly notify the prosecuting attorney.
Officers called to testify at an administrative hearing should document the hearing date and the SOS file number in a supplemental report. Specific details of the hearing generally should not be included in the report unless errors, additional evidence or witnesses are identified. The central records should forward this to the prosecuting attorney as part of the case file.

514.10 TRAINING
The Training Officer should ensure that officers participating in the enforcement of DUI laws receive regular training. Training should include, at minimum, current laws on impaired driving, investigative techniques and rules of evidence pertaining to DUI investigations. The Training Officer should confer with the prosecuting attorney’s office and update training topics as needed.
Disabled Vehicles

520.1 PURPOSE AND SCOPE
All law enforcement agencies having responsibility for traffic enforcement should develop and adopt a written policy to provide assistance to motorists in disabled vehicles within their primary jurisdiction.

520.2 OFFICER RESPONSIBILITY
When an on-duty officer observes a disabled vehicle on the roadway, the officer should make a reasonable effort to provide assistance. If that officer is assigned to a call of higher priority, the telecommunicator should be advised of the location of the disabled vehicle and the need for assistance. The telecommunicator should then assign another available officer to respond for assistance as soon as practical.

520.3 EXTENT OF ASSISTANCE
In most cases, a disabled motorist will require assistance. After arrangements for assistance are made, continued involvement by department personnel will be contingent on the time of day, the location, the availability of departmental resources, and the vulnerability of the disabled motorist.

520.3.1 MECHANICAL REPAIRS
Department personnel shall not make mechanical repairs to a disabled vehicle. The use of push bumpers to relocate vehicles to a position of safety is not considered a mechanical repair.
Abandoned or Derelict Vehicle Violations

524.1 PURPOSE AND SCOPE
This policy provides procedures for the marking, recording, and storage of vehicles parked in violation of the Department City Ordinance or state laws regulating abandoned or derelict vehicles.

524.1.1 DEFINITIONS

All Marked Vehicle Cards shall be submitted for computer data entry.

If a marked vehicle has been moved or the markings have been removed during the period of observation, the vehicle shall be marked again for the 7-day abandonment period and a Marked Vehicle Card completed and forwarded to the Traffic Bureau or the Chief of Police or his or her designee.

Parking citations for the ordinance violation shall not be issued when the vehicle is towed and stored for the violation.

Interrogations of juvenile suspects at the Metro East Police District shall be recorded if, at the time of the commission of the offense, they could be charged with the offenses listed above (705 ILCS 405/5-401.5). Electronic recording of homicide investigations is not a violation of the eavesdropping statute (720 ILCS 5/14-3).

Any custodial interrogation of a person who is suspected of having committed any felony offense, including but not limited to a violent felony offense or felony sexual offense, shall be electronically recorded in its entirety with proper consent or an exception to the eavesdropping laws (720 ILCS 5/14-3).

Officers shall also electronically record a custodial interrogation, or any investigative interview, for any other offense when the officer reasonably believes it would be appropriate and beneficial to the investigation and is otherwise allowed by law or required by the State's Attorney.

The Chief of Police or his or her designee shall conduct a quarterly inspection and operational examination of electronic recording equipment to ensure recordings are audible and true and accurate depictions of custodial interrogations or other investigative interviews.

No recording of an interrogation should be destroyed or altered without written authorization from the prosecuting attorney and the Chief of Police or his or her designee. Copies of recorded interrogations or interviews may be made in the same or different format provided they are true, accurate and complete copies and are made only for authorized and legitimate law enforcement purposes. No recording of an interrogation related to a homicide investigation shall be destroyed before all appeals are final or the prosecution is barred by law (725 ILCS 5/103-2.1(c)).

Officers should continue to prepare written summaries of custodial questioning and investigative interviews and continue to obtain written statements from suspects when applicable.
Asset Forfeiture

606.1 PURPOSE AND SCOPE
This policy describes the authority and procedure for the seizure and liquidation of assets associated with specified controlled substance violations and other offenses listed in the Illinois Compiled Statutes. This policy applies to forfeited or seized assets in the form of currency, real estate, automobiles, boats, aircraft, or any other items of value.

Any officer having probable cause, may seize all moneys, negotiable instruments, securities, vehicles, boats, airplanes or other things of value which are forfeitable.

Additionally, officers shall seize all counterfeit merchandise, counterfeit marks, and any component of that merchandise, and any vehicle, aircraft, vessel, machinery or other instrumentality which the officer reasonably believed was knowingly possessed or used to commit or facilitate a violation of the Counterfeit Trademark Act (765 ILCS 1040/0.1 et seq.).

606.3 ASSET FORFEITURE PROCEDURE
Before seizing any currency, vehicle or personal property, a patrol officer should contact a narcotics detective. The following guidelines will be observed:

(a) The seizing officer or the detective will serve all persons with Notice of Seizure and Intended Forfeiture forms which includes an attached County of Origin Claim form Opposing Forfeiture, and a forfeiture receipt. Disclaimers (English/Spanish) will be completed on all persons disclaiming ownership of currency, vehicle, or property seized.

(b) When someone has made notification other than the Asset Forfeiture detective, a copy of all reports and all applicable asset forfeiture paperwork must be forwarded to the Asset Forfeiture detective in the Narcotics Unit, for review.

(c) Interview all persons involved concerning their possession of the seized assets, financial situation, employment, income and other resources. The interviewing officer shall ensure that Miranda warnings are given and waivers obtained before interviewing any person who is in custody.

(d) Attempt to promptly determine all lienholders or all persons who may have a legal interest in the seized currency, vehicle or property for further contact, investigation and notification.

(e) The seizure of assets subject to forfeiture is a civil proceeding filed through the county of origin, Office of the State's Attorney Forfeiture Unit or Narcotic Enforcement Team.

606.3.1 SEIZED PROPERTY
Property seized subject to forfeiture will be inventoried and booked into Property. The property will be checked through the Automated Property System/LEADS to determine if the property has been stolen.

Adopted: 2014/01/01 © 1995-2013 Lexipol, LLC
Asset Forfeiture

The property will be booked as evidence, with the notation in the comment section of the property form, "Seized Subject to Forfeiture." Property seized subject to forfeiture should be booked on a separate property form. No other evidence from the case should be booked on this form.

606.3.2 SEIZED CURRENCY
Currency seized subject to forfeiture will be counted by the seizing officer and a supervisor. The currency will be placed in a money envelope with the denomination of the currency, totals of each denomination and total amount of currency enclosed noted on the money envelope. The officer counting and supervisor verifying money will initial and sign the envelope when sealed. If the currency will not fit into a standard money envelope, place the currency in a larger envelope or bag, sealing and affixing a completed money envelope to the outside of the larger envelope or bag which contains the currency.

Currency seized will be given to and retained by a supervisor, for deposit into the Asset Forfeiture Account. If there is a need to book the currency into evidence/property, the currency will be booked on a single property form notating "subject to asset forfeiture" in the comments section of the property form. The seizing officer shall notify the Uniform Patrol Division Commander of the booked currency and the circumstances of the seizure as soon as possible.

606.3.3 SEIZED VEHICLES
Vehicles seized subject to forfeiture will be taken to a designated secure storage facility. A seized vehicle should not be impounded. The officer seizing the vehicle shall notify the detective supervisor of the seizure of the vehicle and circumstances of the seizure as soon as possible.

If the vehicle cannot be driven, a tow truck will be used to tow the vehicle to the storage facility.

Personal property located in a seized vehicle shall be removed and booked into Property as either evidence or for safekeeping.

606.4 ASSET FORFEITURE LOG
A computerized inventory of all asset forfeiture cases shall be kept with the Narcotics Unit or the Chief of Police or his or her designee. The inventory shall include the following:

- Case number

- Status of the seizure

Information maintained on the log will be provided to the Chief of Police or authorized staff, as requested.

606.5 PROCEEDS FROM FORFEITURE
Equitable shares received from seized assets shall be maintained in separate funds and shall be subject to accounting controls and annual financial audits.
Confidential Informants

608.1 PURPOSE AND SCOPE
In many instances, a successful investigation cannot be conducted without the use of confidential informants. To protect the integrity of the Department and the officers using informants, it shall be the policy of this department to take appropriate precautions by developing sound informant policies.

608.2 INFORMANT FILE SYSTEM
The Narcotics Unit Supervisor or his/her designee or the Chief of Police or his or her designee shall be responsible for maintaining informant files. A separate file shall be maintained on each confidential informant.

608.2.1 FILE SYSTEM PROCEDURE
Each file shall be coded with an assigned informant control number. An informant history shall be prepared to correspond to each informant file and include the following information:

(a) Informant's name and/or aliases.
(b) Date of birth.
(c) Physical description: height, weight, hair color, eye color, race, sex, scars, tattoos or other distinguishing features.

(j) Name of officer initiating use of the informant.
(k) Signed informant agreement.
(l) Update on active or inactive status of informant.

The informant files shall be maintained in a secure area within the Narcotics Unit. These files shall be used to provide a source of background information about the informant, enable review and evaluation of information given by the informant, and minimize incidents that could be used to question the integrity of detectives or the reliability of the confidential informant.

Access to the informant files shall be restricted to the Chief of Police, a Division Commander, the Narcotics Unit Supervisor, or their designees.

608.3 USE OF INFORMANTS
Before using an individual as a confidential informant, an officer must receive approval from the Narcotics Unit Supervisor or the Chief of Police or his or her designee. The officer shall compile sufficient information through a background investigation in order to determine
Confidential Informants

the reliability, credibility and suitability, of the individual, including age, maturity and risk of physical harm.

608.3.1 JUVENILE INFORMANTS

The use of juvenile informants under the age of 13-years is prohibited. The use of any juvenile informant between the ages of 13 and 18-years is only authorized by court order.

For purposes of this policy, a "juvenile informant" means any juvenile who participates, on behalf of this department, in a prearranged transaction or series of prearranged transactions with direct face-to-face contact with any party, when the juvenile's participation in the transaction is for the purpose of obtaining or attempting to obtain evidence of illegal activity by a third party and where the juvenile is participating in the transaction for the purpose of reducing or dismissing a pending juvenile petition against the juvenile.

608.4 GUIDELINES FOR HANDLING CONFIDENTIAL INFORMANTS

All confidential informants are required to sign and abide by the provisions of the departmental Informant Agreement. The officer using the confidential informant shall discuss each of the provisions of the agreement with the confidential informant.

Details of the agreement are to be approved in writing by the unit supervisor before being finalized with the confidential informant.

608.4.1 RELATIONSHIPS WITH CONFIDENTIAL INFORMANTS

No member of the Department shall knowingly maintain a social relationship with a confidential informant while off duty, or otherwise become intimately involved with a confidential informant. To maintain officer/informant integrity, the following must be adhered to:

(a) Officers shall not withhold the identity of an informant from their superiors.

1. With prior authorization from the Chief of Police, a Division Commander, the Narcotics Unit Supervisor, or their designees, the identity of an informant may be withheld from other supervisors.

(b) Identities of informants shall otherwise be kept confidential.

(c) Criminal activity by informants shall not be condoned.

(d) Informants shall be told they are not acting as police officers, employees or agents of the Metro East Police District, and that they shall not represent themselves as such.

(e) The relationship between officers and informants shall always be ethical and professional.

(f) Social contact shall be avoided unless necessary to conduct an official investigation, and only with prior approval of the Narcotics Unit supervisor.

(g) Officers shall not meet with informants of the opposite sex in a private place unless accompanied by at least one additional officer or with prior approval of the Narcotics Unit Supervisor. Officers may meet informants of the opposite sex alone in an occupied public place such as a restaurant. When contacting informants of either sex for the purpose of making payments officers shall arrange for the presence of another officer, whenever possible.

Adopted: 2014/01/01 © 1995-2013 Lexipol, LLC
(h) In all instances when department funds are paid to informants, a voucher shall be completed in advance, itemizing the expenses.

608.5 NARCOTICS INFORMANT PAYMENT PROCEDURES

The potential payment of large sums of money to any confidential informant must be done in a manner respecting public opinion and scrutiny. Additionally, to maintain a good accounting of such funds requires a strict procedure for disbursements.

608.5.1 PAYMENT PROCEDURE

The amount of funds to be paid to any confidential informant will be evaluated against the following criteria:

- The extent of the informant's personal involvement in the case.
- The significance, value or effect on crime.
- The amount of assets seized.
- The quantity of the drugs seized.
- The informant's previous criminal activity.
- The level of risk taken by the informant.

The Narcotics Unit Supervisor will discuss the above factors with the Uniform Patrol Division Commander and arrive at a recommended level of payment that will be subject to the approval of the Chief of Police. The amount of payment will be based on a percentage of the current market price for the drugs or other contraband being sought, not to exceed 15-percent.

608.5.2 CASH DISBURSEMENT POLICY

The following establishes a cash disbursement policy for confidential informants. No informant will be told in advance or given an exact amount or percentage for services rendered.

(a) When both assets and drugs have been seized, the confidential informant shall receive payment based upon overall value and the purchase price of the drugs seized not to exceed a maximum of $150,000.

(b) A confidential informant may receive a cash amount for each quantity of drugs seized whether or not assets are also seized, not to exceed a maximum of $30,000.

608.5.3 PAYMENT PROCESS

A check shall be requested, payable to the case agent. The case number shall be recorded justifying the payment. The Chief of Police and the City Manager's signatures are required for disbursements over $500. Payments $500 and under may be paid in cash out of the Narcotics Unit Buy/Expense Fund. The Narcotics Unit Supervisor or the Chief of Police or his or her designee will be required to sign the voucher for amounts under $500.

To complete the transaction with the confidential informant the case agent shall have the confidential informant initial the cash transfer form. The confidential informant will sign the form indicating the amount received, the date, and that the confidential informant is receiving funds in payment for information voluntarily rendered in the case. The Department case number shall be recorded on the cash transfer form. The form will be kept in the confidential informant's file.

Adopted: 2014/01/01 © 1995-2013 Lexipol, LLC
Confidential Informants

If the payment amount exceeds $500.00, a complete written statement of the confidential informant's involvement in the case shall be placed in the confidential informant's file. This statement shall be signed by the confidential informant verifying the statement as a true summary of his/her actions in the case(s).

Each confidential informant receiving a cash payment shall be informed of his/her responsibility to report the cash to the Internal Revenue Service (IRS) as income.

608.5.4 REPORTING OF PAYMENTS

Each confidential informant receiving a cash payment shall be informed of his/her responsibility to report the payment to the Internal Revenue Service (IRS) as income. If funds distributed exceed $600 in any reporting year, the confidential informant should be provided IRS Form 1099 (26 CFR § 1.6041-1). If such documentation or reporting may reveal the identity of the confidential informant and by doing so jeopardize any investigation, the safety of peace officers or the safety of the confidential informant (26 CFR § 1.6041-3), then IRS Form 1099 should not be issued.

In such cases, the confidential informant shall be provided a letter identifying the amount he/she must report on a tax return as other income and shall be required to provide a signed acknowledgement of receipt of the letter. The completed acknowledgement form and a copy of the letter shall be retained in the confidential informant's file.
Felony Investigation Discovery

610.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidelines for proper management of discovery issues in homicide and non-homicide felony investigations as mandated by 725 ILCS 5/14-13.

610.2 INVESTIGATIVE MATERIALS
In every homicide investigation and non-homicide felony investigation conducted by the department, or when the Department participates in an investigation of a homicide or non-homicide felony, the Department shall exercise due diligence to provide to the State's Attorneys Office all investigative materials that have been generated or come into the possession of the department concerning the homicide or non-homicide felony.

Investigative materials include, but are not limited to, reports and memoranda. In homicide investigations, investigative materials also include field notes.

610.3 COMPLIANCE
The Criminal Investigations Division Commander or the Chief of Police or his or her designee shall implement appropriate procedures, including the periodic review of all homicide and "non-homicide felony" case files to ensure that all investigative materials and exculpatory evidence has been provided to the State's Attorney's Office.

All department personnel shall document in writing the tendering of investigative materials to the State's Attorney's Office and include the date, description of materials transmitted and to whom the materials were tendered.

The Department shall cooperate with all requests for investigative materials made by the State's Attorney in a timely and efficient manner.

610.4 CONTINUING OBLIGATIONS
The duty to disclose exculpatory information under this policy continues throughout the course of the prosecution of the case, remains after a defendant's conviction and until the fact finding proceedings, or the possibility of further proceedings, have ended.
Eyewitness Identification

612.1 PURPOSE AND SCOPE
This policy sets forth guidelines to be used when members of this department employ eyewitness identification techniques.

612.1.1 DEFINITIONS
Definitions related to the policy include:

Eyewitness identification process - Any field identification, live lineup or photographic identification.

Field identification - A live presentation of a single individual to a witness following the commission of a criminal offense for the purpose of identifying or eliminating the person as the suspect.

Live lineup - A live presentation of individuals to a witness for the purpose of identifying or eliminating an individual as the suspect.

Photographic lineup - Presentation of photographs to a witness for the purpose of identifying or eliminating an individual as the suspect.

612.2 POLICY
This department will strive to use eyewitness identification techniques, when appropriate, to enhance the investigative process and will emphasize identifying persons responsible for crime and exonerating the innocent.

612.3 INTERPRETIVE SERVICES
Officers should make a reasonable effort to arrange for an interpreter before proceeding with eyewitness identification if communication with a witness is impeded due to language or hearing barriers.

Before the interpreter is permitted to discuss any matter with the witness, the investigating officer should explain the identification process to the interpreter. Once it is determined that the interpreter comprehends the process and can explain it to the witness, the eyewitness identification may proceed as provided for within this policy.

612.4 EYEWITNESS IDENTIFICATION FORM
The Criminal Investigations supervisor or the Chief of Police or his or her designee shall be responsible for the development and maintenance of an eyewitness identification process for use by members when they are conducting eyewitness identifications.

The process and any related forms or reports should provide:

(a) The date, time and location of the eyewitness identification procedure.
(b) The name and identifying information of the witness.
(c) The name of the person administering the identification procedure.
Eyewitness Identification

(d) If applicable, the names of all of the individuals present during the identification procedure.

(e) An admonishment that the suspect's photograph may or may not be among those presented and that the witness is not obligated to make an identification.

(f) An admonishment to the witness that the investigation will continue regardless of whether an identification is made by the witness.

(g) A signature line where the witness acknowledges that he/she understands the identification procedures and instructions.

The process and related forms should be reviewed at least annually and modified when necessary.

612.5 EYEWITNESS IDENTIFICATION

Officers are cautioned not to, in any way, influence a witness as to whether any subject or photo presented in a lineup is in any way connected to the case. Officers should avoid mentioning that:

- The individual was apprehended near the crime scene.
- The evidence points to the individual as the suspect.
- Other witnesses have identified, or failed to identify, the individual as the suspect.

In order to avoid undue influence, witnesses should view suspects or a lineup individually and outside the presence of other witnesses. Witnesses should be instructed to avoid discussing details of the incident or of the identification process with other witnesses.

Whenever feasible, the eyewitness identification procedure should be audio and/or video recorded and the recording should be retained according to current evidence procedures.

612.5.1 PHOTOGRAPHIC LINEUP AND LIVE LINEUP CONSIDERATIONS

When practicable, the person composing the lineup and the person presenting the lineup should not be directly involved in the investigation of the case. When this is not possible, the member presenting the lineup must take the utmost care not to communicate the identity of the suspect in any way.

When practicable, the employee presenting a lineup to a witness should not know which photograph or person is the suspect.

Other persons or photos used in any lineup should bear similar characteristics to the suspect to avoid causing him/her to unreasonably stand out. In cases involving multiple suspects, a separate lineup should be conducted for each suspect. The suspects should be placed in a different order within each lineup.

The employee presenting the lineup to a witness should do so sequentially and not simultaneously (i.e., show the witness one person at a time). The witness should view all persons in the lineup.

The order of the suspect or the photos and the fillers should be randomized before being presented to each witness.

A live lineup should only be used before criminal proceedings have been initiated against the suspect. If there is any question as to whether any criminal proceedings have begun, the investigating officer should contact the appropriate prosecuting attorney before proceeding.
612.5.2 FIELD IDENTIFICATION CONSIDERATIONS

Field identifications, also known as field elimination show-ups or one-on-one identifications, may be helpful in certain cases, where exigent circumstances make it impracticable to conduct a photo or live lineup identifications. A field elimination or show-up identification should not be used when independent probable cause exists to arrest a suspect. In such cases a live or photo lineup is the preferred course of action if eyewitness identification is contemplated.

When initiating a field identification, the officer should observe the following guidelines:

(a) Obtain a complete description of the suspect from the witness.

(b) Assess whether a witness should be included in a field identification process by considering:
   1. The length of time the witness observed the suspect.
   2. The distance between the witness and the suspect.
   3. Whether the witness could view the suspect's face.
   4. The quality of the lighting when the suspect was observed by the witness.
   5. Whether there were distracting noises or activity during the observation.
   6. Any other circumstances affecting the witness's opportunity to observe the suspect.
   7. The length of time that has elapsed since the witness observed the suspect.

(c) If safe and practicable, the person who is the subject of the show-up should not be handcuffed or in a patrol vehicle.

(d) When feasible, officers should bring the witness to the location of the suspect, rather than bring the suspect to the witness.

(e) A person should not be shown to the same witness more than once.

(f) In cases involving multiple suspects, witnesses should only be permitted to view the suspects one at a time.

(g) A person in a field identification should not be required to put on clothing worn by the suspect, to speak words uttered by the suspect or to perform other actions mimicking those of the suspect.

(h) If a witness positively identifies an individual as the perpetrator, officers should not conduct any further field identifications with other witnesses for that suspect. In such instances officers should document the contact information for any additional witnesses for follow up, if necessary.

612.6 DOCUMENTATION

A thorough description of the eyewitness process and the results of any eyewitness identification should be documented in the case report. Witness comments of how certain he/she is of the identification or non-identification should be quoted in the report.

If a photographic lineup is utilized, a copy of the photographic lineup presented to the witness should be included in the case report. In addition, the order in which the photographs were presented to the witness should be documented in the case report (725 ILCS 107A-5).
Brady Material Disclosure

614.1 PURPOSE AND SCOPE
This policy establishes guidelines for identifying and releasing potentially exculpatory or impeachment information (so-called Brady information) to a prosecuting attorney.

614.1.1 DEFINITIONS
Definitions related to this policy include:

Brady information - Information known or possessed by the Metro East Police District that is both favorable and material to the current prosecution or defense of a criminal defendant.

614.2 POLICY
The Department will conduct fair and impartial criminal investigations and will provide the prosecution with both incriminating and exculpatory evidence, as well as information that may adversely affect the credibility of a witness. In addition to reporting all evidence of guilt, the Department will assist the prosecution by complying with its obligation to disclose information that is both favorable and material to the defense. The Department will identify and disclose to the prosecution potentially exculpatory information, as provided in this policy.

614.3 DISCLOSURE OF INVESTIGATIVE INFORMATION
Officers must include in their investigative reports adequate investigative information and reference to all material evidence and facts that are reasonably believed to be either incriminating or exculpatory to any individual in the case. If an officer learns of potentially incriminating or exculpatory information any time after submission of a case, the officer or the handling investigator must prepare and submit a supplemental report documenting such information as soon as practicable. Supplemental reports shall be promptly processed and transmitted to the prosecutor's office.

If information is believed to be privileged or confidential (e.g., confidential informant or protected personnel files), the officer should discuss the matter with a supervisor and/or prosecutor to determine the appropriate manner in which to proceed.

Evidence or facts are considered material if there is a reasonable probability that they would affect the outcome of a criminal proceeding or trial. Determining whether evidence or facts are material often requires legal or even judicial review. If an officer is unsure whether evidence or facts are material, the officer should address the issue with a supervisor.

Supervisors who are uncertain about whether evidence or facts are material should address the issue in a written memo to an appropriate prosecutor. A copy of the memo should be retained in the Department case file.

614.4 DISCLOSURE OF PERSONNEL INFORMATION
If a member of this department is a material witness in a criminal case, a person or persons designated by the Chief of Police shall examine the personnel file and/or internal affairs file of the officer to determine whether they contain Brady information. If Brady information is located, the following procedure shall apply:

Adopted: 2014/01/01 © 1995-2013 Lexipol, LLC
Brady Material Disclosure

(a) In the event that a motion has not already been filed by the criminal defendant or other party, the prosecuting attorney and department member shall be notified of the potential presence of Brady material in the member's personnel file.

(b) The prosecuting attorney or department counsel should be requested to file a motion in order to initiate an in camera review by the court.

1. If no motion is filed, the supervisor should work with counsel to determine whether the records should be disclosed to the prosecutor.

(c) The Custodian of Records shall accompany all relevant personnel files during any in camera inspection to address any issues or questions raised by the court.

(d) If the court determines that there is relevant Brady material contained in the files, only that material ordered released will be copied and released to the parties filing the motion.

1. Prior to the release of any materials pursuant to this process, the Custodian of Records should request a protective order from the court limiting the use of such materials to the involved case and requiring the return of all copies upon completion of the case.

(e) If a court has determined that relevant Brady information is contained in the member's file in any case, the prosecutor should be notified of that fact in all future cases involving that member.

The person or persons designated by the Chief of Police should periodically examine the personnel files and/or internal affairs files of all officers who may be material witnesses in criminal cases to determine whether they contain Brady information. The obligation to provide Brady information is ongoing. If any new Brady information is identified, the prosecuting attorney should be notified.

614.5 INVESTIGATING BRADY ISSUES

If the Department receives information from any source that a member may have issues of credibility, dishonesty or has been engaged in an act of moral turpitude or criminal conduct, the information shall be investigated and processed in accordance with the Personnel Complaints Policy.

614.6 TRAINING

Department personnel should receive periodic training on the requirements of this policy.
Chapter 7 - Equipment
Department Owned and Personal Property

700.1 PURPOSE AND SCOPE

(d) Department property shall not be thrown away, sold, traded, donated, destroyed, or otherwise disposed of without proper authority.

(e) In the event that any Department property becomes damaged or unserviceable, no employee shall attempt to repair the property without prior approval of a supervisor.

700.3 FILING CLAIMS FOR PERSONAL PROPERTY
Claims for reimbursement for damage or loss of personal property must be made on the proper form. This form is submitted to the employee's immediate supervisor. The supervisor may require a separate written report of the loss or damage.

The supervisor shall direct a memo to the appropriate Division Commander, which shall include the results of his/her investigation and whether the employee followed proper procedures. The supervisor's report shall address whether reasonable care was taken to prevent the loss or damage.

Upon review by staff and a finding that no misconduct or negligence was involved, repair or replacement may be recommended by the Chief of Police who will then forward the claim to the Finance Department.

The Department will not replace or repair luxurious or overly expensive items (jewelry, exotic equipment, etc.) that are not reasonably required as a part of work.
700.3.1 REPORTING REQUIREMENT
A verbal report shall be made to the employee’s immediate supervisor as soon as circumstances permit.

(b) A written report shall be submitted before the employee goes off duty or within the time frame directed by the supervisor to whom the verbal report is made.

700.4.1 DAMAGE BY PERSON OF ANOTHER AGENCY
If employees of another jurisdiction cause damage to real or personal property belonging to the City, it shall be the responsibility of the employee present or the employee responsible for the property to make a verbal report to his/her immediate supervisor as soon as circumstances permit. The employee shall submit a written report before going off duty or as otherwise directed by the supervisor.

These written reports, accompanied by the supervisor’s written report, shall promptly be forwarded to the appropriate Division Commander.

700.5 INSPECTIONS OF DEPARTMENT OWNED PROPERTY
A designee of the Metro East Police District Commission shall conduct an inspection of all department owned property including but not limited to equipment, uniforms and vehicles at least annually. This inspection shall be documented and submitted to the Metro East Police District Commission for approval.
Personal Communication Devices

702.1 PURPOSE AND SCOPE
The purpose of this policy is to establish guidelines for the use of mobile telephones and communication devices, whether issued by the Department or personally owned, while on-duty or when used for authorized work-related purposes.

This policy generically refers to all such devices as Personal Communication Devices (PCD) but is intended to include all mobile telephones, personal digital assistants (PDA) and similar wireless two-way communications and/or portable Internet access devices. PCD use includes, but is not limited to, placing and receiving calls, text messaging, blogging and microblogging, e-mailing, using video or camera features, playing games and accessing sites or services on the Internet.

702.2 POLICY
The Department allows employees to utilize department-issued PCDs and to possess personally owned PCDs in the workplace, subject to certain limitations. Any PCD used while on-duty, or used off-duty in any manner reasonably related to the business of the Department, will be subject to monitoring and inspection consistent with the standards set forth in this policy.

The inappropriate use of a PCD while on-duty may impair officer safety. Additionally, employees are advised and cautioned that the use of a personally owned PCD either on-duty or after duty hours for business-related purposes may subject the employee and the employee's PCD records to civil or criminal discovery or disclosure under applicable public records laws.

Employees who have questions regarding the application of this policy or the guidelines contained herein are encouraged to seek clarification from supervisory personnel.

702.3 PRIVACY POLICY
Employees shall have no expectation of privacy with regard to any communication made with or stored in or through PCDs issued by the Department and shall have no expectation of privacy in their location should the device be equipped with location detection capabilities. The use of any department-provided or -funded PCD, computer, Internet service, telephone service or other wireless service while on-duty is without any expectation of privacy that the employee might otherwise have in any communication, including the content of any such communication. Communications or data reception on personal, password-protected, web-based e-mail accounts and any other services are subject to monitoring if department equipment is used.

In accordance with this policy, supervisors are authorized to conduct a limited administrative search of electronic files without prior notice, consent or a search warrant, on department-issued or personally owned PCDs that have been used to conduct department-related business. Administrative searches can take place for work-related purposes that may be unrelated to investigations of employee misconduct and, as practicable, will be done in the presence of the affected employee. Prior to conducting any search of personally owned devices, supervisors shall consult with Personnel Department and/or the Chief of Police. All such searches shall be fully documented in a written report.
702.4 DEPARTMENT-ISSUED PCD
Depending on an employee’s assignment and the needs of the position, the Department may, at its discretion, issue a PCD. Department-issued PCDs are provided as a convenience to facilitate on-duty performance only. Such devices and the associated telephone number shall remain the sole property of the Department and shall be subject to inspection or monitoring (including all related records and content) at any time without notice and without cause.

Unless an employee is expressly authorized by the Chief of Police or the authorized designee for off-duty use of the PCD, the PCD will either be secured in the workplace at the completion of the tour of duty or will be turned off when leaving the workplace.

702.5 PERSONALLY OWNED PCD
Employees may carry a personally owned PCD while on-duty, subject to the following conditions and limitations:

(a) Carrying a personally owned PCD is a privilege, not a right.
(b) The Department accepts no responsibility for loss of or damage to a personally owned PCD.
(c) Employees shall promptly notify the Department in the event the PCD is lost or stolen.
(d) The PCD and any associated services shall be purchased, used and maintained solely at the employee’s expense.
(e) The device should not be used for work-related purposes except in exigent circumstances (e.g., unavailability of radio communications). Employees will have a reduced expectation of privacy when using a personally owned PCD in the workplace and have no expectation of privacy with regard to any department business-related communication.
(f) The device shall not be utilized to record or disclose any business-related information, including photographs, video or the recording or transmittal of any information or material obtained or made accessible as a result of employment with the Department, without the express authorization of the Chief of Police or the authorized designee.
(g) Use of a personally owned PCD constitutes consent for the Department to access the PCD to inspect and copy data to meet the needs of the Department, which may include litigation, public records retention and release obligations and internal investigations. If the PCD is carried on-duty, employees will provide the Department with all telephone access numbers of the device.

Except with prior express authorization from their supervisor, employees are not obligated or required to carry, access, monitor or respond to electronic communications using a personally owned PCD while off-duty. If an employee is in an authorized status that allows for appropriate compensation consistent with policy or existing collective bargaining agreements, or if the employee has prior express authorization from his/her supervisor, the employee may engage in business-related communications. Should employees engage in such approved off-duty communications or work, employees entitled to compensation shall promptly document the time worked and communicate the information to their supervisor to ensure appropriate compensation. Employees who independently document off-duty department-related business activities in any manner shall promptly provide the Department with a copy of such records to ensure accurate record keeping.
702.6 USE OF PERSONAL COMMUNICATION DEVICES
The following protocols shall apply to all PCDs that are carried while on-duty or used to conduct department business:

(a) A PCD shall not be carried in a manner that allows it to be visible while in uniform, unless it is in an approved carrier.

(b) All PCDs in the workplace shall be set to silent or vibrate mode.

(c) A PCD may not be used to conduct personal business while on-duty, except for brief personal communications (e.g., informing family of extended hours). Employees shall endeavor to limit their use of PCDs to authorized break times, unless an emergency exists.

(d) Employees may use a PCD to communicate with other personnel in situations where the use of the radio is either impracticable or not feasible. PCDs should not be used as a substitute for, as a way to avoid or in lieu of regular radio communications.

(e) Officers are prohibited from taking pictures, video or making audio recording or making copies of any such picture or recording media unless it is directly related to official department business. Disclosure of any such information to any third party through any means, without the express authorization of the Chief of Police or the authorized designee, may result in discipline.

(f) Employees will not access social networking sites for any purpose that is not official department business.

(g) Using PCDs to harass, threaten, coerce or otherwise engage in inappropriate conduct with any third party is prohibited. Any employee having knowledge of such conduct shall promptly notify a supervisor.

702.7 SUPERVISORY RESPONSIBILITIES
Supervisors should ensure that members under their command are provided appropriate training on the use of PCDs consistent with this policy. Supervisors should monitor, to the extent practicable, PCD use in the workplace and take prompt corrective action if an employee is observed or reported to be improperly using a PCD. An investigation into improper conduct should be promptly initiated when circumstances warrant.

If, when carrying out any provision of this policy, the need to contact an employee who is off-duty arises, supervisors should consider delaying the contact, if practicable, until the employee is on-duty, as such contact may be compensable.

702.8 USE WHILE DRIVING
The use of a PCD while driving can adversely affect safety, cause unnecessary distractions and present a negative image to the public. Officers operating emergency vehicles should restrict the use of these devices to matters of an urgent nature and should, where practicable, stop the vehicle at an appropriate location to use the PCD.

Except in an emergency, employees who are operating non-emergency vehicles shall not use a PCD while driving unless the device is specifically designed and configured to allow hands-free use (625 ILCS 5/12-610.2). Hands-free use should be restricted to business-related calls or calls of an urgent nature.

702.9 OFFICIAL USE
Employees are reminded that PCDs are not secure devices and conversations may be intercepted or overheard. Caution should be exercised while utilizing PCDs to ensure
Personal Communication Devices

Sensitive information is not inadvertently transmitted. As soon as reasonably possible, employees shall conduct sensitive or private communications on a land-based or other department communications network.

The following situations are examples of when the use of a PCD may be appropriate:

(a) Barricaded suspects
(b) Hostage situations
(c) Mobile Command Post
(d) Catastrophic disasters, such as plane crashes, earthquakes, floods, etc.
(e) Major political or community events
(f) Investigative stakeouts
(g) Emergency contact with an allied agency or allied agency field unit
(h) When immediate communication is needed and the use of the radio is not available or appropriate and other means are not readily available

The Department provides vehicles for official business use and may assign take-home vehicles based on its determination of operational efficiency, economic impact to the Department, tactical deployments and other considerations.

706.3 USE OF VEHICLES
City-owned vehicles shall only be used for official business and, when approved, for commuting to allow members to respond to department-related business outside their regular work hours.

Members shall not operate a City-owned vehicle at any time when impaired by drugs and/or alcohol.

Any member operating a vehicle equipped with a two-way communications radio, MDT and/or a GPS device shall ensure the devices are on and set to an audible volume whenever the vehicle is in operation.

706.3.1 SHIFT ASSIGNED VEHICLES
Members who use a fleet vehicle as part of their work assignment shall ensure that the vehicle is properly checked out and logged on the daily shift roster, according to current procedures, prior to taking it into service. If for any reason during the shift the vehicle is exchanged, the member shall ensure that the exchanged vehicle is likewise properly noted on the daily shift roster.

706.3.6 PARKING
Except when responding to an emergency or other urgent official business requires otherwise, members driving City-owned vehicles should obey all parking regulations at all times.

City-owned vehicles should be parked in their assigned stalls. Members shall not park privately owned vehicles in any stall assigned to a City-owned vehicle or in any other areas of the parking lot that are not designated as a parking space, unless authorized by a supervisor. Privately owned motorcycles shall be parked in designated areas.

706.3.7 INSPECTIONS
The interior of any vehicle that has been used to transport any person other than a member should be inspected prior to placing another person in the vehicle and again after the person is removed. This is to ensure that unauthorized or personal items have not been left in the vehicle.

(a) The member must live within a 30-minute commute of his/her regularly assigned work location (based on average traffic flow). (i) All department identification, portable radios and equipment should be secured.

Members are cautioned that under federal and local tax rules, personal use of a City-owned vehicle may create an income tax liability to the member. Members should address questions regarding tax consequences to their tax adviser.

The assignment of vehicles is at the discretion of the Chief of Police. Assigned vehicles may be changed at any time and/or permission to take home a vehicle may be withdrawn at any time.

706.5 KEYS AND SECURITY

All uniformed field members approved to operate marked patrol vehicles should be issued a copy of the unit key as part of their initial equipment distribution upon hiring. Officers shall not duplicate keys.

The loss of any key shall be promptly reported in writing through the member's chain of command.

706.6 ENFORCEMENT ACTIONS

When driving an assigned vehicle to and from work outside of the jurisdiction of the Department, an officer should avoid becoming directly involved in enforcement actions except in those circumstances where a potential threat to life or serious property damage exists (see the Off-Duty Law Enforcement Actions Policy and the Law Enforcement Authority Policy).

Officers may render public assistance (e.g., to a stranded motorist) when deemed prudent.

Officers shall, at all times while driving a marked City-owned vehicle, be armed, appropriately attired and carry their department-issued identification. Officers should also ensure that department radio communication capabilities are maintained to the extent feasible.
Vehicle Use

706.7 MAINTENANCE
Members are responsible for the cleanliness (exterior and interior) and overall maintenance of their assigned vehicles.

Members shall make daily inspections of their assigned vehicles for service/maintenance requirements and damage. It is the assigned member's responsibility to ensure that his/her assigned vehicle is maintained according to the established service and maintenance schedule.

Supervisors shall make, at a minimum, monthly inspections of vehicles assigned to members under their command to ensure the vehicles are being maintained in accordance with policy.

706.7.1 ACCESSORIES AND/OR MODIFICATIONS
No modifications, additions or removal of any equipment or accessories shall be made to the vehicle without written permission from the Division Commander.

706.8 VEHICLE DAMAGE, ABUSE AND MISUSE
When a City-owned vehicle is involved in a traffic crash or otherwise incurs damage, the involved member shall promptly notify a supervisor. Any traffic crash report shall be filed with the agency having jurisdiction (see also the Traffic Crash Reporting Policy).

When a crash involves a City vehicle or when a member of this department is an involved driver in a crash that occurs in this jurisdiction, and the crash results in serious injury or death, the supervisor should request that an outside law enforcement agency investigate the crash.

The member involved in the crash shall complete the City's vehicle crash form. If the member is unable to complete the form, the supervisor shall complete the form.

Any damage to a vehicle that was not caused by a traffic crash shall be immediately reported during the shift in which the damage was discovered, documented in memorandum format and forwarded to the Shift Commander. An administrative investigation should be initiated to determine if there is any vehicle abuse or misuse.

706.9 TOLL ROAD USAGE
Law enforcement vehicles are not routinely exempted from incurring toll road charges.

To avoid unnecessary toll road charges, all members operating a City-owned vehicle upon the toll road shall adhere to the following:

(a) All members operating a City-owned vehicle for any reason other than in response to an emergency shall pay the appropriate toll charge or utilize the appropriate toll way transponder. Members may submit for reimbursement from the City for any toll fees incurred in the course of official business.

(b) All members passing through a toll plaza or booth during a response to an emergency shall notify, in writing, the appropriate Division Commander within five working days explaining the circumstances.
Chapter 8 - Support Services
Communication Operations

802.1 PURPOSE AND SCOPE
The basic function of the communications system is to satisfy the immediate information needs of the law enforcement agency in the course of its normal daily activities and during emergencies. The latter situation places the greatest demands upon the communications system and tests the capability of the system to fulfill its functions. Measures and standards of performance are necessary to assess the effectiveness with which any department, large or small, uses available information technology in fulfillment of its missions.

802.1.1 FCC COMPLIANCE
Department radio operations shall be conducted in accordance with Federal Communications Commission (FCC) procedures and guidelines.

802.2 COMMUNICATION OPERATIONS
This department provides 24-hour telephone service to the public for information or assistance that may be needed in emergencies. The ability of citizens to telephone quickly and easily for emergency service is critical. This department provides access to the 9-1-1 system for a single emergency telephone number. This department has two-way radio capabilities providing continuous communication between the Communications Center and the officers.

802.2.1 COMMUNICATIONS LOG
It shall be the responsibility of the Communications Center to record all relevant information on calls for criminal and non-criminal service or self-initiated activity. Employees shall attempt to elicit as much information as possible to enhance the safety of officers and assist in anticipating conditions to be encountered at the scene. Desirable information would include, at a minimum, the following:

• Control number
• Date and time of request
• Name and address of complainant, if possible
• Type of incident reported
• Location of incident reported
• Identification of officer(s) assigned as primary and backup
• Time of dispatch
• Time of the officer's arrival
• Time of officer's return to service
• Disposition or status of reported incident

802.3 RADIO COMMUNICATIONS
Operations are more efficient and officer safety is greatly enhanced when dispatchers, supervisors, and fellow officers know the status of officers, their locations and the nature of cases.
802.3.1 OFFICER IDENTIFICATION

Identification systems are based on factors such as beat assignment and officer identification numbers. Employees should use the entire call sign when initiating communication with the telecommunicator. The use of the call sign allows for a brief pause so that the telecommunicator can acknowledge the appropriate unit. Employees initiating communication with other agencies shall use their entire call sign. This requirement does not apply to continuing conversation between the mobile unit and telecommunicator once the mobile unit has been properly identified.
Property and Evidence

804.1 PURPOSE AND SCOPE
This policy provides for the proper collection, storage, and security of evidence and other property. Additionally, this policy provides for the protection of the chain of evidence and those persons authorized to remove and/or destroy property.

804.2 DEFINITIONS
Property - Includes all items of evidence, items taken for safekeeping, lost or found property and abandoned property.

Evidence - Includes items taken or recovered in the course of an investigation that may be used in the prosecution of a case. This includes photographs and latent fingerprints.

Safekeeping - Includes the following types of property:
• Property obtained by the Department for safekeeping such as a firearm
• Personal property of an arrestee not taken as evidence
• Property taken for safekeeping under authority of a law

Lost or Found Property - Includes property found by an employee or citizen that has no apparent evidentiary value and where the owner cannot be readily identified or contacted.

Abandoned Property - Includes property found by an employee or citizen that appears to be intentionally left or discarded by the owner.

804.3 PROPERTY HANDLING
Any employee who first comes into possession of any property, shall retain such property in his/her possession until it is properly tagged and placed in the designated property locker or storage room along with the property form. Care shall be taken to maintain the chain of custody for all evidence.

Where ownership can be established as to found property with no apparent evidentiary value, such property may be released to the owner without the need for booking. The property form must be completed to document the release of property not booked and the owner shall sign the form acknowledging receipt of the item(s).

804.3.1 PROPERTY BOOKING PROCEDURE
All property must be booked prior to the employee going off-duty unless otherwise approved by a supervisor. Employees booking property shall observe the following guidelines:

(a) Complete the property form describing each item of property separately, listing all serial numbers, owner's name, finder's name, and other identifying information or markings.
(b) Mark each item of evidence with the booking employee's initials and the date booked using the appropriate method so as not to deface or damage the value of the property.
(c) Complete an evidence/property tag and attach it to each package or envelope in which the property is stored.
Property and Evidence

(d) Place the case number in the upper right hand corner of the bag, or in the appropriate space on packaging.

(e) The original property form shall be submitted with the case report. A copy shall be placed with the property in the temporary property locker or with the property if property is stored somewhere other than a property locker.

(f) When the property is too large to be placed in a locker, the item may be retained in the supply room. Submit the completed property record into a numbered locker indicating the location of the property.

804.3.2 NARCOTICS AND DANGEROUS DRUGS

All narcotics and dangerous drugs shall be booked separately using a separate property record.

The officer seizing the narcotics and dangerous drugs shall place them in the designated locker accompanied by two copies of the form for the central records and Detectives. The remaining copy will be detached and submitted with the case report.

The bomb squad will be called to handle explosive-related incidents and will be responsible for the handling, storage, sampling and disposal of all suspected explosives.

Explosives will not be retained in the police facility. Only fireworks that are considered stable and safe and road flares or similar signaling devices may be booked into property. All such items shall be stored in proper containers and in an area designated for the storage of flammable materials. The property and evidence technician is responsible for transporting to the Fire Department, on a regular basis, any fireworks or signaling devices that are not retained as evidence.

804.3.4 EXCEPTIONAL HANDLING

Certain property items require a separate process. The following items shall be processed in the described manner:

(a) Bodily fluids such as blood or semen stains shall be air dried prior to booking.

(b) License plates found not to be stolen or connected with a known crime, should be released directly to the property and evidence technician, or placed in the designated container for return to the Illinois Secretary of State. No formal property booking process is required.

(c) All bicycles and bicycle frames require a property record. Property tags will be securely attached to each bicycle or bicycle frame. The property may be released directly to the property and evidence technician, or placed in the bicycle storage area until a property and evidence technician can log the property.

(d) All cash shall be counted in the presence of a supervisor and the envelope initialed by the booking officer and the supervisor. The Shift Commander shall be contacted for cash in excess of $1,000 for special handling procedures.

City property, unless connected to a known criminal case, should be released directly to the appropriate City department. No formal booking is required. In cases where no responsible person can be located, the property should be booked for safekeeping in the normal manner.
804.4 PACKAGING OF PROPERTY
Certain items require special consideration and shall be booked separately as follows:

(a) Narcotics, dangerous drugs and drug paraphernalia.
(b) Firearms (ensure they are unloaded and made temporarily inoperable by placing a zip-tie or other item through the barrel and breach). Firearms shall be booked separately from ammunition).
(c) Property with more than one known owner.
(d) Fireworks, explosives or flammable liquids/gases shall be photographed and taken to the Fire Department.
(e) Contraband.

804.4.1 PACKAGING CONTAINER
Employees shall package all property, except narcotics and dangerous drugs in a suitable container available for its size. Knife boxes should be used to package knives, and syringe tubes should be used to package syringes and needles.

A property tag shall be securely attached to the outside of all items or group of items packaged together.

804.4.2 PACKAGING NARCOTICS
The officer seizing narcotics and dangerous drugs shall retain such property in their possession until it is properly weighed, packaged, tagged, and placed in the designated narcotics locker, accompanied by two copies of the property record. Prior to packaging and if the quantity allows, a presumptive test should be made on all suspected narcotics. If conducted, the results of this test shall be included in the officer's report.

Narcotics and dangerous drugs shall be packaged in an envelope of appropriate size available in the report room. The booking officer shall initial the sealed envelope and the initials covered with cellophane tape. Narcotics and dangerous drugs shall not be packaged with other property.

A completed property tag shall be attached to the outside of the container. The chain of evidence shall be recorded on the back of this tag.

804.5 RECORDING OF PROPERTY
The property and evidence technician receiving custody of evidence or property shall record his/her signature, the date and time the property was received and where the property will be stored on the property control card.

A property number shall be obtained for each item or group of items. This number shall be recorded on property tag and the property control card.

Any changes in the location of property held by the Metro East Police District shall be noted in the property logbook.

804.6 PROPERTY CONTROL
Each time the property and evidence technician receives property or releases property to another person, he/she shall enter this information on the property control card. Officers desiring property for court shall contact the property and evidence technician at least one day prior to the court day.
804.6.1 RESPONSIBILITY OF OTHER PERSONNEL
Every time property is released or received, an appropriate entry on the evidence package shall be completed to maintain the chain of possession. No property or evidence is to be released without first receiving written authorization from a supervisor or detective.

Request for analysis for items other than narcotics or drugs shall be completed on the appropriate forms and submitted to the property and evidence technician. This request may be filled out any time after booking of the property or evidence.

804.6.2 TRANSFER OF EVIDENCE TO CRIME LABORATORY
The transporting employee will check the evidence out of property, indicating the date and time on the property control card and the request for laboratory analysis.

The property and evidence technician releasing the evidence must complete the required information on the property control card and the evidence. The lab forms will be transported with the property to the examining laboratory. Upon delivering the item involved, the officer will record the delivery time on both copies, and indicate the locker in which the item was placed or the employee to whom it was delivered. The original copy of the lab form will remain with the evidence and the copy will be returned to the central records for filing with the case.

The Evidence Room Supervisor will ensure that Illinois State Police Sexual Assault Evidence Kits are submitted to an approved laboratory in conformance with the rules set forth in 20 Illinois Administrative Code 1255.10 et seq.

804.6.3 STATUS OF PROPERTY
Each person receiving property will make the appropriate entry to document the chain of evidence. Temporary release of property to officers for investigative purposes, or for court, shall be noted on the property control card, stating the date, time and to whom released.

The property and evidence technician shall obtain the signature of the person to whom property is released, and the reason for release. Any employee receiving property shall be responsible for such property until it is properly returned to property or properly released to another authorized person or entity.

The return of the property should be recorded on the property control card, indicating date, time, and the person who returned the property.

804.6.4 AUTHORITY TO RELEASE PROPERTY
The Detective Bureau or the Chief of Police or his or her designee shall authorize the disposition or release of all evidence and property coming into the care and custody of the Department.

804.6.5 RELEASE OF PROPERTY
All reasonable attempts shall be made to identify the rightful owner of found property or evidence not needed for an investigation.

Release of property shall be made upon reasonable and satisfactory proof of ownership or right to possession. Release shall be granted upon receipt of an authorized release form, listing the name and address of the person to whom the property is to be released. The release authorization shall be signed by the authorizing supervisor or detective and must conform to the items listed on the property form or must specify the specific item(s)
to be released. Release of all property shall be documented on the property form. The Department may require reimbursement for all reasonable expenses of such custody (765 ILCS 1030/2(a)).

With the exception of firearms and other property specifically regulated by statute, found property and property held for safekeeping shall be held for a minimum of 6 months. During such period, property personnel shall attempt to contact the rightful owner by telephone and/or mail when sufficient identifying information is available. Property not held for any other purpose and not claimed within 6 months after notification (or receipt, if notification is not feasible) may be auctioned to the highest bidder at a properly published public auction. If such property is not sold at auction or otherwise lawfully claimed, the Chief of Police may donate property valued at less than $100, and the donation is approved by the Department governing body, to a registered Illinois charitable organization. It may also be transferred to the government of which the law enforcement agency is a branch. If such property is not sold at auction or otherwise lawfully claimed, it may be offered or sold at a subsequent public auction without notice. The final disposition of all such property shall be fully documented in related reports (765 ILCS 1030/3).

Proceeds of the sale of the property at public auction, less reimbursement of the reasonable expenses of custody thereof, shall be deposited in the city/county treasury (765 ILCS 1030/5).

A property and evidence technician shall release the property upon proper identification being presented by the owner for which an authorized release has been received. A signature of the person receiving the property shall be recorded on the original property form. After release of all property entered on the property control card, the card shall be forwarded to the central records for filing with the case. If some items of property have not been released the property card will remain with the Evidence Room. Upon release, the proper entry shall be documented in the Property Log.

804.6.6 DISPUTED CLAIMS TO PROPERTY
Occasionally more than one party may claim an interest in property being held by the Department, and the legal rights of the parties cannot be clearly established. Such property shall not be released until one party has obtained a valid court order or other undisputed right to the involved property.

All parties should be advised that their claims are civil and in extreme situations, legal counsel for the Department may wish to file an Interpleader in court to resolve the disputed claim (735 ILCS 5/2-409).

804.6.7 CONTROL OF NARCOTICS AND DANGEROUS DRUGS
The Detective Bureau or the Chief of Police or his or her designee will be responsible for the storage, control, and destruction of all narcotics, dangerous drugs and drug paraphernalia coming into the custody of this department. This includes forwarding the property to the Bureau of Narcotics and Dangerous Drugs, U.S. Department of Justice, or its successor agency, for disposition if required (720 ILCS 600/5(e)).

After a judgment of conviction is entered but prior to the end of the statutory retention period, the Department may petition the court to allow destruction of evidence when the evidence:

(a) Has no significant value for forensic analysis and should be returned to its rightful owner.

(b) Has no significant value for forensic analysis and is of a size, bulk, or physical character not usually retained by the Department and cannot practically be retained.

(c) Is no longer needed because of the death of the defendant (does not apply if a sentence of death was imposed).

(d) The court allows the defendant the opportunity to take reasonable measures to remove or preserve portions of the evidence for future testing (725 ILCS 5/116-4(c)).

The Department shall give notice of any such petition to the defendant or his/her estate and the defendant's attorney of record.

A record of all certified mail receipts shall be retained in the appropriate file. Any objection to, or motion regarding, the destruction of the biological evidence should be retained in the case file as well and forwarded to the Detective Bureau supervisor for appropriate disposition.

Even after the retention period, biological evidence related to a homicide may only be destroyed with the written approval of the Chief of Police and the head of the applicable prosecutor's office.

All records associated with the possession, control, storage and destruction of biological evidence shall be retained for as long as the evidence exists and may not be destroyed without the approval of the local records commission (725 ILCS 5/116-4(d-10)).
central records Procedures

806.1 PURPOSE AND SCOPE
The Records Supervisor shall maintain the Department central records Procedures Manual on a current basis to reflect the procedures being followed within the central records. Policies and procedures that apply to all employees of this department are contained in this chapter.

806.1.1 NUMERICAL FILING SYSTEM
Case reports are filed numerically within the central records by central records personnel.

Reports are numbered commencing with the last two digits of the current year followed by a sequential number beginning with 00001 starting at midnight on the first day of January of each year. As an example, case number 09-00001 would be the first new case beginning January 1, 2009.

806.2 FILE ACCESS AND SECURITY
All reports including, but not limited to, initial, supplemental, follow-up, evidence, and all reports critical to a case shall be maintained in a secure area within the central records accessible only to authorized personnel. Access to report files after hours or when records personnel are otherwise not available may be obtained through the Shift Commander.

Department employees shall not access, view or distribute, or allow anyone else to access, view or distribute any record, file or report, whether hard copy or electronic file format, except in accordance with department policy and with a legitimate law enforcement or business purpose or as otherwise permissible by law.

806.2.1 REQUESTING ORIGINAL REPORTS
Generally, original reports shall not be removed from the central records. Should an original report be needed for any reason the requesting employee shall first obtain authorization from the Records Supervisor. All original reports removed from the central records shall be recorded on the Report Check-Out Log which shall constitute the only authorized manner by which an original report may be removed from the central records. In such cases original reports shall only be removed after the Records Supervisor has ensured that an accurate and complete copy of the report has been made to take its place in the central records.

806.2.2 COURT FILES
The central records shall be responsible for preparing files with all necessary documents for court appearances. In no case should original documents be sent to court unless specifically required by subpoena. If a subpoena is issued for an original document, a copy of the subpoena shall be placed in the appropriate central records file and the requirements of Policy Manual § 806.21 shall also be followed.

806.3 REQUISITION OF SUPPLIES
All personnel who are in need of any supplies under the control of the central records shall complete a Requisition of Supplies form available in the central records. The form shall be approved by a supervisor and submitted to the Supply Clerk in the central records.
Only central records personnel shall issue supplies from the supply room, and no supplies will be provided without a Requisition of Supplies form.
Restoration of Firearm Serial Numbers

808.1 PURPOSE AND SCOPE
The primary purpose for restoring firearm serial numbers is to determine the prior owners or origin of the item from which the number has been recovered. Thus, property can be returned to rightful owners or investigations can be initiated to curb illegal trade of contraband firearms. The purpose of this plan is to develop standards, methodologies, and safety protocols for the recovery of obliterated serial numbers from firearms and other objects using procedures that are accepted as industry standards in the forensic community. All personnel who are involved in the restoration of serial numbers will observe the following guidelines.

808.2 PROCEDURE
Any firearm coming into the possession of the Department as evidence, found property, etc., where the serial numbers have been removed or obliterated will be processed in the following manner:

808.2.1 PRELIMINARY FIREARM EXAMINATION
(a) Always keep the muzzle pointed in a safe direction. Be sure the firearm is in an unloaded condition. This includes removal of the ammunition source (e.g., the detachable magazine, contents of the tubular magazine) as well as the chamber contents.
(b) If the firearm is corroded shut or in a condition that would preclude inspection of the chamber contents, treat the firearm as if it is loaded. Make immediate arrangements for a firearms examiner or other qualified examiner to render the firearm safe.
(c) Accurately record/document the condition of the gun when received. Note the positions of the various components such as the safeties, cylinder, magazine, slide, hammer, etc. Accurately record/document cylinder chamber and magazine contents. Package the ammunition separately.
(d) If the firearm is to be processed for fingerprints or trace evidence, process before the serial number restoration is attempted. First record/document important aspects such as halos on the revolver cylinder face or other relevant evidence that might be obscured by the fingerprinting chemicals.
(e) If needed or required, take photographs of the firearm to record the condition and any other marking(s) that may be destroyed after subsequent handling.

808.2.2 PROPERTY BOOKING PROCEDURE
Any employee taking possession of a firearm with removed/obliterated serial numbers shall book the firearm into property following standard procedures. The employee booking the firearm shall indicate on the property form that serial numbers have been removed or obliterated.

808.2.3 OFFICER RESPONSIBILITY
The property and evidence technician receiving a firearm when the serial numbers have been removed or obliterated may arrange for the firearm to be transported to a state or...
Restoration of Firearm Serial Numbers

federal crime lab for restoration and identification. Proper chain of evidence shall be maintained and observed at all times.

808.2.4 DOCUMENTATION
Case reports are prepared in order to document the chain of custody and the initial examination and handling of evidence from the time it is received/collected until it is released.

This report must include a record of the manner in which and/or from whom the firearm was received. This may appear on the request form or property form depending on the type of evidence.

808.2.5 FIREARM TRACE
After the serial number has been restored (or partially restored) by the criminalistics laboratory, the property and evidence technician will complete a Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF) National Tracing Center (NTC) Obliterated Serial Number Trace Request Form (ATF 3312.1-OBL) and forward the form to the NTC in West Virginia, ETrace, which is an Internet based firearms tracing and analysis website offered by ATF, may also be used to trace firearms information.

808.3 OTHER CONSIDERATIONS
Exemplar bullets and cartridge cases from the firearm, depending upon acceptance criteria and protocol, may be submitted to the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF), National Integrated Ballistic Information Network (NIBIN) which uses the Integrated Ballistic Identification System (IBIS) technology to digitize and compare unique markings made by a firearm on bullets and cartridge casings recovered from crime scenes.
Records Release and Security

810.1 PURPOSE AND SCOPE
The purpose of this policy is to establish a comprehensive process for the release of department records in accordance with applicable state and federal law. This policy is also intended to protect against the unwarranted invasion of personal privacy and the disruption of the mission of the Department, independent of the rights of the public to access information.

810.2 POLICY
It is the policy of the Department to promote transparency and accountability. Accordingly, the Department will provide public records as expediently and efficiently as possible in the interest of full and complete disclosure of information regarding decisions, policies, procedures and other aspects of department operations (5 ILCS 140/1).

Department records will be subject to inspection and release pursuant to request, with a limited number of exemptions, as delineated in the Illinois Freedom of Information Act or as otherwise established by federal or state law (5 ILCS 140/7(1) and 5 ILCS 140/7.5).

The Department is not obligated to create, maintain or prepare any public record which was not maintained or prepared prior to the effective date of the Illinois Freedom of Information Act, except as required by law.

810.3 INFORMATION ABOUT DEPARTMENT PUBLIC RECORDS
The Department will prominently display at its headquarters and on the department website, information that conveys the Department's mission, budget, office locations, number of employees and an organizational chart that depicts the department structure and the relationship of the Department to City government. Information identifying the department Freedom of Information Officer, the categories and fee structure of available records, and the process for requesting public records, including the address for submitting requests, will also be displayed (5 ILCS 140/4 and 5 ILCS 140/5).

Requests for records or information from the Department shall be processed as follows.

810.3.1 PROCESSING OF REQUESTS
Any member of the public, including the media and elected officials, may request access to unrestricted records of this department by submitting a written request for each record sought and paying any associated fees. All department records are presumed to be open to inspection or copying (5 ILCS 140/1.2). Any claimed exemptions require a detailed explanation of the basis for denial.

The processing of requests may be subject to fees (5 ILCS 140/6). No fees shall be charged for the first 50 pages of copies, per 5 ILCS 140/6(b).

Fees charged for copying public records shall be limited to the actual cost of duplication or publication. The cost of search, examination, review, and the redaction and separation of exempt from non-exempt information will not be assessed.
Records Release and Security

Fees may be waived by the Administration supervisor if it is determined by the supervisor that the issuance of the record is in the public interest.

810.3.2 DEPARTMENT FREEDOM OF INFORMATION OFFICER
(a) The Department will designate one or more employees to serve as its Freedom of Information Officer (FOIO) (5 ILCS 140/3.5).
(b) Prior to assuming the FOIO duties, but within 30 days after being so designated, the FOIO will undergo and successfully complete the electronic training curriculum as developed by the State Public Access Counselor. The FOIO shall thereafter be recertified on an annual basis (5 ILCS 140/3.5).
(c) The FOIO shall compile and maintain a list of documents or categories of records that the Department will immediately produce upon request.
(d) Any employee receiving a request for inspection or copying of records shall promptly forward the request to the designated FOIO, who will document the date the request was received. The FOIO will compute the date on which the time to respond expires and note the information on the request. The FOIO shall maintain an electronic or hard copy of the request, create a retention file for the request and promptly determine if the record is available or subject to any exemption.
(e) The FOIO shall ensure that requests are processed within five business days after receipt (5 ILCS 140/3(d)), with up to an additional five days permitted for certain exceptions (5 ILCS 140/3(e)). When seeking additional time, written notice shall be given to the requesting party (5 ILCS 140/3(f)).

1. These time frames may be extended for recurrent requesters (5 ILCS 140/3.2).
(f) Requests for records to be used for commercial purposes shall be processed within 21 working days after receipt (5 ILCS 140/3.1).
(g) If a record is requested in electronic format, the record shall be provided in electronic format, if reasonably feasible. If not reasonably feasible, the record shall be furnished in the format in which it is maintained. If furnishing an electronic copy, the Department may charge for the actual cost of the recording medium (5 ILCS 140/6(a)).
(h) The Department is not required to create records that do not otherwise exist in order to accommodate any request (5 ILCS 140/1). However, existing records may be copied in such a manner as to provide the requesting party with unrestricted portions of any record. The Department may delete exempt information contained in records otherwise containing non-exempt material (5 ILCS 140/7).
(i) Denial of a request by the FOIO shall be in writing and identify the specific exemptions being claimed under 5 ILCS 140/9. Failure to respond in a timely manner to a request under the Illinois Freedom of Information Act constitutes a denial (5 ILCS 140/3(d)). Because the Department bears the burden of proof in a denial, the FOIO shall consult with the Administration supervisor prior to issuing a denial.
(j) A detailed factual basis for any claimed exemption and the names and titles of each person responsible for the denial will be provided (5 ILCS 140/9). Each written denial shall also inform the requesting party of the right to appeal to the Public Access Counselor of the Illinois Attorney General (5 ILCS 140/9(a)).
(k) The FOIO shall immediately inform his/her supervisor if contacted by the Public Access Counselor.

810.3.3 SUPERVISORY RESPONSIBILITIES
The Administration supervisor or the Chief of Police or his or her designee shall:
Records Release and Security

(a) Successfully complete the Illinois Freedom of Information Act electronic training curriculum and ensure that the designated department FOIO fully complies with the requirements of the Illinois Freedom of Information Act and the Department Release of Records and Information.

(b) Designate an alternate FOIO, who will be properly trained, and in the absence of the designated FOIO, will function as the department's FOIO.

(c) Promptly remediate any deficiencies in the department FOIO's public records management activities.

(d) Expediously advise the Chief of Police of any denials of public records requests, issues associated with the processing of records requests and requests that may involve potentially sensitive or newsworthy matters.

(e) Consult with the Chief of Police in the event further information is needed regarding the appropriate response to a records request. The Illinois Attorney General may issue advisory opinions to the Department in response to a written request from the Chief of Police regarding compliance questions (5 ILCS 140/9.5(h)).

810.3.4 PUBLIC ACCESS COUNSELOR

Any requestor who believes that a violation of the Illinois Freedom of Information Act has occurred may file a request for review with the Public Access Counselor in the office of the Illinois Attorney General.

If the Public Access Counselor determines that an alleged violation is unfounded, no further action will be taken (5 ILCS 140/9.5). In all other cases, the Public Access Counselor will, within seven working days of receipt, forward a request to the Department accompanied by a specific list of documents for the Department to furnish to the Public Access Counselor. The department FOIO will furnish in a timely manner the requested records or documents within seven working days of receipt, will fully cooperate with the Public Access Counselor (5 ILCS 140/9.5), and will advise the Administration supervisor of all such communications.

Any communication with the Department by the Public Access Counselor shall be promptly brought to the attention of the Chief of Police.

810.4 REPORT RELEASE RESTRICTIONS

In accordance with the Illinois Freedom of Information Act and other applicable Illinois statutes, certain information must be redacted from copies of reports prior to release to non-law enforcement agencies. Absent a court order or other statutory authority, records and/or unrestricted portions of such records of this department shall be made public subject to the following restrictions.

810.4.1 GENERAL CASE AND CRIME REPORTS

The following information will not be released unless required by state or federal law:

810.4.2 ARREST REPORTS

(c) Criminal history records that are court records, records in which the requestor is the individual whose record is sought or records otherwise available are public records, unless release would endanger the life of a law enforcement officer or other individual (5 ILCS 140/2.15(b) and 5 ILCS 140/7(1)(d)).

810.4.3 PERSONNEL RECORDS

Information contained in public records that would constitute an unwarranted invasion of personal privacy, in which the individual's right to privacy outweighs any legitimate interest in obtaining the information, shall not be disclosed. However, the disclosure of personal information that bears on the public duties of employees of this department shall not be considered an invasion of personal privacy (5 ILCS 140/7(1)(c)).

The disclosure of employee performance evaluations is prohibited (820 ILCS 40/11).

Private information, including, but not limited to, unique identifiers such as social security numbers, driver's license numbers, employee identification numbers, biometric identifiers, personal financial information, passwords or access codes, medical records, home or personal telephone numbers, home address, personal e-mail addresses or personal license plates shall not be released unless required by state or federal law (5 ILCS 140/7(1)(b); 5 ILCS 140/2(c-5)).

810.5 OTHER RECORDS

Any record that was created exclusively in anticipation of potential litigation, which would not be subject to discovery or which may be subject to an attorney-client privilege involving this department, shall not be subject to release (5 ILCS 140/7(1)(m)).
Records Release and Security

Citizens requesting conviction information that cannot be released by the Department should be directed to complete a Conviction Information Request Form provided by the Illinois State Police. 810.7 RELEASED RECORDS TO BE STAMPED
Each page of any record released pursuant to statute or law, subpoena or court order shall be stamped in ink with a department stamp identifying the individual to whom the record was released.
Illinois Law Enforcement Agencies Data System (LEADS)

812.1 PURPOSE AND SCOPE
This policy provides guidelines, procedures and regulations for use of the Illinois Law Enforcement Agencies Data System (LEADS), a statewide, computerized telecommunications system designed to provide services, information, and capabilities to the law enforcement and criminal justice community in the State of Illinois (20 Ill. Adm. Code 1240.10(a)).

812.2 AUTHORITY
The Director of the State Police establishes policy, procedures, and regulations consistent with state and federal rules, policies, and law by which LEADS operates. A statewide LEADS Administrator manages the system and a LEADS Advisory Policy Board makes recommendations concerning policies and procedures (20 Ill. Adm. Code 1240.10(b)).

812.3 DEFINITIONS
The following definitions are provided by 20 Ill. Adm. Code 1240.30:

Direct Access - Means a terminal device or computer located on the agency's premises connected by a data communications link to the LEADS computer.

Full Access - Means direct access to all LEADS data and services.

LEADS Data - Means all data available through the LEADS computer.

LEADS Services - Means:
• Providing access to LEADS files
• Processing messages through LEADS
• Providing training and technical support to LEADS users
• Other LEADS-related services that may become available from the Department of State Police

Less Than Full Access - Means limited access to some LEADS data and services.

812.4 LEADS AGENCY COORDINATOR
The Records Supervisor is the designated LEADS Agency Coordinator for the Department. The Records Supervisor is responsible for ensuring compliance with this procedure and with applicable records security regulations and requirements imposed by federal and state law. The Records Supervisor will resolve specific questions that arise regarding authorized recipients of LEADS data (20 Illinois Administrative Code 1240.90). The Records Supervisor shall be trained in accordance with 20 Illinois Administrative Code 1240.90(b).

812.5 PROTECTION OF LEADS DATA
The Personnel Security Requirement for a LEADS agency requires conformance with 20 Illinois Administrative Code 1240.50. Generally, no person may provide maintenance or
technical services at or near LEADS equipment unless they are of good character and have not been convicted of a felony or a crime involving moral turpitude under the laws of this or any other jurisdiction. Any persons may have their authority to provide maintenance or technical services at or near LEADS equipment denied if charged with a felony or a crime involving moral turpitude under the laws of this or any other jurisdiction (20 Illinois Administrative Code 1240.50(3)).

812.5.1 AUTHORIZED LEADS RECIPIENTS
Access to LEADS requires qualification under the criteria set forth in 20 Illinois Administrative Code 1240.30. LEADS operators shall use the terminal only for those purposes for which they are authorized. The individual receiving a request for criminal justice information must ensure the person requesting the information is authorized to receive the data (20 Illinois Administrative Code 1240.50).

812.5.2 BACKGROUND AND TRAINING PROGRAM
All personnel authorized to process or release LEADS data shall be required to complete a background and training program prescribed by the Records Supervisor. The Training Bureau shall coordinate the course to provide training in the proper use, control, and dissemination of LEADS data (20 Illinois Administrative Code 1240.50).

812.5.3 RELEASE OF LEADS DATA
(a) The LEADS network and LEADS data shall not be used for personal purposes.
(b) Personal or unofficial messages shall not be transmitted.
(c) LEADS data shall not be sold.
(d) LEADS data shall not be disseminated to any individual or organization that is not legally authorized to have access to the information (20 Ill. Adm. Code 1240.80).
(e) LEADS data shall not be included on the violator's copy of any citation not delivered hand-to-hand to the violator. This specifically includes citation copies left on an unattended vehicle, a building or other place where the violator is not present to receive the citation. LEADS data will continue to be included on other copies of the citation that are kept by the employee and/or the Department (18 USC § 2721 through 18 USC § 2725).

812.5.4 COMPUTER TERMINAL SECURITY
Each LEADS agency must ensure that all LEADS computer devices are placed in a location under the direct control and supervision of authorized criminal justice personnel and are inaccessible to the public or persons not qualified to either operate, view, or possess LEADS and/or NCIC transmitted or received data. The computer site and/or terminal area must have adequate physical security to protect against any unauthorized personnel gaining access to the computer equipment or to any of the stored data (20 Illinois Administrative Code 1240.50).

812.6 JUVENILE RECORDS
Nothing in this procedure is intended to alter existing statutes, case law, or the policies and orders of the Juvenile Court regarding the release of juvenile offender records. Refer to Policy Manual §§ 324 and 810 for more specific information regarding cases involving juveniles.
812.7 PENALTIES FOR NON-COMPLIANCE OR MISUSE OF RECORDS

The Department of State Police may suspend all or any portion of LEADS service without prior notification as the result of an agency's non-compliance with laws, rules, regulations, or procedures (20 Illinois Administrative Code 1240.110). The Director of State Police may suspend all or part of LEADS service for agency for violations of LEADS laws, rules regulations, or procedures (20 Illinois Administrative Code 1240.110).

It is a Class A misdemeanor to furnish, buy, receive, or possess LEADS information without authorization by a court, statute, or case law (20 ILCS 2630/7).

Employees who divulge the content of any criminal record to anyone other than authorized personnel, or obtain, or attempt to obtain, information from LEADS files other than that to which they are entitled in accordance with their official duties, or violate any LEADS laws, rules regulations or procedures is a violation of Policy Manual § 340.3.7(a) and subject to discipline (20 Illinois Administrative Code 1240.50).
Computers and Digital Evidence

814.1 PURPOSE AND SCOPE
This policy establishes procedures for the seizure and storage of computers, personal communications devices (PCDs) digital cameras, digital recorders and other electronic devices that are capable of storing digital information; and for the preservation and storage of digital evidence. All evidence seized and/or processed pursuant to this policy shall be done so in compliance with clearly established Fourth Amendment and search and seizure provisions.

814.2 SEIZING COMPUTERS AND RELATED EVIDENCE
Computer equipment requires specialized training and handling to preserve its value as evidence. Officers should be aware of the potential to destroy information through careless or improper handling, and whenever possible only those trained/authorized should physically handle the device. For those not authorized/trained, evidence collection on the devices should be limited to observation, photographing, and documenting. When others must seize a computer and accessories the following steps should be taken:

(a) Photograph each item, front and back, specifically including cable connections to other items. Look for a phone line or cable to a modem for Internet access.

(b) Do not overlook the possibility of the presence of physical evidence on and around the hardware relevant to the particular investigation such as fingerprints, biological or trace evidence, and/or documents.

(c) If the computer is off, do not turn it on.

(d) If the computer is on, do not shut it down normally and do not click on anything or examine any files.
   1. Photograph the screen, if possible, and note any programs or windows that appear to be open and running.
   2. Disconnect the power cable from the back of the computer box or if a portable notebook style, disconnect any power cable from the case and remove the battery.

(e) Label each item with case number, evidence sheet number, and item number.

(f) Handle and transport the computer and storage media (e.g., tape, discs, memory cards, flash memory, external drives) with care so that potential evidence is not lost.

(g) Lodge all computer items in the Property Room. Do not store computers where normal room temperature and humidity is not maintained.

(h) At minimum, officers should document the following in related reports:
   1. Where the computer was located and whether or not it was in operation.
   2. Who was using it at the time.
   3. Who claimed ownership.
   4. If it can be determined, how it was being used.

(i) In most cases when a computer is involved in criminal acts and is in the possession of the suspect, the computer itself and all storage devices (hard drives, tape drives, and disk drives) should be seized along with all media. Accessories (printers,
monitors, mouse, scanner, keyboard, cables, software and manuals) should not be seized unless as a precursor to forfeiture or they are capable of storing data.

814.2.1 BUSINESS OR NETWORKED COMPUTERS
If the computer belongs to a business or is part of a network, it may not be feasible to seize the entire computer. Cases involving networks require specialized handling. Officers should contact a certified forensic computer examiner for instructions or a response to the scene. It may be possible to perform an on-site inspection, or to image the hard drive only of the involved computer. This should only be done by someone specifically trained in processing computers for evidence.

814.2.2 FORENSIC EXAMINATION OF COMPUTERS
If an examination of the contents of the computer's hard drive, or floppy disks, compact discs, or any other storage media is required, forward the following items to a computer forensic examiner:

(a) Copy of report(s) involving the computer, including the Evidence/Property sheet.
(b) Copy of a consent to search form signed by the computer owner or the person in possession of the computer, or a copy of a search warrant authorizing the search of the computer hard drive for evidence relating to investigation.
(c) A listing of the items to search for (e.g., photographs, financial records, e-mail, documents).
(d) An exact duplicate of the hard drive or disk will be made using a forensic computer and a forensic software program by someone trained in the examination of computer storage devices for evidence.

814.3 SEIZING DIGITAL STORAGE MEDIA
Digital storage media including hard drives, floppy discs, CDs, DVDs, tapes, memory cards, or flash memory devices should be seized and stored in a manner that will protect them from damage.

(a) If the media has a write-protection tab or switch, it should be activated.
(b) Do not review, access or open digital files prior to submission. If the information is needed for immediate investigation request the Evidence Room to copy the contents to an appropriate form of storage media.
(c) Many kinds of storage media can be erased or damaged by magnetic fields. Keep all media away from magnetic devices, electric motors, radio transmitters or other sources of magnetic fields.
(d) Do not leave storage media where they would be subject to excessive heat such as in a parked vehicle on a hot day.
(e) Use plastic cases designed to protect the media, or other protective packaging, to prevent damage.

814.4 SEIZING PDGS
Personal communication devices such as cell phones, PDAs or other hand-held devices connected to any communication network must be handled with care to preserve evidence that may be on the device including messages, stored data and/or images.
Computers and Digital Evidence

(a) Officers should not attempt to access, review or search the contents of such devices prior to examination by a forensic expert. Unsent messages can be lost, data can be inadvertently deleted and incoming messages can override stored messages.

(b) Do not turn the device on or off. The device should be placed in a solid metal container such as a paint can or in a Faraday bag, to prevent the device from sending or receiving information from its host network.

(c) When seizing the devices, also seize the charging units and keep them plugged in to the chargers until they can be examined. If the batteries go dead all the data may be lost.

814.5 DIGITAL EVIDENCE RECORDED BY OFFICERS

Officers handling and submitting recorded and digitally stored evidence from digital cameras and audio or video recorders will comply with these procedures to ensure the integrity and admissibility of such evidence.

814.5.1 COLLECTION OF DIGITAL EVIDENCE

Once evidence is recorded it shall not be erased, deleted or altered in any way prior to submission. All photographs taken will be preserved regardless of quality, composition or relevance. Video and audio files will not be altered in any way.

814.5.2 SUBMISSION OF DIGITAL MEDIA

The following are required procedures for the submission of digital media used by cameras or other recorders:

(a) The recording media (smart card, compact flash card or any other media) shall be brought to the Evidence Room as soon as possible for submission into evidence.

(b) Officers are not authorized to review or copy memory cards. Evidence technicians are the only employees authorized to copy and/or distribute digital media made from the memory cards.

(c) As soon as possible following the collection of evidence, the camera operator is to remove the memory card from their digital camera and place the card into a plastic carrier. The card and carrier are then to be placed into a zip-lock type baggie. The camera operator shall write their name and the related case number on the outside of the baggie before placing in the film drop box along with the evidence form.

(d) Evidence technicians will make a copy of the memory card using appropriate storage media. Once they have verified that the images properly transferred to the storage media, the technicians will erase the memory card for re-use. The storage media will be marked as the original.

(e) Officers requiring a copy of the digital files must request a copy on the evidence form when submitted to evidence.

814.5.3 DOWNLOADING OF DIGITAL FILES

Digital information such as video or audio files recorded on devices using internal memory must be downloaded to storage media. The following procedures are to be followed:

(a) Files should not be opened or reviewed prior to downloading and storage.

(b) Where possible, the device should be connected to a computer and the files accessed directly from the computer directory or downloaded to a folder on the host computer for copying to the storage media.

Adopted: 2014/01/01 © 1995-2013 Lexipol, LLC
814.5.4 PRESERVATION OF DIGITAL EVIDENCE

(a) Only evidence technicians are authorized to copy original digital media that is held as evidence. The original digital media shall remain in evidence and shall remain unaltered.

(b) Digital images that are enhanced to provide a better quality photograph for identification and investigative purposes must only be made from a copy of the original media.

(c) If any enhancement is done to the copy of the original, it shall be noted in the corresponding incident report.

There is clear and convincing evidence that the release of such information would jeopardize an ongoing criminal investigation or the safety of an individual, that may cause a suspect to flee or evade detection, or that could result in the destruction of evidence. In any of these cases, the information may be withheld until that damage is no longer likely to occur from the release of such information.
822.5 INFORMATION DISSEMINATION

It is the responsibility of the Administration Division Commander to ensure that the required Clery Act disclosures are properly forwarded to campus administration and community members in accordance with institution procedures. This includes:

In addition to this policy, the Department shall maintain the Operation and Procedures Manual to guide the operation of the Temporary Holding Facility.

The Department shall maintain custody of prisoners in accordance with this policy, the Operations and Procedures Manual and in accordance with applicable law.

900.1.1 SUPERVISION OF PRISONERS
No prisoner will be held in the Temporary Holding Facility unless there is a designated employee who remains within the police building who can supervise the Temporary Holding Facility and respond to emergencies within the Temporary Holding Facility. This person will be designated by the Temporary Holding Facility supervisor and must not leave the police building while prisoners are in custody. This person will not have other duties that could conflict with the supervision of prisoners. Whenever one or more female inmates are in custody, there shall be at least one female employee who shall in like manner be immediately available and accessible to such females.

Custodial personnel who are responsible for supervising prisoners in the Temporary Holding facility shall be oriented and trained in local jail procedures by persons authorized by the Chief of Police. Such training shall include, but not be limited to the following:

(a) Applicable minimum jail standards.
(b) Jail operations liability.
(c) Inmate segregation.
(d) Emergency procedures and planning.
(e) Suicide prevention.

Such training shall be completed as soon as practical, but in any event not more than six months after the date of assigned responsibility. Written documentation of staff training, including orientation and familiarization, shall be maintained.

900.1.2 DETENTION OF PRISONERS IN THE TEMPORARY HOLDING FACILITY
It is the policy of the Department that prisoners detained in the Temporary Holding Facility shall be released or transported to another facility, per the provisions of this manual, as soon as possible and practical.

Arrestees who fall within the following classifications should not be detained in the Temporary Holding Facility. They should be transported to the county jail, the designated medical facility or the county mental health facility as appropriate:
Temporary Holding Facility

(a) Any person who is sick, injured or who has any other medical condition, including pregnant females who may require medical attention, supervision or medication during confinement.

(b) Any person who has claimed, or is known to be afflicted with or displays symptoms of any communicable disease.

(f) Any person suspected of being under the influence of a hallucinogen, hyperglycemic agent, psychotropic medication, narcotic, sedative, tranquilizer, anti-neoplastic (cancer) drug, research medication or any person suffering from withdrawal from any of the above.

900.1.4 DETAINABLE PRISONERS

Arrestees who fall within the following classifications may be detained in the Temporary Holding Facility with the approval of the Shift Commander. The maximum period of detention in a Temporary Holding Facility should not normally exceed 48 hours, except when detention occurs at the beginning of a weekend or holiday (20 Ill. Adm. Code 720.30). This includes those arrested and detained pending:

(a) Posting of bail.

(b) Release on Own Recognizance (ROR).

(c) Release on citation in accordance with the Cite and Release Policy in this manual.

(d) Transportation to the County Jail or Court Facility.

(e) In-custody interview or other investigation.

Those prisoners that are temporarily housed in this facility pending court appearance will be segregated according to this Police department's classification policy.

900.1.6 INTOXICATED PERSONS

Inmates who are to be held in the Temporary Holding Facility and who present a threat to their own safety or the safety of others due to their state of intoxication, should be placed in a sobering cell until their condition allows for continued processing.

The following guidelines apply when placing any inmate in a sobering cell:

(a) Placement of an inmate into the cell requires approval of the Shift Commander.

(b) A cell log shall be initiated every time an inmate is placed into the cell. The log shall be maintained for the entire time the inmate is housed in the cell.

(c) A safety check consisting of direct visual observation sufficient to assess the inmate's well-being and behavior shall occur at least once every 30 minutes. Each safety check shall be documented in the cell log. Supervisors shall check the logs for completeness every two hours and document this action on the cell log.

(d) Under no circumstances shall an inmate be held in a sobering cell for more than six hours without being evaluated by qualified medical personnel to ensure that the inmate does not have an urgent medical issue.

Temporary Holding Facility

(e) Inmates will be removed from the cell when they no longer pose a threat to their own safety and the safety of others and are able to continue processing.

900.1.7 TRANSPORTATION OF PRISONERS
Generally and when circumstances permit, prisoners of the opposite sex, or adult and juvenile prisoners, should not be transported in the same vehicle unless they are physically separated by a solid barrier. If segregating prisoners is not practicable, officers should be alert to inappropriate physical or verbal contact between them and take appropriate action as necessary.

Whenever a prisoner is to be transported from the Temporary Holding Facility to another facility by a member of this department the transporting officer shall be responsible for the following:

(a) Verify that the identity of each prisoner to be transported matches the booking paperwork.

(b) Ensure that all pertinent documentation accompanies the prisoner, such as copies of booking forms, medical records when appropriate, an itemized list of the prisoner's property, warrant copies, etc.

(c) Ensure that any known threat or danger the prisoner may pose, such as escape risk, suicide potential, or medical condition, is recorded on the prisoner's booking documentation and is transported with the prisoner to the next facility. The transporting officer shall ensure such threat or danger is communicated to intake personnel at the facility.

900.1.8 PRISONER WITH ORTHOPEDIC OR PROSTHETIC APPLIANCE
Subject to safety and security concerns, persons who are detained in the Temporary Holding Facility shall be permitted to retain possession of an orthopedic or prosthetic appliance if it is prescribed or recommended and fitted by a physician. However, if the appliance presents a risk of bodily harm to any person or is a risk to the security of the facility, the appliance shall be removed from the prisoner and booked for safekeeping but shall be promptly returned if it is later determined that such risk no longer exists.

Whenever a prosthetic or orthopedic appliance is removed from a prisoner the Shift Commander shall be promptly apprised of the reason for the removal. If it is determined that the appliance will not be returned, the prisoner shall be examined as soon as practicable by a physician but no later than 24 hours of removal to determine if the removal will be injurious to the health or safety of the prisoner.

If the examining physician determines that removal is or will be injurious to the health or safety of the prisoner and the appliance cannot be returned because of safety or security concerns the prisoner should be transferred to an appropriate medical detention facility.

900.2 PRISONER SUPERVISION AND CLASSIFICATION

900.2.1 SUPERVISION OF PRISONERS
All prisoners confined in detention shall be under the supervision of the shift commander. Twenty-four hour supervision shall be maintained on all prisoners. Persons who are restrained shall be checked at least every 15 minutes. The on-duty communications operator shall also be
Temporary Holding Facility

charged with the responsibility of monitoring all prisoners by using the electronic monitoring devices located in the communications room and checking each prisoner every 30 minutes.

Physical checks shall be recorded and include, at a minimum, the time of the check, the identification of the person making the check and any relevant remarks.

900.2.2 LOG ENTRIES AND SECURITY CHECKS
(a) All adult bookings should be logged into the Temporary Holding Facility Log. The following entries are to be completed by the booking officer and personnel responsible for maintaining prisoners in the facility:
   1. Case number.
   2. Date/time of booking.
   3. Charges.
   4. Arrestee's name.
   5. Arresting officer's name.
   6. Date and time of release.
(b) The log shall be kept in the booking area of the Temporary Holding Facility. It is the responsibility of the facility supervisor to ensure that all appropriate entries are made.
(c) The Shift Commander should make periodic checks to ensure the log and security checks are made on time.
(d) The Facility Manager should review all Temporary Holding Facility Logs and shall report to the Facility Administrator as required.
(e) All logs and reports should be maintained in the central records for inspection by the Facility Manager, Facility Administrator or other officials as may be required.

900.2.3 PRISONER CLASSIFICATION, SCREENING AND SEGREGATION
It is the policy of the Temporary Holding Facility to segregate prisoners in compliance with these guidelines:

(a) It is necessary to establish a prisoner classification procedure wherein each prisoner will be evaluated, prior to housing, according to categories of sex, age, criminal sophistication, seriousness of crime charged, assaultive/non-assaultive behavior, medical problems, mental state (including developmental disabilities) and sexual orientation and housed in order to provide for the safety of prisoners and staff.
(b) As part of the booking procedure, the booking officer should evaluate each incoming prisoner using the prisoner classification and screening form. This form shall be completed in its entirety, in order to properly assign prisoners according to sex, age, criminal sophistication, seriousness of crime charged, physical or mental health needs, assaultive/non-assaultive behavior and other criteria to ensure the safety of the prisoner and staff.
(c) All persons with information relevant to a prisoner's risk of suicide shall ensure such information is provided to a supervisor and the prisoner's booking officer. During the booking procedure, the booking officer shall ask the prisoner if he/she is contemplating suicide. The officer shall evaluate the prisoner for other signs or indications that the prisoner may be suicidal. If there is any suspicion the prisoner may be suicidal, he/she shall be transported to the county jail or appropriate mental health facility. The receiving staff shall be notified in writing (e.g., noted on the booking sheet) that the prisoner may be suicidal.
Temporary Holding Facility

(d) It is the responsibility of the arresting officer's supervisor to ensure that the prisoner classification and screening form has been properly completed. After completing the form, the arresting officer's supervisor will be required to authorize, on a case-by-case basis, the placement of each prisoner in the Temporary Holding Facility who is not immediately released or transported to the county jail or other appropriate facility.

1. The prisoner will then be housed or transported.
2. The completed classification form will be attached to the arrest report, booking forms and fingerprints as applicable.
3. The prisoner classification form should be retained in the prisoner's arrest file.

(e) During the booking procedure, the booking officer shall evaluate each incoming prisoner to determine any apparent medical or health issues. The prisoner's responses to such questions and the officer's observations shall be documented in the appropriate form. The booking officer shall promptly notify his/her supervisor of any conditions which may warrant immediate medical attention or other appropriate action.

(f) Before placing any prisoner into a temporary holding cell with any other prisoner, members shall consider whether the prisoner may be at a high risk of being sexually abused based on all available known information (28 CFR 115.141).

(g) If a prisoner will be housed overnight in the same cell with any other prisoner, he/she shall be screened to assess his/her risk of being sexually abused by other prisoners or of being sexually abusive toward other prisoners. Members shall ask the prisoner about his/her own perception of vulnerability and shall consider the following criteria to screen prisoners for risk of sexual victimization, including (28 CFR 115.141):

1. Whether the prisoner has a known or apparent mental, physical or developmental disability
2. The age of the prisoner
3. The physical build and appearance of the prisoner
4. Whether the prisoner has previously been incarcerated
5. The nature of the prisoner's alleged offense and criminal history

(h) Any prisoner identified as being at a high risk for sexual victimization shall be provided with heightened protection. This may include continuous, direct sight and sound supervision, single-cell housing or placement in a cell that is actively monitored on video by a staff member who is available to immediately intervene, unless no such option is reasonably feasible (28 CFR 115.113; 28 CFR 115.141).

900.2.4 TEMPORARY DETENTION OF JUVENILES

Juveniles who are detained by this department will be processed and handled in accordance with the Temporary Custody of Juveniles Policy. Juveniles will not be permitted in the Temporary Holding Facility.

900.2.5 TEMPORARY DETENTION OF FEMALES

Whenever one or more female prisoners is in custody, there shall be at least one female employee who shall be available and accessible to the female prisoner. Male employees are not to search or enter the cell of a female prisoner unless another female employee is present.

Adopted: 2014/01/01 © 1995-2013 Lexipol, LLC
In the event there is not a female employee readily available to conduct searches and safety inspections every 30 minutes, the female prisoner shall be transported to the county jail or released, pursuant to another lawful process (e.g., citation, ROR).

900.2.6 HANDCUFFING OF PREGNANT ARRESTEES
No arrestee who is in labor shall be handcuffed or restrained by the wrists, ankles or both unless it is reasonably necessary for the safety of the arrestee, officers or others.

900.3 TEMPORARY HOLDING FACILITY SEARCHES
Immediately upon securing weapons, officers bringing prisoners into the Temporary Holding Facility shall thoroughly search their prisoners. All arrestees brought into the Temporary Holding Facility must be searched by an officer or other authorized employee of the same gender whenever possible before the officer relinquishes control. When a prisoner has been handcuffed, the prisoner should remain handcuffed until the search is substantially completed.

In the case of female prisoners, all searches will be conducted by a female officer or designated female employee whenever possible, and male employees shall remain outside the closed door, but available to assist immediately if needed. Should a female prisoner become combative, an officer may be assigned to restrain her until the appropriate search is completed.

Arrestee search procedures and policies are found in Policy Manual § 902.

2. Fire safety and evacuation plan including the use of the fire extinguisher.

(d) The Fire Marshal should make annual inspections of the Temporary Holding Facility.

900.5 EVACUATION OF TEMPORARY HOLDING FACILITY
If an evacuation of the Temporary Holding Facility becomes necessary, the following should be considered:

(c) Safety of prisoners.
(d) Security of prisoners.

All prisoners will assemble in the designated location where they will be held until the Temporary Holding Facility can again be safely occupied, or as in the case of an emergency of a long duration until they can be transported to another facility.
Temporary Holding Facility

If possible, juveniles are to be kept separate from adult prisoners, and females from male prisoners.

Only after the safety and security of the prisoners is assured will personnel, not detailed to prisoner security, participate in fire suppression or other emergency activities.

900.5.5 CITYWIDE OR REGIONAL DISASTERS
In cases of Citywide or regional disasters, the Shift Commander may authorize the release of prisoners detained for misdemeanors or felonies involving property crimes only. Every available effort will be made to continue the custody of violent felons or felons accused of violent crimes to ensure the safety of the public.

900.5.6 FIRST-AID/PROFESSIONAL MEDICAL ATTENTION
As necessary, evacuating personnel will apply first-aid techniques to those prisoners injured as a result of the emergency or injured during the evacuation procedure until professional medical aid arrives to assist.

900.5.7 REPORTS
The Shift Commander or the Chief of Police or his or her designee will ensure that any emergency evacuation of the Temporary Holding Facility is documented and that copies of those reports be forwarded to the Temporary Holding Facility Manager and Temporary Holding Facility Administrator.

900.6 PRISONER TELEPHONE CALLS
Every prisoner, whether adult or juvenile, detained in the Temporary Holding Facility shall have the right to communicate with an attorney of their choice and a member of their family by making a reasonable number of telephone calls within a reasonable time after arrival at the first place of custody.

In the event the prisoner is transferred to a new place of custody his right to communicate with an attorney and a member of his/her family is renewed (725 ILCS 5/103-3). If it is determined that the person is a custodial parent with responsibility for a minor child, the officer shall assist the prisoner in the placement of the child with a relative or other responsible person designated by the prisoner (725 ILCS 5/107-2).

There is no obligation for the officer to make a call on a prisoner's behalf - for example in the case of a person that is so intoxicated that he/she cannot make a call. An officer is not required to wake an intoxicated person three hours after booking so that they may complete a call.

There is also no limitation on the amount of time a prisoner's phone call must last. A prisoner should be given sufficient time on the phone to contact whomever he/she desires and to arrange for necessary items because of his/her arrest. The phone calls are not intended to be lengthy conversations and the officer may use his/her judgment in determining the duration of the calls.

900.6.1 TELEPHONE CALL PROCEDURES
The Department will pay the cost of local calls. Long distance calls must be paid by the prisoners using calling cards or by calling collect.

Calls between the prisoner and his/her attorney shall be deemed confidential and shall not be monitored, eavesdropped upon or recorded.
900.6.2 ON-GOING TELEPHONE ACCESS
Once a prisoner has completed telephone calls and it appears that the individual is not going to be released or transferred to another custodial facility, reasonable efforts should be made to provide the prisoner with access to a telephone, as practical. In providing further access to a telephone, legitimate law enforcement interests such as officer safety, effect on ongoing criminal investigations and logistics should be balanced against the prisoner's desire for further phone access.

900.7 HANDLING OF INMATE'S PROPERTY
Officers shall take care in the handling of inmate's property to avoid discrepancies or losses.

Any personal property belonging to the inmate but retained by the officer for safekeeping, shall be kept in a secure location until the inmate is released or transferred. Smaller items such as a driver's license, pocketknife, wallet, prescription medications and other similar property, shall be placed in a property bag and sealed. A list of the property, including detailed descriptions of prescription medications, shall be included on the booking form. Any property too large to be kept in the Temporary Holding Facility shall be booked into property for safekeeping. Inmate property that is too large or will not otherwise be accepted by a receiving facility in the event of an inmate transfer should be booked for safekeeping.

Property belonging to the inmate, but retained by the officer as evidence, shall be booked according to procedures. The inmate shall be advised that such property will be kept as evidence and where demanded, the officer will issue the inmate a receipt. Such receipt may be a copy of the property booking form, written out in the officer's handwriting or typed for his/her personal signature. It should include the description of the property (but not its value), the case number, date, time, officer's badge number and signature. Where a receipt is issued, it should be mentioned in the arrest report.

900.7.1 VERIFICATION OF PRISONER'S MONEY
All money belonging to the prisoner and retained by the officer shall be counted in front of the prisoner. When possible, the prisoner should initial the dollar amount on the booking sheet. Additionally, all money should be placed in a separate envelope and sealed. Negotiable checks or other instruments and foreign currency should also be sealed in an envelope with the amount indicated, but not added to the cash total. Rings and other jewelry of apparent value or small enough to be easily lost should also be sealed in an envelope. All envelopes should clearly indicate the contents on the front. The person sealing it should place his/her initials across the sealed flap. Should any money be withdrawn or added to the cash envelope, the officer making such change shall enter the amount below the original entry and initial it. The total amount of money in the envelope should always be computed and written on the outside of the envelope.

900.7.2 RELEASE OF PRISONER'S PROPERTY
Release of any prisoner's property to any person requires the recipient's signature on the appropriate form. Any request for release of property by a prisoner must be made in writing on the booking sheet.

When a prisoner is released from custody, all property will be returned to him/her and he/she will be required to sign the back of the booking sheet.

If a prisoner is released to the court or an officer of another agency, all property will be released to that officer who will be required to verify and sign for the property. The officer

Temporary Holding Facility
transporting prisoners to court is required to obtain the receiving officer's signature on the booking form as notice of receipt of the prisoner's property.

Any alleged shortage or discrepancy shall be brought to the attention of the Shift Commander who will interview the prisoner claiming the shortage prior to his/her release. The Shift Commander shall ensure that a search for the alleged missing item(s) is complete and shall attempt to prove or disprove the claim. A written claim by the prisoner shall be requested where the discrepancy cannot be resolved.

Custody Searches

902.1 PURPOSE AND SCOPE
The purpose of this policy is to establish consistent department procedures which conform to 725 ILCS 5/103 regarding pat-down, booking and strip searches of pre-arraignment detainees.

902.2 DEFINITIONS OF SEARCHES
Pat-Down Search - This is the normal type of search used by officers in the field to check an individual for weapons. It involves a thorough patting down of clothing to locate any weapons or dangerous items that could pose a danger to the officer, the prisoner, or other prisoners.

Booking Search - This search is used in the jail and again involves a thorough patting down of an individual's clothing. All pockets, cuffs, etc., on the clothing are checked to locate all personal property, contraband, or weapons. The prisoner's personal property is taken and inventoried.

Strip Search or Visual Body Cavity Search - This is a search that requires a person to remove or rearrange some or all of his/her clothing to permit a visual inspection of the underclothing, breasts, buttocks or genitalia of such person. This includes monitoring of an arrestee's private underclothing, buttocks, genitalia or female breasts visible to the monitoring employee (725 ILCS 5/103-1(d)).

Physical Body Cavity Search - This is a search that includes physical intrusion into a body cavity other than the mouth (725 ILCS 5/103-1(g)).

902.3 PAT DOWN SEARCHES
When any officer has reasonable suspicion to believe that a person being lawfully detained may possess weapons or other dangerous items, or in such circumstances the officer reasonably believes that the individual may present a threat to officer safety, that officer may conduct a normal pat-down search of that individual.

Prior to detaining any individual in any police vehicle, an officer should conduct a normal pat-down search of that individual.

Whenever practical, a pat-down search of an individual should be conducted by an officer of the same sex as the person being searched. Absent the availability of a same sex officer, it is recommended that a witness officer be present during any pat-down search of an individual of the opposite sex as the searching officer.

902.4 BOOKING SEARCHES
(a) Absent emergency circumstances in which no reasonable alternative exists, no person arrested for a misdemeanor or infraction not involving weapons, controlled substance or violence may be placed in the general jail population, unless all of the following conditions exist:
   1. The person is not cited and released.
   2. The person is not released on his/her own recognizance.
**Custody Searches**

3. The person is not able to post bail within a reasonable time not less than three hours.

(b) Any person taken into custody may be subjected to pat-down and booking searches, in order to discover and retrieve concealed weapons and contraband prior to being placed in a booking cell.

**902.5 STRIP SEARCHES**

No person held at an Department facility shall be subjected to a strip search unless there is reasonable suspicion based upon specific and articulable facts to believe the person has a health condition requiring immediate medical attention or is concealing a weapon or contraband. Factors to be considered in determining reasonable suspicion include, but are not limited to:

(a) The detection of an object during a pat-down search that may be a weapon or contraband and cannot be safely retrieved without a modified strip search or strip search.

(b) Circumstances of a current arrest that specifically indicate the person may be concealing a weapon or contraband. A felony arrest charge or being under the influence of a controlled substance should not suffice as reasonable suspicion absent other facts.

(c) Custody history (past possession of contraband while in custody, assaults on staff, escape attempts).

(d) The person's actions or demeanor.

(e) Criminal history (level of experience in a custody setting).

No transgender or intersex prisoner shall be searched or examined for the sole purpose of determining the prisoner's genital status. If the prisoner's genital status is unknown, it may be determined during conversations with the prisoner, by reviewing medical records, or, if necessary, as part of a broader medical examination conducted in private by a medical practitioner (28 CFR 115.115).

**902.5.1 STRIP SEARCH PROCEDURES**

Strip searches at Department facilities shall be conducted as follows:

(a) Written authorization from the Shift Commander or the Chief of Police or his or her designee shall be obtained prior to the strip search.

(b) All employees involved with the strip search shall be of the same sex as the person being searched, unless the search is conducted by authorized medical personnel (725 ILCS 5/103-1(e); 28 CFR 115.115).

(c) All strip searches shall be conducted in a professional manner under sanitary conditions and in a secure area of privacy so that the search cannot be observed by persons not participating in the search (725 ILCS 5/103-1(e)). The search shall not be reproduced through a visual or sound recording.

(d) Whenever possible, a second officer of the same sex should be present during the search for security and as a witness to the finding of evidence.

(e) Employees conducting a strip search shall not touch the breasts, buttocks or genitalia of the person being searched.

(f) The primary employee conducting the search shall prepare a written report to include:
Custody Searches

1. The facts that led to the decision to perform a strip search.
2. The reasons less intrusive methods of searching were not used or were insufficient.
3. The written authorization for the search, obtained from the Shift Commander or the Chief of Police or his or her designee.
4. The name of the person who was searched.
5. The name and sex of the persons who conducted the search.
6. The name, sex and role of any person present during the search.
7. The time and date of the search.
8. The place at which the search was conducted.
9. A list of the items, if any, recovered during the search.
10. The facts upon which the employee based his/her belief that the person searched was concealing a weapon or controlled substance, if the person was not arrested for a felony.

(g) A copy of the written authorization shall be retained and made available upon request to the prisoner or the prisoner's authorized representative.

(h) No employee should view a prisoner's private underclothing, buttocks, genitalia or female breasts while the prisoner is showering, performing bodily functions or changing clothes unless the prisoner otherwise qualifies for a strip search. However, if serious hygiene or health issues make it reasonably necessary to assist the prisoner with a shower or a change of clothes, a supervisor should be contacted to ensure reasonable steps are taken to obtain the prisoner's consent and/or otherwise protect the prisoner's privacy and dignity.

902.6 PHYSICAL BODY CAVITY SEARCH

(a) No search of any body cavity other than the mouth shall be conducted without a duly executed search warrant. Any warrant authorizing a body cavity search shall specify that the search must be performed under sanitary conditions and conducted either by or under the supervision of a physician licensed to practice medicine in all of its branches in Illinois (725 ILCS 5/103-1(g)).

(b) A copy of the search warrant and the results of any body cavity search shall be included with the related reports and made available, upon request, to the arrestee or authorized representative.

(c) Except for the above mentioned licensed medical personnel, persons present must be of the same sex as the person being searched. Privacy requirements, including restricted touching of body parts, are the same as the strip search standard.

902.7 TRAINING

The Training Officer shall ensure members have training in, at a minimum (28 CFR 115.115):

• Conducting searches properly in a professional and respectful manner and in the least intrusive manner possible, consistent with security needs.
• Conducting cross-gender searches.
• Conducting searches of transgender and intersex prisoners.

During intake the Department shall notify all prisoners of the zero-tolerance policy regarding sexual abuse and sexual harassment, and of at least one way to report abuse or harassment to a public or private entity that is not part of the Department and that is able to receive and immediately forward prisoner reports of sexual abuse and sexual harassment to agency officials. This allows the prisoner to remain anonymous (28 CFR 115.132; 28 CFR 115.151).

904.4.1 MEMBER RESPONSIBILITIES

No member shall reveal any information related to a sexual abuse report to anyone other than to the extent necessary to make treatment and investigation decisions.

904.4.2 SHIFT COMMANDER RESPONSIBILITIES

The Shift Commander shall report to the department's designated investigators all allegations of sexual abuse, harassment, retaliation, neglect or violations leading to sexual abuse, harassment or retaliation. This includes third-party and anonymous reports (28 CFR 115.161).

If the alleged victim is under the age of 18 or considered a vulnerable adult, the Shift Commander shall also report the allegation as required under mandatory reporting laws and department policy.

Upon receiving an allegation that a prisoner was sexually abused while confined at another facility, the Shift Commander shall notify the head of the facility or the appropriate office of the agency where the alleged abuse occurred. The notification shall be made as soon as possible but no later than 72 hours after receiving the allegation. The Shift Commander shall document such notification (28 CFR 115.163).

If an alleged prisoner victim is transferred from the Temporary Holding Facility to a jail, prison or medical facility, the Department shall, as permitted by law, inform the receiving facility of the incident and the prisoner's potential need for medical or social services, unless the prisoner requests otherwise (28 CFR 115.165).

904.5 INVESTIGATIONS

The Department shall promptly, thoroughly and objectively investigate all allegations, including third-party and anonymous reports, of sexual abuse or sexual harassment. The first officer to respond to a report of sexual abuse or sexual assault shall (28 CFR 115.164):

(d) If the abuse occurred within a time period that still allows for the collection of physical evidence, ensure that the alleged abuser does not take any actions that could destroy physical evidence, including, as appropriate, washing, brushing teeth, changing clothes, urinating, defecating, smoking, drinking or eating.

If the first responder is not an officer the responder shall request that the alleged victim not take any actions that could destroy physical evidence and should then notify a law enforcement staff member (28 CFR 115.164).

904.5.2 INVESTIGATOR RESPONSIBILITIES
Investigators shall (28 CFR 115.171):

(a) Gather and preserve direct and circumstantial evidence, including any available physical and biological evidence and any available electronic monitoring data.

(c) Review any prior complaints and reports of sexual abuse involving the suspect.
(d) Conduct compelled interviews only after consulting with prosecutors as to whether compelled interviews may be an obstacle for subsequent criminal prosecution.
(e) Assess the credibility of the alleged victim, suspect or witness on an individual basis and not by the person’s status as a prisoner or a member of the Metro East Police District.
(f) Document in written reports a description of physical, testimonial, documentary and other evidence, the reasoning behind any credibility assessments, and investigative facts and findings.
(g) Refer allegations of conduct that may be criminal to the District Attorney for possible prosecution, including any time there is probable cause to believe a prisoner sexually abused another prisoner in the Temporary Holding Facility (28 CFR 115.178).
(h) Cooperate with outside investigators and remain informed about the progress of any outside investigation.

904.5.4 SEXUAL ASSAULT AND SEXUAL ABUSE VICTIMS
No prisoner who alleges sexual abuse shall be required to submit to a polygraph examination or other truth-telling device as a condition for proceeding with the investigation of such an allegation (28 CFR 115.171(e)).

Prisoner victims of sexual abuse shall receive timely, unimpeded access to emergency medical treatment. Treatment services shall be provided to the victim without financial cost and regardless of whether the victim names the abuser or cooperates with any investigation arising out of the incident (28 CFR 115.182).

904.5.5 CONCLUSIONS AND FINDINGS
All completed investigations shall be forwarded to the Chief of Police, or if the allegations may reasonably involve the Chief of Police, to the City Manager. The Chief of Police or City Manager shall review the investigation and determine whether any allegations of sexual abuse or sexual harassment have been substantiated by a preponderance of the evidence (28 CFR 115.172).

All personnel shall be subject to disciplinary sanctions up to and including termination for violating this policy. Termination shall be the presumptive disciplinary sanction for department members who have engaged in sexual abuse. All discipline shall be commensurate with the nature and circumstances of the acts committed, the member's disciplinary history and the sanctions imposed for comparable offenses by other members with similar histories (28 CFR 115.176).

All terminations for violations of this policy, or resignations by members who would have been terminated if not for their resignation, shall be criminally investigated unless the activity was clearly not criminal and reported to any relevant licensing body (28 CFR 115.176).

Any contractor or volunteer who engages in sexual abuse shall be prohibited from contact with prisoners and reported to any relevant licensing bodies (28 CFR 115.177). The Chief of Police shall take appropriate remedial measures and consider whether to prohibit further contact with prisoners by a contractor or volunteer.

904.6 RETALIATION PROHIBITED
All prisoners and members who report sexual abuse or sexual harassment or who cooperate with sexual abuse or sexual harassment investigations shall be protected from retaliation (28 CFR 115.167). If any other individual who cooperates with an investigation expresses a fear of retaliation, appropriate measures shall be taken to protect that individual.

The Shift Commander or the authorized designee shall employ multiple protection measures, such as housing changes or transfers for prisoner victims or abusers, removal of alleged abusers from contact with victims, and emotional support services for prisoners or members who fear retaliation for reporting sexual abuse or sexual harassment or for cooperating with investigations.

The Shift Commander or the authorized designee shall identify a staff member to monitor the conduct and treatment of prisoners or members who have reported sexual abuse and of prisoners who were reported to have suffered sexual abuse. The staff member shall act promptly to remedy any such retaliation. In the case of prisoners, such monitoring shall also include periodic status checks.

904.7.1  INCIDENT REVIEWS
An incident review shall be conducted at the conclusion of every sexual abuse investigation, unless the allegation has been determined to be unfounded. The review should occur within 30 days of the conclusion of the investigation. The review team shall include upper-level management officials and seek input from line supervisors and investigators (28 CFR 115.186).

The review shall (28 CFR 115.186):
(a) Consider whether the allegation or investigation indicates a need to change policy or practice to better prevent, detect or respond to sexual abuse.
(b) Consider whether the incident or allegation was motivated by race; ethnicity; gender identity; lesbian, gay, bisexual, transgender or intersex identification, status or perceived status; gang affiliation; or was motivated or otherwise caused by other group dynamics at the facility.

However, the nature of the redacted material shall be indicated.
All aggregated sexual abuse data from Metro East Police District facilities and private facilities with which it contracts shall be made readily available to the public at least annually through the department website or, if it does not have one, through other means. Evaluation of Employees

1002.1 PURPOSE AND SCOPE
The Department's employee performance evaluation system is designed to record work performance for both the Department and the employee, providing recognition for good work and developing a guide for improvement.

1002.2 POLICY
The Department utilizes a performance evaluation report to measure performance and to use as a factor in making personnel decisions that relate to merit increases, promotion, reassignment, discipline, demotion and termination. The evaluation report is intended to serve as a guide for work planning and review by the supervisor and employee. It gives supervisors a way to create an objective history of work performance based on job standards.

The Department evaluates employees in a non-discriminatory manner based upon job-related factors specific to the employee's position, without regard to sex, race, color, national origin, religion, age, disability or other protected classes.

1002.3 EVALUATION PROCESS
Evaluation reports will cover a specific period of time and should be based on documented performance during that period. Evaluation reports will be completed by each employee's immediate supervisor. Other supervisors directly familiar with the employee's performance during the rating period should be consulted by the immediate supervisor for their input.

All sworn and civilian supervisory personnel shall attend an approved supervisory course that includes training on the completion of performance evaluations within one year of the supervisory appointment.

Each supervisor should discuss the tasks of the position, standards of performance expected and the evaluation criteria with each employee at the beginning of the rating period. Supervisors should document this discussion in the prescribed manner.

Assessment of an employee's job performance is an ongoing process. Continued coaching and feedback provides supervisors and employees with opportunities to correct performance issues as they arise.

Non-probationary employees demonstrating substandard performance shall be notified in writing of such performance as soon as possible in order to have an opportunity to remediate the issues. Such notification should occur at the earliest opportunity, with the goal being a minimum of 90 days written notice prior to the end of the evaluation period.

Employees who disagree with their evaluation and who desire to provide a formal response or a rebuttal may do so in writing in the prescribed format and time period.

1002.3.1 OTHER OFFICER EVALUATIONS
Part-time and auxiliary officer evaluations are covered in the Reserve Officers Policy.
1002.4 FULL TIME PROBATIONARY PERSONNEL
Civilian personnel are on probation for 12 months before being eligible for certification as permanent employees. An evaluation is completed monthly for all full-time civilian personnel during the probationary period.

Sworn personnel are on probation for six months before being eligible for certification as permanent employees. Probationary officers are evaluated daily, weekly and monthly during the probationary period.

1002.5 FULL-TIME PERMANENT STATUS PERSONNEL
Permanent employees are subject to three types of performance evaluations:

Regular - An Employee Performance Evaluation shall be completed once each year by the employee's immediate supervisor on the anniversary of the employee's date of hire except for employees who have been promoted in which case an Employee Performance Evaluation shall be completed on the anniversary of the employee's date of last promotion.

Transfer - If an employee is transferred from one assignment to another during an evaluation period and less than six months have transpired since the transfer at the time the evaluation is due, then the evaluation shall be completed by the current supervisor with input from the previous supervisor.

Special - A special evaluation may be completed any time the rater and the rater's supervisor feel one is necessary due to employee performance that is deemed less than standard. Generally, the special evaluation will be the tool used to demonstrate those areas of performance deemed less than standard when follow-up action is planned (action plan, remedial training, retraining, etc.). The evaluation form and the attached documentation shall be submitted as one package.

1002.5.1 RATINGS
When completing the Employee Performance Evaluation, the rater will place a check mark in the column that best describes the employee's performance. The definition of each rating category is as follows:

Outstanding - Represents actual performance well beyond that required for the position. It is exceptional performance, definitely superior or extraordinary.

Exceeds Standards - Represents performance that is better than expected of a fully competent employee. It is superior to what is expected, but is not of such rare nature to warrant outstanding.

Meets Standards - Represents performance of a fully competent employee. It means satisfactory performance that meets the standards required of the position.

Needs Improvement - Is a level of performance less than that expected of a fully competent employee and less than standards required of the position. A needs improvement rating must be thoroughly discussed with the employee.

Unsatisfactory - Represents performance that is inferior to the standards required of the position. It is very inadequate or undesirable performance that cannot be tolerated.

Space for written comments is provided at the end of the evaluation in the rater comments section. This section allows the rater to document the employee's strengths, weaknesses,
Evaluation of Employees

and suggestions for improvement. A rating under any job dimension marked other than "Meets Standards" shall be substantiated in the rater comments section.

1002.6 EVALUATION INTERVIEW
When the supervisor has completed the preliminary evaluation, arrangements shall be made for a private discussion of the evaluation with the employee. The supervisor should discuss the results of the just completed rating period and clarify any questions the employee may have. If the employee has valid and reasonable objections to any of the ratings, the supervisor may make appropriate changes to the evaluation. Areas needing improvement and goals for the upcoming evaluation period should be identified and discussed. The supervisor should also provide relevant counseling regarding advancement, specialty positions and training opportunities.

1002.6.1 DISCRIMINATORY HARASSMENT FORM
At the time of each employee's annual evaluation, the reviewing supervisor shall require the employee to read the City Department harassment and discrimination policies. Following such policy review, the supervisor shall provide the employee a form to be completed and returned by the employee certifying the following:

(a) That the employee understands the harassment and discrimination policies.
(b) Whether any questions the employee has have been sufficiently addressed.
(c) That the employee knows how and where to report harassment policy violations.
(d) Whether the employee has been the subject of, or witness to, any conduct that violates the discrimination or harassment policy which has not been previously reported.

The completed form should be returned to the supervisor (or other authorized individual if the employee is uncomfortable returning the form to the presenting supervisor) within one week.

The employee's completed answers shall be attached to the evaluation. If the employee has expressed any questions or concerns, the receiving supervisor or other authorized individual shall insure that appropriate follow up action is taken.

1002.7 EVALUATION REVIEW
After the supervisor finishes the discussion with the employee, the signed performance evaluation is forwarded to the rater's supervisor (Division Commander). The Division Commander or the Chief of Police or his or her designee shall review the evaluation for fairness, impartiality, uniformity, and consistency and place any comments needed on the evaluation. The evaluation will be returned to the supervisor for the appropriate signature. The employee will sign the evaluation last and place any comments in the section provided. The Chief of Police or his or her designee shall evaluate the supervisor on the quality of ratings given.

1002.8 EVALUATION DISTRIBUTION
The original performance evaluation shall be maintained in the employee's personnel file in the office of the Chief of Police for the tenure of the employee's employment. A copy will be given to the employee and a copy will be forwarded to City Personnel Department.

1006.1.1 GRIEVANCE DEFINED
A grievance is a complaint, dispute or request regarding the administration and/or interpretation of the terms or conditions of employment or the interpretation of any of the following documents by the person(s) affected:

- A collective bargaining agreement. If the employee's collective bargaining agreement contains a grievance provision, those grievance procedures will be followed (5 ILCS 315/8)
- This Policy Manual or any written Department procedure
- City rules and regulations covering personnel practices or working conditions

Grievances may be brought by an individual employee or by a group representative.

Specifically outside the category of grievance are complaints related to alleged acts of sexual, racial, ethnic or other forms of unlawful harassment, as well as complaints related to allegations of discrimination on the basis of sex, race, religion, ethnic background and other lawfully protected status or activity are subject to the complaint options set forth in Policy Manual § 328, and personnel complaints consisting of any allegation of misconduct or improper job performance against any department employee that, if true, would constitute a violation of department policy, federal, state or local law set forth in Policy Manual §1020.

1006.2 PROCEDURE
If an employee believes that he/she has a grievance as defined above, then that employee shall observe the following procedure:

(a) Attempt to resolve the issue through informal discussion with immediate supervisor.
(b) If after a reasonable amount of time, generally seven days, the grievance cannot be settled by the immediate supervisor, the employee may request an interview with the Division Commander of the affected division or bureau.
(c) If a successful resolution is not found with the Division Commander, the employee may request a meeting with the Chief of Police.
(d) If the employee and the Chief of Police are unable to arrive at a mutual solution, then the employee shall proceed as follows:
   1. Submit in writing a written statement of the grievance and deliver one copy to the Chief of Police and another copy to the immediate supervisor and include the following information:
      (a) The basis for the grievance (i.e., what are the facts of the case?).
      (b) Allegation of the specific wrongful act and the harm done.
      (c) What you would like to accomplish from this grievance.
(e) The employee shall receive a copy of the acknowledgment signed by the supervisor including the date and time of receipt.

(f) The Chief of Police will receive the grievance in writing. The Chief of Police and the City Manager will review and analyze the facts or allegations and respond to the employee within 14 calendar days. The response will be in writing, and will affirm or deny the allegations. The response shall include any remedies if appropriate. The decision of the City Manager is considered final.

1006.3 EMPLOYEE REPRESENTATION
Employees are entitled to have representation during the grievance process. The representative may be selected by the employee from the appropriate employee bargaining group.

In matters concerning the employee's collective bargaining agreement, the exclusive representative will be notified to attend any conference or settlement even if not requested by the employee (5 ILCS 315/6(b)).

1006.4 GRIEVANCE RECORDS
At the conclusion of the grievance process, all documents pertaining to the process shall be forwarded to Administration for inclusion into a secure file for all written grievances. A second copy of the written grievance will be maintained by the City Manager's office to monitor the grievance process. A third copy will be maintained in the personnel file of the individual grievant (820 ILCS 40/1 et seq. and 820 ILCS 40/4)

1006.5 GRIEVANCE AUDITS
The Training Officer shall perform an annual audit of all grievances filed the previous calendar year to evaluate whether or not any policy/procedure changes or training may be appropriate to avoid future filings of grievances. The Training Officer shall record these findings in a confidential and generic memorandum to the Chief of Police without including any identifying information from any individual grievance. If the audit identifies any recommended changes or content that may warrant a critical revision to this policy manual, the Training Officer should promptly notify the Chief of Police.
Reporting of Employee Convictions

1010.1 PURPOSE AND SCOPE
Convictions of certain offenses may restrict or prohibit an employee's ability to properly perform official duties; therefore, all employees shall be required to promptly notify the Department of any past and current criminal convictions.

1010.2 DOMESTIC VIOLENCE CONVICTIONS AND RESTRAINING ORDERS
Illinois and federal law prohibit individuals convicted of certain offenses and individuals subject to certain court orders from lawfully possessing a firearm. Such convictions and court orders often involve allegations of the use or attempted use of force or threatened use of a weapon on any individual in a domestic relationship (e.g., spouse, cohabitant, parent, child) (18 USC § 922; 720 ILCS 5/24-1.1).

All members are responsible for ensuring that they have not been disqualified from possessing a firearm by any such conviction or court order and shall promptly report any such conviction or court order to a supervisor, as provided in this policy.

Officers are prohibited from carrying a firearm if they are currently the subject of a domestic violence protection order (750 ILCS 60/214).

1010.3 OTHER CRIMINAL CONVICTIONS
65 ILCS 5/10-2.1-6 prohibits any person convicted of a felony from being a peace officer in the State of Illinois. 720 ILCS 5/24-1.1 prevents any person who has been convicted of a felony from possessing a firearm. This prohibition applies regardless of whether the guilt was established by way of a verdict, guilty plea or nolo contendre plea.

Convictions of certain state or federal violations, including other provisions, such as probation or conditions of bail may place restrictions on an employee's ability to fully perform the duties of the job or restrict possessing firearms (720 ILCS 550/10, 725 ILCS 5/110-10).

Moreover, while legal restrictions may or may not be imposed by statute or by the courts upon conviction of any criminal offense, criminal conduct by members of this department may be inherently in conflict with law enforcement duties and the public trust.

1010.4 REPORTING PROCEDURE
All members of this department and all retired officers with an identification card issued by the Department shall promptly notify their immediate supervisor (or the Chief of Police in the case of retired officers) in writing of any past or current criminal arrest or conviction regardless of whether or not the matter is currently on appeal and regardless of the penalty or sentence, if any.

All members and all retired officers with an identification card issued by the Department shall further promptly notify their immediate supervisor (or the Chief of Police in the case of retired officers) in writing if the member or retiree becomes the subject of a domestic violence restraining order or similar court order.
Reporting of Employee Convictions

Any member whose criminal conviction unduly restricts or prohibits that member from fully and properly performing his/her duties may be disciplined including, but not limited to, being placed on administrative leave, reassignment and/or termination.

Any member failing to provide prompt written notice pursuant to this policy shall be subject to discipline.
Drug- and Alcohol-Free Workplace

1012.1 PURPOSE AND SCOPE
The purpose of this policy is to establish clear and uniform guidelines regarding drugs and alcohol in the workplace.

1012.2 POLICY
It is the policy of this department to provide a drug- and alcohol-free workplace for all members.

1012.3 GENERAL GUIDELINES
Alcohol and drug use in the workplace or on department time can endanger the health and safety of department members and the public. Such use shall not be tolerated (41 USC § 8103).

Members who have consumed an amount of an alcoholic beverage or taken any medication, or combination thereof, that would tend to adversely affect their mental or physical abilities shall not report for duty. Affected members shall notify the Shift Commander or appropriate supervisor as soon as the member is aware that he/she will not be able to report to work. If the member is unable to make the notification, every effort should be made to have a representative contact the supervisor in a timely manner. If the member is adversely affected while on-duty, he/she shall be immediately removed and released from work (see Work Restrictions in this policy).

1012.3.1 USE OF MEDICATIONS
Members should avoid taking any medications that will impair their ability to safely and completely perform their duties. Any member who is medically required or has a need to take any such medication shall report that need to his/her immediate supervisor prior to commencing any on-duty status.

No member shall be permitted to work or drive a vehicle owned or leased by the Department while taking any medication that has the potential to impair his/her abilities, without a written release from his/her physician.

Possession of medical marijuana or being under the influence of marijuana on- or off-duty is prohibited and may lead to disciplinary action.

1012.4 MEMBER RESPONSIBILITIES
Members shall report for work in an appropriate mental and physical condition. Members are prohibited from purchasing, manufacturing, distributing, dispensing, possessing or using controlled substances or alcohol on department premises or on department time (41 USC § 8103). The lawful possession or use of prescribed medications or over-the-counter remedies is excluded from this prohibition.

Members who are authorized to consume alcohol as part of a special assignment shall not do so to the extent of impairing on-duty performance.
Drug- and Alcohol-Free Workplace

Members shall notify a supervisor immediately if they observe behavior or other evidence that they believe demonstrates that a fellow member poses a risk to the health and safety of the member or others due to drug or alcohol use.

Members are required to notify their immediate supervisors of any criminal drug statute conviction for a violation occurring in the workplace no later than five days after such conviction (41 USC § 8103).

1012.5 EMPLOYEE ASSISTANCE PROGRAM
There may be available a voluntary employee assistance program to assist those who wish to seek help for alcohol and drug problems (41 USC § 8103). Insurance coverage that provides treatment for drug and alcohol abuse also may be available. Employees should contact the Personnel Department, their insurance providers or the employee assistance program for additional information. It is the responsibility of each employee to seek assistance before alcohol or drug problems lead to performance problems.

1012.6 WORK RESTRICTIONS
If a member informs a supervisor that he/she has consumed any alcohol, drug or medication that could interfere with a safe and efficient job performance, the member may be required to obtain clearance from his/her physician before continuing to work.

If the supervisor reasonably believes, based on objective facts, that a member is impaired by the consumption of alcohol or other drugs, the supervisor shall prevent the member from continuing work and shall ensure that he/she is safely transported away from the Department.

1012.7 REQUESTING SCREENING TESTS
A supervisor may request an employee to submit to a screening test under the following circumstances:

(a) The supervisor reasonably believes, based upon objective facts, that the employee is under the influence of alcohol or drugs that are impairing his/her ability to perform duties safely and efficiently.

(b) The employee discharges a firearm, other than by accident, in the performance of his/her duties.

(c) During the performance of his/her duties, the employee drives a motor vehicle and becomes involved in an incident that results in bodily injury to him/herself or another person, or substantial damage to property.

1012.7.1 SUPERVISOR RESPONSIBILITY
The supervisor shall prepare a written record documenting the specific facts that led to the decision to request the test, and shall inform the employee in writing of the following:

(a) The test will be given to detect either alcohol or drugs, or both.

(b) The result of the test is not admissible in any criminal proceeding against the employee.

(c) The employee may refuse the test, but refusal may result in dismissal or other disciplinary action.

1012.7.2 SCREENING TEST REFUSAL
An employee may be subject to disciplinary action if he/she:
Drug- and Alcohol-Free Workplace

(a) Fails or refuses to submit to a screening test as requested.
(b) After taking a screening test that indicates the presence of a controlled substance, fails to provide proof, within 72 hours after being requested, that he/she took the controlled substance as directed, pursuant to a current and lawful prescription issued in his/her name.
(c) Violates any provisions of this policy.

1012.8 COMPLIANCE WITH THE DRUG-FREE WORKPLACE ACT
No later than 30 days following notice of any drug statute conviction for a violation occurring in the workplace involving a member, the Department will take appropriate disciplinary action, up to and including dismissal, and/or requiring the member to satisfactorily participate in a drug abuse assistance or rehabilitation program (41 USC § 8104).

1012.9 CONFIDENTIALITY
The Department recognizes the confidentiality and privacy due to its members. Disclosure of any information relating to substance abuse treatment, except on a need-to-know basis, shall only be with the express written consent of the member involved or pursuant to lawful process.

The written results of any screening tests and all documents generated by the employee assistance program are considered confidential medical records and shall be maintained separately from the employee's other personnel files.
Sick Leave Reporting

1014.1 PURPOSE AND SCOPE
Employees of this department are provided with a sick leave benefit that gives them continued compensation during times of absence due to personal or family illness. The number of hours available is detailed in the employee's respective personnel manual or applicable collective bargaining agreement. Employees may also be entitled to additional paid or unpaid leave for certain family and medical reasons as provided for in the Family and Medical Leave Act (FMLA) (29CFR 825).

1014.2 EMPLOYEE RESPONSIBILITIES
Sick leave may be used for absences caused by illness, injury, temporary disability (including pregnancy/maternity), or for medical, dental or vision exams or medical treatment of the employee or the employee's immediate family when it is not possible to schedule such appointments during non-working hours.

Sick leave is not considered vacation, and abuse of sick leave may result in discipline and/or denial of sick-leave benefits. Employees on sick leave shall not engage in other employment or self-employment, or participate in any sport, hobby, recreational or other activity which may impede recovery from the injury or illness.

Upon return to work, employees shall complete and submit a leave request describing the type of leave used and the specific amount of time taken.

1014.2.1 NOTIFICATION
Employees are encouraged to notify the Shift Commander or appropriate supervisor as soon as they are aware that they will not be able to report to work. At a minimum, employees shall make such notification no less than two hours before the start of their scheduled shift. If an employee is unable to contact the supervisor in the case of an emergency, every effort should be made to have a representative contact the supervisor.

When the necessity for leave is foreseeable, such as an expected birth or planned medical treatment, the employee shall, whenever possible, provide the Department with no less than 30-days notice of the intent to take leave.

1014.3 EXTENDED ILLNESS
Employees on extended absences shall, if possible, contact their unit supervisor at three-day intervals to provide an update on their absence and expected date of return. Employees absent from duty due to personal illness in excess of three consecutive days may be required to furnish a statement from their health care provider supporting the use of sick leave and/or the ability to return to work.

Nothing in this section precludes a supervisor, with cause, from requiring a physician’s statement if three or fewer sick days are taken.

1014.4 SUPERVISOR RESPONSIBILITY
Supervisors should monitor sick leave usage and regularly review the attendance of employees under their command to ensure that the use of sick leave is consistent with this policy. Supervisors should address sick-leave use in the employee’s performance
Sick Leave Reporting

evaluation when it has negatively affected the employee's performance or ability to complete assigned duties, and when unusual amounts of sick leave by the employee has had a negative impact on department operations. When appropriate, supervisors should counsel employees regarding the excessive use of sick leave and should consider referring the employee to the Employee Assistance Program.
Communicable Diseases

1016.1 PURPOSE AND SCOPE
This policy is intended to provide information and guidelines for department personnel to assist in minimizing the risk of contracting and/or spreading communicable diseases and to minimize the incidence of illness and injury as required by state and federal guidelines (820 ILCS 225/3; 29 CFR 1910.1030(a)). The policy will offer direction in achieving the following goals:

(a) To identify, inform and train all department employees regarding the communicable disease risks to which they may be exposed while performing their specific job assignments.

(b) To manage the risks associated with bloodborne pathogens (BBP), aerosol transmissible diseases and other potentially infectious substances.

(c) To assist department personnel in making decisions concerning the selection, use, maintenance, limitations, storage and disposal of personal protective equipment (PPE).

(d) To protect the privacy rights of all department personnel who may be exposed to or contract a communicable disease during the course of their duties.

(e) To provide appropriate testing, treatment and counseling should an employee be exposed to a communicable disease.

1016.1.1 DEFINITIONS
Definitions related to this policy include (820 ILCS 225/4.1):

Biohazard or bloodborne pathogen - Pathogenic microorganisms that are present in human blood and can cause disease in humans (29 CFR 1910.1030(b)). These pathogens include, but are not limited to, hepatitis B virus (HBV) and human immunodeficiency virus (HIV).

Communicable disease - An illness caused by an agent or its toxic products that arises through the transmission of that agent or its products to a susceptible host, either directly or indirectly.

Exposure incident - A specific eye, mouth, other mucous membrane, non-intact skin, or parental contact with blood or other potentially infectious materials that results from the performance of a department member's duties (29 CFR 1910.1030(b)).

Other potentially infectious materials - Includes human body fluids, such as semen, vaginal secretions, cerebrospinal fluid, synovial fluid, pleural fluid, pericardial fluid, peritoneal fluid, amniotic fluid, saliva in dental procedures, any bodily fluid that is visibly contaminated with blood, and all bodily fluids in situations where it is difficult or impossible to differentiate between bodily fluids and any unfixed tissue or organ (other than intact skin) from a human (living or dead) and HIV-containing cell or tissue cultures, organ cultures and HIV or HBV-containing culture medium or other solutions and blood, organs, or other tissues from experimental animals infected with HIV or HBV (29 CFR 1910.1030(b)).
1016.2 PROCEDURES FOR CONTACT WITH BLOOD OR BODILY FLUIDS
All department personnel who may be involved in providing emergency medical care or who come in contact with another person's blood or bodily fluids (e.g., during an altercation or while attending to any injured person) shall follow these procedures and guidelines.

1016.2.1 EXPOSURE CONTROL OFFICER
The Chief of Police will assign a person as the department's Exposure Control Officer. The Exposure Control Officer (ECO) shall be responsible for the following:

(a) The overall management of the bloodborne Exposure Control Plan (ECP) to include the applicable duties, responsibilities and/or safeguards required by 29 CFR 1910.1030 and 820 ILCS 225/4.1.
(b) Establishing written procedures and a training program related to aerosol transmissible diseases.
(c) Working with management to develop and administer any additional related policies and practices necessary to support the effective implementation of this plan and remain current on all legal requirements concerning BBP and other communicable diseases.
(d) Acting as a liaison during OSHA inspections and conducting program audits to maintain a current ECP.
(e) Maintaining an up-to-date list of police personnel requiring training, developing and implementing a training program, maintaining class rosters and quizzes, and periodically reviewing the training program.
(f) Reviewing and updating the ECP annually (on or before January 1 of each year).

Department supervisors are responsible for exposure control in their respective areas. They shall work directly with the ECO and the affected employees to ensure that the proper exposure control procedures are followed.

1016.2.2 UNIVERSAL PRECAUTIONS
All human blood and bodily fluids such as saliva, urine, semen and vaginal secretions, are to be treated as if they are known to be infectious. Where it is not possible to distinguish between bodily fluid types, all bodily fluids are to be assumed potentially infectious.

1016.2.3 PERSONAL PROTECTIVE EQUIPMENT
Personal protective equipment is the last line of defense against communicable disease. Therefore, the following equipment is provided for all personnel to assist in the protection against such exposures:

- Not less than two pair of disposable latex/nitrile gloves; keeping a box in the car is recommended
- Safety glasses or goggles
- NIOSH N95 particulate respirator with a one-way valve
- Alcohol, or similar substance, to flush skin at emergency site
- Alcohol hand wipes

The protective equipment is to be kept in each police vehicle. It should be inspected at the start of each shift and replaced immediately upon returning to the station if it has been used or damaged during the shift, or is otherwise in need of replacement.
1016.2.4 IMMUNIZATIONS
All department personnel who, in the line of duty, respond to emergency medical calls or may be exposed to or have contact with a communicable disease shall be offered appropriate treatment immunization (29 CFR 1910.1030(f)).

1016.2.5 WORK PRACTICES
All personnel shall use the appropriate barrier precautions to prevent skin and mucous membrane exposure whenever contact with blood or bodily fluid is anticipated.

Disposable gloves shall be worn on all medical emergency responses. Disposable gloves shall be worn before making physical contact with any patient and/or when handling items (e.g., evidence, transportation vehicle) soiled with blood or other bodily fluids. Should one’s disposable gloves become contaminated with blood or other bodily fluids, the gloves shall be disposed of as contaminated waste. Care should be taken to avoid touching other items (e.g., pens, books and personal items in general) while wearing the disposable gloves in a potentially contaminated environment.

All procedures involving blood or other potentially infectious materials shall be done in a way to minimize splashing, spraying, or otherwise generating droplets of those materials.

Eating, drinking, smoking, applying lip balm, and handling contact lenses shall be prohibited in areas where a potential for an exposure exists.

1016.2.6 INFORMATION AND TRAINING
All employees shall participate in occupational exposure training commensurate with the requirements of his/her position. The training shall be provided:

(a) At the time of initial assignment to tasks where an occupational exposure may take place.

(b) At least annually after the initial training.

(c) Whenever the employee is assigned new tasks or procedures affecting his/her potential exposure to communicable disease.

The occupational exposure training should meet the minimum standards set by state and federal regulations (29 CFR 1910.1030(g)(2)(vii)).

1016.3 DISPOSAL AND DECONTAMINATION
The following procedures will apply to the disposal and decontamination of equipment or personnel after responding to an event that involved contact with a person’s blood or bodily fluids.

1016.3.1 USE OF WASTE CONTAINERS
Officers shall dispose of biohazards with the on-scene fire response vehicle or ambulance at the attending clinic or hospital, with its approval or in an appropriately marked biohazard waste container immediately upon arrival.

The biohazard waste container shall be collapsible, leakproof, red and appropriately labeled with a biohazard warning, and routinely emptied.
1016.3.2 DECONTAMINATION OF SKIN AND MUCOUS MEMBRANES
Personnel shall immediately wash their hands either while on-scene or as soon as practicable following the removal of potentially contaminated gloves. Antibacterial soap and warm water or an approved disinfectant shall be used to wash one's hands, paying particular attention to the fingernails.

If an employee's intact skin contacts someone else's blood or bodily fluids or other potentially infectious materials, the employee shall immediately wash the exposed part of his/her body with soap and warm water and/or an approved hospital strength disinfectant wash or rinse, as soon as possible. If the skin becomes grossly contaminated, body washing shall be followed by an approved hospital strength disinfectant wash or rinse. If large areas of the employee's skin are contaminated, the employee shall shower as soon as reasonably possible, using warm water and soap and/or an approved disinfectant. Medical treatment should be obtained.

Contaminated non-intact skin (e.g., injured skin, open wound) shall be cleaned using an approved disinfectant and then dressed or bandaged as required. Medical treatment is required.

All hand, skin, and mucous membrane washing that takes place in the station shall be done in the designated cleaning or decontamination area. Cleaning shall not be done in the kitchen, bathrooms or other locations not designated as the cleaning or decontamination area.

1016.3.3 SHARPS AND ITEMS THAT CUT OR PUNCTURE
All personnel shall avoid using or holding sharps (e.g., needles, blades) unless they are needed to assist a paramedic or are being collected for evidence. Unless required for evidentiary reasons related to evidence preservation, employees are not to recap sharps. If recapping is necessary, a one-handed method shall be employed to avoid a finger prick. Disposal, when practicable, shall be into a puncture-proof biohazard container.

All sharps and items that cut or puncture (e.g., broken glass, razors and knives) shall be treated cautiously to avoid cutting, stabbing or puncturing one's self or any other person.

If a sharp object contains known or suspected blood or other bodily fluids, that item is to be treated as a contaminated item. If the item is not evidence, touching it with the hands shall be avoided. Use a device, such as tongs or a broom and a dustpan, to clean up debris. If the material must be hand held, protective gloves must be worn.

1016.3.4 DISPOSABLE PROTECTIVE EQUIPMENT
Contaminated disposable supplies (e.g., gloves, dressings, CPR mask) shall be transported with the patient or suspect in the ambulance or police vehicle. The waste material shall then be disposed of in a biohazard waste container at the hospital or police station. Disposable gloves are to be worn while placing the waste into the waste biohazard container, placing the gloves in with the waste when through.

1016.3.5 DECONTAMINATION OF PERSONAL PROTECTIVE EQUIPMENT
After using any reusable personal protective equipment, it shall be washed or disinfected and stored appropriately. If the personal protective equipment is non-reusable (e.g., disposable gloves), it shall be discarded in a biohazard waste container as described in this policy.
Communicable Diseases

Any personal protective equipment that becomes punctured, torn, or loses its integrity, shall be removed as soon as feasible. The employee shall wash up and replace the personal protective equipment if the task has not been completed. If any failure of personal protective equipment results in a contaminated non-intact skin event, decontamination as described in this policy shall be implemented.

Contaminated reusable personal protective equipment that must be transported prior to cleaning it shall be placed into a biohazard waste bag and transported in the ambulance, paramedic truck or police vehicle. Gloves shall be worn while handling the biohazard waste bag and during placement into the biohazard waste container, and then included in with the waste.

1016.3.6 DECONTAMINATION OF NON-DISPOSABLE EQUIPMENT

Contaminated non-disposable equipment (e.g., flashlight, gun, baton, clothing, and portable radio) shall be decontaminated as soon as reasonably practicable. If it is to be transported, it shall be done by first placing it into a biohazard waste bag.

Grossly contaminated non-disposable equipment items shall be transported to a hospital, fire station, or police station for proper cleaning and disinfecting. Porous surfaces such as nylon bags and straps, shall be brushed and scrubbed with a detergent and hot water, laundered and allowed to dry. Non-porous surfaces (e.g., plastic or metal) shall be brushed and scrubbed with detergent and hot water, sprayed with a bleach solution, rinsed, and allowed to dry. Delicate equipment (e.g., radios) should be brushed and scrubbed very carefully using a minimal amount of a type of germicide that is approved by Environmental Protection Agency (EPA).

While cleaning equipment, pay close attention to handles, controls, crevices, portable radios, and external microphones. Equipment cleaning shall not be done in the kitchen, bathrooms, or other areas not designated as the cleaning/decontamination area.

Contaminated equipment should be cleaned using an approved EPA germicide or a 1:100 solution of chlorine bleach (one-quarter cup of bleach per one gallon of water) while wearing disposable gloves and goggles. Large particles of contaminants such as vomit, feces and blood clots should first be removed (e.g., using a disposable towel or other means to prevent direct contact) and then properly disposed.

1016.3.7 DECONTAMINATION OF CLOTHING

Contaminated clothing such as uniforms and undergarments shall be removed as soon as feasible and rinsed in cold water to prevent the setting of bloodstains. If the clothing may be washed in soap and hot water, do so as soon as possible. If the clothing must be dry cleaned, place it into a biohazard waste bag and give it to the Exposure Control Officer. The ECO will secure a dry cleaner that is capable of cleaning contaminated clothing and will inform them of the potential contamination. This dry cleaning will be done at the Department's expense.

Contaminated leather footwear shall be brushed and scrubbed with detergent and hot water. If the contaminant soaked through the footwear, the footwear shall be discarded.

1016.3.8 DECONTAMINATION OF VEHICLES

Contaminated vehicles and components such as the seats, radios and doors, shall be washed with soap and warm water and disinfected with an approved germicide as soon as feasible.
Communicable Diseases

1016.3.9 DECONTAMINATION OF STATION AND CLEANING AREA
The ECO shall designate a location at the station that will serve as the area for cleaning/decontamination. This area is to be used to keep equipment clean and sanitary and for the employees to wash any potential contamination from their bodies. This area is to be thoroughly cleaned after each use and to be maintained in a clean and sanitary order at all times. The application of cosmetics, smoking cigarettes and consuming food and drink are prohibited in this designated area at all times.

1016.4 POST-EXPOSURE REPORTING AND FOLLOW-UP REQUIREMENTS
In actual or suspected exposure incidents, proper documentation and follow-up action must occur to limit potential liabilities and ensure the best protection and care for the employee.

1016.4.1 EMPLOYEE RESPONSIBILITY TO REPORT EXPOSURE
In order to provide appropriate and timely treatment should exposure occur, all employees shall verbally report the exposure to their immediate supervisor and complete a written exposure report as soon as possible following the exposure or suspected exposure. The report shall be submitted to the employee's immediate supervisor. Employees should document in the exposure report whether they would like the person who was the source of the exposure to be tested for communicable diseases.

Additionally if the exposure involves contact with the bodily fluids of an individual who has been arrested the employee must also comply with reporting requirements.

1016.4.2 SUPERVISOR REPORTING REQUIREMENTS
The supervisor on-duty shall investigate every exposure that occurs as soon as reasonably practicable following the incident, while gathering the following information:

(a) Name and social security number of the employee exposed
(b) Date and time of incident
(c) Location of incident
(d) The potentially infectious materials involved
(e) Source of material or person
(f) Current location of material or person
(g) Work being done during exposure
(h) How the incident occurred or was caused
(i) PPE in use at the time of incident
(j) Actions taken post-event (e.g., clean-up and notifications)

The supervisor shall use the above information to prepare a written summary of the incident, its causes and recommendations for avoiding similar events. This report will be provided to the ECO, the consulting physician, and to the City's Risk Manager.

The exposure contact form shall be submitted by the end of the shift during which the incident occurred, or if not practicable, as soon as possible.

The exposure shall be documented by the ECO in the Federal OSHA 300 log without including the employee's name (29 CFR 1904.8).
Communicable Diseases

Upon completion, the ECO or designate shall immediately forward to the appropriate local health authority, county or state office all documentation as required.

1016.4.3 MEDICAL CONSULTATION, EVALUATION, AND TREATMENT
Any employee who was exposed or suspects he/she was exposed to a communicable disease shall be seen by a physician (or qualified health care provider) as soon as reasonably possible. The doctor or qualified health care provider should be provided the supervisor's report, any applicable exposure report and the employee's medical records relevant to the visit and examination (29 CFR 1910.1030(f)(3)).

If appropriate, the State's Attorney's Office should be consulted to determine if the individual that is the source of the exposure can be compelled to submit a blood test in accordance with the AIDS Confidentiality Act (410 ILCS 305/9(i)).

The ECO and/or the City's risk manager should ensure that any exposed employee is advised of the laws and regulations concerning disclosure of the identity and infectious status of a source. If possible, the exposed employee will be informed of the source's test results when allowed by law.

The qualified health care professional shall provide the ECO and/or the City's risk manager with a written opinion/evaluation of the exposed employee's situation. This opinion shall only contain the following information:

- If a post-exposure treatment is indicated for the employee
- If the employee received a post-exposure treatment
- Confirmation that the employee received the evaluation results
- Confirmation that the employee was informed of any medical condition resulting from the exposure incident that will require further treatment or evaluation
- Whether communicable disease testing from the source is warranted, and if so, the possible diseases to be tested

All other findings or diagnosis shall remain confidential and are not to be included in the written report.

1016.4.4 COUNSELING
In addition to any other available employee assistance programs, the Department shall provide the exposed employee, and his/her family if necessary, the opportunity for counseling and consultation.

1016.4.5 CONFIDENTIALITY OF REPORTS
All information obtained and reported pursuant to this procedure shall be kept confidential pursuant to the law. The ECO shall ensure that all records and reports are kept in the strictest confidence.

The ECO shall be responsible for maintaining records containing the employee's treatment status and the results of examinations, medical testing, and follow-up procedures that took place as a result of an exposure.

The risk manager shall be responsible for maintaining the name and social security number of the employee and copies of any information provided to the consulting health care professional as a result of an exposure.
Communicable Diseases

This information is confidential and shall not be disclosed to anyone without the employee's written consent, except as required by law. Test results from persons who may have been the source of an exposure are to be kept confidential as well.

1016.5 SOURCE TESTING
Any employee who believes that he/she came into contact with bodily fluids of an individual who has been arrested or taken into custody shall complete a document separate from any other reports related to the incident, including the names of witnesses to the incident, names of persons involved in the underlying incident, and if feasible, any written statements from these parties. This document shall be submitted to the immediate supervisor and after approval forwarded to the department's Exposure Control Officer (29 CFR 1910.1030 (f)).

The exposure shall be documented in the Federal OSHA Form 300 without including the employee's name (29 CFR 1904.8).

All documentation of the exposure shall be submitted by the end of the shift during which the incident occurred, or if not practicable, as soon as possible.

The ECO shall contact the health department regional office and determine at what point in the process the local office desires to receive a copy of any reports related to the specific exposure, as some exposure reports are not accepted unless a positive test result occurs.

1016.5.1 REQUEST FOR HIV TESTING
Any employee who desires that the individual be tested for HIV shall make such a request in writing.

Written informed consent is not required for a health care provider or health facility to perform a test when an on-duty law enforcement officer has direct skin or mucous membrane contact with the blood or bodily fluids of an individual who may transmit HIV, as determined by a physician (410 ILCS 305/7(c)).

The ECO immediately shall make available a confidential medical evaluation in which the doctor examining and/or testing the employee is informed of the route of exposure, the circumstances of the exposure and the identification of the source individual.

1016.5.2 AVAILABLE COUNSELING
In addition to any other available employee assistance programs, appropriate counseling shall be provided to the exposed employee if tests are positive (410 ILCS 305/7(c)).

1016.5.3 TESTING PROCEDURE
In the event that an individual is ordered to be tested for HIV, such tests shall consist of a blood sample withdrawn in a medically approved manner by a licensed physician, physician's assistant nurse, medical technician or phlebotomist.

The source individual's blood shall be tested as soon as consent can be obtained. If consent is not required by law, the blood shall be tested and results documented.

1016.5.5  TEST RESULTS
Any employee who had direct contact with the bodily fluids of an individual who is determined to have tested positive for HIV or AIDS shall receive confidential notification of the positive test result from the health care provider or other professional (410 ILCS 305/9.5(b)).
Smoking and Tobacco Use

1018.1 PURPOSE AND SCOPE
This policy establishes limitations on the use of tobacco products by employees and others while on-duty or while in Department facilities or vehicles.

1018.2 POLICY
The Department recognizes that tobacco use is a health risk and can be offensive to other employees and to the public. It is the policy of the Metro East Police District to prohibit the use of tobacco by employees while on-duty or at any time the employee is acting in an official capacity for the Department.

1018.3 EMPLOYEE USE
Tobacco use by employees is prohibited anytime employees are in public view representing the Department.

1018.4 ADDITIONAL PROHIBITIONS
No employee shall smoke, even if out of public view in any public place, child/adult day care center, health care facility or within 15 feet of any entrance or any other location described under the Smoke Free Illinois Act (410 ILCS 82/15).
Personnel Complaints

1020.1 PURPOSE AND SCOPE
The purpose of this procedure is to provide guidelines for the reporting, investigation and disposition of complaints regarding the conduct of members and employees of this department.

1020.1.1 PERSONNEL COMPLAINTS DEFINED
Personnel complaints consist of any allegation of misconduct or improper job performance against any department employee that, if true, would constitute a violation of department policy, federal, state or local law.

Inquiries about employee conduct which, even if true, would not qualify as a personnel complaint may be handled informally by a department supervisor and shall not be considered complaints.

Personnel Complaints shall be classified in one of the following categories:

Informal - A matter in which the complaining party is satisfied that appropriate action has been taken by a department supervisor of rank greater than the accused employee. Informal complaints need not be documented on a personnel complaint form and the responsible supervisor shall have the discretion to handle the complaint in any manner consistent with this policy.

Formal - A matter in which the complaining party requests further investigation or which a department supervisor determines that further action is warranted. Such complaints may be investigated by a department supervisor of rank greater than the accused employee or referred to the Professional Standards Bureau depending on the seriousness and complexity of the investigation.

Incomplete - A matter in which the complaining party either refuses to cooperate or becomes unavailable after diligent follow-up investigation. At the discretion of the assigned supervisor or the Professional Standards Bureau, such matters need not be documented as personnel complaints, but may be further investigated depending on the seriousness of the complaint and the availability of sufficient information.

1020.2 AVAILABILITY AND ACCEPTANCE OF COMPLAINTS

1020.2.1 AVAILABILITY OF COMPLAINT FORMS
Personnel complaint forms will be maintained in a clearly visible location in the public lobby. Forms may also be available at other government facilities.

1020.2.2 SOURCE OF COMPLAINTS
(a) A department employee becoming aware of alleged misconduct shall immediately notify a supervisor.

(b) A supervisor receiving a complaint from any source alleging misconduct of an employee which, if true, could result in disciplinary action.
Personnel Complaints

(c) Anonymous complaints and third party complaints should be accepted and investigated to the extent that sufficient information is provided.

1020.2.3 ACCEPTANCE OF COMPLAINTS
A complaint may be filed in person, in writing, electronically, or by telephoning the Department. Although not required, every effort should be made to have the complainant appear in person. The following should be considered before taking a complaint:

(a) Complaints shall not be prepared unless the alleged misconduct or job performance is of a nature which, if true, would normally result in disciplinary action.

(b) When an uninvolved supervisor or the Shift Commander determines that the reporting person is satisfied that their complaint required nothing more than an explanation regarding the proper/improper implementation of department policy or procedure, a complaint need not be taken.

(c) When the complainant is intoxicated or otherwise incapacitated to the point where his/her credibility appears to be unreliable, identifying information should be obtained and the person should be provided with a Personnel Complaint form.

(d) Depending on the urgency and seriousness of the allegations involved, complaints from juveniles should generally be taken only with their parents or guardians present and after the parents or guardians have been informed of the circumstances prompting the complaint.

1020.2.4 COMPLAINT DOCUMENTATION
Formal complaints of alleged misconduct shall be documented in writing by a sworn affidavit by the person making the complaint. (50 ILCS 725/3.8 (b)). If the Department provides a particular form for this purpose this is the preferred method of submitting a complaint however no complaint should be declined because it is not written on the Department form. The supervisor accepting the complaint shall report and document the receipt of the complaint and shall ensure that the nature of the complaint is defined as clearly as possible.

A supervisor may elect to document informal complaints as a supervisor or Shift Commander log entry.

When a Personnel Complaint form is completed in person, the complainant should legibly write a detailed narrative of his/her complaint. If circumstances indicate that this is not feasible, the complaint may be dictated to the receiving supervisor. In an effort to ensure accuracy in any complaint, it is recommended that a recorded statement be obtained from the reporting party. A refusal by a party to be recorded shall not alone be grounds to refuse to accept a complaint. Whether handwritten or dictated, the complainant’s signature should be obtained at the conclusion of the statement. If the Department form for this purpose is not used, the receiving supervisor shall ensure that the document includes a sworn affidavit as required by 50 ILCS 725/3.8 (b). The complainant should be provided with a copy of his or her own original complaint.

Should the sworn affidavit be found to contain knowingly false material information, the matter shall be brought to the attention of the appropriate State’s Attorney for determination of prosecution (50 ILCS 725/3.8 (b).
1020.3 SUPERVISOR RESPONSIBILITY
A supervisor who becomes aware of alleged misconduct shall take reasonable steps to prevent aggravation of the situation.

In general, the primary responsibility for the investigation of a personnel complaint shall rest with the employee’s immediate supervisor. The Chief of Police or authorized designee may, however, direct that another supervisor investigate it. The supervisor shall be responsible for the following:

(a) A supervisor receiving a formal complaint involving allegations of a potentially serious nature shall ensure that the Shift Commander, Commanding Officer and Chief of Police are notified as soon as practicable

(b) A supervisor receiving or initiating any formal complaint shall ensure that a Personnel Complaint form has been completed as fully as possible. The original complaint form will then be directed to the Commanding Officer of the accused employee, via the chain of command, who will take appropriate action or forward the complaint to the Professional Standards Bureau for further action

1. During the preliminary investigation of any complaint, the supervisor should make every reasonable effort to obtain names, addresses and telephone numbers of additional witnesses.

2. Once immediate medical attention has been provided, photographs of alleged injuries as well as accessible areas of non-injury should be taken.

3. In circumstances where the integrity of the investigation could be jeopardized by reducing the complaint to writing or where the confidentiality of a complainant is at issue, a supervisor shall orally report the matter to the employee’s Division Commander or the Chief of Police who will initiate appropriate action.

(c) A supervisor dealing with an accused employee shall ensure that the procedural rights of the employee are followed pursuant to the Uniform Peace Officers’ Disciplinary Act (50 ILCS 725/1 et seq.), if applicable as well as any other requirements contained in applicable personnel rules and/or collective bargaining agreements.

(d) When the nature of a personnel complaint relates to sexual, racial, ethnic, or other forms of prohibited harassment or discrimination, the supervisor receiving the complaint shall promptly contact the Personnel Department and the Chief of Police for direction regarding their role in investigation and/or addressing the complaint.

1020.4 ASSIGNMENT TO ADMINISTRATIVE LEAVE
When a complaint of misconduct is of a serious nature or when circumstances practically dictate that it would impose an unreasonable risk to the Department, the employee, other employees or the public, a supervisor may assign the accused employee to inactive duty pending completion of the investigation or the filing of administrative charges.

1020.4.1 ADMINISTRATIVE LEAVE
An employee placed on administrative leave may be subject to the following guidelines:

(a) Under such circumstances, an employee placed on administrative leave shall continue to receive regular pay and benefits pending the imposition of any discipline.

(b) An employee placed on administrative leave may be required by a supervisor to relinquish any badge, departmental identification, assigned weapon(s) and any other departmental equipment.
(c) An employee placed on administrative leave may be ordered to refrain from taking any action as a departmental employee or in an official capacity. The employee shall be required to continue to comply with all policies and lawful orders of a supervisor.

(d) An employee placed on administrative leave may be temporarily reassigned to a different shift (generally normal business hours) during the pendency of the investigation and the employee may be required to remain available for contact at all times during such shift and report as ordered.

(e) It shall be the responsibility of the assigning supervisor to promptly notify the employee's Division Commander and the Chief of Police.

(f) At such time as any employee placed on administrative leave is returned to full and regular duty, the employee shall be returned to their regularly assigned shift with all badges, identification card and other equipment returned.

1020.5 ALLEGATIONS OF CRIMINAL CONDUCT

Where an employee of this department is accused of potential criminal conduct, a separate supervisor or assigned detective shall be assigned to investigate the criminal allegations apart from any administrative investigation. Any separate administrative investigation may parallel a criminal investigation.

The Chief of Police shall be notified as soon as practical when an employee is formally accused of criminal conduct. In the event of serious criminal allegations, the Chief of Police may request a criminal investigation by an outside law enforcement agency or County State's Attorney. Department employees shall cooperate fully with any outside agency's investigation.

An employee accused of criminal conduct shall be provided with all rights and privileges afforded to a civilian and the employee may not be administratively ordered to provide any information to a criminal investigation.

No information or evidence administratively coerced from an employee may be used against the employee in a criminal investigation.

1020.6 ADMINISTRATIVE INTERROGATION OF COMPLAINT

Whether conducted by a supervisor or an assigned member of the Professional Standards Bureau, the following procedures shall be followed with regard to the accused employees:

(a) The interrogation shall take place at the facility to which the investigating officer is assigned, or at the precinct or police facility which has jurisdiction over the place where the incident under investigation allegedly occurred, as designated by the investigating officer (50 ILCS 725/3.1).

(b) No officer shall be subjected to interrogation without first being informed in writing of the nature of the investigation. If an administrative proceeding is instituted, the officer shall be informed beforehand of the names of all complainants. The information shall be sufficient as to reasonably apprise the officer of the nature of the investigation (50 ILCS 725/3.2).

(c) All interrogations shall be conducted at a reasonable time of day. Whenever the nature of the alleged incident and operational requirements permit, interrogations shall be conducted during the time when the officer is on duty (50 ILCS 725/3.3).

(d) The officer under investigation shall be informed in writing of the name, rank and unit or command of the officer in charge of the investigation, the interrogators, and all persons who will be present on the behalf of the employer during any interrogation.
Personnel Complaints

except at a public administrative proceeding. The officer under investigation shall inform the employer of any person who will be present on his or her behalf during any interrogation except at a public administrative hearing (50 ILCS 725/3.4).

(e) Interrogation sessions shall be of reasonable duration and shall permit the officer interrogated reasonable periods for rest and personal necessities (50 ILCS 725/3.5).

(f) The officer being interrogated shall not be subjected to professional or personal abuse, including offensive language (50 ILCS 725/3.6).

(g) A complete record of any interrogation shall be made, and a complete transcript or copy shall be made available to the officer under investigation without charge and without undue delay. Such record may be electronically recorded (50 ILCS 725/3.7).

(h) No officer shall be interrogated without first being advised in writing that admissions made in the course of the interrogation may be used as evidence of misconduct or as the basis for charges seeking suspension, removal, or discharge; and without first being advised in writing that he/she has the right to counsel of his or her choosing who may be present to advise him or her at any stage of any interrogation (50 ILCS 725/3.8).

(i) The officer under investigation shall have the right to be represented by counsel of his/her choosing and may request counsel at any time before or during interrogation. When such request for counsel is made, no interrogation shall proceed until reasonable time and opportunity are provided the officer to obtain counsel. If a collective bargaining agreement requires the presence of a representative of the collective bargaining unit during investigations, such representative shall be present during the interrogation, unless this requirement is waived by the officer being interrogated (50 ILCS 725/3.9). However, in order to maintain the integrity of each individual employee's statement, involved employees shall not consult or meet with a representative or attorney collectively or in groups prior to being interviewed.

(j) Admissions or confessions obtained during the course of any interrogation not conducted in accordance with the Uniform Peace Officers' Disciplinary Act may not be utilized in any subsequent disciplinary proceeding against the officer (50 ILCS 725/3.10).

(k) In the course of any interrogation no officer shall be required to submit to a polygraph test, or any other test questioning by means of any chemical substance, except with the officer's express written consent. Refusal to submit to such tests shall not result in any disciplinary action nor shall such refusal be made part of his/her record (50 ILCS 725/3.11).

(l) The rights of officer in disciplinary procedures set forth shall not diminish the rights and privileges of officer that are guaranteed to all citizens by the Constitution and laws of the United States and of the State of Illinois (50 ILCS 725/4).

(m) These provisions do not apply to any officer charged with violating any provisions of the Criminal Code of 2012, or any other federal, state or local criminal law (50 ILCS 725/5).

(n) These provisions apply only to the extent there is no collective bargaining agreement currently in effect dealing with the subject matter of these provisions (50 ILCS 725/6).

(o) No officer shall be discharged, disciplined, demoted, denied promotion or seniority, transferred, reassigned or otherwise discriminated against in regard to his or her employment, or be threatened with any such treatment as retaliation for or by reason of his or her exercise of the rights granted by the Uniform Peace Officers' Disciplinary Act (50 ILCS 725/7).
1020.6.1 ADMINISTRATIVE SEARCHES
Any employee may be compelled to disclose personal financial information pursuant to proper legal process; if such information tends to indicate a conflict of interest with official duties, or, if the employee is assigned to or being considered for a special assignment with a potential for corruption.

Employees shall have no expectation of privacy when using telephones, computers, radios or other communications provided by the Department.

Assigned lockers, storage spaces and all other departmentally assigned areas (e.g., desks, office space, and assigned vehicles) may be administratively searched by a supervisor, in the presence of an uninvolved witness, for non-investigative purposes (e.g., obtaining a needed report or radio). An investigative search of such areas shall only be conducted upon a reasonable suspicion that official misconduct is involved.

1020.6.2 ADMINISTRATIVE INVESTIGATION FORMAT
Investigations of personnel complaints shall be detailed, complete and essentially follow this format:

Introduction - Include the identity of the employee(s), the identity of the assigned investigator(s), the initial date and source of the complaint.

Synopsis - Provide a very brief summary of the facts giving rise to the investigation.

Summary Of Allegations - List the allegations separately (including applicable policy sections) with a very brief summary of the evidence relevant to each allegation. A separate recommended finding should be provided for each allegation.

Evidence As To Each Allegation - Each allegation should be set forth with the details of the evidence applicable to each allegation provided, including comprehensive summaries of employee and witness statements. Other evidence related to each allegation should also be detailed in this section.

Conclusion - A recommendation regarding further action or disposition should be provided.

Exhibits - A separate list of exhibits (recordings, photos, documents, etc.) should be attached to the report.

1020.7 DISPOSITION OF PERSONNEL COMPLAINTS
Each allegation shall be classified with one of the following dispositions:

Unfounded - When the investigation discloses that the alleged act(s) did not occur or did not involve department personnel. Complaints which are determined to be frivolous will fall within the classification of unfounded.

Exonerated - When the investigation discloses that the alleged act occurred, but that the act was justified, lawful and/or proper.

Not Sustained - When the investigation discloses that there is insufficient evidence to sustain the complaint or fully exonerate the employee.

Sustained - When the investigation discloses sufficient evidence to establish that the act occurred and that it constituted misconduct.
If an investigation discloses misconduct or improper job performance which was not alleged in the original complaint, the investigator shall take appropriate action with regard to any additional allegations.

1020.8 COMPLETION OF INVESTIGATIONS
Every investigator or supervisor assigned to investigate a personnel complaint shall proceed with due diligence. Recognizing that factors such as witness availability and the complexity of allegations will affect each case, every effort should be made to complete each investigation within a reasonable period following receipt. If the nature of the allegations dictate that confidentiality is necessary to maintain the integrity of the investigation, the involved employee(s) need not be notified of the pending investigation unless and until the employee is interviewed or formally charged.

If the complaining party is charged with a criminal offense associated with this investigation, then the investigation may be suspended until the completion of the criminal proceedings.

Upon completion, the report should be forwarded through the chain of command to the commanding officer of the involved employee(s) and to the Chief of Police.

Once received, the Chief of Police may accept or modify the classification and recommendation for disciplinary action contained in the report.

Within 30 days of the final review by the Chief of Police, written notice of the findings shall be sent to the complaining party. This notice shall indicate the findings, however, will not disclose the amount of discipline, if any imposed. The complaining party should also be provided with a copy of his/her own original complaint.

Any complaining party who is not satisfied with the findings of the Department concerning their complaint may contact the Chief of Police to discuss the matter further.

1020.8.1 CONFIDENTIALITY OF PERSONNEL FILES
All investigations of personnel complaints shall be considered confidential personnel files. The contents of such files shall not be revealed to anyone other than the involved employee or authorized personnel except pursuant to lawful process.

In the event that an accused employee (or the representative of such employee) knowingly makes false representations regarding any internal investigation and such false representations are communicated to any media source, the Department may disclose sufficient information from the employee's personnel file to refute such false representations.

Unless otherwise limited, all formal personnel complaints shall be maintained for a period of no less than five years. All non-citizen (e.g., those that originate internally) initiated complaints shall be maintained no less than two years.

Sustained complaints shall be maintained in the employee's personnel file. Complaints which are unfounded, exonerated or not sustained shall be maintained by the Professional Standards Bureau apart from the employee's personnel file.
Seat Belts

1022.1 PURPOSE AND SCOPE
The use of seat belts and other safety restraints significantly reduces the chance of death or injury in case of a traffic crash. This policy establishes guidelines for seat belt and child safety seat use to promote maximum operator and passenger safety, thus reducing the possibility of death or injury as the result of a motor vehicle crash. This policy will apply to all employees operating or riding in department vehicles.

1022.2 WEARING OF SAFETY RESTRAINTS
All employees shall wear properly adjusted safety restraints when operating or riding in a seat equipped with restraints, in any vehicle owned, leased or rented by this department, on- or off-duty, or in any privately owned vehicle while on-duty. The employee driving such a vehicle shall ensure that all other occupants, including non-employees, are also properly restrained.

Exceptions to the requirement to wear safety restraints may be made only in exceptional situations where, due to unusual circumstances, wearing a seat belt would endanger the officer or the public. Employees must be prepared to justify any deviation from this requirement.

1022.2.1 TRANSPORTING CHILDREN
An approved child safety restraint system should be used for all children of age, size or weight for which such restraints are required by law. In the event that an appropriate approved child safety restraint system is not available, the child may be transported by sworn personnel and should be restrained in a seat belt (625 ILCS 25/4).

Rear-seat passengers in a cage-equipped vehicle may have reduced clearance, which requires careful seating and positioning of seat belts. Due to this reduced clearance, children and the child restraint system or booster seat should be secured properly in the front seat of these vehicles, provided this positioning meets the vehicle and child restraint system manufacturer's design and use recommendations. In the event that a child is transported in the front seat of a vehicle, the passenger side airbag shall be deactivated if such a feature is available. In the event it is not possible to deactivate the passengers airbag, officers should consider arranging for alternative transportation.

1022.3 TRANSPORTING PRISONERS
Whenever possible, prisoners should be secured in the prisoner restraint system in the rear seat of the patrol vehicle or, when a prisoner restraint system is not available, by seat belts. The prisoner should be in a seating position for which seat belts have been provided by the vehicle manufacturer. The prisoner restraint system is not intended to be a substitute for handcuffs or other appendage restraints.

1022.4 INOPERABLE SEAT BELTS
No person shall operate a department vehicle in which the seat belt in the driver's position is inoperable. No person shall be transported in a seating position in which the seat belt is inoperable.
Seat Belts

No person shall modify, remove, deactivate or otherwise tamper with the vehicle safety belts, except for vehicle maintenance and repair staff who shall do so only with the express authorization of the Chief of Police.

Employees who discover an inoperable restraint system shall report the defect to the appropriate supervisor. Prompt action will be taken to replace or repair the system.
Body Armor

1024.1 PURPOSE AND SCOPE
The purpose of this policy is to provide law enforcement officers with guidelines for the proper use of body armor.

1024.2 POLICY
It is the policy of the Department to maximize officer safety through the use of body armor in combination with prescribed safety procedures. While body armor provides a significant level of protection, it is not a substitute for the observance of officer safety procedures.

1024.3 ISSUANCE OF BODY ARMOR
The Administration supervisor or the Chief of Police or his or her designee shall ensure that body armor is issued to all officers when the officer begins service at the Department and that, when issued, the body armor meets or exceeds the standards of the National Institute of Justice.

The Administration supervisor or the Chief of Police or his or her designee shall establish a body armor replacement schedule and ensure that replacement body armor is issued pursuant to this schedule or whenever the body armor becomes worn or damaged to the point that its effectiveness or functionality has been compromised.

1024.3.1 USE OF SOFT BODY ARMOR
Generally, the use of body armor is required subject to the following:

(a) Officers shall only wear agency-approved body armor.
(b) Officers shall wear body armor anytime they are in a situation where they could reasonably be expected to take enforcement action.
(c) Officers may be excused from wearing body armor when they are functioning primarily in an administrative or support capacity and could not reasonably be expected to take enforcement action.
(d) Body armor shall be worn when an officer is working in uniform or taking part in Department range training.
(e) An officer may be excused from wearing body armor when he/she is involved in undercover or plainclothes work that his/her supervisor determines could be compromised by wearing body armor, or when a supervisor determines that other circumstances make it inappropriate to mandate wearing body armor.

1024.3.2 INSPECTIONS OF BODY ARMOR
Supervisors should ensure that body armor is worn and maintained in accordance with this policy through routine observation and periodic documented inspections. Annual inspections of body armor should be conducted by an authorized designee for fit, cleanliness, and signs of damage, abuse and wear.

1024.3.3 CARE AND MAINTENANCE OF SOFT BODY ARMOR
Soft body armor should never be stored for any period of time in an area where environmental conditions (e.g., temperature, light, humidity) are not reasonably controlled...
(e.g., normal ambient room temperature/humidity conditions), such as in automobiles or automobile trunks.

Soft body armor should be cared for and cleaned pursuant to the manufacturer's care instructions provided with the soft body armor. The instructions can be found on labels located on the external surface of each ballistic panel. The carrier should also have a label that contains care instructions. Failure to follow these instructions may damage the ballistic performance capabilities of the armor. If care instructions for the soft body armor cannot be located, contact the manufacturer to request care instructions.

Soft body armor should not be exposed to any cleaning agents or methods not specifically recommended by the manufacturer, as noted on the armor panel label.

Soft body armor should be replaced in accordance with the manufacturer's recommended replacement schedule.

1024.4 RANGEMASTER RESPONSIBILITIES

The Rangemaster should:

(a) Monitor technological advances in the body armor industry for any appropriate changes to Department approved body armor.

(b) Assess weapons and ammunition currently in use and the suitability of approved body armor to protect against those threats.

(c) Provide training that educates officers about the safety benefits of wearing body armor.

(b) The employee has had the opportunity to receive necessary counseling and/or psychological clearance to return to full duty.

1032.6 PHYSICAL AND PSYCHOLOGICAL EXAMINATIONS

(a) Whenever circumstances reasonably indicate that an employee is unfit for duty, the Chief of Police may serve that employee with a written order to undergo a physical and/or psychological examination in cooperation with Personnel Department to determine the level of the employee's fitness for duty. The order shall indicate the date, time and place for the examination.

(b) The examining physician or therapist will provide the Department with a report indicating that the employee is either fit for duty or, if not, listing any functional limitations which limit the employee's ability to perform his or her job duties. Fitness for Duty

Limitations on the number of hours worked apply to shift changes, shift trades, rotation, holdover, training, general overtime and any other on or off-duty work assignments including, but not limited to, work authorized by the department under Policy Manual § 1040.

1032.8 APPEALS
An employee who is separated from paid employment or receives a reduction in salary resulting from a fitness for duty exam shall be entitled to an administrative appeal as outlined in the Conduct Policy.
Meal Periods, Breaks, Restricted Leave

1034.1 PURPOSE AND SCOPE
This policy regarding meals and breaks is superseded by the affected employee's collective bargaining agreement. If not covered in the employee’s CBA, this policy shall conform to and be guided by the policy governing all City employees that has been established by the City Manager (820 ILCS 140/3).

1034.1.1 MEAL PERIODS
Sworn employees, telecommunicators, and custody personnel shall remain on duty subject to call during meal breaks. All other employees are not on call during meal breaks unless directed otherwise by a supervisor.

All employees will receive an appropriate meal period not more than five hours from the start of the work period absent emergency situations (820 ILCS 140/3).

Uniformed patrol and traffic officers shall request clearance from the Communications Center prior to taking a meal period. Uniformed officers shall take their breaks within the City limits unless on assignment outside of the City.

The time spent for the meal period shall not exceed the authorized time allowed.

1034.1.2 BREAKS
Each employee is entitled to a 15 minute break, near the midpoint, for each four-hour work period. Only one 15 minute break shall be taken during each four hours of duty. No breaks shall be taken during the first or last hour of an employee's shift unless approved by a supervisor.

Employees normally assigned to the police facility shall remain in the police facility for their breaks. This would not prohibit them from taking a break outside the facility if on official business.

Field officers will take their breaks in their assigned areas, subject to call and shall monitor their radios. When field officers take their breaks away from their vehicles, they shall do so only with the knowledge and clearance of the Communications Center. Exceptions require supervisor approval.

The time spent for the break period shall not exceed the authorized time allowed.

1034.1.3 RESTRICTED LEAVE
Employees upon request may use up to one hour of paid leave or more if authorized by the collective bargaining agreement to donate blood every 56 days (820 ILCS 149/10).

Employees with the approval of a supervisor are entitled to take up to two hours of paid leave to vote (10 ILCS 5/7-15).
Lactation Break Policy

1035.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidelines for reasonable accommodations for employees desiring to express breast milk for the employee's infant child as outlined in the Nursing Mothers in the Workplace Act (820 ILCS 260/10 and 29 USC § 207).

1035.2 POLICY
It is the policy of this department to provide, in compliance with the Fair Labor Standards Act, reasonable unpaid break time and appropriate facilities to accommodate any employee desiring to express breast milk for her nursing infant (820 ILCS 260/10 and 29 USC § 207).

1035.3 LACTATION BREAK TIME
A rest period should be permitted each time the employee has the need to express breast milk (29 USC § 207). In general, lactation breaks that cumulatively total 30 minutes or less during any four-hour work period or major portion of a four-hour work period would be considered reasonable. However, individual circumstances may require more or less time.

Lactation breaks, if feasible, should be taken at the same time as the employee’s regularly scheduled rest or meal periods.

While a reasonable effort will be made to provide additional time beyond authorized breaks, any additional time exceeding regularly scheduled and paid break times will be unpaid (820 ILCS 260/10 and 29 USC § 207).

Employees desiring to take a lactation break shall notify the Communications Center or a supervisor prior to taking such a break and such breaks may be reasonably delayed if they would unduly disrupt department operations (820 ILCS 260/10).

Once a lactation break has been approved, the break should not be interrupted except for emergency or exigent circumstances.

1035.4 PRIVATE LOCATION
The Department will make reasonable efforts to accommodate employees with the use of an appropriate room or other location to express milk in private. Such room or place should be in close proximity to the employee’s work area and shall be other than a bathroom or toilet stall (820 ILCS 260/15). The location must be shielded from view and free from intrusion from co-workers and the public (29 USC § 207).

Employees occupying such private areas shall either secure the door or otherwise make it clear that the area is occupied with a need for privacy. All other employees should avoid interrupting an employee during an authorized break, except to announce an emergency or other urgent circumstance.

Authorized lactation breaks for employees assigned to the field may be taken at the nearest appropriate private area.
1035.5  STORAGE OF EXPRESSED MILK
Any employee storing expressed milk in any authorized refrigerated area within the
department shall clearly label it as such and shall remove it when the employee ends her
shift.
Payroll Record Procedures

1036.1 PURPOSE AND SCOPE
Payroll records are submitted to Administration on a bi-weekly basis for the payment of wages.

1036.1.1 RESPONSIBILITY FOR COMPLETION OF PAYROLL RECORDS
Employees are responsible for the accurate and timely submission of payroll records for the payment of wages.

1036.1.2 TIME REQUIREMENTS
All employees are paid on a bi-weekly basis usually on Friday with certain exceptions such as holidays. Payroll records shall be completed and submitted to Administration no later than 8:00 a.m. on the Wednesday morning before the end of the pay period, unless specified otherwise.
Overtime Compensation Requests

1038.1 PURPOSE AND SCOPE
It is the policy of the Department to compensate non-exempt salaried employees who work authorized overtime either by payment of wages or by the allowance of accrual of compensatory time off as provided in the personnel manual or as agreed and in effect through any applicable collective bargaining agreement. In order to qualify for either, the employee must complete and submit a Request for Overtime Payment as soon as practical after overtime is worked.

1038.1.1 DEPARTMENT POLICY
Because of the nature of police work, and the specific needs of the Department, a degree of flexibility concerning overtime policies must be maintained.

Non-exempt employees are not authorized to volunteer work time to the Department. All requests to work overtime shall be approved in advance by a supervisor. If circumstances do not permit prior approval, then approval shall be sought as soon as practical during the overtime shift and in no case later than the end of shift in which the overtime is worked.

Short periods of work at the end of the normal duty day (e.g., less than one hour in duration) may be handled between the supervisor and the employee by flexing a subsequent shift schedule to compensate for the time worked rather than by submitting requests for overtime payments. If the supervisor authorizes or directs the employee to complete a form for such a period, the employee shall comply.

The individual employee may request compensatory time in lieu of receiving overtime payment, however, the employee may not exceed 480 hours of compensatory time.

1038.2 REQUEST FOR OVERTIME COMPENSATION
Employees shall submit all overtime compensation requests to their immediate supervisors as soon as practicable for verification and forwarding to the Administration Division.

Failure to submit a request for overtime compensation in a timely manner may result in discipline.

1038.2.1 EMPLOYEES RESPONSIBILITY
Employees shall complete the requests immediately after working the overtime and turn them in to their immediate supervisor or the Shift Commander. Employees submitting overtime cards for on-call pay when off duty shall submit cards to the Shift Commander or the Chief of Police or his or her designee the first day after returning for work.

1038.2.2 SUPERVISORS RESPONSIBILITY
The supervisor who verifies the overtime earned shall verify that the overtime was worked before approving the request.

After the entry has been made on the employee's time card, the overtime payment request form is forwarded to the employee's Division Commander or the Chief of Police or his or her designee for final approval.

1038.3 ACCOUNTING FOR OVERTIME WORKED
Employees are to record the actual time worked in an overtime status. In some cases, the collective bargaining agreement provides that a minimum number of hours will be paid, (e.g., two hours for Court, four hours for outside overtime). In these cases the supervisor will ensure that the actual time worked and the minimum overtime payment is recorded.

1038.3.1 ACCOUNTING FOR PORTIONS OF AN HOUR
When accounting for less than a full hour, time worked shall be rounded up to the nearest quarter of an hour as indicated by the following chart:

<table>
<thead>
<tr>
<th>TIME WORKED</th>
<th>INDICATE ON CARD</th>
</tr>
</thead>
<tbody>
<tr>
<td>1 to 15 minutes</td>
<td>¼ hour</td>
</tr>
<tr>
<td>16 to 30 minutes</td>
<td>½ hour</td>
</tr>
<tr>
<td>31 to 45 minutes</td>
<td>¾ hour</td>
</tr>
<tr>
<td>46 to 60 minutes</td>
<td>1 hour</td>
</tr>
</tbody>
</table>

1038.3.2 VARIATION IN TIME REPORTED
Where two or more employees are assigned to the same activity, case, or court trial and the amount of time for which payment is requested varies from that reported by the other officer, the Shift Commander or other approving supervisor may require each employee to include the reason for the variation on the back of the overtime payment request.

1040.1 PURPOSE AND SCOPE
To avoid actual or perceived conflicts of interest for departmental employees engaging in outside employment, all employees shall obtain written approval from the Chief of Police prior to engaging in any outside employment. To obtain approval for outside employment, the employee must complete an Outside Employment Application which shall be submitted to the employee's immediate supervisor. The application will then be forwarded through channels to the Chief of Police for consideration, along with any applicable comments or review of work history provided by the submitting supervisor or any other supervisor having information which should be legitimately considered as factors for approval or rejection.

Applications must be accompanied by a City indemnification/hold harmless agreement executed by the outside employer.

If approved, the employee will be provided with a copy of an approved permit. Unless otherwise indicated in writing on the approved permit, a permit will be valid through the end of the calendar year in which the permit is approved, except in cases where the permit is revoked as allowed for elsewhere in this policy, prior to the end of the calendar year. Any employee seeking to renew a permit shall submit a new Outside Employment Application in a timely manner.

1040.2.2 REVOCATION/SUSPENSION OF OUTSIDE EMPLOYMENT PERMITS
Any outside employment permit may be revoked or suspended under the following circumstances:

(a) When an employee's performance at this department is evaluated by a supervisor as needing improvement to reach an overall level of competency, the Chief of Police may, at his/her discretion, revoke any outside employment permit(s). That revocation will stand until the employee's performance has been reestablished at a satisfactory level and his/her supervisor recommends reinstatement of the outside employment permit.

(b) When included as a term or condition of sustained discipline.

(c) When an employee's conduct or outside employment conflicts with the provisions of department policy, the permit may be suspended or revoked.

(d) When an employee is unable to perform at a full duty capacity due to an injury or other condition, any previously approved outside employment permit may be subjected to similar restrictions as those applicable to the employee's full time duties until the employee has returned to a full duty status.

1040.3 PROHIBITED OUTSIDE EMPLOYMENT
The Department expressly reserves the right to deny any Outside Employment Application submitted by an employee seeking to engage in any activity which:

(a) Involves the employee's use of departmental time, facilities, equipment or supplies, the use of or reliance upon the Department badge, uniform, prestige or influence for private gain or advantage.

(b) Involves the employee's receipt or acceptance of any money or other consideration from anyone other than this department for the performance of an act which the employee, if not performing such act, would be required or expected to render in the regular course or hours of employment or as a part of the employee's duties as a member of this department.

(c) Involves the performance of an act in other than the employee's capacity as a member of this department that may later be subject directly or indirectly to the control, inspection, review, audit or enforcement of any other employee of this department.

Such extra duty overtime assignments will be assigned, monitored and paid through the Department.

(a) The applicant will be required to enter into an indemnification agreement prior to approval.
(b) The applicant will further be required to provide for the compensation and full benefits of all employees requested for such outside security services.
(c) Should such a request be approved, any employee working outside overtime shall be subject to the following conditions:

This shall include the prohibition of access to official records or databases of this department or other agencies through the use of the employee's position with this department.

1040.4.1 REVIEW OF FINANCIAL RECORDS
Prior to providing written approval for an outside employment position, the Department may request that an officer provide his or her personal financial records for review/audit in order to determine whether a conflict of interest exists. Failure of the employee to provide the requested personal financial records could result in denial of the off-duty work permit. If, after approving a request for an outside employment position, the Department becomes
concerned that a conflict of interest exists based on a financial reason, the Department may request that the employee provide his or her personal financial records for review/audit. If the employee elects not to provide the requested records, his or her off-duty work permit may be revoked pursuant to Policy Manual § 1040.2.2(c).

1040.5 TERMINATION OF OUTSIDE EMPLOYMENT

If an employee terminates his/her outside employment during the period of a valid permit, the employee shall promptly submit written notification of such termination to the Chief of Police through channels. Any subsequent request for renewal or continued outside employment must thereafter be processed and approved through normal procedures set forth in this policy.

Department members engaged in outside employment who are placed on disability leave or modified/light-duty shall inform their immediate supervisor in writing within five days whether or not they intend to continue to engage in such outside employment while on such leave or light-duty status. The immediate supervisor shall review the duties of the outside employment along with any related doctor's orders, and make a recommendation to the Chief of Police whether such outside employment should continue.

In the event the Chief of Police determines that the outside employment should be discontinued or if the employee fails to promptly notify his/her supervisor of his/her intentions regarding their work permit, a notice of revocation of the member's permit will be forwarded to the involved employee, and a copy attached to the original work permit.

When appropriate, an employee being treated for an on-duty injury should inform the attending physician that a modified duty assignment may be available at the Department. Limited-service duty may be available for the employees whose injuries prevent resumption of regular duties.

An injured employee or employee who has suffered a work-related illness shall report as soon as practical to his/her immediate supervisor the medical findings concerning the injury and the extent and duration of any work restrictions if they are known. In no case shall the employee accept a settlement without first providing such written notice to the Chief of Police. The purpose of such notice is to permit the City to determine whether or not the offered settlement will affect any claim the City may have regarding payment for damage(s) to equipment or reimbursement for wages against the person who caused the accident or injury and to protect the City's right of subrogation, while ensuring that the employee's rights to receive compensation for injuries are not affected.

The employee must inform the Department of her intent regarding reassignment, job accommodations and anticipated leave for the pregnancy or prenatal care. The employee shall also submit a statement from her health care provider of any job restrictions or limitations she may have.

1054.4.6 SUPERVISOR'S RESPONSIBILITY
Upon receiving the medical verification of the pregnancy and a request for job accommodation, reassignment or leave, the supervisor shall notify the Division Commander, who will consider assigning the employee to an available temporary modified-duty assignment if it is deemed appropriate by the Department or medically necessary by the employee's health care provider.

If at any point during the pregnancy it becomes necessary for the employee to take a leave of absence, such leave shall be granted consistent with the City's Personnel Rules and Regulations regarding Family and Medical Care Leave.

1054.5 PROBATIONARY EMPLOYEES
Probationary employees who are assigned to a temporary modified-duty assignment shall have their probation extended by a period of time equal to the employee's assignment to modified duty or long-term medical leave of absence.

1054.6 MAINTENANCE OF CERTIFICATION AND TRAINING
Employees assigned to modified duty shall maintain all certification, training and qualifications appropriate to both their regular and temporary duties, provided the certification, training or qualifications are not in conflict with any limitations or restrictions. Such certification, training and qualification requirements shall be met prior to return to full duty. Employees who are assigned to modified duty shall inform their supervisor of any inability to maintain any certification, training or qualifications.
Performance History Audits

1056.1 PURPOSE AND SCOPE
Performance History Audits are collections of data designed to assist supervisors evaluating the performance of their employees. Performance History Audits can help identify commendable performance as well as early recognition of training needs and other potential issues. While it is understood that the statistical compilation of data may be helpful to supervisors, it cannot account for, and must be carefully balanced with the many variables in law enforcement such as:

• An officer’s ability to detect crime.
• An officer’s work ethic.
• An officer’s work assignment and shift.
• An officer’s physical abilities, stature, etc.
• Randomness of events.

1056.2 RESPONSIBILITIES
The Professional Standards Bureau or the Chief of Police or his or her designee is responsible for collecting performance indicators and other relevant data to generate and provide a quarterly Performance History Audit Report for each officer to the appropriate Supervisor. Though generated quarterly, each Performance History Audit will contain data from a one-year period.

The Chief of Police or his or her designee will also forward a copy of each Performance History Audit Report to the Office of the States Attorney and Metro East Police District Commission for review and retention as attorney work product and confidential personnel information.

1056.3 COMPONENTS OF PERFORMANCE HISTORY AUDITS
Performance History Audits will include the following components:

• Performance indicators
• Data analysis
• Employee review
• Follow-up monitoring

1056.4 PERFORMANCE INDICATORS
Performance indicators represent the categories of employee performance activity that the Chief of Police has determined may be relevant data for the generation and analysis of Performance History Audits. Performance indicators may include but are not limited to:

(a) The frequency and findings of use of force incidents.
(b) Frequency of involvement and conduct during vehicle pursuits.
(c) Frequency and findings of citizen complaints.
(d) Number of commendations, compliments and awards (citizen and Department).
(e) Claims and civil suits related to the employee’s actions or alleged actions.
Performance History Audits

(f) Canine bite incidents.
(g) Internal Affairs investigations.
(h) Frequency and reasons for prosecutor case rejections.
(i) Intentional or accidental firearm discharges (regardless of injury).
(j) Vehicle collisions.
(k) Missed court appearances.
(l) Documented counseling memos.

1056.5 COMPILATION OF DATA
The Professional Standards Bureau or the Chief of Police or his or her designee will utilize secure systems and other confidential methods to compile and track information regarding performance indicators for each officer during each quarter in order to prepare Performance History Audit Reports.

1056.6 EMPLOYEE NOTIFICATION AND RESPONSE
The Professional Standards Bureau or the Chief of Police or his or her designee will notify each officer prior to retaining any performance indicator for entry into a Performance History Audit Report. The affected officer may submit a written comment within 10 days regarding each performance indicator. Any such written comment will be attached to the related performance indicator in such a way as to be readily noticed by supervisors reviewing a Performance History Audit Report.

1056.7 DATA ANALYSIS AND ACTION
Upon receipt, officers will review each Performance History Audit Report and determine whether it should be provided to an officer's immediate supervisor for further consideration. The officer's immediate supervisor will carefully review the Performance History Audit Report with the officer to assess any potential trends or other issues which may warrant informal counseling, additional training or a recommendation for other action, including discipline. The officer shall date and sign the Performance History Audit Report and may be provided a copy of the report upon request.

If a supervisor determines that an officer's performance warrants action beyond informal counseling, the supervisor shall advise the Division Commander or the Chief of Police or his or her designee of such recommendation. If the Division Commander or the Chief of Police or his or her designee concurs with the recommendation of the supervisor, he/she shall take steps to initiate the appropriate action.

If discipline or other adverse action is initiated against an officer as a result of a Performance History Audit, the officer shall be entitled to all rights and processes set forth in the Conduct Policy and Personnel Complaint Procedure Policy.

1056.8 CONFIDENTIALITY OF DATA
Information, data and copies of material compiled to develop Performance History Audit Reports shall be considered confidential as part of the employee’s personnel file and will not be subject to discovery or release except as provided by law. Access to the data in the system will be governed under the same process as access to an officer's personnel file as outlined in the Department Peace Officer Personnel Files Policy 1026.
1056.9  RETENTION AND PURGING
Except as incorporated in separate training or disciplinary records, all performance indicators and Performance History Audit Reports shall be purged from the Professional Standards Bureau and all other locations within the Department one year from the date generated. The States Attorney however, shall retain a copy of Performance History Audit Reports for an additional one year period as attorney work product.
Employee Speech, Expression and Social Networking

1058.1 PURPOSE AND SCOPE
This policy is intended to address issues associated with employee use of social networking sites and to provide guidelines for the regulation and balancing of employee speech and expression with the needs of the Department.

Nothing in this policy is intended to prohibit or infringe upon any communication, speech or expression that is protected or privileged under law. This includes speech and expression protected under state or federal constitutions as well as labor or other applicable laws. For example, this policy does not limit an employee from speaking as a private citizen, including acting as an authorized member of a recognized bargaining unit or officer associations, about matters of public concern, such as misconduct or corruption.

Employees are encouraged to consult with their supervisor regarding any questions arising from the application or potential application of this policy.

1058.1.1 APPLICABILITY
This policy applies to all forms of communication including but not limited to film, video, print media, public or private speech, use of all Internet services, including the World Wide Web, email, file transfer, remote computer access, news services, social networking, social media, instant messaging, blogs, forums, video and other file sharing sites.

1058.2 POLICY
Public employees occupy a trusted position in the community, and thus, their statements have the potential to contravene the policies and performance of this department. Due to the nature of the work and influence associated with the law enforcement profession, it is necessary that employees of this department be subject to certain reasonable limitations on their speech and expression. To achieve its mission and efficiently provide service to the public, the Metro East Police District will carefully balance the individual employee's rights against the department's needs and interests when exercising a reasonable degree of control over its employees' speech and expression.

1058.3 SAFETY
Employees should consider carefully the implications of their speech or any other form of expression when using the Internet. Speech and expression that may negatively affect the safety of the department employees, such as posting personal information in a public forum, can result in compromising an employee's home address or family ties. Employees should therefore not disseminate or post any information on any forum or medium that could reasonably be anticipated to compromise the safety of any employee, an employee's family or associates. Examples of the type of information that could reasonably be expected to compromise safety include:

• Disclosing a photograph and name or address of an officer who is working undercover.
• Disclosing the address of a fellow officer.
• Otherwise disclosing where another officer can be located off-duty.
1058.4 PROHIBITED SPEECH, EXPRESSION AND CONDUCT

To meet the department's safety, performance and public-trust needs, the following are prohibited unless the speech is otherwise protected (for example, an employee speaking as a private citizen, including acting as an authorized member of a recognized bargaining unit or officer associations, on a matter of public concern):

(a) Speech or expression made pursuant to an official duty that tends to compromise or damage the mission, function, reputation or professionalism of the Metro East Police District or its employees.

(b) Speech or expression that, while not made pursuant to an official duty, is significantly linked to, or related to, the Department and tends to compromise or damage the mission, function, reputation or professionalism of the Department or its employees. Examples may include:
   1. Statements that indicate disregard for the law or the state or U.S. Constitution.
   2. Expression that demonstrates support for criminal activity.
   3. Participating in sexually explicit photographs or videos for compensation or distribution.

(c) Speech or expression that could reasonably be foreseen as having a negative impact on the credibility of the employee as a witness. For example, posting statements or expressions to a web site that glorify or endorse dishonesty, unlawful discrimination or illegal behavior.

(d) Speech or expression of any form that could reasonably be foreseen as having a negative impact on the safety of the employees of the Department. For example, a statement on a blog that provides specific details as to how and when prisoner transportsations are made could reasonably be foreseen as potentially jeopardizing employees by informing criminals of details that could facilitate an escape or attempted escape.

(e) Speech or expression that is contrary to the canons of the Law Enforcement Code of Ethics as adopted by the Metro East Police District Commission.

(f) Use or disclosure, through whatever means, of any information, photograph, video or other recording obtained or accessible as a result of employment with the Department for financial or personal gain, or any disclosure of such materials without the express authorization of the Chief of Police or the authorized designee.

(g) Posting, transmitting or disseminating any photographs, video or audio recordings, likenesses or images of department logos, emblems, uniforms, badges, patches, marked vehicles, equipment or other material that specifically identifies the Department on any personal or social networking or other website or web page, without the express authorization of the Chief of Police.

(h) Accessing web sites for non-authorized purposes, or use of any personal communication device, game device or media device, whether personally or department-owned, for personal purposes while on-duty, except in the following circumstances:
   1. When brief personal communication may be warranted by the circumstances (e.g., inform family of extended hours).
   2. During authorized breaks; such usage should be limited as much as practicable to areas out of sight and sound of the public and shall not be disruptive to the work environment.

Adopted: 2014/01/01 © 1995-2013 Lexipol, LLC
**Employee Speech, Expression and Social Networking**

Employees must take reasonable and prompt action to remove any content, including content posted by others, that is in violation of this policy from any web page or website maintained by the employee (e.g., social or personal website).

### 1058.4.1 Unauthorized Endorsements and Advertisements

While employees are not restricted from engaging in the following activities as private citizens or as authorized members of a recognized bargaining unit or officer associations, employees may not represent the department or identify themselves in any way that could be reasonably perceived as representing the Department in order to do any of the following, unless specifically authorized by the Chief of Police:

(a) Endorse, support, oppose or contradict any political campaign or initiative.
(b) Endorse, support, oppose or contradict any social issue, cause or religion.
(c) Endorse, support or oppose any product, service, company or other commercial entity.
(d) Appear in any commercial, social or nonprofit publication or any motion picture, film, video, public broadcast or on any web site.

Additionally, when it can reasonably be construed that an employee, acting in his/her individual capacity or through an outside group or organization (e.g., bargaining group), is affiliated with this department, the employee shall give a specific disclaiming statement that any such speech or expression is not representative of the Department.

Employees retain their right to vote as they choose, to support candidates of their choice and to express their opinions as private citizens, including as authorized members of a recognized bargaining unit or officer associations, on political subjects and candidates at all times while off-duty. However, employees may not use their official authority or influence to interfere with or affect the result of an election or a nomination for office. Employees are also prohibited from directly or indirectly using their official authority to coerce, command or advise another employee to pay, lend or contribute anything of value to a party, committee, organization, agency or person for political purposes (5 U.S.C. § 1502)).

### 1058.5 Privacy Expectation

Employees forfeit any expectation of privacy with regard to e-mails, texts or anything published or maintained through file-sharing software or any Internet site (e.g., Facebook, MySpace) that is accessed, transmitted, received or reviewed on any department technology system.

The Department reserves the right to access, audit and disclose for whatever reason any message, including attachments, and any information accessed, transmitted, received or reviewed over any technology that is issued or maintained by the Department, including the department email system, computer network or any information placed into storage on any department system or device.

This includes records of all key strokes or web-browsing history made at any department computer or over any department network. The fact that access to a database, service or web site requires a user name or password will not create an expectation of privacy if it is accessed through department computers or networks.

### 1058.5.1 Personal Accounts

The Department shall not request or require any applicant or employee to divulge any password or related account information in order to gain access to the applicant or
employee's account or profile on a social networking website, nor shall the Department demand access in any manner to an applicant or employee's account or profile on a social networking website (820 ILCS 55/10).

1058.6 CONSIDERATIONS
In determining whether to grant authorization of any speech or conduct that is prohibited under this policy, the factors that the Chief of Police or authorized designee should consider include:

(a) Whether the speech or conduct would negatively affect the efficiency of delivering public services.
(b) Whether the speech or conduct would be contrary to the good order of the Department or the efficiency or morale of its members.
(c) Whether the speech or conduct would reflect unfavorably upon the Department.
(d) Whether the speech or conduct would negatively affect the member's appearance of impartiality in the performance of his/her duties.
(e) Whether similar speech or conduct has been previously authorized.
(f) Whether the speech or conduct may be protected and outweighs any interest of the Department.

1058.7 TRAINING
Subject to available resources, the Department should provide training regarding employee speech and the use of social networking to all members of the Department.
