

PUBLIC NOTICE

Sealed proposals will be received by the Transportation Committee of the St. Clair County Board at the Office of the County Engineer, 1415 North Belt West, Belleville, Illinois, until 2:30 P.M., Monday, May 23, 2022, for replacing the current HVAC system at the address listed above. The proposed installation officially known as Section 20-00000-02-SM. The sealed proposals will be publicly opened and read at 2:30 P.M., Monday, May 23, 2022.

The new system will consist of roof mounted central station packaged air conditioning units. Heating will be provided by hot water coils in each individual terminal unit supplied by two natural gas pulse combustion hot water boilers.

Printed procurement and contracting documents can be obtained by contacting Snow Printing, 6428 Old St. Louis Road, Belleville, Il. These same documents can be viewed only at the Office of the County Engineer, 1415 N. Belt West, Belleville, IL or the offices of the Southern Illinois Builders Association in O'Fallon, Illinois.

Not less than the prevailing rate of wages as found by the County or the Department of Labor, or determined by the Court on review, shall be paid to all laborers, workmen and mechanics performing work under this contract.

All bids shall be in accordance with the Specifications and Project Manual prepared therefore.

The County Board reserves the right to reject any or all proposals and to waive technicalities.

By Order of the
Transportation Committee of the
St. Clair County Board
Norman Etling, P.E.
County Engineer

PLEASE PUBLISH: April 28, 2022 thru May 23, 2022, inclusive.
