Cheri report:

Our save rate was 100% and we had ten adoptions in the month of April. We also have taken 10 feral cats from the city of Collinsville. They had a hoarding case. The house is in St Clair County, but within the city limits of Collinsville so their animal control, police department removed 101 cats from the home.

Mr. Trentman: Wow. What is the status of the cats?

Cheri: They're pretty scared. I don't think they are true feral cats but they've been in a house with no socialization so they're really afraid. For a while we had to put a towel over their cage just to let them relax and not be so petrified. Some of those are doing a lot better. It's just going to take a while until we get to a point where we can send them off.

Mr. Trentman: Do you have open spots, kennels?

Cheri: We have 25 open dog kennels and five open cat kennels.

Mr. Trentman: We don't want to be upside down in numbers.

Cheri: Right, we don't want to put the sign on the door that our kennels are full. Luckily Gateway and the Humane Society and the other rescues keep pulling and continue like they have been. That helps a lot.

Mr. Trentman: Are you doing any spay and neuter things over the summer?

Cheri: The adoption center or spay and neuter?

Mr. Trentman: Isn't there an adopt a thon?

Cheri: In the fall. We didn't do it last year because of Covid but this fall.

Mr. Trentman: Sounds like things are going good.
