If you are seeking to replace your current Roofing Contractor License with a new business entity and
keep the same qualifying party, you will need to apply for a new Roofing Contractor License, then return
the old license once the new license is issued. See the application for a statement in this regard.

1. Complete the Application for Licensure in its entirety.
   Fee payment in the amount of $125 must be in the
   form of a check or money order made payable to the

   Examination.

   If at any time a licensee allows his/her license to
   lapse, or the qualifying party designated terminates
   or is terminated, or his or her status as qualifying
   party of a licensee is terminated, the licensee will
   be required to designate a qualifying party who
   has taken and passed the examination.

   completed and submitted. This is the only proof of
   liability and property damage insurance which will
   be accepted by this Department.
