St. Clair County Zoning Board of Appeals' ADVISORY REPORT TO THE ST. CLAIR COUNTY BOARD

ADVISORY REPORT

Application By: Alisa Vaughn, 9601 W. Main, Belleville, IL

Case #: 2020-10-PD

Owner: John Erlinger & Renae Eichholz, 2502 S. Belt West, Belleville, IL

Application Filed: 11/6/2020

Publication Date: March 10, 2021

Hearing Date: April 5, 2021 @ 7:45 P.M.

Request: A Special Use Permit for a Planned Building Development pursuant to §40-9-3(H)(3) to allow a gaming lounge serving liquor and/or alcoholic beverages by the drink and office and retail space in an SR-# Zoned District, on property commonly known as 2500 S. Belt West, Belleville, St. Clair Township, Illinois (PPN: 08-20.0-106-049 & 050).

Zoning Board of Appeals Members Present: S. Penny, G. Meister, K. Heberer, S. Howell, & M. Deitz

County Board Members Present at Hearing: None

Testimony: The owner, John Erlinger, as well as Applicant Dr. Alisa Vaughn, presented the case. Mr. Erlinger explained the history of the site and business that have been located in the existing commercial structure. Currently, there is Mr. Erlinger's construction office, as well as a car detailing shop. He said they would like to add two retail spaces for the selling of clothing, jewelry, beauty products, footwear, and/or similar retail. Also, they would like to have a video gaming lounge that serves alcohol by the drink. They are withdrawing the request for a business venue/hall. The new retail space would co-exist with the existing two businesses (construction office and car detail shop).

Dr. Vaughn gave a history of her experience running businesses and leasing space. She indicated she has had inquiries for availability of retail space in the area. She stated that she would sublease the retail space, but the video gaming lounge would be operated by her company.

Both Mr. Erlinger and Dr. Vaughn described the business hours of the new business, employees, and the issue of parking. Dr. Vaughn stated the video gaming lounge would operate 7 days a week, 7:00 a.m. to 12:00 a.m. She stated the retail would operate 6 days a week 10:00 a.m. to 9:00 p.m. The video gaming lounge and retail spaces will be built out as per the plans submitted.

No persons from the public to testify for or against the application.

Witnesses having been sworn, testimony and evidence presented, and the Zoning Board of Appeals being fully advised in the premises, and the Board having considered the following in conjunction therewith, and found:

- (1) Whether the proposed design, location, development and operation of the proposed Special Use will adequately protect the public health, safety, and welfare and the physical environment. The Board found as follows: That the proposed development of the subject property pursuant to the site plan submitted, and given that such would be developed entirely within an existing commercial structure, the minimal increase in traffic that three (3) new business of the nature applied for would create, such would adequately protect the public's health, safety, and welfare and the physical environment.

- (2) *Whether the proposed Special Use is consistent with the County's Comprehensive Plan. The Board found as follows: The proposed use of the property for businesses is not consistent with the County's Comprehensive Plan; however, the particular parcels in question have been used for commercial business type uses for over 50 years, and the existing structure was built for commercial business purposes.*
- (3) *The effect the proposed Special Use may have on the value of the neighboring property and on the County's overall tax base. The Board found as follows: The proposed special use/planned building development would have a positive impact on the value of neighboring property and the County's overall tax base, as the property is currently being underutilized and has vacant spaces, which detracts from property values and tax base.*
- (4) *The availability and the effect the proposed Special Use would have on the public utilities and on traffic circulation on nearby streets. The Board found as follows: The proposed Special Use will have a minimal effect on traffic circulation of nearby streets, and there will be no negative effect on public utilities.*
- (5) *Whether there are any facilities near the proposed Special Use (such as schools or hospitals) that require special consideration. The Board found as follows: There are no hospitals in close proximity to the proposed Special Use/Planned Building Development that require special consideration; however, the site is in proximity to school property and such will be considered when deciding whether to issue a liquor license for the video gaming lounge. The Applicant and Owner acknowledge the distance from a grade school and the college may affect their ability to place a video gaming lounge on this property given liquor license requirements. The retail shops will have no effect on any of the schools.*
- (6) *Whether the proposed Special Use is compatible to adjacent uses and uses in the general vicinity. The Board found as follows: While adjacent uses are residential, there are quite a few business/commercial uses in the general vicinity along S. Belt West, that the proposed additional business will be compatible to uses in the area.*
- (7) *The time period for which the Special Use Permit should be granted or any special requirements for certification of continued compliance with the terms of approval. The Board found as follows: The proposed Special Use will be developed per the site plan, documents and testimony provided by the Owner and Applicant.*

A motion was made by M. Deitz to **GRANT** the request to allow for the three (3) additional business (two retail spaces and one video gaming lounge (subject to liquor license being granted)) per the site plans and documents submitted and the testimony provided, however, the Applicant's request for all uses permitted in a B-1 Zoned District is denied. The motion was seconded by K. Heberer. The members of the Board voted as follows: S. Penny-Yes, G. Meister-No, S. Howell-Yes, M. Deitz-Yes, and K. Heberer-Yes. The motion carried 4 to 1.

IT IS THEREFORE THE RECOMMENDATION OF THE ST. CLAIR COUNTY ZONING BOARD OF APPEALS THAT THE REQUESTED SPECIAL USE PERMIT BE GRANTED IN PART AND DENIED IN PART, FOR THE AFOREMENTIONED REASONS AND WITH THE AFOREMENTIONED CONDITIONS/LIMITATIONS/REQUIREMENTS, BY A MAJORITY OF ALL MEMBERS PRESENT.

- 1) That the proposed development of the subject property pursuant to the site plan submitted and given that such would be developed entirely within an existing commercial structure, the minimal increase in traffic that three (3) new business of the nature applied for would create, such would adequately protect the public's health, safety, and welfare and the physical environment.

- 5) There are no hospitals in close proximity to the proposed Special Use/Planned Building Development that require special consideration; however, the site is in proximity to school property and such will be considered when deciding whether to issue a liquor license for the video gaming lounge. The Applicant and Owner acknowledge the distance from a grade school and the college may affect their ability to place a video gaming lounge on this property given liquor license requirements. The retail shops will have no effect on any of the schools.
- 6) While adjacent uses are residential, there are quite a few business/commercial uses in the general vicinity along S. Belt West, that the proposed additional business will be compatible to uses in the area.
- 7) The proposed Special Use will be developed per the site plan, documents and testimony provided by the Owner and Applicant.
- 8) The board granted the request to allow for three (3) additional businesses (two retail spaces and one video gaming lounge) subject to liquor license being granted) per the site plans and documents submitted and the testimony provided, however, the Applicant's request for all uses permitted in a "B-1" Zone District is denied.

WHEREAS, the County Board of St. Clair, Illinois, concur with the aforesaid findings, conditions and recommendations of the Zoning Board of Appeals;

NOW, THEREFORE BE IT RESOLVED, by the County Board of St. Clair County, Illinois, that the request for a Planned Building Development be granted.

The County shall cooperate in good faith to provide its approval for roadway access in a reasonably prompt manner, for the Improvements. The Developer agrees not to award the contract for the Improvements until said approval is granted. Developer shall obtain any permits, licenses and approvals required for performance of the Improvements work (collectively, the "Approvals"). - 3.04. Dedication: No Obligation of Developer.
