

The St. Clair County Highway Department will hold a Public Meeting for the Old Collinsville Road Bridge Replacement over Richland Creek.

The meeting will be held:

October 28, 2026

10 am - 12 pm

Shiloh Community Center

7 Park Dr, Shiloh, IL 62269

The St. Clair County Highway Department has initiated a Phase I & II Engineering Study for removal and replacement of the existing three span structure (S.N. 082-4024) carrying FAU 9168/CH 70 (Old Collinsville Rd) over Richland Creek, located approximately 0.32 miles north of Lebanon Avenue in Swansea, Illinois. The project will be funded with a combination of Illinois Special Bridge Program (ISBP) and County Bridge funds. The purpose of the meeting is to discuss the proposed improvements, construction schedule & closures, as well as answer any questions related to the project. Handouts and display boards will be available for public review, along with information on engineering, land acquisition and environmental processes. Representatives from St. Clair County Highway Department and the project team will be available to discuss the project and answer questions. The meeting will be held in an open house format. No formal presentation will be made. The public is invited to submit comments for consideration during the project development.

A comment form will be provided at the meeting.

Comments may also be mailed to:

1500 Eastport Plaza Drive, Suite 200,

Collinsville, IL, 62234,

sent by email to david.holloway@volkert.com or submitted via phone by calling David Holloway at 618-345-8918. All comments received by Nov. 18 will be included in the official public meeting record. The meeting is accessible to individuals with disabilities.
