Public Comment:

Robert Allen: I have a comment I'd like to make really quick. On behalf of district 1, I've been dealing with Cheri and the staff there for several incidents down there in State Park. I want to say thank you for the job that you've done. You guys have done an awesome job. You've been spot on and very professional. The people I've been talking to are very happy with the results. Sometimes it gets a little overwhelming down there and that's to say the least. Anyway, I appreciate the work that you've done. Everything that they communicated with the owners, that was all relayed to me through email or phone calls. I just want to say I appreciate the work you do. That's all.

Animal Control Reports:

Cheri: Our save rate is 96%. Of course our kennels are filled. Our humane cares, our calls are beginning to back up quite a bit. Somehow we have to get animals moving.

Robert Trentman replied: So the kennels are full. How about our adoption center? Are we full over there pretty much?

Ashley replied: Yes, we had 23 adoptions last month. We've had 18 so far this month with five or six or maybe seven pending. Hopefully, those will go on for this month and we're pushing them through. We have some sick cats that are holding adoptions back a little bit but not too much. That's pretty typical for this time of the year.

Robert Trentman replied: Do you have a lot of cats?

Ashley replied: Yes. Cat cages are full, dog cages are full.

Cheri replied: We're turning people away all the time.

Robert Trentman replied: Is summertime normally slow on adoptions or?

Ashley replied: Between May and June, yes. But it's starting to pick up again. People like to go on vacation as soon as the kids get out of school. They don't want to come in and adopt right away. Our cat adoptions increased first, now we're seeing a lot of dog adoptions coming through. It will start picking up again.

Robert Trentment replied: What is our mixes of dogs? A lot of pit mixes of course.

Cheri replied: We've got various mixes.

Ashley replied: We've got a lot of (can't say for sure), but full breed dogs that have been coming through. Huskies, Great Pyrenees, Rottweiler, Akita, German Shepherds. Lots of different dogs coming through. Not just pitties right now.

Robert Trentman replied: We found my dad's dogs. So they didn't come through of course. They were gone for about a week and we found them in a barn about five miles away from the house and I drove them home. They just collapsed in their pen. They didn't move for like a week. Now they're back at it, jumping around. Ok, sounds like everyone is working hard.

MOTION by Mr. O'Donnell to approve Cheri and Ashley's report
Second by Mr. Waldron

Vote: Yes 5 No 0 Motion Carried.

MOTION to adjourn by Mr. Mosley. Second by Mr. Greenwald . Motion carried.
