

EQUAPAY

BY AUTOAGENT

Turn one annual tax bill into smaller, automated, stress-free monthly payments.

FROM SEARCH TO STRESS-FREE IN MINUTES

Paying property taxes all at once can disrupt your budget and cash flow. EquaPay helps you avoid lump-sum payments by turning your annual or semi-annual property tax bill into predictable, manageable monthly payments.

It's secure, accurate, and built for homeowners, landlords, and property managers.

HOW IT WORKS

- Search by parcel ID, name, or address to locate your tax bill.
- See your monthly payment.
- Enroll and relax, your taxes are paid automatically, on time, every time.
- Receive monthly notifications.
- EquaPay is offered for a small administrative fee.

WHY EQUAPAY?

- Say goodbye to lump-sum bills.
- Predictable payments - budget monthly with confidence.
- Accurate to the penny - real-time property tax data ensures you never overpay or underpay.
- Automatic adjustments - your payment adjusts if your tax bill changes, no action needed.
- Bank-level encryption and full local/state compliance.
- EquaPay is brought to you by Autoagent, the same company trusted by tax offices, banks, and mortgage servicers across the country since 2001.
