

FOR IMMEDIATE RELEASE

In accordance with the recommendations of the Illinois Department of Public Health, Chairman Mark A. Kern is announcing, until further notice, that the St Clair County Courthouse will close to the general public effective Monday, November 16, 2020, due to the rising COVID-19 positivity rates. All essential services offered by the courthouse will continue, however, you should contact the office from which you require service or contact the general number (618-277-6600) to be directed to the proper office. Each department will remain operational with minimal staffing or any employee possibly working remotely. Office hours and service options will be posted on St. Clair County's web page at <https://www.co.st-clair.il.us/public-notices>. Please visit the website for a list of each department's information, including phone numbers, web address and other related information.
