# 9-b-3 CIRCUIT CLERK’S ANNUAL FINANCIAL & COMPLIANCE REPORTS 2017.

SCHEFFEL BOYLE  
Certified Public Accountants

June 25, 2018

To the Honorable Kahalah A. Clay, St. Clair County Circuit Clerk &  
To the Honorable Mark Kern, County Board Chairman  
and Members of the County Board  
St. Clair County, Illinois

We have audited the financial statement of the fiduciary fund of the St. Clair County Circuit Clerk for the year ended December 31, 2017. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards and Government Auditing Standards, as well as, certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated October 23, 2017. Professional standards also require that we communicate to you the following information related to our audit.

SIGNIFICANT AUDIT FINDINGS

*Qualitative Aspects of Accounting Practices*  
Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the St. Clair County Circuit Clerk are described in Note 1 to the financial statement. No new accounting policies were adopted and the application of existing policies was not changed during 2017. We noted no transactions entered into by the St. Clair County Circuit Clerk during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management’s knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the financial statement was:

The disclosure of uncollected assessment receivables in Note 4 to the financial statement. All Circuit Clerk receipts are recognized when received, the receivable and any related provision for uncollectable receivables have not been recorded in the financial statement.

The financial statement disclosures are neutral, consistent, and clear.

#### *Difficulties Encountered in Performing the Audit*

We encountered no significant difficulties in dealing with management in performing and completing our audit.

#### *Corrected and Uncorrected Misstatements*

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. There were no misstatements detected as a result of audit procedures that were material, either individually or in the aggregate, to the financial statement taken as a whole.

#### *Disagreements with Management*

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

#### *Management Representations*

We have requested certain representations from management that are included in the management representation letter dated June 25, 2018.

#### *Management Consultations with Other Independent Accountants*

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the governmental unit's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

#### *Other Audit Findings or Issues*

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the governmental unit's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

#### OTHER MATTERS

We were engaged to report on Statement of Changes in Assets and Liabilities - Agency Fund and Report J - Annual Financial Report (except for Part II), which accompany the financial statement but are not required supplementary information (RSI). With respect to this supplementary information, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with accounting principles generally accepted in the United States of America, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statement. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statement or to the financial statement itself.

We are not engaged to report on Part II - Cost of Operating Clerk's Office of Report J, which accompanies the financial statement but is not RSI. Such information has not been subjected to the auditing procedures applied in the audit of the financial statement, and accordingly, we do not express an opinion or provide any assurance on it.

#### RESTRICTION ON USE

This information is intended solely for the use of the St. Clair County Board and management of St. Clair County Circuit Clerk's office and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

/s/ Scheffel Boyle

CERTIFICATE OF COMPLIANCE

WHEREAS, the State of Illinois has enacted "An ACT regulating wages of laborers, mechanics and other workmen employed in any public works by the State, County, City or any public body or any political subdivision or by any one under contract for public works," approved June 26, 1941, as amended, (Illinois Compiled Statutes [820 ILCS 130/1] et seq.), as amended; and

WHEREAS, the aforesaid Act requires that the County of St. Clair investigate and ascertain the prevailing rate of wages as defined in said Act for laborers, mechanics and other workmen in the locality of St. Clair County employed in performing construction of public works, for said County.

NOW, THEREFORE, BE IT RESOLVED, by the County Board of St. Clair County, State of Illinois:

SECTION 1: To the extent and as required by "An ACT regulating wages of laborers, mechanics and other workmen employed in any public works by State, County, City or any public body or any political subdivision or by any one under contract for public works", approved June 26, 1941, as amended, the general prevailing rate of wages in this locality for laborers, mechanics and other workmen engaged in construction of public works coming under the jurisdiction of the County of St. Clair is hereby ascertained to be the same as the prevailing rate of wages for construction work in the St. Clair County area as determined by the Department of Labor of the State of Illinois as of June of the current year, a copy of that determination being attached hereto and incorporated herein by reference. As required by said Act, any and all revisions of the prevailing rate of wages by the Department of Labor of the State of Illinois shall supersede the Department's June determination and apply to any and all public works construction undertaken by the County of St. Clair. The definition of any terms appearing in this Resolution which are also used in aforesaid Act shall be the same as in said Act.

SECTION 2: Nothing herein contained shall be construed to apply said general prevailing rate of wages as herein ascertained to any work or employment except public works of the County of St. Clair to the extent required by the aforesaid Act.

SECTION 3: The County Clerk shall publicly post or keep available for inspection by any interested party in the main office of this County, this determination or any revisions of such prevailing rate of wages. A copy of this determination or of the current revised determination of prevailing rate of wages then in effect shall be attached to all contract specifications.

SECTION 4: The County Clerk shall mail a copy of this determination to any employer, and to any association of employers and to any person or association of employees who have filed their names and addresses, requesting copies of any determination stating the particular rates and the particular class of workmen whose wages will be affected by such rates.

SECTION 5: The County Clerk shall promptly file a certified copy of this Resolution with the Illinois Department of Labor.

SECTION 6: The County Clerk shall cause to be published in a newspaper of general circulation within the area a copy of this Resolution, and such publication shall constitute notice that the determination is effective and that this is the determination of this public body.
