COURTHOUSE SECURITY

The St. Clair County Public Building Commission has announced that beginning **Monday, April 17, 2023 the first floor lobby will become a security checkpoint for everyone entering the St. Clair County Building.**

Employees will pass through a magnetometer and must display their St. Clair County identification card. **All attorneys will be asked to present a bar card along with their driver's license.** These checkpoints may be staffed by personnel who may not be familiar with employees, visitors, attorneys or patrons who frequent the building. Anyone not presenting their identification will be required to pass through a magnetometer and x-ray machine and may be subject to a search of their person and/or possessions.

The current checkpoint configuration will be modified as the County progresses with planned construction.
