**Cheri report:**

For the month of November the save rate was 97%. Right now on the animal control side we have 25 open dog kennels and 17 open cat cages. The adoption center did nine adoptions in the month of November. As of this morning, we have adopted out every dog we have in the adoption center right now.

Mr. Trentman: Things are going along; our new Vet is working out?

Cheri: Yes, Everything is going well. Everyone is pleased with him.

Mr. Trentman: I stopped in the other day. I was working in the neighborhood and they said they were all out of dogs to adopt and they had one coming over and it was already spoken for.

Mr. Hollingsworth: I would like to say something. The Chairman of East Saint Louis was saying they were having problems with some dogs running around in my district in Washington Park. Is there any way that this board can address that or do I need to be specific, but they say they're all over. Lots of people are scared to come out of their house because they might get attacked.

Cheri: If you want to give me a call in the morning, I'll get the information. I know in the last couple of weeks we've had quite a few calls and we've been down there. We have brought in at least five. We have asked a caller who said her dog had been attacked if we could set a trap out because the ones that are left out there are smart street dogs. This particular person will not take responsibility for a trap. At this point we need someone to be willing to set a trap up in the area.

Mr. Trentman: So he can call you tomorrow?

Cheri: Yes, please give me a call.

Mr. Trentman: Harry, do you have contact information there?

Mr. Hollingsworth: No I don't.

Cheri: 235-0585 extension 3

Mr. Hollingsworth: Thank you.
