

REQUEST FOR QUALIFICATIONS

Purpose:

St. Clair County Community Action Agency (a part of the St. Clair County Intergovernmental Grants Department) is seeking proposals to weatherize homes throughout St. Clair County. Approximately 60-70 homes are to have weatherization, architectural, and mechanical repairs/work/activities that meet the State of Illinois Department of Commerce and Economic Opportunity (DCEO) Weatherization Program specifications.

Submittal requirements:

Sealed contractor qualification package must be submitted to the St. Clair County Community Action Agency, 19 Public Square, Suite 200, Belleville, IL by Friday, September 6, 2019 at 11:00 am. RFQ packets will be opened at 11:30 am in Suite 200.

Package to include a title page that includes the following information: Name of firm; Organization of firm (individual, corporation, partnership, joint venture); Address; Telephone number; Fax number; E-mail address; Name and title of contact person; Location of local branch office or office located nearest St. Clair County. A short resume (maximum one page) of professional individuals who will be working on this project. A statement of availability from the firm to undertake this project with specific reference to the personnel identified above. This statement must include a commitment to complete this project in accordance with the project time-line described below.

Evaluation Criteria:

Critical factors that will be considered in evaluating the proposals are as follows:

The specific approach of the firm to the successful completion and implementation of this project. Priority will be given to firms that demonstrate sensitivity to the needs of the public sector and ability to interact and work with St. Clair County Community Action Agency.

Qualifications of individuals who will have direct involvement in tasks on this project. Despite the overall capabilities and experience of the team, attention will be directly focused on the personnel assigned to the project and manner in which they will be organized and managed.

Capacity of the firm to perform the work within the proposed project schedule. Proposal submittal should contain sufficient information to allow St. Clair County Community Action Agency to adequately assess the approach, qualifications, and experience of the contractor and must address each of the submittal requirements.

Minimum Qualification and Proposal Requirements:

OSHA 30 training, Lead Safe Work Practices, and registered with EPA RRP firm
