SECTION 1 PROGRAM DESCRIPTION AND REQUIREMENTS

1.1 The Workforce Innovation and Opportunity Act

The Workforce Innovation and Opportunity Act (WIOA) is federal legislation that guides employment and training programs and was passed into law on July 22, 2014. WIOA provides the framework through which workforce areas and regions can leverage Federal, state, local and philanthropic resources to support businesses and job seekers. It seeks to help improve individual's access to employment and training activities that are relevant to current labor market conditions.

WIOA emphasizes training that leads to credentials in targeted growth sectors of the economy. It encourages service coordination among education and workforce partner agencies and the creation and utilization of career pathways in the targeted sectors. The legislation is designed to help workers, including those with barriers, to access services that lead to employment in demand occupations.

WIOA puts the One-Stop system and its operation at the forefront of workforce development activities. WIOA Section 121(d)(2)(A) requires that One-Stop Operators be chosen through a competitive process. The One-Stop Operator is responsible for the management functions of a One-Stop Career Center. The Act also charges the Local Board with responsibility for conducting the competitive procurement for selection of a One-Stop Operator. This procurement must occur at least once every four years. The Mid America Workforce Investment Board (MAWIB) is the Local Board that is responsible for carrying out the procurement in local area 24.

1.2 The Mid America Workforce Investment Board

The Mid America Workforce Investment Board plays a key role in the economic development of our area. MAWIB is a collaboration of business, economic development, education, human resources, community and labor leaders seeking to improve Southwestern Illinois. We do this in many ways that include:

Serve as a point of contact for business, industry and the public sector to communicate their workforce needs.

Promote strategies to encourage life-long learning and improve workplace skills.

Assist in the development of new training programs to benefit the region's workforce.

Conduct planning, oversight, and evaluation of local workforce development programs, including the local One Stop Delivery System.

Coordinate efforts and activities with economic development to promote the region's availability of qualified workers and promote coordination among business and the public sector.

Established under the guidance of the Workforce Innovation & Opportunity Act (WIOA) of 2014 the WIB develops a plan for how the federal employment and training funds will be spent. The WIB also selects the operators and providers of services in the area, and conducts oversight of the employment and training programs. The WIB coordinates workforce development activities in the counties of Clinton, Monroe, Randolph, St. Clair and Washington.

In furtherance of these goals and in keeping with WIOA, The Mid America Workforce Investment Board is requesting proposals for One-Stop Operator Services.

1.3 Marcella Consulting Corporation (MCC)

Marcella Consulting Corporation (MCC) led by workforce consultant Jeff Marcella, has been contracted by the Mid America Workforce Investment Board (MAWIB) to lead the procurement process for selecting a One-Stop Operator. MCC and its team will review all submitted proposals and evaluate them on a scale coordinated and agreed upon by MAWIB, with guidance from the Illinois Department of Commerce and Economic Opportunity (DCEO). Based on its evaluation, MCC will submit its selection, along with a description of the selection process and scoring justification, to the Board for approval.

The purpose of the RFP is to solicit proposals from qualified entities for a WIOA One-Stop Operator for LWA 24.

The LWA 24 comprehensive One-Stop Center is located at:
Illinois workNet Center
